Entered as second-class matter May 15, 1922, at the post office at LaGrange, Illinois, under the Act of August 24, 1912.

THE DELTASIG is the official publication of the International Fraternity of Delta Sigma Pi, and is published as follows: October, January, April and July.

Chapter letters and all material should be in the hands of the Editor by the fifteenth of the month preceding month of issue to insure publication.

Members of the Fraternity, undergraduates and alumni, are requested to forward items of interest to the Editor.

Installation of Alpha Gamma Chapter at Pennsylvania State College

THE DELTASIG

THE INSTALLATION OF ALPHA GAMMA CHAPTER AT PENNSYLVANIA STATE COLLEGE

THE Pennsylvania State College is located in Centre County almost in the geographical centre of the state, and twelve miles from Bellefonte, the county seat. It lies adjacent to the borough of "State College," which now contains a population of about three thousand. Most of the students are quartered in private homes and fraternity houses in the town. Situated on a plateau, nearly twelve hundred feet above sea level, in a broad rolling valley, with views of Nittany Mountain on the east, Tussey Mountain on the south, and Muncy Mountain on the north, the college offers a beautiful and inspiring environment, an attractive climate and healthful surroundings.

The Pennsylvania State College is the Pennsylvania unit in a national system of state colleges created under the "Morrill Act" of the United States Congress passed July 2, 1862, and an act of the General Assembly of Pennsylvania passed April 1, 1863. Action looking toward the establishment of such an institution was first taken in 1855 when several public spirited citizens of the Commonwealth encouraged by the State Board of Agriculture, secured a charter from the Legislature of Pennsylvania for a "Farmers' High School." It was this institution that was designated in 1863 to fulfill the larger requirements of the Morrill Act.

After several sites had been looked over, a gift of 200 acres in Centre County was accepted from General James Irvin; an additional 200 acres was afterwards purchased by the Board of Trustees. Following the partial completion of the first building, classes were begun on February 20, 1859 when a course of study led only to the occupation of farming. There were sixty-nine students on hand for the opening. In December, 1861, the first class, made up of eleven students, was graduated. Graduate work was first offered in 1861 although the first graduate students did not enroll until 1862.

Upon application of the Trustees in May, 1862, the Court of Centre County changed the name of the institution to the Agricultural College of Pennsylvania. Old Main Building, the oldest building on the campus and the present administrative headquarters, was completed in December, 1863. During the same year, the Legislature of Pennsylvania accepted the Act of Congress of 1862 by which act known as the Morrill Land Grant Act, the national Government offered to every state in the Union, public land scrip in quantity equal to 30,000 acres for each Senator and Representative in Congress, for the endowment of at least one college to fulfill the requirements of the act. The Agricultural College of Pennsylvania was designated for the purpose in Pennsylvania on the ground that the College was then actually giving the kind of instruction required by the law of Congress.

Women students were admitted by the Board of Trustees in 1871 and in 1874 by action of the Court of Centre County, the name of the institution was changed to Pennsylvania State College. Since then, the growth of this

institution has been most consistent, until now it offers thirty-nine courses. The 200 acres have been increased to 1,600.

In the month of October, 1921, two of the more visionary students enrolled in the Department of Commerce and Finance, who had foreseen the advantages arising from a professional fraternity composed of the students in that department, started the formation of a local commerce fraternity which became known as Phi Sigma Beta. Many meetings were held, a constitution was adopted and a petition for the recognition of Phi Sigma Beta was presented to the faculty Committee on Student Welfare and was accepted by them.

As time went on, the desirability of affiliating with a national commerce fraternity was realized and in due time, Delta Sigma Pi was petitioned. After investigation, the Extension Committee made a favorable report and on April 21, 1923, the following were initiated as charter members of Alpha Gamma Chapter:

William Richard Auman
Henry Clifford Bash
Everett Beer Brose
John Vance Chapman, Jr.
George C. Clinger
Harry John Corswirt
Warren Benjamin Cutting
Hummel Fishburn
Frank Dewey Frymire
William Martin Hench
Joseph Ralph Hileman
Clifford Adsit Hill
Ernest Glenmore Hill
Lucien Herbert Hiorns
William Henry King

George Cameron Lehmuth
Asa Earl Martin
Thomas Compton Pakenham
John Atha Patton
Daniel Frederick Pomeroy, Jr.
Alan Edward Post
George M. Davies Richards
Thuman Mitchell Sanford
Cassius Leland Sears
William Warren Stahl
Charles William Stoddard
Ray Scott Tannehill
William David Tate
John Chester Weithaus
Frank Danks Young

and the following were installed as officers for the first year: Head Master, John Atha Patton; Senior Warden, Cassius Leland Sears; Master of Ceremonies, Truman Mitchell Sanford; Treasurer, William Warren Stahl; Scribe, Warren Benjamin Cutting; Historian, John Chester Weithaus.

Those on the installation team were James F. Clyne, Alpha; Frank G. Dickinson, Upsilon; Patrick J. Dougherty, Omega; William F. Otto, Lambda, and Henry Gilbert Wright, Beta. The ceremonies were held in one of the University buildings followed by a formal banquet at the University Club.

The OCTOBER issue of THE DELTASIG

Mail in chapter pictures, chapter letters and special articles now for the next issue.

CHAPTER LETTERS

ALPHA, New York University

THE last quarter of the academic year of 1922-23 was just one big event after another for Alpha Chapter. After having a number of successful house dances, an initiation, annual banquet, annual meeting and commencement awards, Alpha Chapter feels it has passed a successful quarter.

Whenever Frank Wheeler and his committee found an open date they arranged one of those house dances which always pleased everybody. Brother Clune, our master of music, would bring his band around and then the dance would be a success. House dances have become so popular at Alpha we think we will continue to have them all summer. We hope any brother who finds himself in New York will come in and help us have a good time.

In order that the graduating brothers would have a clear recollection of a good initiation we welcomed six new members on June 2. In addition to the usual pitfalls, new goat-getting methods were brought into play and the affair went down as a fine initiation. Although we had a slight repast after the initiation we discovered that their appetites could be satisfied only at an annual banquet so we made them our guests at that affair two nights later. The new brothers are: John I. Madigan, Thomas J. Kelleher, Charles M. Donohue, James C. O'Brien, Charles F. Willemin, John A. Ross and a charter member of Psi, Paul Shanen.

Over one hundred members attended our annual banquet at the Hotel Lafayette on Monday, June 4. Besides the fine turnout we had a wonderful dinner and non-sleep-producing speeches. Altogether the visiting brothers, the alumni and the active members had a good time. Our guests and speakers for the evening were Roy B. Kester, president of Alpha Kappa Psi; Paul H. Nystrom, Brothers Lee Galloway, E. St. Elmo Lewis, George W. Young, Frank B. Morgan and Donald Sherwood. Robert E. Connolly made a very good toastmaster.

Our annual meeting this year not only brought practically all the active brothers around but also a number of the alumni. Elections of officers were held and the following brothers will hold office for 1923-24. Headmaster, Donald Sherwood; Senior Warden, John McManus; Treasurer, Joseph McNulty; Scribe, Ben Ross and Historian, Frank Mantz.

Three Alpha men were elected to the highest offices in honorary societies at New York University. Jim Clyne was elected president of Arch and Square and Frank Morgan was made president of Delta Mu Delta. Harry Hallahan, the new president of the Dramatic Society is the first commerce man to hold this honor.

