The International Fraternity of Delta Sigma Pi

Professional Commerce and Business Administration Fraternity

Delta Sigma Pi was founded at New York University, School of Commerce, Accounts and Finance, on November 7, 1907, by Alexander F. Makay, Alfred Moysello, Harold V. Jacobs and H. Albert Tienken. Delta Sigma Pi is a professional fraternity organized to foster the study of business in universities; to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce; and to further a high standard of commercial ethics and culture, and the civic and commercial welfare of the community.

The Grand President's Column

THE 18TH GRAND CHAPTER CONGRESS was an outstanding success, and I'm sure many friendships were made in Dallas that will be invaluable in the years to come. The Dallas Deltasigs more than upheld Texas' reputation for hospitality, and the fraternity is grateful for the vast amount of work done to make the Congress a memorable one.

HOWARD B. JOHNSON
Georgia Kappa
Grand President

HAVING benefited so much personally from my twenty years of participation in Delta Sigma Pi activities, I feel especially honored to have the opportunity of serving as your Grand President for the next two years. I am humbly aware of my responsibility as a representative of more than 27,000 members of the outstanding professional fraternity in its field. We should all be aware of our responsibility to maintain and improve that position, recognizing that we can never afford to be satisfied with our own performance, whether it be in church, business, civic, or fraternity activities. To become satisfied is to stagnate.

MANY problems face us in the fields of international affairs, national policies, and business. These same problems in varying degrees face Delta Sigma Pi in the years immediately ahead. These will, however, be no more difficult to overcome than many with which we as a fraternity have been confronted in the past. Now, more than ever before in our history, we are fortunate in having the active support of many prominent alumni and faculty members, as well as a strong corps of undergraduate leaders. With their continued interest, we can count on Delta Sigma Pi being an increasingly important factor in our university system and the business world.

OUR fraternity has experienced a phenomenal growth in the past four years. Thanks to the efforts of our national and province officers, faculty members, the Central Office, and many, many other enthusiastic Deltasigs, we have added chapters in outstanding colleges and have initiated members in these chapters who have immediately become stalwarts in fraternity affairs, both local and national.

IT is probable that our chapter expansion will be slowed in the next few years. While this will not be deliberate on the part of our national officers, I do feel that this will give us a better opportunity to turn our attention to the strengthening of our present chapters and alumni organization. When the expansion of a business reaches a plateau, it ordinarily concentrates its efforts on the improvement of its internal structure. So should Delta Sigma Pi now, more than ever, work toward perfecting the efficiency, service, and scope of its chapters and alumni clubs.

THIS can be accomplished only by the initiative of our individual members who will recognize where help is needed and ask for or offer it. I hope all of us will stand ready to make a contribution toward strengthening Delta Sigma Pi, recognizing that "He profits most who serves best."

Our Cover

In the heart of the City of Los Angeles, California, is the beautiful campus of the University of Southern California featured on our cover. The University of Southern California is the home of the famous Trojans of Rose Bowl fame and our Phi Chapter which was established there in 1922.

In 1879, when Los Angeles was a village of 12,000, a group of 55 students and 10 instructors were holding classes in a two-story frame building in the middle of a mustard field. This was the start of the University of Southern California which now occupies 55 acres and has an enrollment of over 18,000 day students and 9,000 evening students. In addition to its 14 schools and colleges, the University of Southern California has several unique departments. Among these is one which trains movie writers and technicians. It also has a 200-acre airport of its own and over 100 planes.

This is the fifth in our series of universities to be featured in full color on the cover of THE DELTASIG. The colorprint was furnished by the Union Pacific Railroad, to whom we are greatly indebted.

Eighteenth Grand Chapter Congress Exceeds All Expectations

AS TIME GOES ON you will probably hear many a Texan brag about the Eighteenth Grand Chapter Congress held at the Adolphus Hotel in Dallas in September, 1951, and, if this bragging takes the usual Texas form, there will be many who will doubt the veracity of these tales. Certainly no one, however, who attended this Congress will be among the doubters. The Eighteenth Grand Chapter Congress will forever remain as evidence of the fact that all Texas bragging is not fantasy.

KENNETH B. WHITE, Boston,
General Chairman

Dallas rolled out its most elaborate plush carpet and even produced some unanticipated cool weather for the 301 Deltasigs and the 79 wives that were in attendance. Practically everyone was on hand early for the truly Western Reception on Sunday evening, and no one left before the last light was extinguished on Wednesday night.

Beta Chapter at Northwestern, Kappa Chapter at Georgia and Delta Chapter at Marquette were almost tied for the Attendance Trophy, and only after several recounts did Beta Chapter prove to be the winner. This was the first time in many years that any chapter has had a larger delegation traveling a greater number of miles than Kappa Chapter of Atlanta.

Kappa Chapter did, however, shine when it came to the traditional Diamond Badge Award. This was won by Frank Brandes of San Francisco, a Kappa alumnus and at present the Western Regional Member of the Grand Council.

Brother Kenneth B. White, past Grand President of Delta Sigma Pi and General Chairman of the Eighteenth Grand Chapter Congress, planned that the program would consist of one highlight after another, and in this, too, he achieved unparalleled success. It is felt by many, however, that the greatest of these highlights came during the Grand Chapter Congress Banquet when our new Honorary Member-at-Large, Benjamin H. Wooten, president of the First National Bank of Dallas, gave a most inspiring address. This talk was tape recorded by two of Dallas's major radio stations to be rebroadcast at another hour.

Every event was conducted in western style which gave the entire Congress a distinct character of its own. The Western

Reception, among other things, featured the deputizing of Grand President Sehm, Grand Secretary-Treasurer Wright, and past Grand Presidents Fowler, McKewen, and Milener as sheriffs of Dallas County. The Grand Chapter Congress Banquet, as we mentioned previously, was highlighted by the address of Honorary Member-at-Large Ben Wooten. A real western rodeo and a ranch supper thrilled the Easterners at the Stag Party and the beautiful Texas women stole the show at the Formal Dinner Dance.

The business sessions, which included the reports of the national officers, the Chapter Officer's Training Program, the alumni panels and the election of the new Grand Council members, also met with the approval of all present. The peak was reached in this program when the Congress unanimously elected Howard B. Johnson, *Kappa Chapter—Georgia*, as the Grand President of Delta Sigma Pi. Waldo E. Hardell, *Alpha Epsilon Chapter—Minnesota*, was elected a member of the Grand Council At-Large, while Robert G. Busse, *Beta Omicron Chapter—Rutgers* was elected Central Regional Member. Thoben F. Elrod, *Kappa Chapter—Georgia* was selected by the Southern Region, and J. Harry Feltham, *Chi Chapter—Johns Hopkins*, was re-elected by the Eastern Region. Other members of the Grand Council whose terms had not expired are: William R. Merrick, *Beta Iota Chapter—Baylor*, of the Southwestern Region; Henry C. Lucas, *Alpha Delta Chapter—Nebraska*, of the Midwestern Region; Frank C. Brandes, *Kappa Chapter—Georgia*, of the Western Region; and immediate past Grand President Walter C. Sehm, *Alpha Epsilon Chapter—Minnesota*.

The Grand Council met Saturday and Sunday preceding the Grand Chapter Congress, several times during the Congress, and the day following. One of its major actions was to accept the splendid petitions from the University of Arizona at Tucson and Arizona State College at Tempe. The president of our petitioning group at the University of Arizona, Mr. Paul G. Carroll, was guest of the fraternity at the Congress and was permitted to attend most of the business sessions and social functions. Announcements were made of the granting of these two chapters during the Congress.

Western Reception

On Sunday evening three of the large banquet rooms of the Adolphus Hotel in Dallas were decorated with cattle bones, bales of hay, rail fences, gingham table cloths, and the local committee in western garb to give real atmosphere to the Western Reception. The Grand Officers of Delta Sigma Pi and the Dallas Reception Committee formed a receiving line to welcome

the hundreds of delegates and their wives who had just arrived. While the handshaking was going on, punch was being served from crockery jugs and jars to the always thirsty Deltasigs. Then came the buffet supper and such a spread of food in quantities that even the most hungry were left void of appetite.

Just about the time everyone was finishing his last bite, the sheriff of Dallas County showed up, singled out five men, and made the announcement that he had just that many vacant beds down at the calaboose. While Grand President Sehm, Grand Secretary-Treasurer Wright, and past Grand Presidents Fowler, McKewen, and Milener were still shaking in their socks, he swore them in as deputy sheriffs of Dallas County. In further keeping with the spirit of the evening Grand Secretary-Treasurer Wright was presented with a genuine Stetson cowboy hat and a custom tailored cowboy shirt in recognition of his 27 years of outstanding service as Grand Secretary-Treasurer of Delta Sigma Pi.

Business Meetings

On Monday morning the delegates from 73 undergraduate chapters and 11 alumni clubs were on hand to undertake the business of the Eighteenth Grand Chapter Congress. William R. Merrick, Southwestern Regional Member of the Grand Council, officially opened the Congress and introduced Brother Robert Raible of Eta Chapter and Minister of the First Unitarian Church of Dallas who gave the invocation. Brother Harmon Watkins, Province Officer of Beta Phi Chapter at Southern Methodist University, then introduced the Honorable J. B. Adoue, Jr., Mayor of the City of Dallas, who welcomed the delegates to Dallas.

The report of Grand President Walter C. Sehm was then presented. Grand President Sehm pointed out the growth of the fraternity from 60 to 80 active chapters during the last two years and he welcomed the delegates of the recently installed chapters to their first Grand Chapter Congress. He mentioned the progress that was being made to establish a Foundation for Delta Sigma Pi and the plans for a permanent Central Office building at some time in the not too distant future. Congratulations were extended to Brother Henry C. Lucas for the success of the first Delta Sigma Pi Directory of Graduating Seniors and

to the national committee that revised the ritual.

Grand Secretary-Treasurer H. G. Wright then reported on the activities of The Central Office in Chicago. Brother Wright told of the purchase of new office machines which will greatly increase the general efficiency of the office and enable the staff to provide even greater service to the chapters and alumni clubs. He pointed out that practically every Central Office form had been completely revised recently and that all of our manuals, with the exception of the Manual for Chapter Officers, were brand new. He told of the development of the colored slide presentation, *The Story of Delta Sigma Pi*, and announced that the beautiful four colored cover on The DELTASIG would be continued for the next couple of years. The increase of our alumni ranks to over 27,000 members indicated the growing strength of our alumni and the need for greater concentration on alumni activities. Brother Wright stated that much of his efforts during the coming two years would be devoted to the development of the alumni program.

The reports of our national officers were followed by that of the Executive Committee, which was given by Waldo E. Hardell, *Alpha Epsilon—Minnesota*. The Delegates' Luncheon was the next item on the agenda. Marion W. Sprague, *Beta Upsilon—Texas Tech*, presented the report of the Committee on Alumni Activities, after the Congress reconvened. The report of the National Committee on Life Membership was given by Robert F. Andree, *Beta Tau—Western Reserve*, and Henry C. Lucas, *Alpha Delta—Nebraska*, gave his report of the Committee on Alumni Placing Service. The current edition of *The Story of Delta Sigma Pi*, colored slide presentation of the fraternity, was then shown to the delegation by Grand Secretary-Treasurer H. G. Wright. This marked the end of the joint undergraduate and alumni business sessions for Monday. At this point the alumni recessed while the undergraduates began the "Chapter Officers' Training Program" under the direction of Assistant Grand Secretary-Treasurer J. D. Thomson.

A symposium on the Eighteenth Grand Chapter Congress theme, *Opportunity, Unlimited*, was presented on Tuesday morning with past Grand President Allen L. Fowler, *Beta Nu—Pennsylvania*, making the major address. He was preceded by Watrous H. Irons, *Beta Kappa—Texas*, whose address was entitled "A Saga of the Southwest." H. Arthur Littell, *Beta Kappa—Texas*, introduced both of these speakers and Trent C. Root, *Beta Upsilon—Texas Tech*, led the discussion that followed.

