The International Fraternity of Delta Sigma Pi

Professional Commerce and Business Administration Fraternity

Delta Sigma Pi was founded at New York University, School of Commerce, Accounts and Finance, on November 7, 1907, by Alexander F. Makay, Alfred Moysello, Harold V. Jacobs and H. Albert Tienken. Delta Sigma Pi is a professional fraternity organized to foster the study of business in universities; to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce; and to further a high standard of commercial ethics and culture, and the civic and commercial welfare of the community.

The Grand President's Column

THE 20TH GRAND CHAPTER CONGRESS in Detroit brought together the largest and most enthusiastic assemblage of Deltasigs since the founding of our Fraternity. The Detroit Deltasigs were splendid hosts and we express our sincere thanks to all who worked so diligently to make the 1955 Congress a success.

IT WAS my happy privilege to take part in the ceremonies wherein Ernest R. Breech, Chairman of the Board of Ford Motor Co. was initiated as our Honorary Member-at-Large of Delta Sigma Pi. We are proud indeed to welcome a man of such caliber as Brother Ernest Breech into our Fraternity.

THE HIGHLIGHT of the Congress was the Testimonial Dinner given in honor of our retiring Executive Director, Henry Gilbert Wright. "Gig," as he is affectionately called, has devoted over 35 years of faithful, conscientious service to Delta Sigma Pi. His portrait and a bronze plaque will be placed in the halls of our new Central Office Building so that

future brothers may know of his good works.

JAMES D. THOMSON, who has so capably served the Fraternity for nine years, is our newly elected Executive Director. Congratulations and best wishes, "Jim"!

MY ASSOCIATION with Delta Sigma Pi for over 30 years and the friendships cultivated through participation and service in its many activities mean more to me than can ever be expressed here. I therefore feel deeply honored that you have chosen me as your Grand President for the next two years. I welcome the opportunity and high privilege of serving over 35,000 members, and assume the responsibilities of this honorable office fully mindful of the faith and trust you have placed in me. I pledge you my best efforts always.

THE MEMBERS of the Grand Council and Executive Committee are equally as enthusiastic as am I regarding the work ahead. However, in order that Delta Sigma Pi may enjoy continued success and growth, it requires the participation and full support of each and every brother, whether he be an officer, undergraduate or alumnus. It is well to recall that "he profits most who serves best."

EVERY BROTHER in Delta Sigma Pi should take pride in knowing that plans are well under way for our Central Office Building to be erected in Oxford, Ohio adjacent to the Miami University Campus. It is hoped that your contributions will soon be forthcoming in support of this project which warrants the financial assistance of every Deltasig.

NOVEMBER 7TH is Founders' Day. I trust all Chapters and Alumni Clubs will honor the day with appropriate celebrations. Its meaning becomes even more significant as we draw closer to our 50th Anniversary.

THE STANDARDS and ideals of our Fraternity are the highest; its cause is surely most worthy; its friendships deep and abiding; therefore, with the coming of the Thanksgiving Season let us give thanks for our many blessings and for the privilege of being Brothers in Delta Sigma Pi.

Philip J. Warner, President of the Ronald Press Selected "Deltasig of the Year 1955"

FROM AMONG the names of 17 candidates, which had been submitted by chapters and alumni clubs of Delta Sigma Pi, Philip J. Warner, *Alpha Chapter*, president and treasurer of the Ronald Press Company in New York, was unanimously selected by the Grand Council as "Deltasig of the Year 1955" at their annual meeting held just prior to the 20th Grand Chapter Congress in Detroit, Michigan. Brother Warner was the second Grand President of Delta Sigma Pi, and served as such in the years 1914 and 1915. Over the last 40 years he has made an outstanding contribution not only to the business world, but also to New York University and Delta Sigma Pi. On June 15, 1955 he was presented with New York University's Alumni Meritorious Service Award in recognition of his unusual service to the alumni and affairs of New York University. In 1914 Brother Warner received a Bachelor of Laws degree from Fordham University and became a member of Phi Delta Phi, legal fraternity.