Thirty brothers received their diplomas from New York University on June 13. Delta Sig received a large portion of the honors when Brother George W. Wegge received his B.C.S. with *magna cum laude* and Brothers W. Cooper and Ivan R. Dudley won *cum laude*. Brother Eugene Molyneaux was awarded the Tau Delta Phi prize. Brother J. H. MacDonald was awarded the degree of M.C.S.

The graduating brothers were:

Arthur Bower
 John Boylan
 John E. Broderick
 Eugene Cleary
 James F. Clyne
 Walter A. Cooper
 Eugene W. Crittenden
 George W. Degge
 Frank W. Dragon
 Ivan R. Dudley
 Guy L. Estey
 William P. Fenelon
 Lynn F. French
 Harry L. Gage
 Austin L. Hale

Henry T. Hallahan
 William Jurgensen
 Thomas F. Lavin
 Christopher Leimbach
 Charles W. Mahnken
 Coleman L. Maze
 Nelson McLaughlin
 Douglas A. Merrifield
 Eugene D. Molyneaux
 Bartholemew J. O'Connor
 Gerald O'Grady
 Daniel J. Quinlan
 Edward J. Schenck
 Kennedy J. Scott
 Thomas R. Swain

During the past quarter Alpha Chapter had the opportunity of greeting a number of brothers from out of town. We hope this will continue as we want 51 West 11th Street to be the headquarters for all Delta Sigs.

BEN ROSS, Scribe.

ALEXANDER F. MAKAY, *Director*

ALEXANDER F. MAKAY

BROTHER ALEXANDER F. MAKAY was one of the founders of Delta Sigma Pi and has been an untiring worker ever since. He has seen the fraternity grow from its small beginning and develop into an organization worthy of the ideals upon which he and others built its foundation.

He was born in New York, May 21, 1888, attended grammar school, Y. M. C. A. Business Institute, Dwight School and New York Preparatory School. He graduated from New York University with the degrees B.C.S. in 1909 and M.C.S. in 1911, receiving the C.P.A. degree in New York state. Practicing accounting since 1909. He is a member of the American Institute of Accountants, the American Society of C.P.A.'s

and the National Association of Cost Accountants.

While at New York University he was very active in student and athletic activities, acting as treasurer of the Student Organization; vice-president and treasurer of the class of 1909; first director of athletics, School of Commerce A. A.; four years on the Varsity football team and three years on the Varsity track team.

Brother Makay has served as director of Delta Sigma Pi for the last two terms, has been treasurer of Alpha Chapter and was president of New York Alumni Chapter for 1919-1921. He is also manager of the New York University, University Letter Club, member of Board of Managers of the Athletic Association and member of the Athletic Council of the University.

Alpha Chapter, New York University

BETA, Northwestern University

WE hope that many of you will find occasion to visit Chicago and 72 Cedar Street during the coming months. Acquaintance can but make our fraternal ties the closer.

The past few months have been busy ones, with numerous events scheduled. Smokers have been held regularly, and among the guests there are quite a few who now wear the insignia of Delta Sigma Pi. Instructive talks have been given at several of these smokers, by men prominent for their success in business.

Two initiations have been held since the last issue of *THE DELTASIG*, and we are now proud to greet the following men as Brothers:

C. M. Barnes
 C. C. Braud
 G. T. Burns
 R. F. Gates
 F. D. Higgins
 P. F. Hoierman

E. J. Hughes, Jr.
 E. F. Kinson
 R. M. Martens
 G. T. Osman
 G. B. Pritchard
 Al. Rogers
 C. J. Welsch

Immediately following the June 9th initiation we had our customary banquet and annual election of officers. The men who will guide Beta's "Ship of State" next year are: Head Master, C. E. Lindstrom; Senior Warden, T. E. Feten; Junior Warden, Frank McKenna; Master of Festivities, E. A. Wilson, Jr.; Master of Ceremonies, Victor Meuer; Scribe, W. P. Wischart; Keeper of the Exchequer, M. G. McEachren.

The retiring officers are to be heartily congratulated on their splendid, untiring efforts during the past year. They gave Beta a mighty fine administration. And we look for a great deal from the incoming officers.

The drive for five and one-half millions of dollars for the Greater Northwestern Buildings was inaugurated by the School of Commerce the latter part of April and met with great success. Commerce went over 100 per cent and Beta of Delta Sigma Pi played no small part. Brother Earle Hoyt had entire charge of the Student and Faculty Campaign; to list the names of all Delta Sigs who worked on the Drive would mean all those who were in school this past semester.

In the Commerce Club elections of this year Brothers Hayward, Pritchard, McManus and Lindstrom were appointed to important offices, and Bert C. Brumm was made Editor of *Northwestern Commerce* for 1923-4.

Some fifty brothers made the trip to Waverley Beach, Indiana, on June 16th as guests of Brothers Edward and Grant Wilson. 'Twas a merry crowd that partook of the clean Dune sand; a semi-comical baseball game provided the "mob" with plenty of laughs.

MALCOLM G. McEACHREN, Scribe.

GAMMA, Boston University

GAMMA Chapter on April 27 and 28 initiated six men into the mysteries of Delta Sigma Pi Fraternity. After visiting some of the historic places in the city, they were put through the different stages and after initiation all the brothers retired to the Hotel Hemenway where a banquet was served. Music was furnished by Bro. Johnson.

The new brothers we wish to introduce are:

Francis Ahearn	Ralph Palladino
Thomas Fitzpatrick	Thomas Sheehan
Thomas Hearn	Robert Smith

Delta Sigma Pi Key was awarded to John P. Hooban who had the highest scholastic standing in the Junior Class. This year the key goes to a person outside the Fraternity, which does not happen very often.

June 18 was Commencement Day for all departments of Boston University, and several of the brothers received their degrees. They are: Cahill, Hartnett, Holden, Lane, Lawlor, Lione, Mannix, Pitts, Reidy, Sinnott, Sullivan and Thayer.

Brothers Lawlor and Sullivan have completed their course in the Reserve Officers Training Corps and have received commissions in the Regular Army. We admire their spirit and hope they will attain glory in any future conflict.

The last meeting of the year took place on May 14. All the brothers turned out for the occasion, and they extended to the retiring officers a vote of thanks. Election of officers was in order. The new Officers for the

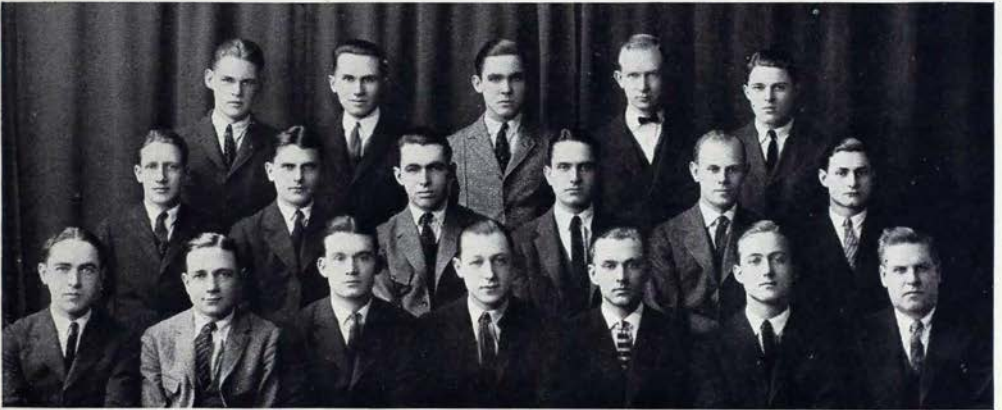

ensuing year are: Head Master, Clement G. Redmond; Scribe, Thomas Hearn; Treasurer, Thomas Fitzpatrick; Senior Warden, Edward A. Ruane; Historian, Thomas Sheehan.