Donald V. Yarborough, *Beta Kappa—Texas*, was chairman of the Active Chapter Panel which began that afternoon. Robert

J. Lankford, *Beta Phi—Southern Methodist*, opened this program with a keynote address, and Henry C. Lucas, *Alpha Delta—Nebraska*, followed with a discussion of the "Directory of Delta Sigma Pi Graduates." The last talk of the afternoon was one by Rudolph Janzen, *Alpha Epsilon—Minnesota*, entitled "Membership."

The Alumni Club Panel was under the chairmanship of H. Arthur Littell, *Beta Kappa—Texas*, and the keynote address was given by Marion W. Sprague *Beta Upsilon—Texas Tech*. J. Harry Feltham, *Chi—Johns Hopkins*, presented an address on "Life Membership" and H. Clyde Kitchens, *Kappa—Georgia*, gave one on "Alumni Activities." Much discussion followed each of these talks.

On Wednesday morning both panels continued with Frank A. Young, *Beta Phi—Southern Methodist*, serving as chairman of the Active Chapter Panels and Clarence F. Dunning, *Nu—Ohio State*, as chairman of the Alumni Club Panels. In the Active Chapter Panels, the subjects of "Chapter Initiative and Administration," "Chapter Finance," and "Chapter Scholarship," were covered by L. Leon Barr, *Beta Phi—Southern Methodist*, Frank C. Brandes, *Kappa—Georgia*, and John F. Mee, *Nu—Ohio State*, respectively. William R. Merrick, *Beta Iota—Baylor*, and Robert G. Busse, *Beta Omicron—Rutgers*, presented the subjects "Alumni Efficiency Contest" and "Stimulating Alumni Interest." Liberal discussion followed each address in both the Active Chapter and the Alumni Club Panels.

The final business session on Wednesday afternoon brought the election of Grand Officers and Grand Council Members as already mentioned. In conclusion of the business of the Eighteenth Grand Chapter Congress, the new Grand Officers and Grand Council Members were sworn in by retiring Grand President Sehm. These three days of panel discussions and business brought forth many new constructive ideas which will add materially to the progress of the fraternity in the years to come.

The Delegates' Luncheon

The Official Delegates of our 73 active chapters that were represented at the Eighteenth Grand Chapter Congress were the guests of The Grand Council at a special luncheon held in their honor on Monday. Tables were assigned to each region and the Regional Member of the Grand Council sat with the representatives of his area. During this luncheon period local problems were discussed and cities were selected for the

Regional Meetings to be held this college year. The sites selected were: Buffalo for the Eastern Region, Atlanta for the Southeastern Region, Cleveland for the Central Region, Omaha for the Midwestern Region, Houston for the Southwestern Region, and San Francisco for the Western Region.

The Grand Chapter Congress Banquet

The beautiful Cactus Room of the Adolphus Hotel was the scene of the initiation of Ben H. Wooten, president of the First National Bank of Dallas, as the fifth Honorary Member-at-Large of Delta Sigma Pi. This most impressive ceremony was conducted by the Members of the Grand Council attired in white dinner jackets. Immediately following this ceremony all of the Deltasigs present went to the Roof Garden where the Eighteenth Grand Chapter Congress Banquet was held. Greetings were extended by Kenneth B. White, *Gamma—Boston*, past Grand President and General Chairman of the Congress, and Trent C. Root, *Beta Upsilon—Texas Tech*, served as toastmaster. A few words of welcome were given by Grand President Sehm, and Grand Secretary-Treasurer Wright introduced some of the fraternity dignitaries and delegations that were in attendance. The highlight of the entire convention came when Honorary Member-at-Large Ben H. Wooten gave an address entitled *Beginning the Last Half of the Twentieth Century*. The text of the address and the manner in which Brother Wooten delivered it stirred everyone in attendance. A tape recording was made of this talk and it will be reproduced on records and made available to our chapters and alumni clubs for local use.

The Stag Party

Decked out in all sorts of makeshift western outfits, the members boarded buses in front of the hotel on Tuesday evening for the traditional Stag Party. The location of this party was Ray Wood's Ranch in Euless, Texas, about 20 miles from Dallas. A ranch style barbecue supper was awaiting the hungry delegates when they arrived at the ranch. An old-fashioned stagecoach was also on hand to supply entertainment and atmosphere for the occasion. Following the barbecued spareribs, baked beans, and potato salad, came a first class rodeo in the Audie Murphy Arena on the ranch. To many this was their first rodeo, and to others it was by far the best they had ever seen. For several hours the delegates were held spellbound by the antics of the

THIS GALA AFFAIR was the Western Reception and Buffet Supper on the opening night of the Eighteenth Grand Chapter Congress. It was held in the Roof Garden of the Adolphus Hotel. The gingham table cloths, favors, and

other decorations carried out the western theme of the Congress. The Delegates also lent atmosphere to the occasion by wearing whatever western garb they had or could obtain.

cowboys and cowgirls. Then at the conclusion of the rodeo, the Yellow Dogs convened to expand their ranks with many qualified candidates. The meeting of this famous Order is always a fitting end to the festivities of a Stag Party.

The Dinner Dance

The Grand Ballroom of the Adolphus Hotel was decorated with Red Roses, the official flower of Delta Sigma Pi, for the finale of the Eighteenth Grand Chapter Congress, the Dinner Dance. A very delicious steak dinner was followed by the introduction of The Grand Council and the members of the Grand Chapter Congress Committee, by Kenneth B. White, *Gamma—Boston*, who served as toastmaster. Grand President Sehm then awarded the Grand Chapter Congress Attendance Trophy to Beta Chapter at Northwestern University which had the greatest total aggregate miles traveled to attend the Congress. Grand Secretary-Treasurer Wright then conducted the drawing for the Diamond Badge Award. Eighteen stubs were selected from the large drawing box, turned face down, then turned over one by one until there was only one left, the winner. The lucky man was Frank C. Brandes, *Kappa—Georgia*, and Western Regional Member of the Grand Council from San Francisco.

Several awards went to individuals. Kenneth B. White received a beautiful silver plaque from the Dallas Alumni Club in commemoration of his many years of service to the fraternity. The Grand Council also gave him a special testimonial in recognition of his outstanding contribution to Delta Sigma Pi. Walter C. Sehm received a diamond badge from the Grand Council for having served as Grand President during the last two years, and testimonials were given to H. Clyde Kitchens, Rudolph Janzen, and John F. Mee for their years of service on the Grand Council.

After this program the Delegates gathered for the grand march and several hours of dancing. This most lavish affair was certainly a fitting ending to the Eighteenth Grand Chapter Congress.

Ladies Program

A typically Texas greeting, informal and rip-roaring, was extended to both men and women of Delta Sigma Pi at the Western Reception and Buffet Supper on Sunday night, the opening gun of the 18th Grand Chapter Congress. Having been warned in advance, the guests were all in casual clothes, and ready to take part in the activities that followed. Mrs. Ben Wooten, the very charming wife of Dallas's Honorary Member-at-Large, was present and shared in the hi-jinks of Dallas County sheriff, Bill Decker, and company.

For the distaff side, Monday morning began with coffee, rolls, and much chatter in Parlor A of the Adolphus Hotel. Everyone had an opportunity to get acquainted and talk about past, present and future Grand Chapter Congresses. Barbara

Merrick, wife of the Grand Council Member from the Southwestern Region, planned and presided at the coffee hour and by the end of the morning knew well each of her guests.

In the afternoon, the visitors to Dallas made a bus tour of the most interesting spots which were elaborated on by our "barker," "Johnnie" Garrett. The tour concluded with a delightful tea at the home of Brother and Mrs. Charles C. Pierce. After tea, Claire White urged the bus driver to hurry back to A. Harris and Co. in time for the group to see on television, Alice Wright, wife of Delta Sigma Pi's Grand Secretary-Treasurer, and Helen Watkins, of S.M.U.'s Beta Phi Chapter, being interviewed on the Julie Benell Show over WFAA, TV. Alice and Helen missed a delightful afternoon, but no doubt had a thrilling one to replace it and the Deltasig wives were delighted with their appearance on TV.

One of the highlights of the Congress was the unscheduled and completely informal chicken-dumpling supper at the home of "Johnnie" Garrett on Monday night. Pink Poodles held a council, and future Pink Poodles were green with envy.

Conversation was really humming over the coffee cups at the Ladies Headquarters Tuesday morning. At noon, the ladies were entertained with Dallas's famous Ice and Style Show in the Century Room of the Hotel Adolphus. The tables were decorated with red roses and each guest, including our Deltasigs present, received a red rose corsage tied with ribbons of purple and gold and a souvenir from A. Harris of Dallas. Following the luncheon, a guide from A. Harris took a party on a tour of the store to see those items which are truly representative of Texas, including those Western hats for men. After losing our guests one by one as the tourists became shoppers, the group reassembled at the Adolphus to board busses for Wiley's Dude Ranch, about 25 miles west of Dallas. Nita Taylor who arranged all transportation for the ladies and also was responsible for the roses on all occasions had two busses of "Texans." The results of shopping were very evident in the big hats, the blue jeans, and gay denims that appeared for the Dude Ranch-Doe Party. Before food, the boys from the ranch started a song-fest out on the patio and entertained with both vocal and guitar music. After dinner, at which seconds . . . and thirds . . . and even fourths, if you could hold that much food, were the order of the evening, six door prizes were awarded and the gifts for this year's registration cards for the ladies were given. Mrs. C. B. E. Rosane, Bound Brook, New Jersey, and Mrs. Robert Hale of Tulsa were the two lucky ladies. Neither was present, but we'll bet they do not miss another Grand Chapter Congress. Mrs. Rosane received a pearl encrusted sister pin of Delta Sigma Pi and Lou Ann Hale was mailed the Elizabeth Arden fitted traveling case, complete with six-gun gift wrap from Neiman-Marcus. At long last the eagerly awaited (and somewhat feared) Pink Poodle initiation took place. Pink Poodles were whistled into the Kennel by the Charter Members present. Claire White, Helen Armstrong, Dotty Busse, Charlene Davies, Florence Dugan, Edie Fowler, Arlene Hughes, Besse Hayden, Ellie Janzen, Barbara Merrick, Alice Sehm, Lorene Tipton, Alice Wehe, Alice Wright, Marie McKewen, and Edna Moore were the Kennel Keepers for the evening. Weak from hilarity, the Poodles returned to the hotel late (it was so much fun the guests talked the bus drivers into staying over an hour). They were the most charmingly bandaged litter of happy pups imaginable. The bandages? . . . there were those who went horse-back riding! "Johnnie" Garrett and Claire White were responsible for Tuesday night's gaiety.

On Wednesday, the Buttons and Bows page of the Congress News was eagerly read at morning coffee. Even the report on the Doe Party was there, for Sarah Haskins, co-chairman with Sally Jones on publicity (and first assistant to Edd on Hotel Accommodations) had called the story in from the ranch before the 10 P.M. deadline. After much chatter, the ladies relaxed for

the remainder of the day in preparation for the formal dinner-dance, the culmination of the Congress. The affair was lovely (because of the ladies we are sure). Each Deltasig received a rose to grace his dinner jacket and his lady an engagement calendar with photographs of the beauty spots in Texas.

The Deltasig wives of Dallas, Sarah Haskins, Nita Taylor, Claire White, "Johnnie" Garrett, Velma Dunning, Sally Jones, Barbara Merrick, Paula Butler, Bennie Hendrix, Melverne Pierce, Trixie Root, Besse Hayden and their committee members hope it was a successful Grand Chapter Congress from the feminine point of view.

The Committee

Too much can't be said about the work done by the Grand Chapter Congress Committee headed by Kenneth B. White. Their work was outstanding and the success of the Eighteenth Grand Chapter Congress rests almost entirely on their shoulders. William R. Merrick, Clarence F. Dunning, were associate chairmen, and Mrs. LeRoy R. Hayden headed the ladies program. Clyde H. Taylor served as treasurer of the entire Congress and also as chairman of the Finance Committee. The Grand Chapter Congress Banquet was under the leadership of Miles Woodall, Jr., and the Delegates Luncheon was directed by Donald V. Yarborough. Burnell C. Butler, Jr., was in charge of the Dinner Dance and Harold M. Young headed the committee that selected our Honorary Member-at-Large. All of the hotel arrangements were under the direction of Edd L. Haskins, and Trent C. Root handled the Professional Program. The advance publicity was ably managed by Doug Jones while Phil L. Hendrix arranged the Reception and Buffet Supper. Registration was under the guiding hand of LeRoy R. Hayden and Thomas P. Robertson took care of the transportation to and from the Stag Party. The Stag Party including the rodeo was the work of Robert C. Frazee and the meeting of the Yellow Dogs was called by Floyd R. Garrett.