This is the fourth annual Deltasig of the Year Award. The first was made in 1952 and honored Oliver S. Powell, *Alpha Epsilon-Minnesota*, who is president of the Ninth Federal Reserve Bank. The 1953 award went to Charles F. Nielson, *Phi-Southern California*, who is Director of Parts and Service of the Lockheed Aircraft Corporation. The third such award was made to Edwin L. Schujahn, *Psi-Wisconsin*, in 1954, Vice-President and General Manager of General Mills Ltd., Can.

Brother Warner attended New York University's School of Commerce, Accounts, and Finance from which he graduated in 1911. Since that time he has served as president of the Commerce Alumni Association of New York University and presi-

dent of the Men in Finance Club there. He is also currently a director of the Alumni Federation.

PHILIP J. WARNER
Alpha-New York
"Deltasig of the Year 1955"

In the business world he serves as president and treasurer of the Ronald Press Company in New York, and as treasurer of the National Association of Cost Accountants. Brother Warner is a member of the New York State Society of Certified Public Accountants and the American Institute of Accountants. He is a member of the Union League Club in New York, the Manhattan Club, and the Engineers Club.

In 1909 Brother Warner was initiated as the 67th member in Delta Sigma Pi and Alpha Chapter. Later he served as president of Alpha Chapter and then as president of the New York Alumni Club. It was while Brother Warner was Grand President of the fraternity in 1914 that Delta Sigma Pi installed Beta Chapter at Northwestern to become

a national fraternity.

The actual presentation for the "Deltasig of the Year" Award will be made to Brother Warner at the joint Founders' Day celebration of Alpha Chapter and the New York Alumni Club.

Allen L. Fowler Receives Distinguished Service Award

BY UNANIMOUS VOTE of the delegates at the 20th Grand Chapter Congress, Allen L. Fowler, *Beta Nu-Pennsylvania*, Grand President of the Delta Sigma Pi from 1947 to 1949 was awarded a scroll for his outstanding service to Delta Sigma Pi over and beyond the call of duty. This award was created in 1949 at the 17th Grand Chapter Congress and the first such award was made then to H. G. "Gig" Wright. In 1951 Kenneth B. White, past Grand President and Chairman

of our 19th Grand Chapter Congress, received the second award.

Since the day of his initiation into the local fraternity, which later became our Beta Nu Chapter at the University of Pennsylvania, Allen Fowler has been extremely active in fraternal affairs. After several years as a member of the Grand Council of Delta Sigma Pi, Brother Fowler became Grand President in 1947; just in time to guide the largest period of expansion ever experienced by the fraternity.

Following his retirement from the Grand Council in 1951, he continued to serve as a member of the Executive Committee.

Brother Fowler is a graduate of the Evening School of Accounts and Finance at the University of Pennsylvania and recently served as president of the Alumni Association of that school. He has been associated with the nationally known engineering firm of Day and Zimmermann since 1919. Just recently he was made a vice-president and is in charge of the Investigations and Reports Department.

Brother Fowler has also served as a director of the Controllers Institute of America and as president of the Philadelphia Control. He is also a Certified Public Accountant.

The official presentation of this award was made at the H. G. Wright Testimonial Banquet and came as a complete surprise to Brother Fowler. Past Grand President Robert G. Busse presented the plaque just prior to the ceremony which honored H. G. Wright.

20th Grand Chapter Congress Breaks All Records

THE HOTELS STATLER and Tuller in Detroit, Michigan were bulging at the seams when 462 Deltasigs converged upon them for the 20th Grand Chapter Congress held August 31 through September 4. There were also 127 women in attendance, making a grand total of 589, the largest number that have ever participated in a convention of Delta Sigma Pi.

Each day brought a new highlight, and it hardly seemed that the succeeding day could equal the events just concluded, but it did. The reception on Wednesday night, which was the opening day of the 20th Grand Chapter Congress, was a gay affair, and the informal atmosphere that prevailed seemed to carry through the entire convention.

The first business meeting appropriately began with an invocation by Father Steiner, president of the University of Detroit, and a welcome by Mayor Albert Cobo of the City of Detroit. The Delegates' Luncheon in the Hotel Tuller developed into healthy discussions of chapter and Regional problems.