During the past year Gamma Chapter has played a large role in University affairs, the Brothers taking part in class activities, Junior Week, Basket Ball and Base Ball.

Socials, smokers and initiations have been held to help keep up the fraternity spirit. We expect that all the Brothers will cooperate to help make Gamma Chapter as active in the future.

Gamma Chapter sends Alpha Gamma Chapter her best wishes for a bright future.

CLEMENT G. REDMOND, Head Master.

Epsilon Chapter, University of Iowa

EPSILON, University of Iowa

GUESS it's about time you heard from Iowa again. Epsilon has been silent, yet we have been busy. On May fifth we introduced six neophytes to the mysteries of Delta Sigma Pi and on May 22, three more. These men are:

James V. Birkett
John W. Blakeley
G. W. Buxton
Richard H. Garlock
Ivan T. Gardner

Graham Hay
H. J. Osborne
Ross G. Walker
H. Everett Whiteley

When school opens next Fall we come back with sixteen men, and prospects for a big year were never brighter. Brothers Grimm and Blakeley represent Epsilon in the recent election of Juniors to Beta Gamma Sigma.

Brothers Treneman, Garlock, Burney and Guthrie were recently elected to Order of Artus. Brother Grimm is president of Beta Gamma Sigma next year. Brother Garlock is president of the University Y. M. C. A. and Brother Guthrie is president of Order of Artus for the coming year.

This month an event of local interest attracts our attention—the installation of Alpha Omicron chapter of Alpha Kappa Psi. Epsilon welcomes this new fraternity and proposes that both organizations shall gain a great deal because of the existence of the other. There is plenty of room at Iowa for two Commerce fraternities—every good man can't be a Delta Sig. In another place mention is made of our mile relay team. Delta Sigma Pi is represented in this record-breaking quartet by Brother Gerry Noll.

In the line of social festivities Epsilon has but little to say. After a couple of postponements of our spring party we had to give it up because of conflicts with sorority formals and track meets. On May 20th, we had a regular "darb" of a picnic for which Brothers Cotton and Noll deserve a great deal of credit.

Next year we move to more desirable quarters. We hope to show several good prospective Delta Sigs through the mysteries of our fraternity before another football season shall have again decided Iowa as the champion of the middle west. Brother Staples of Nu Chapter visited us recently. Let us hear from some more of you traveling Delta Sigs next fall. Our new quarters will be at 117½ S. Dubuque Street.

New officers for next semester are: Don M. Guthrie, Head Master; Fred E. Skinner, Treasurer; James H. Treneman, Scribe; Ralph S. Plane, Historian.

CLARENCE W. FACKLER, *Director.*

CLARENCE W. FACKLER

BROTHER Clarence W. Fackler was elected a member of the Board of Directors of Delta Sigma Pi at the 1922 Convention held in Chicago. He was born in Des Moines, Iowa, June 21, 1898. In 1916 he graduated from East Des Moines High School. The fall of the same year he entered the State University of Iowa from which institution he received the Bachelor of Arts degree in 1920. He was the first Head Master of Epsilon Chapter, President of the Commerce Club, Beta Gamma Sigma and the Zetagathian Literary Society. Brother Fackler is a member of Acacia, Beta Gamma Sigma (Honorary Commerce), Delta Sigma Rho (Honorary Forensic), and Order of Artus (Honorary Economics).

After leaving the University, he was engaged as an accountant with the firm of Scovell, Wellington & Company, public accountants, at their Chicago office. He was appointed Instructor in Commercial Engineering at the University of Cincinnati in July, 1921, which position he now occupies. He has also held the position of Instructor in Economics in the school conducted by the Cincinnati Chapter of the American Institute of Banking. Brother

Fackler received the Degree of Master of Arts from the University of Cincinnati this year, and has been appointed Instructor in Accountancy at the University of Illinois commencing September, 1923.

ETA, University of Kentucky

NOW that we have come to the close of another school year, it befalls the lot of another new scribe to briefly summarize the year's work.

On retrospectively viewing the happenings of Eta Chapter, one finds that Delta Sigma Pi has been unusually active at the University of Kentucky during the scholastic year of 1922-23. The success of the year's work is due to the coöperation of every member, for each one was always ready and anxious to give an extra "Push" to advance the cause of Delta Sigma Pi on the campus and to help the students in the commercial school, a college second to none in the university.

More particularly, however, is the success due to our efficient officers and leaders. In our Head Master, Brother Otis L. Jones, we had as fine a leader as any chapter of Delta Sigma Pi. He had the interest of the Fraternity at heart and was always ready to advance the work of Eta Chapter. In our scribe, Brother T. R. Anderson, we had a Brother possessing an ability for writing letters for publication, which surpassed all those before him and with which it will be very difficult for any future scribe to compare. The other officers contributed their part, in their respective lines of duty, to the success of the year's work.

Being a young member of the Delta Sigma Pi, I think I can truthfully say in behalf of all the other young Delta Sigs, that the initiation of the pledges was no small event of the year. Probably this event seemed so big and made such an impression on us, because of the fact that it was the first affair in which we were allowed to participate.

However, this is not the only event that Eta chapter has recorded on the pages of its history, for there were many other worthwhile happenings during the year, several of which were addresses delivered by men of various fields of business in Lexington. These meetings enabled us to get in touch with some of the successful insurance men, bankers, retail sales managers, advertising men, and coöperative men.

And again, we must not forget the social life of the past school year, for there were many events which I am sure will long be remembered by our Eta Brothers. Chief of our social events were smokers and discussion groups and banquets, having had four of the latter in toto.

Our last meeting was a farewell banquet held in the private dining room of the Phoenix Hotel on the evening of May 27, 1923. On this occasion in addition to having 100 per cent of the active members present, the pleasure was ours of greeting our older Brothers Loyd, Wilhelm, Watson, Sun, Cooper, and Kemp-Kifford, now Alumni. Every one in attendance expressed himself as having spent an evening of great enjoyment with a hand shake and "good-by," the year's work of Delta Sigma Pi was brought to a successful close.

Concerning the Delta Sig Key this year, the Delta Sigma Pi men had very little chance when running with one of the fair sex, Miss Luanna Duckwall, an excellent student, who graduated with a standing of 2.8 for four

years' work. She was an unusual student for making A's. The key was rightfully and cheerfully awarded her; at the same time it was hoped that the Delta Sigma Pi men would get down to some real hard work and make the race for the key a little more interesting. Let's go in Delta Sigs, to win!

Here's wishing every Delta Sig a pleasant and profitable summer!

A. L. ATCHISON, Scribe.

THETA, University of Detroit

XI-THETA'S joint initiation took place at Ann Arbor, April 21st, increasing the "population" of Delta Sigma Pi by ten—seven for Xi and three for Theta.

Our vanguard of neophytes, Frances E. Dacy, Thomas A. Digby, Cedric Simon, and our brutal paddlers, A. T. Darling and Charlie Rapp, provided delightful entertainment for the blood-thirsty neophyte class of March 24th.

On May 12th the University Theater, under the gallant leadership of Brother Wendel V. Hall, staged George M. Cohan's comedy success, "Seven Keys to Baldpate" before a record-breaking crowd at Orchestra Hall. Several brothers shared in the glory of filling the little theater's empty coffers with gold and broadcasting the now world-famed Delta Sig talent. Charlie Pastor, Walter Perkins and Wendel Hall were the outstanding stars.