The ladies committees were headed by Mrs. LeRoy R. Hayden with the Coffee Hours under the guidance of Mrs. William R. Merrick. Mrs. Burnell C. Butler officiated at the Dinner Dance and Mrs. Floyd R. Garrett arranged the Doe Party. The Pink Poodles met with Mrs. Kenneth B. White at its head. Mrs. Doug Jones took care of the advance publicity and the Reception and Buffet Supper was under the direction of Mrs. Phil L. Hendrix. Registration of the ladies was conducted by Mrs. E. J. Pesek and the Sightseeing Tour was arranged by Mrs. Clyde H. Taylor. The Tea was under the guidance of Mrs. Charles C. Pierce and the Style and Ice Show-Luncheon was arranged by Mrs. Clarence F. Dunning.

Our Fifth Honorary Member-at-Large

Benjamin H. Wooten, president of the First National Bank in Dallas, became the fifth Honorary Member-at-Large of Delta Sigma Pi at our Eighteenth Grand Chapter Congress. Brother

Wooten was born December 21, 1884, at Timpson, Texas. He is married and has no children. Brother Wooten graduated from North Texas State Teachers College (now North Texas State College), and later received an Honorary Doctor of Law Degree from the University of Arkansas, Fayetteville, Arkansas. At the present time he is chairman of Regents at North Texas State College, and is also a member of the Board of Trustees of Baylor University, Waco, Texas.

Brother Wooten entered the banking business in December, 1919, as assistant cashier at the Alba National Bank in Alba, Texas. In 1923 he was made cashier and operating executive officer of the Farmers and Merchants National Bank, Farmersville, Texas. He became a State Bank Examiner in February, 1926, and the Departmental State Bank Examiner in 1927. The Federal Home Loan Banking System was created by an Act of Congress in July, 1932, and he was appointed chief examiner for that system and assisted in setting it up on a national basis. He was elected president of the Federal Home Loan Bank of Little Rock in October, 1932, which bank serves the states of Arkansas, Louisiana, Mississippi, New Mexico and Texas. This position was held until April 1, 1944, at which time he became vice president and member of the executive committee of the Republic National Bank of Dallas, and chairman of the Federal Home Loan Bank of Little Rock. On February 6, 1950, he assumed the presidency of the First National Bank in Dallas. In April of this same year he was elected president of the First National Securities Company and director of Hillcrest State Bank of University Park, Dallas, Texas. In May, 1950, he was elected director of the American National Bank of Oak Cliff, Dallas, Texas. He is a member of the Federal Savings and Loan Advisory Council, Washington, D.C., and a member of the National Affairs Committee of the United States Chamber of Commerce.

BEN H. WOOTEN, President, First National Bank, Dallas, Texas, and Honorary Member-at-Large of Delta Sigma Pi

While in Arkansas, Brother Wooten was chairman of the State Banking Board in 1933 to 1937, chairman of the State Planning Board, and he also helped to organize and was chairman of the State Civilian Defense Council from 1941 to 1944. In 1943, he was chairman of the Community Chest Campaign in Little Rock, and in 1945 was chairman of the Seventh War Loan Drive for Dallas County, Texas. He was general chairman of the Community Chest Campaign for Dallas County for the year 1949. At the present time, he is director and treasurer of the Dallas Manufacturers and Wholesalers Association and director of the Dallas County Community Chest. He is also a director of the Dallas Chamber of Commerce and the Y.M.C.A., and a member of the Special Division Section of the American Red Cross.

During World War I, Brother Wooten entered the armed service as a private, went to the Third Officers' Training Camp and received a commission as Second Lieutenant. Assigned to a machine gun battalion, he saw service in the Battles of St. Mihiel and Meuse-Argonne, and was in the Army of Occupation in Germany.

The Grand Council of Delta Sigma Pi

Howard B. Johnson, Grand President

One of the mainstays in our Kappa Chapter is Howard B. Johnson who was initiated in 1931. Howard is well known by everyone in our southeastern chapters, and his reputation as a tireless worker in Delta Sigma Pi has spread to many other parts of the fraternity. After serving as head master of Kappa Chapter, Howard went on as Province Officer and general chairman of the Twelfth Grand Chapter Congress which was held in Atlanta in 1936. Then in 1942 he was elected to the Grand Council in which capacity he served diligently.

Brother Johnson graduated from Georgia Tech with a B.S. in Commerce, cum laude, in 1933 and later at this same university he completed a postgraduate course which he took under a faculty scholarship. Since his graduation from Georgia Tech, Howard attended a study forum of the National Association of Cost Accountants and the National Institute of Credit. While in college he was president of the Speakers' Club, president of Delta Mu Delta, honorary scholarship society, president of Theta Xi Zeta, honorary society, and winner of the Intramural Key. Later he was the first president of the Alumni Association of the Atlanta Division of the University of Georgia.

In the business world, Howard has also made his mark as vice president of the Atlantic Steel Company, an independent manufacturer of steel and steel products for fifty years. His particular duties are those of supervising the finances and sales of his company. He also serves on six different committees of the NDA in Washington, the principle one of which is the Steel Task Force Committee.

H. G. Wright, Grand Secretary-Treasurer

In September of this year, Brother Wright celebrated his twenty-seventh year as Grand Secretary-Treasurer of Delta Sigma Pi. He is a charter member of Beta Chapter, and first became a grand officer of the fraternity in 1920, when he was elected Grand President. After serving two terms as Grand President, he became Grand Secretary-Treasurer in 1924. During this period of time, the fraternity developed and progressed steadily until today it can boast of eighty-two active chapters and members throughout the United States and Canada.

"Gig" graduated from Northwestern University in 1919, after having served as treasurer and head master of Beta Chapter and president of the Commerce Club of Northwestern. He has served as chairman of the committee that purchased the fine

chapter house that is occupied by Beta Chapter. Until several years ago, he acted as secretary-treasurer of this housing corporation. "Gig" is also the author of a history of Beta Chapter, a bound volume containing a very interesting account of the first twenty-five years of Beta Chapter.

Prior to his becoming active in fraternity work, Gig was president of the H. G. Wright Coal Company, a wholesale coal concern in Chicago. In 1926, when he established The Central Office, he gave up this business so that he could devote all his time to the development of the fraternity. From the very beginning of the Professional Interfraternity Conference, "Gig" has been the representative of Delta Sigma Pi, a charter member. He has also held the offices of president and secretary-treasurer in this organization.

Walter C. Sehm, Past Grand President

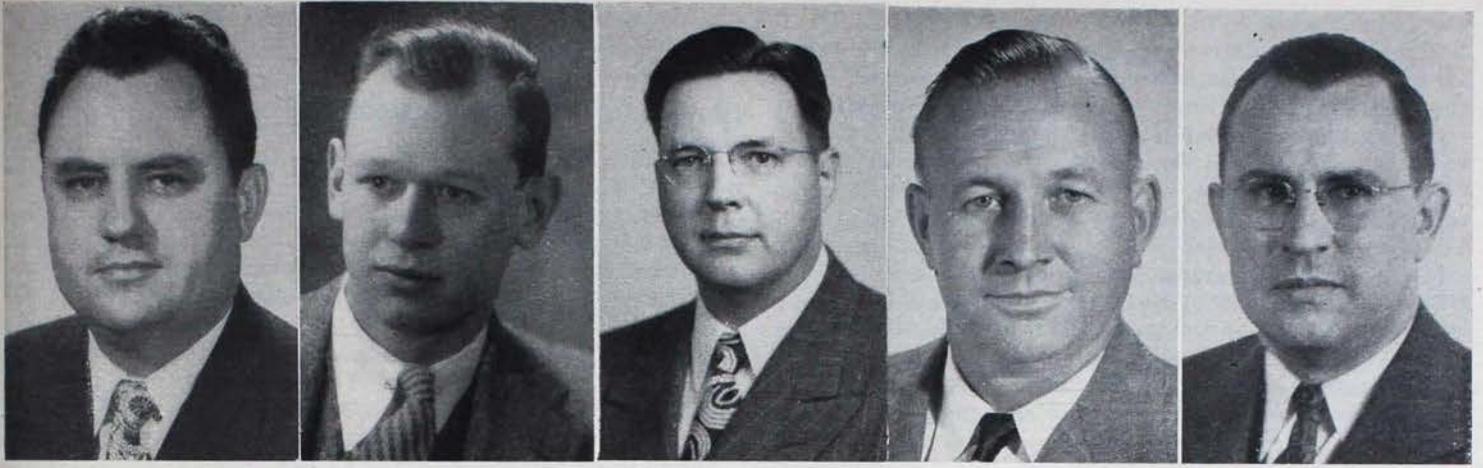

Most everyone is familiar with Walter C. Sehm and the outstanding job he has done during the last two years when he served as Grand President of Delta Sigma Pi. Brother Sehm is a product of the University of Minnesota, the home of the Golden Gophers of gridiron fame. While there he became a member of Alpha Epsilon Chapter in 1924, its first year of existence, and he served as its scribe. He received the degree of Bachelor of Science in Business Administration from the University of Minnesota and later the degree of Bachelor of Law from Minnesota College of Law.

Walt has been active for many years in the Twin Cities Alumni Club of Delta Sigma Pi of which he has been a member since 1926. He served as president of this club in 1948-49 when it celebrated its twenty-fifth anniversary in conjunction with a similar celebration of Alpha Epsilon Chapter. In 1947 he made material contributions to the success of our Sixteenth Grand Chapter Congress which was held in Minneapolis, Minnesota, at the Radisson Hotel.

At the present time he practices law in St. Paul, Minnesota, and is a partner in the firm of Smith and Sehm. Among his extensive business connections are his association with the Minnesota Bar Association, the St. Paul Association of Officemen, the St. Paulits, Inc., and active membership on the board of directors of some dozen prominent corporations. He has also served on the Junior Chamber of Commerce, the Executive Committee of the Boy Scouts of America of the St. Paul area, and as a member of the National Safety Council.

DELL, Minnesota—Alpha Epsilon, Member-at-Large; J. HARRY FELTHAM, Johns Hopkins—Chi, Eastern Regional Member.

THOBEN F. ELROD, Georgia—Kappa, Southeastern Regional Member; ROBERT G. BUSSE, Rutgers—Beta Omicron, Central Regional Member; HENRY C. LUCAS, Nebraska—Alpha Delta, Midwestern Regional Member; WILLIAM R.

MERRICK, Baylor—Beta Iota, Southwestern Regional Member; FRANK C. BRANDES, Georgia—Kappa, Western Regional Member.

Waldo E. Hardell, Member-at-Large

At the Eighteenth Grand Chapter Congress, which was held in Dallas last September, Waldo E. Hardell was elected a Grand Council Member-at-Large. For the past two years, Waldo has been a member of the Executive Committee of the fraternity. Born and educated in Minneapolis, he graduated from the University of Minnesota in 1926, where two years previously he had joined Delta Sigma Pi. He was elected to Beta Gamma Sigma and the Scabbard and Blade while at Minnesota, in addition to being president of the School of Business Commerce Club. After graduation he toured Europe extensively.

Upon his return, Brother Hardell was appointed special agent for Underwriters at Lloyds of Minneapolis. Five years later he was elected deputy attorney for this same organization. In 1932, he tendered his resignation as deputy attorney to assume the responsibility of manager of the automobile insurance department of the Charles W. Sexton Company in its Minneapolis office. In September, 1939, Waldo was elected a director of this company, a vice president in 1948, and he became a partner of the Charles W. Sexton Company in 1950. Taking time out from a very active business career, Brother Hardell spent three years in military service during World War II. At present, he is a major in the Air Force Reserve. He saw active service in the European Theatre of Operations from 1943 to 1945.