The first highlight of the 20th Grand Chapter Congress was reached when Ernest R. Breech, chairman of the board of the Ford Motor Company, was initiated by the ritual team composed of the members of the Grand Council as our seventh Honorary Member-at-Large. The Grand Chapter Congress Banquet, which featured an informal off-the-cuff address by Ernest R. Breech, was thought by many to be unparalleled in the history of Delta Sigma Pi.

On Friday morning, the third day of the convention, unusual interest and participation was shown in the Chapter Officers' Training Program and Alumni Activities Panels that were conducted. That afternoon found all of the delegates and their wives enjoying tours of the General Motors Cadillac Assembly Plant and their Technical Center. The climax on Friday was reached with the Stag Party that was held on a Detroit river excursion boat.

Saturday morning brought to a close the series of chapter and alumni panels. The afternoon was devoted to the official business of the Grand Chapter Congress and the election of national officers. J. Harry Feltham, *Chi Chapter*, of Baltimore, Maryland was unanimously elected Grand President for the next two years. To fill vacancies on the Grand Council created by the expiration of four year terms and the addition of four new Regions, the following men were elected: Robert O. Hughes, *Beta Nu-Pennsylvania*, as Director of the Eastern Region; Homer T. Brewer, *Kappa-Georgia*, as Director of the South-eastern Region; Robert F. Andree, *Beta Tau-Western Reserve*, as Director of the East Central Region; Frank A. Geraci, *Zeta-Northwestern*, Director of the Central Region; V. Burt Waite, *Gamma Delta-Mississippi State*, Director of the South Central

Region; Harry G. Hickey, *Alpha Nu-Denver*, Director of the Inter-Mountain Region; and Franklin A. Tober, *Alpha Kappa-Buffalo*, Director-at-Large. E. Coulter Davies, *Beta-Northwestern*, was appointed by Grand President Feltham to serve as Director of Business Education, and J. D. Thomson, *Beta-Northwestern*, was appointed by the Grand Council to serve as Executive Director, which vacancy was created by the official retirement of H. G. Wright. Andrew P. Marincovich, *Phi-Southern California*, was appointed by the Grand Council to fill the unexpired term of Burell C. Johnson, *Alpha Sigma-Alabama*, who found it necessary to resign because of business commitments. Other members of the Grand Council whose terms of office had not expired were Robert G. Busse, *Beta Omicron-Rutgers*, Past Grand President; Henry C. Lucas, *Alpha Delta-Nebraska*,