There was one event that gleams although it had no place on the program: while rehearsing the "fight scene" Charlie Pastor received an unwelcome smash on the jaw that actually knocked him out. Unconscious, Charlie with his caved-in jaw was rushed to the hospital by his frenzied seconds, but Chuck's pluck and that famous Delta Sig fight permitted his appearing before the footlights on the following day to shine with his brother stars.

The 39th Annual Commencement of the University of Detroit was held at the Arcadia Auditorium, Friday, June 8th.

M.C.S. Degrees were awarded to Brothers A. T. Darling, W. V. Hall, E. W. Hess, R. O. Hill.

B.C.S. Degrees were awarded to Brothers G. J. Althoff, W. F. Gregory, W. C. Herz, G. F. Janiga, E. F. Long, E. H. Lynch, B. D. Marshall, L. T. Rademacher, C. J. Rapp, E. P. Riehl, J. C. Seaman, B. T. Shanley, C. G. Simon, Sheldon Smith, W. A. Sterling, E. Thistle, C. V. Verbiest, A. C. Winger, H. Zerbe.

Theta Chapter has held three big initiations thus far this year, or a grand total of twenty-three brothers for Delta Sigma Pi. Before this issue leaves the press our fourth initiation, scheduled for June 23rd, will be on record. Immediately after the ceremonies the new officers for the ensuing year will be elected to carry on the noble work of our present officers. This event promises to be in keeping with a fitting close to a most successful year.

ELMER W. HESS.

R. C. SCHMIDT, Director

BROTHER Rudolph Charles Schmidt, who was elected as a member of the Board of Directors of Delta Sigma Pi, has been a conscientious and sincere worker for the uplift and welfare of Delta Sigma Pi.

He was born September 14, 1895, at Chicago, Illinois, attended grammar and high school in the City of Detroit and in the year 1916, entered the University of Detroit as a law student and in 1917, along with his law subjects, took up the course of Commerce and Finance at the aforesaid university. He was a charter member of Theta Chapter when it was organized in 1921 and became the first Head Master of said Chapter.

In the University of Detroit he was very active in student activities, serving as secretary of the Freshmen Class, arrangement committee of the Junior Class, member of the committee on the Junior Hop. In his Senior year at the University he was assistant director of the University of Detroit Orchestra.

In the year 1918 he entered the service of the United States Navy and served as Chief Naval Clerk in the Special Delivery Department at the Great Lakes Naval Training Station, Great Lakes, Illinois, holding said position until the month of March, 1919, at which time he was released from service.

His business career has been mostly confined as that of Abstractor with the Burton Abstract and Title Company and in 1922, he organized his own company known as R. C. Schmidt & Company doing a collection and general insurance business. Although not actively engaged in said business, he is holding the office of president of this corporation.

Brother Schmidt is married and is the proud father of a future Deltasig.

He was elected a member of the Board of Directors in September, 1922, and his term of office expires September, 1924.

R. C. SCHMIDT

IOTA, University of Kansas

IOTA has closed a very successful year both in fraternity life and school work. The growth of fraternity spirit and the great enthusiasm and cooperation in fraternity activities have made this success possible.

Initiation was held April 14. Several worthy and promising men have been added to the chapter roll. Those initiated were: Milton Amos, Richard Beatty, Harold Burt, Hubert Forney, Wilber Harvey, Harold Pagett and Emory Petherbridge. Four of the pledges were initiated in the afternoon and three in the evening. Brother "Gig" Wright was present at the occasion and he took part in the initiation of the afternoon. At six o'clock a banquet was served at the chapter house. Brother Wright gave a very interesting talk on the history and growth of Delta Sigma Pi with special emphasis on the proposed plan of a Placement Bureau.

Brother E. L. Olrich, of the executive staff of the National Suit and Cloak Co. who is now located in Kansas City, paid us a very pleasant visit. He gave us some very interesting points on the mail order business.

The social outburst of Iota came on May 12 when we had our annual spring party. Judging from the comments heard, everybody had a royal good time.

Arrangements for a house have been completed and we will occupy the same house that we had last year.

On May 27 a farewell dinner was held at the chapter house in honor of the graduating Brothers. After dinner a special meeting was called and the newly elected officers were installed. The officers for next year will be: Head Master, Mark Putnam; Senior Warden, Hubert Forney; Junior Warden, Melvin Griffin; Scribe, Herman Harms; Historian, Harold Shafer; News Editor, Francis Straulman; Treasurer, Charles Heath.

We are very proud to announce that Brother George Esterly has been awarded the Delta Sigma Pi scholarship key.

Brother Potter of Michigan University who is now located at Topeka, Kansas, and Brother Potter of Missouri University dropped in and spent a few hours with Iota. Iota is always pleased to have Brothers to pay us a visit if they are in this section of the country. Remember you are always welcome at Iota.

HERMAN HARMS, Scribe.

KAPPA, Georgia School of Technology

SINCE our last letter, we take great pleasure in introducing to the fraternity, the following brothers:

Carter Barron
William Crowder
Thomas Hinman
John Marshall

Charles Meriweather
Samuel Pruitt
Bill Strickler
Tully Walsh

Ivan Williams

In these new men, Kappa Chapter has succeeded in getting, without a doubt, the very best freshmen in the school. All of these boys, besides being good students, are in some school activity.

At our last meeting, the following officers were elected: Head Master, John McIntyre; Senior Warden, Allen; Junior Warden, Withers; Senior Guide, Carter; Junior Guide, Lawson Johnson; Scribe, Lynn; Historian, Pete Donough.

This year has been a very successful one for Kappa Chapter. We have the leading representation in all school activities: John McIntyre was elected Captain of next year's football team; Red Barron, Lee Sessions and Lawson Johnson were on the Varsity track team; Eddie Morgan was Captain of the baseball nine, with Brothers "Tobe" Edwards and Gassens holding down important positions on the same "outfit." Joe Eckford was elected alternate captain of next year's basketball team. He and John McIntyre were elected to Bull Dog Club. Lynn was on the golf team, which made such a good showing in the S. I. C. Tournament. Johnson and Sessions were elected to the Koseme Society, Honorary Junior Club. O'Brien was re-elected leader

of the Instrumental Club, and was also elected to the Student Council. Brothers Carr, Holden and O'Brien were on the Glee Club this year.

Our annual banquet was held at the Winecoff Hotel, and 25 members were present. It was a wonderful get-together, and we all had a great time. Among the speakers were Dr. Brittan, President of Georgia Tech., Mr. Forrest Adair, and Dean Watters. Professor Dennison acted as toastmaster.

Kappa Chapter has been real active for the last few months in writing letters to the different Georgia Representatives, asking for a larger appropriation for Georgia Tech. for the coming year. Dean Watters gave us a talk in relation to this, and stressed the importance of Delta Sigma Pi's help in this great cause.

We are looking forward to the coming school year and the outlook, so far, is real bright.

EDWARD D. O'BRIEN.

MU, Georgetown University

THE school year was fittingly brought to a close by the commencement exercises on June 10 and 11 at Gaston Hall on the Hilltop, at which time thirty-eight students were awarded Certificates of Foreign Service, twenty received the degree of Bachelor of Foreign Service, and ten were given the degree of Master of Foreign Service. And what a picturesque scene it was! Standing upon the campus overlooking the beautiful Potomac, with the Virginia hills silhouetted against a pale blue southern sky, sixty emissaries of American good will bade a fond adieu to their Alma Mater as they crossed the threshold into the broader school of experience, confident of achieving success, each according to his own aspirations.