Also very active in civic affairs, Waldo is director of the Minneapolis Safety Council, vice president and director of the Childrens Home Society of Minnesota in St. Paul, a member of the Budget and Distribution Committee of Minneapolis, and chairman of the Hennepin County Republican Finance Committee. A life member of the Minneapolis Junior Association of Commerce, he has served as its president. He has also been vice president of the Minneapolis Chamber of Commerce.

J. Harry Feltham, Eastern Region

The name of Harry Feltham needs no introduction to the three hundred brothers in attendance at the Seventeenth Grand Chapter Congress in Baltimore, Maryland in 1949. Harry was general chairman of this convention and the efficiency with which it was conducted speaks highly for his capability and his intense interest in Delta Sigma Pi. Brother Feltham was initiated into Chi Chapter at Johns Hopkins University in 1923. During his undergraduate days he held many chapter offices and later he served the Baltimore Alumni Club in several capacities.

For two or three different periods during the past 15 years, Brother Feltham has led the National Committee on Life Membership. His sparking of this very important project has helped

build the National Endowment Fund to its present size of \$72,000 and increased our Life Membership roster to 1,700 members. Harry justly takes a great deal of pride in the growth of our Life Membership program and in the number of Life Members in Chi Chapter and in the Baltimore Alumni Club. For many years, they both have led the fraternity in numbers from a percentage standpoint.

Thoben F. Elrod, Southeastern Region

Graduation from the University of Georgia, Atlanta Division, in 1939, was the culmination of an active four years for Thoben F. Elrod, who was the head master of Kappa Chapter there, president of the senior class, president of the student body, and president of the speech club. During this time, in fact from 1934 through 1940, he was employed by the Atlantic Steel Company, spending two and one-half years in the accounting department and the balance in the sales department of this company.

In 1941, Brother Elrod became the office manager for Hotpoint, Inc., and, in 1941, was promoted to commercial sales specialist for the Southeast with this same company. From March, 1942, until October, 1945, he served his country in the Navy and arose rapidly from the rank of ensign to that of lieutenant commander. For almost four years following the end of World War II, Thoben was associated with the Deepfreeze division of the Motor Products Corporation; first, as regional manager in charge of sales for the southern portion of the United States which included Texas through Virginia and, secondly, as field sales manager for the entire country.

Shortly after this second appointment, he went with the Crosley Distributing Corporation in Cincinnati, Ohio, as manager of the home and farm freezer division of the United States. While in this position, he was also chairman of the National Electrical Manufacturers Association. In 1950, the Crosley Distributing Corporation decided to open a factory branch in Atlanta and, at Brother Elrod's request, he returned to Atlanta, Georgia, as manager of this branch.

Robert G. Busse, Central Region

Bob's activity in Delta Sigma Pi affairs has been both constant and extensive since 1936 when, as a member of Phi Sigma Beta, the local professional commerce fraternity from the University of Newark, he attended the Twelfth Grand Chapter Congress in Atlanta. He acted as spokesman and head master of the group and became chancellor of Beta Omicron Chapter after its installation into the fraternity. After Brother Busse's gradua-

tion from Newark, until the beginning of World War II, the duties of Province Officer were handled by him. In addition, he has taken an active part in the operation of the Newark Alumni Club and served three terms on their Board of Governors.

Brother Busse majored in accounting while at the University and obtained a B.S. in Business Administration. Very active, also, in school activities, he served as president of the junior and senior classes, vice-president of the Student Council, and was a member of the varsity basketball team. Bob is, at present, manager of the Burroughs Adding Machine Company, Kalamazoo, Michigan, office, and has been employed in various capacities by the Company since 1939. Prior to this, he served as the assistant business manager of the Essex County Vocational School Board, cost accountant for the Hoffman Beverage Company of Newark and as a clerk at the Public Service Corporation of New Jersey.

William R. Merrick, Southwestern Region

Bill was initiated into Beta Iota Chapter at Baylor University in 1931. He attended Rice Institute in Houston, Texas, before he became a student at Baylor University. It was at Baylor that Brother Merrick received his degree of Bachelor of Science in Business Administration. Brother Merrick was very active on the football, basketball and track teams of these two universities. In addition to his undergraduate activities in Delta Sigma Pi, Bill served as president of the Dallas Alumni Club in 1947-48. He has been an active member of this Club since 1939.

Brother Merrick is well known to the Deltasigs in the Southwest because of his chapter visitation and participation in the installations there during the past few years. He served on the ritual teams which installed Beta Upsilon Chapter at Texas Tech., Beta Phi Chapter at Southern Methodist, Beta Chi Chapter at Tulsa, Beta Psi Chapter at Louisiana Tech and Gamma Phi Chapter at Texas Western. He also traveled several hundred miles to attend the installation of Gamma Delta Chapter at Mississippi State College.

From 1934 to 1942, Bill was associated with Safeway Stores, Inc., and concurrently, from 1936 to 1942 he owned and operated a number of retail food stores. In 1942, Brother Merrick entered the U. S. Navy where he served in the Medical Corps with 25 months of foreign duty.

Henry C. Lucas, Midwestern Region

In July, 1948, at the annual meeting of the Grand Council, which was held in Baltimore, Brother Lucas was elected to fill a vacancy on the Grand Council created by the resignation of Daniel C. Kilian at that time. Henry, who is a member of Alpha Delta Chapter, was reelected to the Grand Council at the Seventeenth Grand Chapter Congress. Born in Omaha, Nebraska, he attended schools there and later received his B.S. degree in Business Administration at the University of Nebraska. While he was at the university, he became a member of Delta Sigma Pi. Unceasingly active since that time, he was on hand to play an important part in the installation of Beta Theta Chapter at Creighton in 1930 and Gamma Eta Chapter at Omaha in 1949.

During the depression, Brother Lucas was instrumental in reactivating a chapter in spite of extraordinary odds. Several other chapters have been reactivated since the war as a result of the effort and contacts made by him during the course of his travels as an auditor and contracting officer for the army. Everywhere Henry traveled, he made it a point to look up Deltasigs. He also became a regular visitor to the Chicago and the Twin Cities Alumni Club meetings.

At the present time, Henry is in the advertising field, and is serving as auditor and office manager of Mathur, Inc., of Omaha, Nebraska. Henry's latest and outstanding achievement

is the publication of the first Directory of Delta Sigma Pi Graduating Seniors.

Frank C. Brandes, Western Region

Brother Brandes was initiated into Kappa Chapter of Delta Sigma Pi in April, 1931, and was one of the most active workers of Delta Sigma Pi in the South until his business required that he be transferred to the West Coast in 1944. His undergraduate activities included serving as head master of Kappa Chapter for two terms, during which period they finished in first place in the Chapter Efficiency Contest.

When he became an alumnus he was appointed Province Officer which position he held until he was elected to the Grand Council in 1936. Brother Brandes served diligently on the Grand Council until his transfer to the West Coast forced him to resign due to the fact that Delta Sigma Pi was not active in that region at that time, and his participation in fraternity operation would have been greatly handicapped. Frank was very active in the arrangements of the Twelfth Grand Chapter Congress which was held in Atlanta in 1936. He also attended the previous Grand Chapter Congress which was held in Chicago and was in charge of the program of papers that was presented there.

Brother Brandes resides in San Francisco and is manager of the Retail Credit Company's office there. He has been connected with this company for many years and has previously been manager of their offices in Kansas City and Portland.

Three Spring Installations Bring Active Chapter Roll to Eighty

THE ACTIVE CHAPTER ROLL of Delta Sigma Pi rose to 80 fine undergraduate chapters with the installation of chapters at Babson Institute of Business Administration in Babson Park, Boston, Massachusetts, on April 21; Texas Western College in El Paso, Texas, on May 19; and St. Bonaventure University in St. Bonaventure, New York, on May 26. Our Alpha Omicron Chapter at Ohio University in Athens, Ohio, was also reactivated on April 28.

The addition of Gamma Phi Chapter at Texas Western College in El Paso, Texas, brings the number of chapters in the state of Texas to five. The other chapters being Beta Iota at Baylor, Beta Kappa at Texas, Beta Upsilon at Texas Tech, and Beta Phi at Southern Methodist. With chapters at New York, *Alpha*, and Buffalo, *Alpha Kappa*, the state of New York now has three chapters with the addition of Gamma Chi Chapter at St. Bonaventure University in St. Bonaventure, New York. Gamma Upsilon Chapter at Babson Institute of Business Administration in Boston, Massachusetts, makes the second chapter

for the State of Massachusetts. The other chapter being our Gamma Chapter at Boston University in Boston, Massachusetts.

The reactivation of our Alpha Omicron Chapter at Ohio University in Athens, Ohio, gives the State of Ohio six Delta Sigma Pi chapters. The others being Nu at Ohio State, Alpha Theta at Cincinnati, Alpha Upsilon at Miami U., Beta Pi at Kent State, and Beta Tau at Western Reserve.

At a meeting of the Grand Council of Delta Sigma Pi just prior to the Eighteenth Grand Chapter Congress the Grand Council reviewed two fine petitions and granted chapters to the University of Arizona at Phoenix, Arizona, and to Arizona State College at Tempe, Arizona. These two chapters, which will further increase the size of our active chapter roll, will be installed early in the month of November. Both of these chapters will be in our Western Region and will bring the strength of this region to eight fine chapters. This is worthy of note because only two years ago this same region had only one active chapter.

Installation of Gamma Upsilon Chapter at Babson Institute

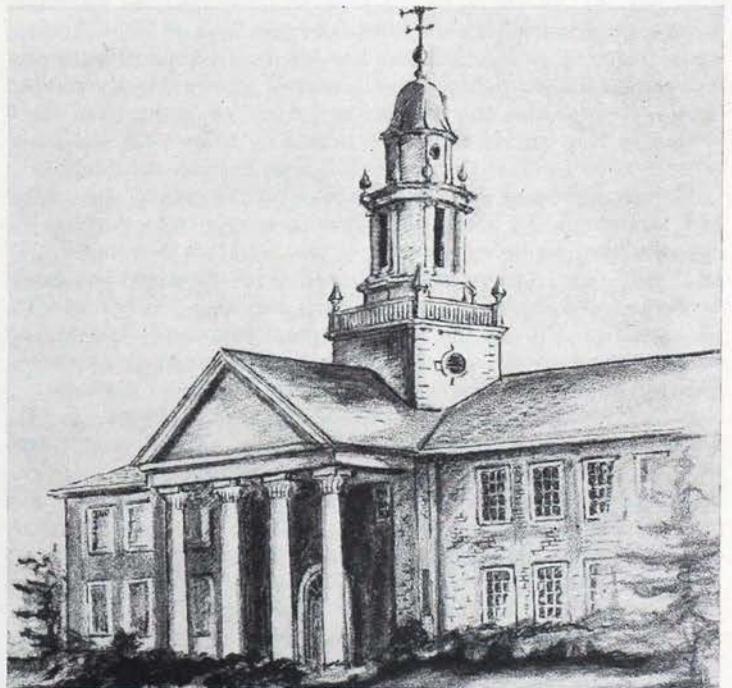

AFTER WAITING several years for their institution to be fully accredited, Alpha Chi Epsilon at Babson Institute, Boston, Massachusetts, became the Gamma Upsilon Chapter of Delta Sigma Pi on Saturday, April 21. Grand President Walter C. Sehm of St. Paul was the installing officer. He was assisted by Grand Secretary-Treasurer H. G. Wright of Chicago, J. Harry Feltham of Baltimore, the Eastern Regional Member of the Grand Council, and a ritual team composed of Boston alumni. The entire installation ceremony was conducted in the Algonquin Club of Boston. Registration began shortly after noon, followed by the ritualistic initiation, fellowship hour, and the installation banquet.

Grand Secretary-Treasurer H. G. Wright served as toastmaster, and a warm welcome was extended to the new chapter by Edward B. Hinckley, president of Babson Institute. Walter H. Carpenter, chairman of the Department of Labor of Babson Institute, depicted the founding of Alpha Chi Epsilon, our local petitioning group. Grand President Sehm then presented the charter and charge to Gamma Upsilon Chapter. Acceptance of the charter was made by Richard E. Lucas on behalf of Gamma Upsilon Chapter. J. Harry Feltham, Regional Member of the Grand Council, extended fraternal greetings, as did the official delegates and other visiting Deltasigs.