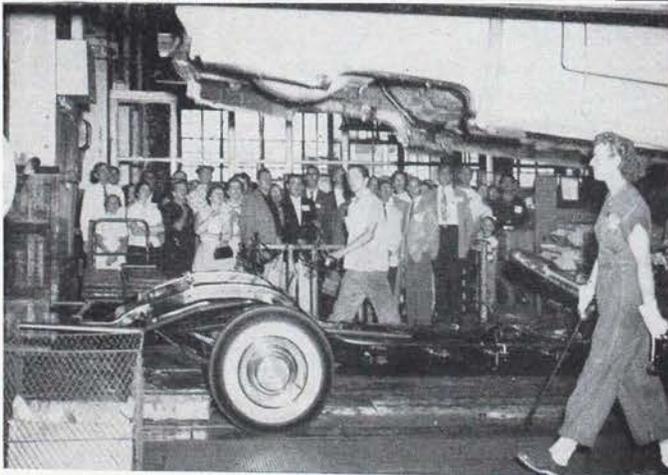

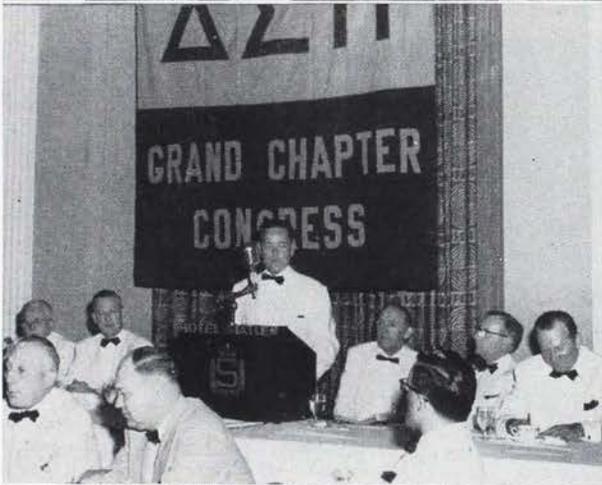

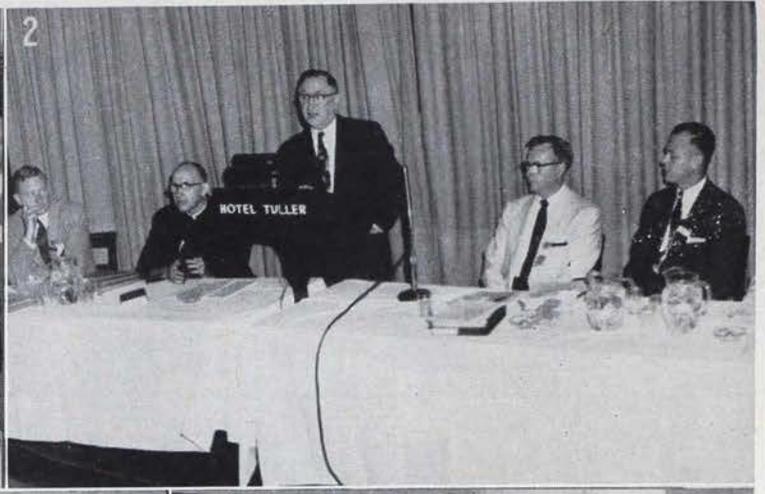

ERNEST R. BREECH, Honorary Member-at-Large of Delta Sigma Pi and Chairman of the Board of the Ford Motor Company, receives his membership certificate from Grand President Busse with Dean William O'Regan looking over his shoulder.

Director of the Midwestern Region; and B. C. Butler, *Beta Phi-Southern Methodist*, Director of the Southwestern Region.

On Saturday evening hundreds of Deltasigs and their wives gathered to pay tribute to H. G. "Gig" Wright at a Testimonial Banquet. At this time it was officially announced that The Central Office Building would be dedicated to "Gig" in appreciation of his 31 years of service as Executive Director of the fraternity.

The convention was appropriately concluded with the 20th Grand Chapter Congress Ball. During the latter part of the evening the traditional diamond badge drawing was held, and Frank Kalivoda of Gamma Theta Chapter at Wayne was the winner. Kappa Chapter at the University of Georgia in Atlanta walked off with the attendance trophy.

Reception and Buffet Dinner

The Arabian Room of the Hotel Tuller decorated with pennants of all of our undergraduate chapters and fraternity banners was the scene of the 20th Grand Chapter Congress Reception on Wednesday night, August 31. Atmosphere was further created by a string ensemble and a vocalist playing and singing the favorite songs of the delegations from all over the country. The committee had carefully separated the members of the various delegations at different tables, which provided the opportunity to make new acquaintances. The conclusion of the buffet dinner and reception marked only the beginning of the festivities, which were being held informally throughout the Statler and Tuller Hotels. Many new friends were made that evening, which was the specific purpose of the reception.

Business Meetings

Delegates from 70 chapters and 18 alumni clubs assembled in the Tuller Room of the Hotel Tuller on Thursday morning for the opening business sessions of the 20th Grand Chapter Congress. Fred Tyson, General Chairman of the 20th Grand Chapter Congress, introduced Father Celestin J. Steiner, S.J., President of the University of Detroit, who gave the invocation. A welcome to Detroit and the State of Michigan was extended by Albert E. Cobo, Mayor of the City of Detroit. Grand President Busse, *Beta Omicron-Rutgers*, officially called the 20th Grand Chapter Congress to order and asked Executive Secretary J. D. Thomson, *Beta-Northwestern*, to seat the delegates. The program and the business of the morning began with official reports from the national officers. Robert G. Busse's report as Grand President and Chairman of the Executive Committee was followed by H. G. Wright's as Executive Director. J. D. Thomson then gave his report as Executive Secretary. The report of the National Committee on Alumni Activities was presented by Frank Geraci, *Zeta-Northwestern*, and that of the National Committee on Life Membership by Gerald Smith, *Alpha Epsilon-Minnesota*. Henry Lucas, *Alpha Delta-Nebraska*, gave the report of the National Committee on Alumni Placing Service, and Executive Secretary Thomson made a special report on the Permanent Central Office Building.