The final initiation of the year, which was held at the Chapter House on May 12, surpassed all previous initiations in every respect. In keeping with the usual custom, the week preceding initiation was one of great activity, for in addition to reporting at the House, waiting on tables, and blindfolded to the beauties in the outlying sections of the city, there was a closed smoker at which the pledges were required to furnish the entertainment. The banquet in the evening at the Lafayette Hotel was an affair of unusual significance, combining as it did the initiation and Founders' Day banquets. After Brother "Doc" Showalter had "strutted his stuff," those present settled down to the more serious business of electing a Keeper of the Parchment Roll, this unique honor falling to Brother Joseph Riley. Those initiated were: Paul J. Murphy, Chicago, Illinois; James H. Hogan, Vallejo, California; Chas. E. Geohagan, Jr., Chase City, Virginia; Harry N. Phillips, Chase City, Virginia; Lawrence P. McGrath, Chicago, Illinois; George W. Scott, Nicholson, Penna.; Julian G. Zier, Washington, D. C.; L. Carroll P. Lynch, East Liverpool, Ohio; Walter J. Eddington, Jackson, Michigan; M. L. Pisarek, Warsaw, Poland; Edmond J. O'Donnell, Rosindale, Massachusetts; George A. Dunagin, Decatur, Mississippi; and Joseph F. Riley, Pittsburgh, Pennsylvania.

The annual dance was held at the Tabbard Inn on May 19. While this dance officially marked the close of our social activities for the year, it is very

probable that several tea dances will be held at the House during the summer.

About twelve of the brothers have established Camp Delta Sig on the Potomac River, which has already proved to be a popular place over the week ends. Although this camp has been organized for two years, this is the first year its personnel is composed entirely of Delta Sigs.

Brother F. Banda received the Fellowship in International Law awarded by the Carnegie Endowment for International Peace, ranked second in scholarship, and received his degree *cum laude* (which requires an average of 90 or over for the entire course).

Brothers Moran and Foster have been transferred to the New York District office of the Bureau of Foreign and Domestic Commerce, and Brother J. P. Henneberry has been transferred to the Chicago office of the same Bureau.

Brother L. H. Schultz left for Europe where he will represent the School of Foreign Service at the Academy of International Law from July 16 to August 3 and from August 13 to September 1, at The Hague. He will also represent several automotive trade papers while in Europe, and upon his return to America in October will join the Export Department of the Yellow Cab Manufacturing Company in Chicago.

The Polish-American University Club, of which Brother Akston is president, has arranged a trip to Poland during the summer months. Brothers Akston, Pisarek, Ellis, Hogan, O'Donnell, Riley, Phillips, and Geoghegan will make this trip. Another student group is going to Spain, and Delta Sigma Pi is represented in this group by Brother O. K. Smith.

Brothers A. O. Pierro and Edgar R. Bjorklund have been appointed clerks to trade commissioners and assigned to the rubber investigation which the Department of Commerce will shortly undertake along the Amazon valley. They sailed for Brazil the early part of July.

At the last meeting of the Chapter in May, the following officers were elected for the school year which opens in October: Head Master, Thomas E. Lyons; Senior Warden, Albert E. Ellis; Treasurer, Earl A. Nash; Historian, F. E. Becker and Scribe, Harold M. Slater.

The lease on our present home expires October 1, and with the opening of school in the fall Mu Chapter hopes to announce the acquisition of a larger and finer home commensurate with the growth and prestige of the Chapter.

G. STANLEY SHOUP, Scribe.

XI, University of Michigan

WHAM! and XI Chapter winds up another year. Exams are all over and the only ones left at the Chapter House are our noble seniors, who are holding their breath in anticipation of the moment that the cherished sheepskin becomes theirs. But at that there is quite a houseful, for fourteen of the old standbys will soon find themselves at the mercies of the cold cruel world. From two standpoints this is rather a sad time. The graduating brothers have already told us how they hate to think that their undergraduate days are over and that it might be quite a while before they shall break bread with us again. Then we who will be back on deck next year are sad to think that we will be without the comradeship and council of these men

through the coming year. With all our hearts we hope that Lady Luck becomes their patron saint.

But it has been a great old year. The influence of Delta Sigma Pi has been felt here on the campus. One of the most recent indications was the way we pulled down the offices at the recent Chamber of Commerce election. The following will help the C. of C. mean something next year: Brother Reinke, President; Brother Buck, Chairman Board of Directors; Brother Stauback, General Secretary; Brother Sewell, First Vice President; Brother Pryor, Fourth Vice President; Brother Prophet, Financial Secretary; and Brother Hathaway, a Director.

Incidentally Brother Reinke should be complimented on the fine showing he has made with the Chamber of Commerce this year. The entire year's work ending with a banquet May 30 has really stood out, and it is through his untiring efforts that a committee was appointed at the meeting of the National Chamber of Commerce in New York to investigate means of affiliating such bodies in colleges and universities with the national body.

Another thing that Xi is mighty proud of is the election of Bro. Kalmbach to Phi Beta Kappa. That is the spirit we like to see in all our men. We are counting on some of the boys to bring another key to the house next year at this time.

Two of our members, Brother Prophet and Brother Pryor, have been appointed to the Oratorical Board for next year.

It was unanimously decided that the most successful party ever held was given the members of the Chapter when through the courtesy of Bro. Barber we were the guests of Mr. and Mrs. Barber at the Oakland Hills Country Club on the night of May 26. Everything was perfect, the dinner, the music, the place, the weather, the girl, and above all the host and hostesses. A few of our alumni were able to join us in this event, and all together it was a great party.

We must not forget the initiation held on June 9 which safely witnessed the metamorphosis of Pledge Becker and Pledge Aldrich into Brother Becker and Brother Aldrich. We are expecting great things of these men and we feel sure that our expectations are well grounded.

And now last but not least is some mention of the Big Scrap which determined who should man the good ship of Delta Sigma Pi for next year. It was a glorious fight and although he does not stack up so big in avoirdupois we are glad to say that Brother Buck came out on top and will be our Head Master next year. Brother Prophet got ahold of the job of scribe and would not let go until it was his. The rest of the offices came out thus: Master of Festivities, Brother C. Stevens; Master of Ceremonies, Brother Slingerland; Treasurer, Brother Hathaway; Senior Warden, Brother Stanbach; Junior Warden, Brother Stephen; Register, McNaughton; Marshall, Brother C. Becker; House Manager, Brother Sewell; Stewart, Bro. Hart.

MILLARD H. PRYOR, Historian.

OMICRON, Vanderbilt University

THE two year old child, Omicron, gives every evidence of attaining the fondest wishes of its proud parents, a feat ordinarily impossible. Very few times has Old Man Colic had the temerity to disturb the lusty youngster,

Xi Chapter, University of Michigan

and in every case he was driven away by a shot from Dr. Paregoric's trusty rifle, Enthusiasm.

But all joking aside, Delta Sigma Pi at Vanderbilt, has shown a wonderful growth for a comparatively new organization. The rapidly increasing Department of Commerce at Vanderbilt needs an organization to foster its interests, and Delta Sigma Pi is filling that need admirably. John E. Edgerton, a Vanderbilt alumnus, recently contributed an article to the "Commerce Magazine," entitled "A College Education as Capital for Business." Mr. Edgerton is president of the National Association of Manufacturers, and in this article recognizes the needs of business for that very thing that Delta Sigma Pi was created to foster—the active interest of college men in business and the proper appreciation of business men for a college education.