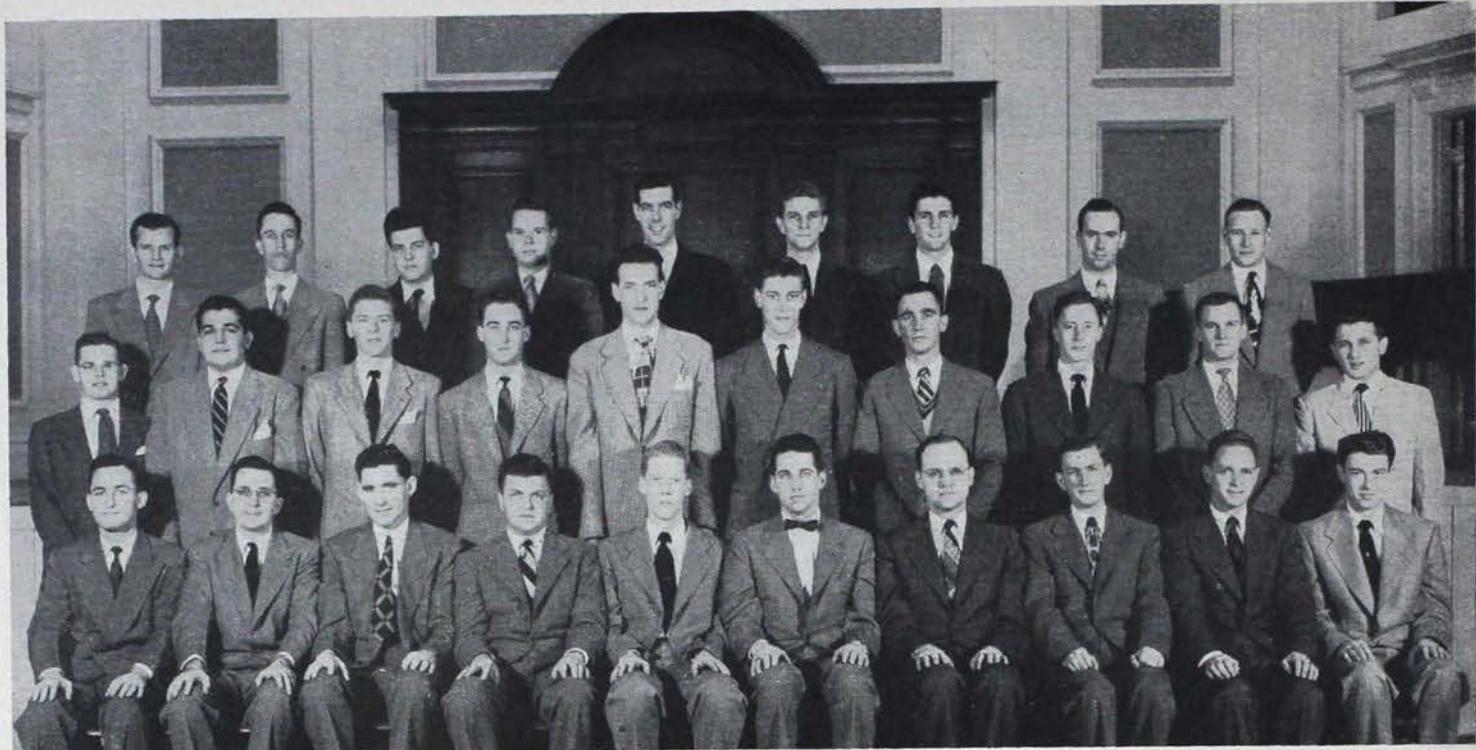

History of Babson Institute

On September 13, 1919, Babson Institute of Business Administration opened without ceremony in a shaded house at 31 Abbott Road, Wellesley Hills. Since there were no dormitories, the 28 original students were expected to find their own lodgings in nearby inns and hotels. In September, 1920, the original house on Abbott Road was abandoned, and the school moved into the brick office building on Washington Street—now known as the Stuart Apartments. For the first two years the school was conducted as a private organization, owned and operated by

Mr. Roger W. Babson. The instruction given by the six faculty members was supplemented by short courses conducted by members of the Babson Statistical Organization. During the early years of the school, the method of instruction was patterned after actual business training programs, in which the apprentice goes from one department to another instead of studying several different types of work at the same time. though work in the Personal Efficiency Department was continued throughout the program, the work of the other departments (Production, Distribution and Finance) was concentrated by terms: that is, production was studied the first term, distribution the second, and finance the third.

In the summer of 1921, Babson Institute was incorporated under the Educational and Charitable Act of Massachusetts with a Board of Trustees in full control of its property and the operations of the school. At the same time Mr. Babson became chairman of the new Board and Dr. George W. Coleman became president of the institute. The selection of Dr. Coleman was a wise one, as Dr. Coleman has spent a lifetime in business, specializing in publishing, and was well known in advertising circles. He was also the founder and director of the Ford Hall Forum in Boston. He remained president from 1921 until his retirement in 1935, to devote his full time to personal interests.

The expansion of the physical plant of the school was rapid and farsighted. In 1921, the Lyon property was purchased, opposite the Wellesley Country Club, and on November 23, 1921, the new campus was dedicated. This property has been developed and expanded until now it includes 350 acres, with 17 buildings. One of the most unique features of Babson Institute campus was begun during Dr. Coleman's presidency. This was the Great Babson Relief Map of the United States.

Following Dr. Coleman's retirement in 1935, Dean Carl D. Smith, of the Evening School of Northeastern University, was selected as the second president of the institute. It was during President Smith's administration that the transition took place between the severely practical curriculum of the first 16 years and the broader, better-balanced curriculum of today. The Two-Year Program, designed to meet the needs of the high school graduate with a limited amount of college or business experience, served to introduce many of the new methods advanced by President Smith. Enrollment, which had declined sharply in the period just preceding Dr. Coleman's retirement, again took an up-turn and reached a peak of 139 in 1940. However, the impact of war in 1941 and 1942 caused a sharp

decline. Early in 1943, Babson Institute entered into contract with the United States Navy to supply housing and messing facilities for a Branch Supply Corps School. This Naval program ended in December 1944 and President Smith resigned at that time. President Smith is to be congratulated upon a signal achievement; namely, the passage through the Legislature of the Commonwealth of Massachusetts of a special act authorizing Babson Institute to grant the Bachelor of Science Degree in Business Administration and the Master's Degree in Business Administration.

During 1945 and the first half of 1946, the direction of the college had been placed by the Board of Trustees in the hands of a Steering Committee. However, on July 1, 1946, Dr. Edward B. Hinckley took office as the third president of Babson Institute. At this time the enrollment almost doubled and the faculty was augmented correspondingly. The modern development of the Institute as a full-fledged college of business administration proceeded rapidly. Work on a proposed Master's Degree Program has been under way for several years. With official recognition of the quality of the undergraduate program now secured, it is now planned to put this graduate program into effect in the fall of 1952.

Babson Institute of Business Administration became fully approved by the New England Association of Colleges and Secondary Schools in December 1950.

The History of Alpha Chi Epsilon

Late in the year 1948, seven Babson Institute freshmen decided to establish a fraternity covering all phases of business activity. The founders, after a great deal of talk and a summer's consideration, produced concrete plans early in 1949. Letters were sent to the major national professional fraternities inquiring into the scope of their activities and their requirements for affiliation. The seven students interested in founding the fraternity—Robert McArthur, Barrett McInerney, Albert Merrill, Donald Partridge, Kenneth Robes, Arthur Read and Robert Ripley—lost no time in selecting the International Fraternity of Delta Sigma Pi as the fraternity to petition for membership.

After three months of quiet planning and steady correspondence, Robert G. Busse of Boston, and a Grand Council

Member of Delta Sigma Pi, was consulted. His sincere interest and capable advice enabled plans for the growth of this new group to be built upon a solid foundation. During this period the founders decided to name the fraternity Alpha Chi Epsilon. With the framing of the constitution, a small group of hand-picked men were invited to become charter members. Both the activities and records of these men indicated that they would constitute an ideal nucleus for the new fraternity. Because of his close contact with business as chairman of the Babson Institute Department of Labor, Walter H. Carpenter was invited to be faculty advisor.

Alpha Chi Epsilon held its first open meeting on Thursday, April 21, 1949. This meeting was held in the Cup 'n' Saucer, the institute's meeting lounge. The purpose of the meeting was to acquaint the student body with the aims and objectives of the fraternity and to foster interest in the new fraternity. Robert G. Busse spoke to the students on the probationary relationship between Delta Sigma Pi and the prospective Babson chapter. Dr. Raymond E. Wheeler, a member of the Babson Institute Department of Psychology, was the guest speaker. With the indoctrination of its first group of pledges, the fraternity began to feel administrative growing pains. Although prospective pledges were interviewed late in May, the pressure of school examinations, coupled with organizational problems required postponement of their initiation until the fall of 1949.

Brother William R. Husband, former Commissioner of Banks for Massachusetts and president of the Ashton Valve Company in Charlestown, Massachusetts, spoke to the fraternity at its first formal dinner meeting held on May 26, 1949. Brother Busse, to whom the group was indebted for the talk given by Brother Husband, was also present at the meeting. Although the dinner meeting on May 26 was the last formal affair of the year, a small group of members, during June, spent an enjoyable weekend on Cape Cod. At the final meeting held in June, plans were formulated for the school year 1949-1950. As a result of these efforts, Alpha Chi Epsilon went into full swing in the fall of 1949 with a speaker meeting in October, featuring Mr. Thompson, New England training manager for Socony Vacuum Oil Company. This event was followed closely by a dinner

dance. On November 8, a formal initiation banquet was held.

During the following months, until the second initiation banquet in February, the fraternity maintained its schedule of biweekly business and speaker meetings. These speakers, in keeping with the purposes of the fraternity, were procured from various fields of business. Before leaving for spring vacation in April, the new members attended several business meetings and one speaker meeting. Plans conceived early in the year bore fruit at the first regular meeting after the spring vacation, during which time an interesting panel discussion was held. The members of the panel were: Dean Sutcliffe of Boston University; Dr. Copeland of Harvard Business School; and Dr. Hinckley of Babson Institute. This program was transcribed by Alpha Chi Epsilon and broadcasted over the Yankee Network at a later date. Several members of Delta Sigma Pi's Gamma Chapter attended this meeting and later invited Alpha Chi Epsilon to a speaker meeting held at the University Club of Boston in May.

Many additional alumni and undergraduates have been initiated into Alpha Chi Epsilon this college year. Also, research is being completed on what are to be annual fraternity projects. This year's project has taken the form of a report on "Suburban Shopping Centers" which looks into the motives for, and possible benefits to be derived from, the decentralization of retail outlets by such major concerns as Jordon Marsh, Filene's and R. H. Stearns. During its period of local operation Alpha Chi Epsilon was also favored with visits from both Grand Secretary-Treasurer H. G. Wright and Assistant Grand Secretary-Treasurer J. D. Thomson of the Central Office. A delegation of officers from Alpha Chi Epsilon was also in attendance at the Eastern Regional Meeting of Delta Sigma Pi held in April 1950, in Washington, D. C. This close association and supervision by Delta Sigma Pi has assisted in the foundation of an efficient fraternity at Babson Institute.

The first officers of Gamma Upsilon Chapter were: Head Master, Richard E. Lucas; Senior Warden, Rudolph M. Hasak; Junior Warden, Raymond C. Newton, Jr.; Scribe, Murray Waldron; Treasurer, James A. Bryan; Historian, Richard C. Belew; and Chapter Advisor, Walter H. Carpenter.

Those undergraduate members initiated on April 21, 1951, were: Charles J. Allen, George R. Armbruster, Edward A. Bears, Richard C. Belew, James A. Bryan, Jr., Douglas S. Burns, Donald P. Butler, John E. Butler, James J. Crane, Jr., William F. Frazier, Russell C. French, Donald F. Harvey, Rudolph M. Hasak, Donald Huke, Richard E. Lucas, James B. Malloy, Richard M. McCormick, Edward F. Miller, Thomas C. Morgans-tern, Robert F. Morse, David M. Moseley, Jr., Howard S. Neff, Jr., Raymond C. Newton, Jr., Rodney C. Penney, Ralph S. Perkins, Jr., David W. Pohl, Armin S. Roe, David K. Royle, William S. Schulz, Vasil Simmons, David A. Smith, Jr., George A. Sofrones, John J. Spadaro, William N. Talmers, Henry L. Vogt, Jr., Robert O. Wagner, Murray Waldron, Thomas W. Welles, Arthur W. Wendel, and Dewey G. Wilkerson, Jr.