On Thursday afternoon the first alumni panel was held with J. D. Thomson, *Beta-Northwestern*, as chairman. Concurrently with this panel, the undergraduate chapter delegates were meeting with their Regional Directors discussing their problems and chapter administration.

The second series of business sessions began on Friday morning with an alumni panel being conducted by Harry G. Hickey, *Alpha Nu-Denver*, Director of Alumni Activities. First session of the Chapter Officers' Training Program was also held that morning under the direction of Executive Secretary Thomson.

Following lunch the delegates boarded buses for tours of the General Motors Cadillac Assembly Plant and Tech Center.

These tours, which were both educational and entertaining consumed the entire afternoon.

On Saturday morning the third and final alumni panel was held under the direction of Frank Geraci, *Zeta-Northwestern*, chairman of the Committee on Alumni Activities. Concurrently the Chapter Officers Training Program was concluded with Frank Tober, *Alpha Kappa-Buffalo*, and Robert Andree, *Beta Tau-Western Reserve*, serving as co-chairmen of this session.

The final business session of the 20th Grand Chapter Congress was held on Saturday afternoon at which time the legislation to come before the Grand Chapter Congress was considered. Following this Rudolph Janzen, *Alpha Epsilon-Minnesota*, the chairman of the national Committee on Nominations, gave his report, and the election of national officers and Directors was held. The new members of the Grand Council were sworn into office by Past Grand President Howard B. Johnson, *Kappa-Georgia*. This officially concluded the business of the 20th Grand Chapter Congress.

THE NEW GRAND PRESIDENT, J. Harry Feltham presents Robert Busse with a Testimonial in appreciation of his services as Grand President from 1953-1955.

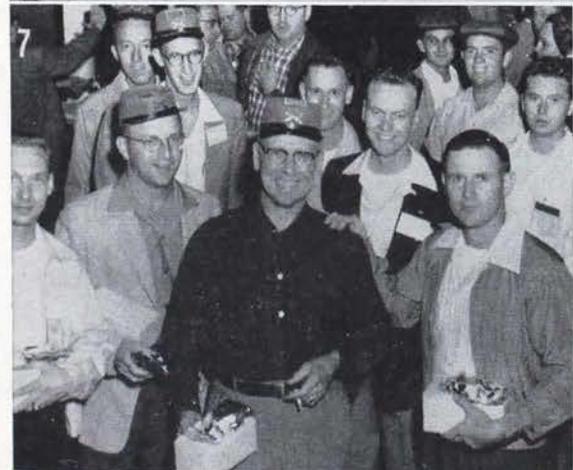

Delegates' Luncheon

The traditional delegates' luncheon was held in the Arabian Room of the Hotel Tuller on Thursday. Tables were provided for the delegates from each Region, and the Directors and District Directors were on hand to lead the discussions concerning chapter problems and Regional activities. Immediately following the luncheon, the delegates adjourned to other meeting rooms where they continued their discussions.

Grand Chapter Congress Banquet

The activities of the 20th Grand Chapter Congress switched from the Hotel Tuller to the Statler Hotel with the 20th Grand Chapter Congress Banquet on Thursday evening. Just prior to the banquet Ernest R. Breech, chairman of the Board of the Ford Motor Company, was initiated as an Honorary Member-at-Large of Delta Sigma Pi by the members of the Grand Council. Grand Chapter Congress Chairman Frederick Tyson opened the program by introducing Dean William B. O'Regan, *Theta-Detroit*, who served as toastmaster for the evening. Words of welcome by Grand President Busse were followed by an informal address by Ernest R. Breech. All of those in attendance will long remember Brother Breech's remarks, which were exceedingly well chosen and most appropriate for the occasion. Executive Director H. G. Wright was then called upon to introduce the officers at the head table and other important alumni in the audience. The entire program was concluded with the singing of our fraternity songs.