The membership of Omicron Chapter has been composed, from its beginning in Vanderbilt, of the liveliest men in the University, in athletics, in scholarship, and in general college activities. Head Master Harlin this year has been manager of the baseball team, with a successful season to his credit; Brother Kuhn who was captain of the basket ball team this year; has been elected captain of the football team for next year; was voted the Porter Cup as the best all-round athlete in school; is president of the Senior Class and president of the Student Council; Brother Bell was this year a member of all three major teams in athletics, a member of the Student Council, and president of the Junior Class. This list could be continued until it included practically every man in the fraternity.

Omicron Chapter is glad to announce that the scholarship key was won this year by a member of the fraternity—Thurman Sensing. Brother Sensing has been active in the fraternity in the position of Scribe, and has made an extremely good record in his studies.

The new men initiated into Delta Sigma Pi this year are a live bunch of men, and the Seniors who are leaving the ranks expect them to continue the good record of the fraternity. By next year Delta Sigma Pi in Vanderbilt, like Abou Ben Adhem's name, should lead all the rest.

TAU, McGill University

THE close of the session brings many changes to the Canadian Chapter. All these changes are welcomed enthusiastically tho we suffer pangs of regret at having to part with several of our comrades. Happily, we are brothers in fraternity and will be kept in close contact with each other. Eight of our erstwhile seniors are now implacable "Bachelors of Commerce," having received their sheepskins on May 29th.

The election and the change in officers took place at our second annual meeting on April 10. Brother Harry A. Galley is the new Head Master supported by an able staff of lieutenants: Chancellor, D. M. Lunan; Senior Warden, H. C. Hayes; Scribe, C. P. Ryan; Treasurer, E. M. Milne; Historian, D. M. Lunan; Master of Festivities, J. T. P. Humphrey; Tau News Editor, L. P. Webster; Librarian, K. E. Clare; Alumni Correspondent, F. C. Murphy.

On May 11, the Mount Royal Hotel was the scene of a final get-together for the year. Surrounded by a tropical forest and close to a sparkling fountain, we drank our toasts. Brother Humphrey was responsible for those unique decorations and for the sumptuous banquet we were served. Perhaps

Tau Chapter, McGill University

the two most appreciated talks on the toast list were those given by Professor Sandwell and Doctor Villard. Both spoke on the merits of fraternity brotherhood and the value of college education. Brother Ogilvie gave a splendid address to our honorary brother Sandwell who is leaving the professorate of McGill to become the head of the English department at Queens University. The chapter presented him with a cane. Many important matters concerning the growth of the chapter during the coming year were talked over informally.

Brother R. S. O'Meara, Assistant Canadian Trade Commissioner, has been transferred, or deported, to Calcutta, India. We wish you success in your new field, honorable Keeper of the Parchment Roll. Brother Galley is next year's secretary for the Commercial Society and through his efforts we feel certain that much ginger will leak into their meetings. Brothers Sandwell and Wilson are among those sailing for England this month while Doc Villard will tour Italy during the summer vacation.

The Board of Governors of McGill have directed that Commerce be a four- instead of a three-year course which is another step gained toward making the School of Commerce a separate faculty of McGill. At present we are under the jurisdiction of the Arts faculty. A four-year course will also help us in our membership problems.

Although we have given up our chapter house for the summer, we will again keep "open house" commencing October first. Our new address has

not as yet been determined but we will let you know before long so that you may make use of it should you have occasion to visit Montreal. It's a great place, brothers. Come and give it "the once-over."

CHAS. P. RYAN, Scribe.

UPSILON, University of Illinois

ANOTHER school year ended, and Upsilon's ranks are thinned by the graduation of fifteen members. There are, however, many fellows left to continue with the good work.

The spring initiation was carried on quite differently this semester. The informal initiation was held in the woods at Cottonwoods Crossing, where "a great time was had by all," pledges and brothers alike. The formal initiation was given at the Inman Hotel, and was followed by the banquet. Brother C. C. Herman fulfilled the duties of the office of toastmaster. The principal speaker of the evening, Brother Gordon S. Watkins, of the Department of Economics, had a message which was full of food for thought.

The neophytes, whom we can now proudly call "Brothers" are as follows:

W. F. Dierman	R. H. Popken
W. M. Edens	K. J. Preble
B. S. Hugle	W. T. Preston
August Jandes	B. D. Seymour
J. I. Karens	M. J. Sweeney
G. H. Linde	L. C. Whiffen
C. M. Peterson	S. R. Wirth
L. J. Pinkle	L. N. Wrisley

The chapter elected new officers at the last business meeting, and the men who will now guide the destinies of the Ship Upsilon of the DSP Fleet are: Head Master, W. O. Sturdivant; Senior Warden, W. M. Edens; Junior Warden, L. C. Whiffen; Treasurer, R. J. Gulmeyer; Scribe, G. H. Linde. These men are go-getters, we know, and will prove their worth in any enterprise.

Brother Edens was elected to the presidency of Beta Gamma Sigma, and was also mentioned in the list of those awarded preliminary honors at the end of his sophomore year. Nice work, Bill!

Brother Roos, who has always been prominent in campus theatrical productions, was elected to the head of Mask and Bauble, honorary theatrical society.

Brother August Jandes, besides winning a position as Junior baseball manager, was elected to Sachem, honorary Junior society.

Upsilon is well represented in athletics. Brother Linde is on the track squad, as is Brother Sweeney. Brother Popken made his coveted "I" in basketball during the last season.

Almost forgot to state that Brother Jack Karens was elected to the office of Keeper of the Parchment Roll, being a successor to Brother Gulmeyer. Jack made a flowery speech in accepting the office.

Now we must conclude our "Swan Song" and at the same time wish all the brothers who have been graduated "Good Luck." Prepare the way for a greater year for Delta Sigma Pi. Carry on!

J. F. ENGBERG, News Editor.

OBITUARY

JAMES STUART POLLOCK

It is with deep regret that we announce the death of Brother James S. Pollock, who died on June 3, 1923.

"Jimmie" was to have been graduated on the 11th of June. He was very prominent in oratory and debating circles, a member of Sigma Nu, Beta Gamma Sigma, and was also a cadet officer in the University Brigade.

Upsilon Chapter as a body extends its sympathy to his parents in their hour of bereavement.

PHI, University of Southern California

THE University of Southern California has just concluded the most successful year in its existence to which Delta Sigma Pi contributed its share in attaining this achievement. In our recent \$10,000,000 Campaign Delta Sigma Pi went over the top 100 per cent strong.

Our brothers have been very prominent in campus activities, having held the following offices during the past year: President, Associated Student Body; Member Executive Committee; President, College of Commerce and Business Administration; some four other offices in the College of Commerce, Manager of Athletics; and numerous other offices which were mentioned in our previous letters.

Initiation was held May 25th, at which time we sent through eight of the finest men in the University. We think everyone of them is a prospective president of the United States. We feel certain that after several years of Delta Sig training they will easily make the grade. Our new Delta Sig initiates are J. L. Deneen, J. H. Beatty, H. W. Smith, E. G. Nelson, C. C. Newby, D. E. Smiley, M. O. Baber and L. A. Asay.

At the initiates' banquet, held at one of the largest hotels in the city, the principal speakers of the evening were our two active brother professors, Emery E. Olson and Clayton D. Carus. The highly treasured roll of honor was unostentatiously passed to initiate Smiley, a tall, stuttering, practical joker, who hates to have the tables turned. Following the banquet, which left everyone in a fine humor, the brothers adjourned to the "Family Circle" of the Orpheum. "A good time was had by all."