The alumni were: William C. Arnot, Leonard Brooks, Jr., Adelard C. Chausse, Leon D. Davis, Jr., Carl E. Gustafson, Jr., Robert W. McArthur, Charles W. McCollister, Robert B. McKee, III, John J. McLaughlin, Jr., Albert O. Merrill, Donald H. Partridge, John J. Pyne, Arthur E. Read, Robert L. Ripley, Kenneth H. Robes, Jr., Richard H. Rocke, and Harvey A. Turnure, Jr.

PARK MANOR DORMITORY at Babson Institute was constructed in 1930. It houses 91 students, and has recreation and dining halls.

The faculty members initiated were: Walter H. Carpenter, Jr. and Everett W. Stephens.

Installation of Gamma Phi Chapter at Texas Western College

IN EL PASO, furthest western point of Texas, a delegation from Gamma Iota Chapter at the University of New Mexico met with Grand President Sehm and local Deltasig alumni to install the Gamma Phi Chapter of Delta Sigma Pi at Texas Western College on Saturday, May 19. Assisting Grand President Sehm at this installation was William R. Merrick, *Beta Iota Chapter—Baylor*, the member of the Grand Council from the Southwestern Region. D. H. Chandler, an alumnus of Gamma Iota Chapter at New Mexico who now resides in El Paso, arranged most of the installation ceremonies.

Registration and the ritualistic initiation were held in the Hotel Cortez in El Paso. A fellowship hour followed the initiation and the installation banquet was held that evening in the Mirror Room of this same hotel. The dean of the college of

Arts and Sciences, C. A. Puckett, welcomed Gamma Phi Chapter to the Texas Western College campus at the banquet held that evening. Wade J. Hartrick, chairman of the Department of Economics and Business Administration, told of the founding of Beta Alpha Epsilon, our petitioning group there. At this point in the program the highlight was reached when Grand President Sehm, of St. Paul, presented the charter to Gamma Phi Chapter. In his address he outlined the responsibilities that the members of Gamma Phi Chapter had assumed that afternoon and wished them every possible success. On behalf of Gamma Phi Chapter, George F. Davis accepted the charter with appropriate remarks. William R. Merrick, the Regional Member of the Grand Council then added his words of welcome, and the delegates and other visiting Deltasigs did likewise.

History of Texas Western College

The Thirty-third Legislature of the state of Texas, at its regular session in 1913, passed an act creating a State School of Mines and Metallurgy to be located at El Paso, at the intersection of several of the oldest highways in the nation, where white men tramped centuries before the pilgrims landed at Plymouth Rock. The Act of 1913 charged the institution with teaching research in mining, metallurgy and allied subjects, and placed it under the control of the Board of Regents of the University of Texas. El Paso was an ideal location for a mining school, as it is the center of the mining interest of western Texas, New Mexico and Arizona.

The act further provided that the location of the school in El Paso was provisional upon the execution by the citizens of El Paso of a deed to the El Paso Military Institute Buildings and grounds. Through the activity of the Chamber of Commerce, the money to purchase the buildings and grounds was raised and the deed thereof made to the state. The school opened its doors in September, 1914. The initial enrollment that year was 27 students and 8 faculty members. Twenty courses and the degree of Bachelor of Science in mining engineering was offered. Two years hence, October 29, 1916, the Main Building burned, which led to the decision to move to the present site west of Mt. Franklin, a picturesque mountainous setting, with the campus nestled in craggy Crazy Cat range.

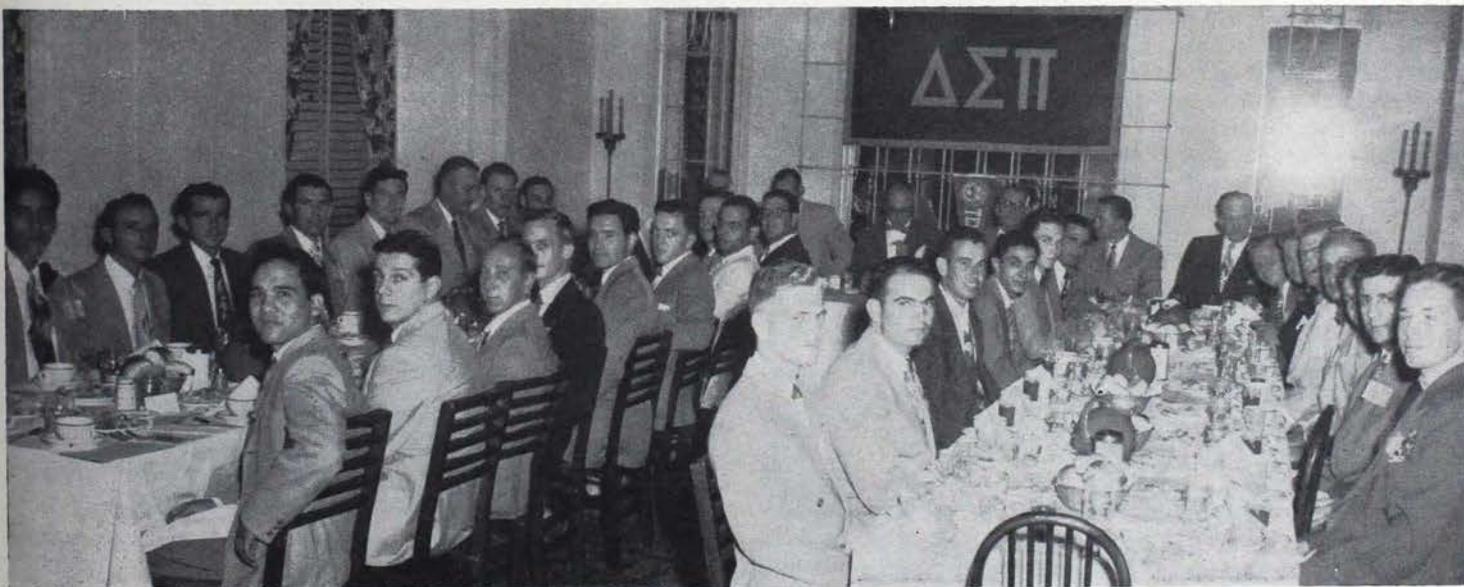

During the early years a dean, who took his authority through the president of the university, was the local executive in immediate charge of the affairs of the institution. In the year 1919, the thirty-third legislature made the school a branch of the University of Texas, and it remains so to this day. The legislature provided that the university, through the Board of Regents, should take over the management and control of the college and its properties and should assume and discharge its debts and obligations. The Board of Regents in 1931 took cognizance of the growing appeal of Texas College of Mines, as it was then known, as a regional institution and provided for it a president, vested in him direct administrative authority, and the college began operating directly under the Board of Regents. In September, 1950, the chancellorship system became effective. Under such a system the college remains in a semi-autonomous position with its president acting through a chancellor who is the chief administrative officer of all branches of the University of Texas.

INSTALLATION BANQUET, Gamma Phi Chapter, Texas Western College, held in the Mirror Room of the Hotel Cortez.

The enrollment in 1920-1921 had soared to 135. Registrants no longer come to Texas Western from El Paso and its vicinity alone. The enrollment figures exceeded 2,500 for the first time in 1949-1950 and college officials made preparations and planned schedules to handle 3,000 students in 1950-1951. In 1920 the campus consisted of four buildings, which from a distance seemed desolate and actually engulfed by the surrounding cliffs. Today, after a continuous phenomenal growth, the campus consists of a physical plant of 35 buildings, and contracts have been let for additional structures scheduled to be started soon. All buildings follow in their architecture a close resemblance to Butanese dwellings in the Himalaya Mountains, a unique feature which is the basis of many favorable comments by visitors to the campus. In 1916, after the school had burned and a different location selected for the college site, Mrs. S. H. Worrell, wife of the first dean of the college, suggested the Tibetan architecture to the Board of Regents. This type of building is unusual and it blends perfectly with the El Paso terrain.

The college has also made tremendous strides in its educational facilities. Originally instituted as a mining and engineering school, the curricula was expanded in 1927 to include the liberal arts, and in 1931 the Board of Regents authorized the college to confer the Degree of Arts. Still later, the Bachelor of Science and the Bachelor of Business Administration and

BURGESS HALL, designed according to Tibetan architecture, strongly resembles the monasteries of Tibet, as do other buildings on the Texas Western College campus.

Bachelor of Music were added. In 1940, the board authorized the conferring of the degree of Master of Arts. Texas Western is a member of the Texas Association of Colleges and the Southern Association of Colleges. On March 24, 1949, the results of three elections held to determine sentiment in changing the name of Texas College of Mines and Metallurgy was presented to the University of Texas Board of Regents by Dr. W. H. Elkins, president. Voting followed a week of vigorous campaigning. In April, 1949, the board recommended a change of name to Texas Western College of the University of Texas, and subsequently the new name was approved by the Fifty-first Legislature, effective June 1, 1949.

Department of Business Administration and Economics

By act of the Thirty-sixth Legislature of the state of Texas in 1919, the State School of Mines and Metallurgy created in 1913 was redesignated the Texas College of Mines and Metallurgy and was made a branch of the University of Texas. There were included for the first time in its curriculum courses in elementary accounting and elementary economics. Thus originated the present Department of Business Administration and Economics. It has grown from a scant two-course curriculum attached to the department of English, to a full-fledged department of its own, offering students the degree of Bachelor of Arts in Business Administration and the degree of Bachelor of Business Administration.

In 1927, under the direction of Professor Elizabeth Beynon, it became an independent department with the introduction of several new courses including elementary typewriting, shorthand, advanced accounting, and business correspondence. During the period 1927 to 1931, the following courses were added: business law, fundamentals of advertising, advanced dictation, business psychology, advanced economics, money and banking, economic statistics, corporation finance, corporate structure,

principles of marketing, trade and finance, and business statistics. The addition of these varied courses provided the first opportunity for those students interested in the scientific approach to business organization and conduct to acquire a solid foundation in theory and practice. The years between 1932 and 1946 were significant for the number of upper division courses added as there was an increasing realization of the need for a higher degree of specialized training in the diverse segments of commerce.

In the year 1943, Dr. Wade J. Hartrick came to the department as its chairman and began at once to direct his energies toward making the Department of Business Administration and Economics at Texas Western College a significant factor in the commercial world of the southwest area. Primary among plans to increase the attraction of higher education for young people planning a business career was the idea of offering the degree of Bachelor of Business Administration. This plan came to fruition with the addition of the degree in 1947. It is significant that, after the introduction of the degree, the number of students registering as Business Administration majors has doubled in the short space of three years. With this influx of students has come the addition of new plant facilities for the Department of Business Administration. In 1950, the college administration turned over to the department for its exclusive use Burges Hall, a completely modernized three-story structure with the latest in indirect fluorescent lighting, spacious classrooms, and faculty offices.

In order that the students may obtain the greater measure of educational benefit from those excellent facilities, the college has added to the faculty staff a number of the best qualified people from the world of business to give the instruction in such specialized fields as accounting and business law. Emphasis is ever placed upon the application of knowledge to the practical business situation. Field surveys of existing business in operation are encouraged to the greatest extent possible in order that the student may acquire some first-hand knowledge of the conditions and problems associated with the various fields of business interest.

The History of Beta Alpha Epsilon

Beta Alpha Epsilon Fraternity of Texas Western College evolved from the business club known as "Bekas," which was founded in December, 1945, for the purpose of furthering the study and practice of Business Administration and Economics.

THE SCIENCE BUILDING at Texas Western College, which is the home of our Gamma Phi Chapter, El Paso, Texas.

MEMBERS OF GAMMA PHI CHAPTER, Texas Western College, El Paso, Texas.

The name, "Bekas," was derived as a catch word from the phonetic sounds of "Business Administration and Economics." Under the guidance of Dr. Wade J. Hartrick, chairman of the Department of Business Administration and Economics, and the faculty sponsorship of Mr. John H. D. Spencer, the Bekas adopted a constitution, engaged in inspection trips of various fields of commerce, played host to local business speakers, and enjoyed social activities. The Bekas was a co-educational club open to all majors and minors in Business Administration and Economics, including freshmen who had expressed their desire to major or minor in these subjects.

In the spring of 1950, the men of the Department of Business Administration and Economics of Texas Western College, in order to promote the interests of the department, proposed that all interested and qualified male students of the department consider petitioning for membership in a national professional business fraternity. In order to accomplish this aim, interested and qualified male students formed a separate club. This separate club, under the faculty sponsorship of Mr. Kenneth W. Olm, was designated the Texas Western Commerce Club, and its organization and activities closely followed that of its parent, the Bekas. The first meeting of the Commerce Club was completely taken up with discussion concerning petitioning for membership in a national professional business fraternity, and it was decided to apply for a petition into the International Fraternity of Delta Sigma Pi. Correspondence was accordingly prepared by a Commerce Club committee and sent to the International Fraternity of Delta Sigma Pi.

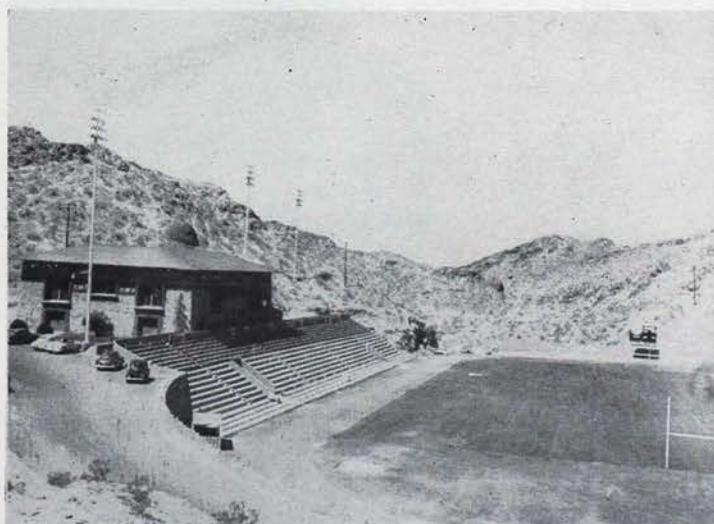

Upon receipt of Delta Sigma Pi literature and criteria for establishment of a chapter, it was unanimously voted by the members of the Commerce Club that the International Fraternity of Delta Sigma Pi be petitioned for a chapter at Texas Western College. J. D. Thomson, Assistant Grand Secretary-Treasurer of Delta Sigma Pi, met with the Commerce Club a short while later, and further explained the advantages of membership in Delta Sigma Pi. To further prepare themselves for petitioning Delta Sigma Pi, the members of the Commerce Club changed the club's name to that of Beta Alpha Epsilon Fraternity, signifying Business Administration and Economics,

and drew up a new constitution which closely followed the constitution of the International Fraternity of Delta Sigma Pi.

The first officers of Gamma Phi Chapter are: Head Master, George F. Davis; Senior Warden, Robert Kessel; Junior Warden, Edwin B. Erhardt; Scribe, William F. Dunlap; Treasurer, John E. Kimmel; Historian, Thomas J. Stewart; and Chapter Advisor, Kenneth W. Olm.

Those undergraduate members initiated on May 19, 1951, are: George Angelos, Filiberto S. Armijo, Robert A. Beeman, Paul H. Casavantes, Amando Chavez, Herbert W. Christ, Murrel F. Croney, Raymond W. Davenport, Jr., George F. Davis, Michael J. Doria, William F. Dunlap, Edwin B. Erhardt, William R. Fletcher, Genaro Fourzan, Gordon R. Gaenzle, Robert E. Gillett, Raymond J. Haddad, Edwin L. Hogan, Vincent B. Humphreys, Jr., Robert Kessel, John E. Kimmel, William McDonald, Edmundo J. Moreno, Thomas R. Petersen, Calvin B. Skinner, Thomas J. Stewart, Willie A. Strickland, Maynard A. Traeder, and Gilberto I. Valdez.

Wade J. Hartrick, Donald K. Freeland, Kenneth W. Olm and John H. D. Spencer were also initiated as faculty members at that time.

THE TEXAS WESTERN STADIUM is the home of the annual New Year's Day football classic, the Sun Bowl, which had its beginning in 1935.

Installation of Gamma Chi Chapter at St. Bonaventure University

ON SATURDAY, May 26, the Gamma Chi Chapter of Delta Sigma Pi was installed at St. Bonaventure University, St. Bonaventure, New York. Grand Secretary-Treasurer H. G. Wright of Chicago served as the installing officer, with able assistance from J. Harry Feltham of Baltimore, Eastern Regional Grand Council Member. The Alpha Kappa Chapter ritual team, headed by Franklin A. Tober, the head master of Alpha Kappa Chapter at the University of Buffalo, performed the initiation ceremonies.

The guests and delegations were welcomed at the St. Bonaventure University Golf Club, which was at the disposal of the fraternity for the entire day. After the ritualistic initiation, the fellowship hour and the installation banquet took place. J. Harry Feltham served as toastmaster. Father Fidelis O'Rourke, O. F. M., dean of the School of Business Administration, gave a brief history of the school. The founding of Beta Beta Chi, our local petitioning group, was related by James Hayes, a member of the faculty. Grand Secretary-Treasurer H. G. Wright then presented the charter and charge to Gamma Chi Chapter. John Kellenstine, the head master of Gamma Chi Chapter, accepted the charter. At this point the various delegations were introduced and all extended words of welcome to the new group.

The History of St. Bonaventure University

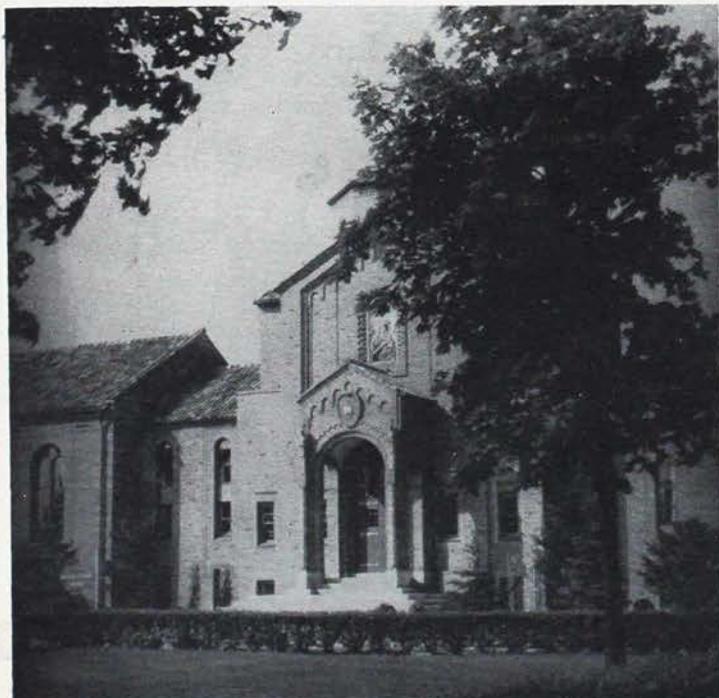

St. Bonaventure University began as a vision in the mind of Nicholas Devereux, a pioneer landowner in the Allegany Valley section of western New York State. His was a two-fold dream: to supply the much needed priests in the area, and also to found the university which he desired to be built as an integral part of a European-fashioned university city. Mr. Devereux traveled to Rome and placed his request for aid before His Holiness Pope Pius IX, who directed him to the superior of the Franciscan Order. His dream was soon realized when a band of four

pioneers led by the first superior, Father Pamphilus da Magliano, left for the wilderness of western New York.

On August 23, 1854, Bishop Timon of Buffalo laid the cornerstone of St. Bonaventure College. The new college was dedicated to St. Bonaventure, the patron of Franciscan Schools, and Father Pamphilus da Magliano, O. S. F., was elected its first president. In 1859, the school opened its doors with a registration of 15 students. The period from 1859 to 1875 was one of expansion. In four eventful years the student registration had risen to 60 and a new monastery had been erected on the campus. In 1864, the first graduation exercise was held on the campus grounds. Ten years later a new building was erected, augmenting the available college facilities. That same year the college boasted of another improvement; the establishment of a

library. The following year found Father Charles Vissani da Mazzono, O. S. F., as president; the student body numbering 133 and the faculty 13. Also, in that year the Regents of the state of New York granted the college a provisional charter which was made permanent under the presidency of Father Theophilus Posposilk, O. S. F., in 1883.

Four years later began the 24-year term of Father Joseph Butler, O. F. M. These were the years of great expansion, as it was during Father Butler's administration that the present Alumni Hall was built, the monastery enlarged, and a new classroom building, Lynch Hall, constructed. Father Butler, eight years later, saw the new Lynch Hall gutted by flames, but he zealously directed his activities toward its renovation and successfully completed this task before his death in 1911. Father Fidelis Reynolds, O. F. M., St. Bonaventure's ninth president, standardized the arts and science courses. He added an accredited commercial and banking course and a premedical course. In 1916 Father Alexander Hickey, O. F. M., succeeded Father Fidelis as the tenth president of St. Bonaventure College. During the first years of his reign, the present gymnasium was erected. Father Thomas Plassman, O. F. M. followed Father Alexander as the next president of St. Bonaventure College, and he gave a new impetus to the expansion and progress of St. Bonaventure. During his reign, however, two disastrous fires

swept the campus. The first when the barns burned to the ground, and later when a bolt of lightning struck the clock tower of Lynch Hall. Lynch Hall was then completely remodeled and named De La Roche Hall. In 1937, Friedsam Memorial Library was presented to the college. The library, one of the most beautiful in western New York, contains over 120,000 select volumes and a file of over 2,000 periodicals.

With the close of World War II, a new era began in the history of St. Bonaventure University, and the number of students at present number approximately 1,500. At the twentieth anniversary of the great fire we find St. Bonaventure about to embark upon a project of raising almost nine million dollars for a building program. The immediate object to the program is to construct a Science Building, a Student Center, to complete the Seminary of Christ the King, and provide a new ground layout. To follow this program are: another fireproof dormitory, faculty house, chapel and a School of Business Administration building. On October 4, 1950, St. Bonaventure officially received its new University Charter. On that great day events reached a climax when a few minutes before three o'clock the new charter was presented.

The School of Business Administration

The purpose of the school is to impart the principles of modern business and at the same time to emphasize the practical application of these principles to the various branches of industry, commerce and finance. A real interpretation of social philosophy, and a genuine sense of ethical consideration are fundamental in all studies. The courses prepare the student for a certain degree of specialization and at the same time require a broad appreciation of the general field of business. A selection of courses will prepare the student for many phases of the business world, as well as the Certified Public Accountant examinations required by the state of New York. The courses are of four years' duration and lead to the degree of Bachelor of Business Administration. The work consists largely of required courses to provide the cultural background for the student.

At the end of the first semester of the senior year, all students

aspiring to the degree of Bachelor of Business Administration must pass a comprehensive examination in all subjects offered by the School of Business Administration. Particular attention is given throughout the course to such cultural subjects as English, language, history, and philosophy. It is hoped that a thorough study of the courses will provide the student with a keener grasp of all that makes for success in the world of business activity, so that at the end of a few years of business experience he will be further advanced, and have a more comprehensive outlook over the whole field of business than he would have had with a lifetime of mere apprenticeship.

The Business Department was organized in 1933. The Provisional Charter was granted by the Board of Regents of New York State on January 1, 1937. It was finally approved on June 1, 1939. It has functioned as a School of Business Administration since 1949. The approximate registration in this School of Business Administration is now 410. Since its inception, the school has expanded its majors from two, in business administration and accounting, to four. Finance and business education are also offered now.