Delta Sigma Pi Honor Key award went to one of our friendly rivals, Mr. Dean L. Fisk, Alpha Kappa Psi. He has done a great deal to promote the College of Commerce activities during the past four years. We are proud to have this coveted symbol of manhood in the hands of so capable a man.

Now that school is over, the brothers have scattered to the four winds, each man getting new spirit, physical strength, and ideas for the ensuing year.

Phi Chapter extends wishes for a very successful vacation to all its brother chapters in Delta Sigma Pi.

ROLLAND S. PARKER, Scribe.

CHI, University of Maryland

THE past three months have witnessed much action at Chi Chapter. With the installation of Thursday noon luncheons, regular meetings, an initiation, election of officers and a bang-up dinner-dance as a fitting climax to the 1922-23 scholastic year it is obvious that we are a very precocious youngster. As announced in the April issue of Delta Sig, we inaugurated the noon day luncheons. These luncheons have proved extremely popular with Chi, affording a much desired opportunity for bringing day and evening students together more frequently. Aside from this feature, the luncheons have been a source of practical education. The speakers on these occasions representing the greatest commercial activities of Baltimore.

Our initiation was held on April 14. The law building at school was gratuitously turned over to us for the event. Five trembling and timid neophytes arrived at the specified time to learn the profound mysteries of Delta Sigma Pi. After successfully crossing the "Great Desert" during which time many sand storms were encountered, we are proud to announce the names of these five men who so courageously weathered the storm. They are, brothers:

Ellwood Armstrong
Norris C. Bradfield

Jefferson C. Grinnalds
Julian Masters

John L. McKewen

After the fun was over, we repaired to the Caswell Hotel where a very delectable menu was awaiting our assimilation. It is needless to record that this function was very assiduously performed. The banquet provided an excellent opportunity for choosing a Keeper of the Parchment Roll. This "honor" went to Brother McKewen who accepted in a speech excelled only by that of his worthy predecessor, Brother Oswald Schmidt. We were fortunate in having with us on this occasion, Brother Dr. Juchhoff who acted in the capacity of toast-master.

The next important event on our calendar was the election of officers for the year 1923-24. So accordingly, on the evening of May 1st a record attendance for Chi was in evidence, thereby manifesting the interest the brothers have in our future welfare.

Although lacking in the invidious and vituperation which are the usual concomitants of political elections, the election of each officer was well contested and when the smoke of battle had cleared away, Chi Chapter found its destinies for 1923-24 in the hands of the following brothers: Cornelius A. Lappe, Head Master; L. G. Thomas, Senior Warden; C. Gordon Buckey, Treasurer; Roy von Briesen, Scribe and John L. McKewen, Historian.

The retiring officers and members feel that the newly elected officers will carry on the good work of Chi Chapter with credit to themselves and honor to the fraternity.

May the tenth is the day that will long linger in the minds of some thirty-five brothers of Chi Chapter and their punctilious friends of the fair sex, because on this day we put on the best social event of our short but snappy career, an event that may well serve as a criterion for the future. The activities consisted of a dinner, installation of the new officers and dancing. The Blue Room of the Emerson Hotel was the place for carrying out the program and at 7:30 on the evening of the above date, Dean Clemens, who acted as toastmaster led the procession to the banquet table where the entertainment

Delta Sigma Pi
Chi Chapter

19

23

The Deltasig
Co. Inc.

committee had caused to be spread a menu that would tempt the most exacting appetite. Following this, were speeches by the retiring officers for their shortcomings during the time they served in office and the installation and promises, in the form of speeches, of the new officers. Dancing began at 10:15 and lasted until 1 A. M. when we were compelled to quit on account of police regulations, but we assure you that during that time old King Terpsichore held court. Toward the end an avalanche of confetti descended on the dancers with prodigal confusion and marked the climax of the evening as well as the scholastic year.

We call attention to the picture of the members of Chi Chapter and make apologies for the missing members who neglected to have their picture in the group. Nevertheless, we are proud of the picture, the members, the chapter and the fraternity and though the year is ended and a number of the members will not return next year we want to be "semper idem" and remember each and all as a brother worthy of the name of Delta Sigma Pi. So may it ever be with the members of all chapters of the fraternity to "servabo fidem" and uphold the glory and fame of the good name of Delta Sigma Pi.

We are glad to report that Brother J. Harry Garmer of our chapter was awarded the Delta Sigma Pi Scholarship Key. Brother Garmer's picture will be found in the lower right section of the letter X—the second one from the badge, reading down. Needless to say, this is more glory for D. S. P. and Brother Garmer is just as proud of it as he is of his best girl. We think it was a wise decision of the faculty.

Chi Chapter sends greetings to the president and his co-workers and all chapters, their officers and members. May the next year be full of promises with their realizations for all of you; until then—auf Wiedersehen.

PORTER T. WHITE, Scribe.

PSI, University of Wisconsin

THIS is the first contribution of Psi Chapter to THE DELTASIG. Since its installation into the International Fraternity of Delta Sigma Pi, on February 10, 1923, we have been trying harder than ever to make our Chapter one of the leaders at Wisconsin.

We have just finished final examinations and from present indications Psi men will come through with a good record. We have held the scholarship cup of the Social Fraternities for the past two semesters, but as we are now professional we will not be able to compete for it this semester. However it appears certain that Psi will rank high among the Professional fraternities.

Besides being busy with their class work several of the brothers have found time to enter into other school activities.

Brother Payne was elected vice president of the Commerce Club for next year. Among the new members elected to the Club at the close of the second semester were Brothers Reyer, Jandrey and Peterson. Brother Payne was also elected President of the Commerce Advisory Commission.

Brothr Ed. Schujahn was elected editor of the Commerce Magazine for next year. Ed is a good man for the job and we know he will put the necessary amount of hard work and pep into his work to make the year a suc-

cessful one for the magazine. Other brothers on the staff are Brothers Peterson, McGlasson, Hass, and Payne.

Psi is not to be left out of activities outside of the Commerce School. Brother Fronk was made business manager of the Octopus, Wisconsin's Humor Magazine, and Brother Dugan is accountant. Brother McGlasson is the accountant for the Daily Cardinal, Wisconsin's daily paper.

Psi has also shown itself in elections to honorary fraternities. Out of three men from the Commerce School who were elected to Phi Beta Kappa, two of them were Psi men, Brothers Dugan and Jandrey. Both of these men made it in their Junior year and we are proud of them. Brother Walther was elected to Phi Kappa Phi, an all university honorary fraternity, and Brothers McGlasson and Schujahn were elected to Beta Gamma Sigma. Brother Schujahn is president for next year.

On May 19, seven new brothers were added to our chapter roll. They are: Henry Alinder, Wilbert Hefty, Gilbert Hoffman, Edward Jandrey, Archie J. Looze, Casper Swenholt, Leonard J. Wilbert.

They are a fine bunch of fellows and we are proud to have them with us. They are real Delta Sig men, as was shown during initiation. We have two pledges to carry over for next year, and also several good prospects whom we are looking forward to pledging soon after school opens next fall.

Psi Chapter played a prominent part in making Commerce Week a success. Several noted speakers were obtained and they gave some very fine talks. The chief event was a joint dinner of Commerce students with Rotary, Kiwanis, Lions and Toxana Clubs of Madison, and other business men. This was the first affair of this kind at Wisconsin and we hope to have one every year. Instrumental in putting it across were Brothers Walther, Payne, and McGlasson.

During the semester five dances were held, four at the Chapter House and the Spring Formal in the Elizabethan Room at the Park Hotel. On the afternoon and evening of June 12, a picnic was given for the Seniors who are leaving us this spring. We are sorry to see these men go but we hope they will not forget to come back and see us often.