The History of Beta Beta Chi Fraternity

The local fraternity, Beta Beta Chi, was established during the school year 1934-1935. The main purpose of the fraternity was to provide a closer and friendlier spirit among the business students, and to increase interest in present business and financial problems. The charter and by-laws of Beta Beta Chi provided that any student of the School of Business Administration, of good character and maintaining a satisfactory scholastic average, was eligible for membership. If a student, wishing to become a member, met those requirements, his name was read at two consecutive meetings. After the second reading a vote was taken and, if the candidate received two-thirds of a quorum, he was accepted. A banquet was given each semester in honor of the new members.

In addition to the banquet, there was the Beta Beta Chi Raffle, an annual activity which, excluding membership dues, had been one of the group's main sources of income. Also, throughout the year, lectures were given by prominent business-

men on various problems of interest to the students. These lectures brought the students into personal contact with the practical business problems and the representatives of business themselves. Besides these functions, Beta Beta Chi undertook to establish a trust fund of \$1,500. The interest on this fund provides an award each year to the outstanding business graduate, selected because of his achievement in studies and college activities. This award is called, "The Kinsella Award," in honor of Robert J. Kinsella, a deceased member of Beta Beta Chi.

Beta Beta Chi, with its original ten members, grew quickly until it reached the total of 50 members in 1936. The fraternity retained this number as its average membership until it became inactive because of World War II. In the fall of 1945, Beta Beta Chi was reactivated and has grown and progressed rapidly. This organization first approached Delta Sigma Pi in December, 1949, after having operated locally for 14 years. On October 6, 1950, after almost a year of correspondence, they notified Delta Sigma Pi of their intention to petition. In November, J. D. Thomson, Assistant Grand Secretary-Treasurer, visited St. Bonaventure and met with the officers and faculty advisor of Beta Beta Chi.

The first officers of Gamma Chi Chapter are: Head Master, John A. Kellenstine; Treasurer, George U. Robotti; Scribe, William A. Gallo; and Chapter Advisor, Father Fidelis O'Rourke, O.F.M.

T. Z. Hayward Becomes Ryerson Vice President

FOR THE PAST 33 YEARS, Thomas Z. Hayward, *Northwestern-Beta*, has been associated with Joseph T. Ryerson & Son, Inc., steel distributors, and this association reached a climax recently when Brother Hayward was made vice president in charge of sales. Selling is second nature to him, and he has been at it almost ever since he started with this company at the age of 16. When transferred to inside sales duties a few months later, he decided to further his formal education while working and enrolled at Northwestern University for classes in the School of Commerce. On December 3, 1921, Hayward was initiated into Delta Sigma Pi by Beta Chapter.

A year later, Brother Hayward was assigned an outside sales territory and, after 11 years as a city sales representative, he was appointed assistant sales manager in 1936. Then, in 1944, he was appointed assistant general manager of sales. Last year he was made general manager of sales. Brother Hayward has headed the Northwestern Alumni Athletic Committee, and he is also a member of the school board at Barrington, Ill., where he and Mrs. Hayward and their two children make their home.

Deltasig Receives Rotary International Fellowship

SELECTED AS ONE of the outstanding graduate students from 33 countries to be awarded a Rotary Foundation Fellowship for advanced study abroad was Mackey Emmert, *Penn State*. He will study international relations at the University College of Wales in Aberystwyth in preparation for a career in the U.S. State Department or in foreign trade.

Since his graduation from Penn State, Brother Emmert has been attending the Harvard Business School, where he is a candidate for the M.B.A. degree. An Evan Pugh Scholar, he also received the Delta Sigma Pi Scholarship Key in 1949, having had the highest average in the field of commerce.

Mee Named by Indiana to Big Ten Group

THE APPOINTMENT of John F. Mee, *Ohio State*, chairman of the department of management in the School of Business, as Indiana University's new Big Ten faculty representative and athletics chairman was announced recently by President Herman B. Wells. Mee also directs the School of Business's bureau of personnel relations and placement.

A member of the Indiana faculty since 1939, Brother Mee possesses an athletic background and a keen interest in athletics. He was a baseball letter man while an undergraduate student at Miami University, Oxford, Ohio.

While teaching psychology at the University of Maine from 1931 to 1933, he served as varsity wrestling coach and in 1943 he played on the Army's championship basketball team of the ETO.

John is a past Grand Council Member of the fraternity, and also headed the National Committee on Alumni Placing Service of Delta Sigma Pi.

DELTA SIGS IN UNIFORM. At Ellington, home of the Air Force's only navigation school, Captain Shier, *Northwestern-Beta*; Second Lieutenants Turner and Dawson, Texas; and Staff Sergeant English, Georgia—Kappa; perform duties in connection with navigator training. Not shown in the picture is Captain Shier.

Chamber of Commerce Names Timmerman General Manager

DOUGLAS H. TIMMERMAN, *Nebraska*, was recently named general manager and secretary of the Minneapolis Chamber of Commerce. He joined the Minneapolis chamber on August 1, 1946, as director of the civic affairs department. Prior to this, Timmerman served as executive secretary of the St. Joseph, Missouri, chamber, executive vice president of the United States Junior Chamber of Commerce, and assistant to the president of the American Automobile Association.

A native of Iowa, Brother Timmerman is a graduate of the University of Nebraska. He became sales manager of the Woodruff Printing Company, and got his chamber start as president of the Lincoln, Nebraska, Chamber of Commerce as its youngest president.

Fred E. King, *Wisconsin*, was also appointed to the new executive committee of the Chamber at this time.

American Marketing Association Elects Deltasig President

DR. GEORGE H. BROWN, *Chicago*, has as his new post the presidency of the American Marketing Association. A professor of marketing at the University of Chicago, Brother Brown is well known for his enlightened work, "Theory of Marketing," and his many writings in marketing publications. His teaching work is backed by active sales experience with such organizations as the Mallinckrodt Chemical Works. Dr. Brown has held numerous positions with the American Marketing Association. He was its president once before, and this past year served as secretary.

Born in Denver, he won his A. B. at Oberlin in 1929. In 1931 he acquired his M. B. A. at Harvard, and in 1945 his Ph. D. at Chicago where he was initiated into Alpha Psi Chapter of Delta Sigma Pi.

THE CENTRAL OFFICE REGISTER

THE FOLLOWING MEMBERS of Delta Sigma Pi have visited the Central Office since the last issue of THE DELTASIG. If there is no city shown after the name it indicates they reside in Chicago.

CHAPTERS

Twenty-nine Chapters Reach the Top in the 1951 Chapter Efficiency Contest

THE 1951 CHAPTER EFFICIENCY CONTEST closed with 29 chapters, of the 74 which participated, scoring the maximum 100,000 points. In the 1950 contest 32 of the 64 chapters that participated scored the maximum. The Honor Roll of the 1951 contest, which includes all of the chapters scoring more than 85,000 points, totaled 45 chapters.

Those chapters scoring the maximum of 100,000 points were: Beta Chapter at Northwestern, Epsilon Chapter at Iowa, Zeta Chapter at Northwestern, Theta Chapter at Detroit, Kappa Chapter at Georgia, Nu Chapter at Ohio State, Pi Chapter at Georgia, Chi Chapter at Johns Hopkins, Alpha Beta Chapter at Missouri, Alpha Gamma Chapter at Penn State, Alpha Delta Chapter at Nebraska, Alpha Epsilon Chapter at Minnesota, Alpha Eta Chapter at South Dakota, Alpha Lambda Chapter at North Carolina, Alpha Nu Chapter at Denver, Alpha Pi Chapter at Indiana, Alpha

*In cases where two head masters served a single chapter during the year, each received a credit amounting to one-half the cost of a Life Membership.

Rho Chapter at Colorado, Alpha Phi Chapter at Mississippi, Alpha Omega Chapter at De Paul, Beta Theta Chapter at Creighton, Beta Xi Chapter at Rider, Beta Omicron Chapter at Rutgers, Beta Pi Chapter at Kent State, Beta Tau Chapter at Western Reserve, Gamma Eta Chapter at Omaha, Gamma Theta Chapter at Wayne, Gamma Kappa Chapter at Michigan State, Gamma Mu Chapter at Tulane, and Gamma Xi Chapter at Santa Clara.

Kappa Chapter at Georgia, Beta Chapter at Northwestern and Alpha Beta Chapter at Missouri continue their outstanding record by again being among the winners. For Kappa Chapter it was the fifteenth win, for Beta Chapter the twelfth, and for Alpha Beta Chapter the eleventh. This year four chapters scored 100,000 points for the first time. They are Theta Chapter at Detroit, Alpha Lambda Chapter at North Carolina, Gamma Mu Chapter at Tulane and Gamma Xi Chapter at Santa Clara.

Alpha Xi Chapter at the University of Virginia, Alpha Omicron Chapter at Ohio University, Gamma Tau Chapter at Mississippi Southern College, Gamma Upsilon Chapter at Babson Institute, Gamma Phi Chapter at Texas Western College, and Gamma Chi Chapter at St. Bonaventure University, although now active in Delta Sigma Pi, were either installed or reactivated too late in the college year to participate effectively.

The Chapter Efficiency Contest was established during the college year 1931-1932 and has definitely proven itself to be of real value in increasing chapter interest. It has also provided an adequate yardstick of measurement of chapter achievement. The Chapter Efficiency Contest is divided into five major divisions: Professional Activities, Scholarship, Membership, Finances and Chapter Initiative and Administration. A maximum of 20,000 points is permitted in each division, thus a final standing of 100,000 points indicates a perfect record

for the year's work. Points are awarded for many phases of chapter activity such as professional meetings, individual and chapter scholarship, pledge training course, chapter publicity, contributions to The DELTASIG, the proper handling of finances, collection of dues, payment of bills, the initiation of an adequate number of members, attendance at business meetings, chapter publications, and the filing of important reports.

Nearly 1,500 Scholarship Keys Awarded Since 1912

THE DELTA SIGMA PI Scholarship Key Award was first established in 1912. Since that date 1,461 gold keys have been presented. This award is made annually at each university at which an undergraduate chapter is maintained to that male senior who upon graduation ranks highest in scholarship for the entire course in commerce and business administration. The selection of the winner is made by the local faculty after an examination of the scholarship records. The Delta Sigma Pi Scholarship Key may be won by any male student, whether a member of the fraternity or not. It is interesting to note that members of Delta Sigma Pi, in competition with all other seniors in their respective schools of business administration, have won 429 of these keys, or almost 30%.

The Deltasigs who won this award in 1951 are: Richard E. Bird at Georgia, Walter C. Houck at Johns Hopkins, Andrew C. Houston and Anthony L. Lombardo at Penn State, Donald M. Laycock at Tennessee, Lester F. Scoles at Drake, Aubrey N. Snelling at Virginia, Oliver L. Haynes at Indiana, Joseph M. Young at Alabama, Herbert D. Tullis at Miami University, Owen K. Williamson, George H. McGregor at South Carolina, John E. Beutler at Creighton, Dana F. Crawford at Baylor, Ben M. Alvord at Alabama Poly, Nelson Shaw at Rutgers, George A. Feller at University of

Miami, Burnett A. Giles at Mississippi State, Samuel R. Moore at Omaha, Richard M. Mills and James F. Pinner at Tulane, James B. Johnson at Wake Forest, Reese P. Helmer, Sr. at Mississippi Southern, and William N. Talmers at Babson.

YOUR LIFE MEMBERSHIP PROGRAM WORKS BOTH WAYS

Of course, there is no such gadget, but our Life Membership Program works exactly like that for you and the fraternity.

FOR YOU there is a beautiful Life Membership Certificate, an attractive Life Membership Card, a life subscription to *The DELTASIG* and the *ALUMNI NEWS*, life privileges of the Alumni Placing Service, and all other alumni benefits and services for life.

The National Endowment Fund of Delta Sigma Pi receives the entire amount of your Life Membership and the principal is available on loan to undergraduates to

complete their education, to chapters for housing, and for other fraternity projects. Meanwhile the income from the Fund is available for the general operation of the fraternity, a perpetual endowment for Delta Sigma Pi.

Make the Life Membership Program work for you by enrolling today! You may send \$50, the total cost, in one payment; or \$10 per month for five months, or \$5 per month for ten months. Checks should be made payable to Delta Sigma Pi and mailed to The Central Office of Delta Sigma Pi, 222 W. Adams Street, Chicago 6, Illinois. Act now!