On June 10, a dinner was given at the Chapter House to Mr. Harold Reyer for the purpose of presenting him with the Delta Sigma Pi Scholarship Key. His scholastic average was 92.3. Mr. Reyer is not a member of Delta Sigma Pi, but we hope to get the key next year.

The following officers were elected for next semester: Head Master, Alfred W. Peterson; Chancellor, J. M. Wheeler; Treasurer, A. J. Glasson; Scribe, M. C. Galby; Senior Warden, F. H. Hass.

Psi extends its sincere invitation to any of the brothers who are in this section of the country, to visit us. We will be glad to see you at any time and we will be disappointed if you do not call.

MANFORD C. GALBY, Scribe.

OMEGA, Temple University

THE close of the second semester at Temple University marks the close of Omega's first. Our lads have been active this term at school, at work, and at play.

On Saturday, May 5, the following men were led across the burning sands, weak-kneed and trembling, to emerge from the ordeal strong and vigorous Delta Sigs:

Robert W. Beck
 John F. Brady
 Arthur D. Berlew
 Robert G. Ehrhart
 Theodore W. Fechner
 Wm. E. Gardella

Fred M. Kissinger
 Harry Lowry
 Prof. George W. Mannell
 Archibald B. McDowell
 Edwin R. Mohr
 James T. Summers
 Robert E. Wallace

May 26, the Chapter held its first dance at the Belfield Country Club, this city. Fun was the order of the evening, and a number of our couples had to be continually warned off the "nice grass tennis courts," as the result of their over-zealous desire for fresh air and moonlight.

Saturday, June 9, two-thirds of our members were present at the School of Commerce Annual Banquet where the award of the D. S. P. Scholarship Key was made to Mr. Clifford Gerlach, who was selected by the faculty as having the highest scholastic standing for four consecutive years at Temple. Mr. Gerlach is not a member of any fraternity, and this fact aroused favorable comment, since it shows the unselfish motives behind the award. He is, however, an active member of the Commerce Club, and Omega men are pleased with the award.

June 14, was "flag day" for three of our members: Mr. John S. Canedy, Mr. Kenneth Castlebury, and Mr. Robert S. Gilbert. They were awarded gold keys for their services on the staff of the *Temple University Weekly* during the past year. This honor is held by four of Omega's men, and our brothers must look to their laurels next year when Omega's weekly letter begins slipping off the multigraph. (Pardon the scribe if he seems egotistical, but he has the fourth key.)

A movement is on foot to penalize Mr. Gilbert who quietly slipped off to Vineland, N. J., on the evening of our dance and was quietly married to Miss Carrie M. Boardman, an alumnae of the Two-Year Accounting Course at Temple. Those of us who know agree that she can keep "Bob's" bank account straight. "Bob" says she knows more about the first principle of accounting than he does.

The scribe may be pardoned if he does not list the engagements, but the fellows don't drop any too much information his way. They say he has a nose for news, and tells all the news he knows.

Head Master Cleon F. Book says that he has a way doped out whereby Omega can own a chapter house within a year. Hopes are running high, for we have a lot of faith in the lad's judgment. As Dougherty puts it: "He's wise beyond his 'ears."

There will be no change in the personnel of officers this term, since elections will continue to be held in February of each year.

E. H. HOMAN, Scribe.

ALPHA BETA, University of Missouri

SINCE the installation of Alpha Beta, all brothers have successfully endured the great mental and physical strain forced upon them by another set of heart-breaking finals. Another term has passed into history, and Delta Sig brothers came through with colors flying. Our first alumni have been driven forth into the cold hard world and from reports that drift back from the firing line from time to time the brothers are standing by their colors. Brother Haupt and Brother Parker are both with the auditing department of the Bell Telephone Company in St. Louis. Brother Bauer is also in St. Louis but as yet we have no knowledge of his work. Brother Potter has located in Kansas City.

Brother Parker was elected to Phi Beta Kappa this spring and it is rumored that he will receive the Delta Sigma Pi Scholarship Key to be awarded next fall.

Thirteen of the brothers are back for the spring term and the chapter has been holding the regular meetings. On each Monday we hold our weekly noonday luncheon at the Daniel Boone Tavern, where we enjoy real feed and a general good time.

Since installation we have pledged five new men of whom we have every reason to be proud and who will be initiated early next fall. We have several promising rushees and we hope to swell our list of pledges before our first initiation.

Since it is practically impossible to secure a suitable house at the present time, we have been looking for a chapter room in which to hold meetings and smokers. Our house committee has reported several favorable locations. By the time the next issue of the Delta Sig goes to press we will be able to report definitely about the matter.

Since the resignation of President Jones, Dean Loeb of the School of Business and Public Administration, has been acting President of the University. This has added greatly to the prestige of our school.

We are looking forward to a good year next fall when all the brothers return, and are preparing for active work in the Commerce School. We are going to make Delta Sigma Pi a strong organization upon this campus. Alpha Beta extends a sincere invitation to all brothers who happen around Mizzoo to drop in and pay us a visit.

JAMES E. KENNEDY, Head Master.

NOTICE TO CHAPTER OFFICERS

The office of the President has been moved to 1502 Fisher Building, Chicago. Telephones—Harrison 2133 and 2134.

Address the Secretary for jewelry, copies of the fraternity song, regarding chapter dues, initiations, pennants and banners, stationery, and similar matters.

Address the Business Manager of THE DELTASIG for copies of THE DELTASIG and other information pertaining to that publication.

Address the President regarding visitation of chapters, rental of regalia, 1924 congress, honorary members, and such matters as you believe require his attention.

The International Fraternity of

DELTA SIGMA PI

Founded at New York University

November 7, 1907

"A fraternity organized to foster the study of business in universities; to encourage scholarship and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce, and to further a high standard of commercial ethics and culture and the civic and commercial welfare of the community."

 Sec. W. H. Reese.....361 N. 2 St. W., Salt Lake City, Utah

Alumni Notice

YOU Deltasigs who have graduated and scattered to the four corners of the world want to keep in touch with what is going on in Delta Sigma Pi. We want your support; we want to hear from you frequently. Let us know what you are doing so that we, in turn, can keep the membership informed.

We want to make the DELTASIG larger and more complete each issue. We want to add many new features, but this all costs money. Each undergraduate brother, through the chapter contributes annually to the International Fraternity of Delta Sigma Pi. Each alumnus who holds membership in an Alumni Club likewise contributes in the form of dues, to the maintenance of our organization. These annual dues, together with the fees received from initiations at the various chapters is our only means of support and makes possible the printing of sufficient copies of the DELTASIG and our Annual Pocket Directory to be distributed to those contributing members.

After this issue, no copies of The DELTASIG or the Pocket Directory will be distributed except to contributing members; in other words, all undergraduate and Alumni Club members will receive these publications gratis, because the former, through the undergraduate chapter, pays \$5.00 annual dues, and the latter, through the Alumni Clubs, pays \$2.50 per year dues to our national organization. Every other alumnus can, by payment direct to our Secretary-Treasurer, of annual dues of \$2.50 per year, be included in this list, and I urge every alumnus Deltasig to express his loyalty to the fraternity by voluntarily sending in to Brother Charles Cobeen, 129 Thirteenth Street, Milwaukee, Wis., his check or money order for \$2.50 for annual dues. A membership card will be issued and you will receive regularly all our publications.

Do this without delay; your support is needed to make the DELTASIG and Pocket Directory what YOU would like to see it.

H. G. WRIGHT, President.