GRAND CHAPTER CONGRESS SNAPS: (1)—The delegates line up for the Buffet Dinner which was served at the Reception on the first evening of the 20th Grand Chapter Congress in Detroit. (2)—Mayor Albert Cobo of Detroit welcomes the delegations to his city and the State of Michigan at the opening business session. (6)—Delegates and their wives at the Grand Chapter Congress Reception. (7)—Delegates on tour of the Cadillac assembly plant in Detroit. (8)—Fred Tyson, chairman of the 20th Grand Chapter Congress, opens the first business session.

Stag Party

At 7:00 P.M. sharp the Steamer *Ste. Claire* departed from the Woodward Avenue docks loaded with Deltasigs bent on enjoying themselves at the traditional Stag Party. Box lunches and hot coffee were doled out to the jubilant crowd. Soon after sailing the honorable members of the Ancient, Independent, Effervescent Order of the Yellow Dogs rounded up some 200 candidates and began initiating them. Having this large excursion steamer to ourselves was indeed a treat, and the entire stag party was one that will long be remembered.

H. G. Wright Testimonial Dinner

Both the Wayne Room and the Ballroom of the Statler Hotel were utilized for the H. G. Wright Testimonial Dinner, which marked Gig's official retirement after 31 years of service as Executive Director of Delta Sigma Pi. A complete account of the program and these most impressive ceremonies is contained elsewhere in this issue of The DELTASIG.

Grand Chapter Congress Ball

Concluding the largest convention ever held in the history of Delta Sigma Pi was the Grand Chapter Congress Ball held in the Ballroom of the Statler Hotel. This began shortly after the H. G. Wright Testimonial Dinner and lasted into the small hours of the morning. A top notch orchestra provided excellent music for dancing and corsages of red roses and lipstick favors were given to each lady in attendance. During one of the intermissions the attendance trophy was presented to Kappa Chapter at the Atlanta Division of the University of Georgia, which chapter delegates had traveled the largest total miles to attend the convention. H. G. Wright conducted the traditional diamond badge drawing, and Frank Kalivoda of *Gamma Theta-Wayne* was the winner. Even though the dancing had ceased, the 20th Grand Chapter Congress was not over for many who continued their revelry until dawn, determined to keep this convention alive as long as possible.

Our Seventh Honorary Member-at-Large

Ernest R. Breech, chairman of the Board of the Ford Motor Company of Detroit, Michigan, became the seventh Honorary Member-at-Large of Delta Sigma Pi at the 20th Grand Chapter Congress in Detroit. Brother Breech was born in Lebanon, Missouri on February 24, 1897. He attended Drury College at Springfield, Missouri and the Walton School of Commerce in Chicago, Illinois. In 1921 he received his C.P.A. in Illinois while serving as an auditor of the Adams and Westlake Company in Chicago. Brother Breech's next position was with the Yellow Cab Manufacturing Company, where he served as comptroller. Following this he was Director of the Yellow Truck and Coach Manufacturing Company in Chicago from 1927 to 1933. General Assistant Treasurer of the General Motors Corporation in New York was his next title and step up, and

chairman of the Board of the North American Aviation Corporation followed. Just prior to coming to the Ford Motor Company as Executive Vice-President and later chairman of the Board, Brother Breech served as president of the Bendix Aviation Corporation.

Brother Breech is married and resides in Bloomfield Township, Michigan. He has two sons Ernest Robert Breech, Jr., and William H. Breech, both of whom were Air Force officers in World War II. Among Brother Breech's many organizations are the Society of Automotive Engineers and the Economic Club of Detroit.

Ladies Program

A total of 127 ladies were registered for the 20th Grand Chapter Congress and participated in a program conducted specifically for them. Some of their events were held jointly with the men's program. This was true of the Reception and Buffet Dinner on the opening night of the Grand Chapter Congress, the tour of the Cadillac Assembly Plant, the H. G. Wright Testimonial Dinner, and the Grand Chapter Congress Ball.

On each morning of the Grand Chapter Congress a coffee hour was held in the Statler Hotel, which provided the ladies with an opportunity to become acquainted and to organize their program for the day. On Thursday afternoon the Ford Motor Company provided buses and escorts for a guided tour of Greenfield Village. On Friday the Pink Poodles of Delta Sigma Pi met for the first time at their annual breakfast, which was held in the parlors of the Hotel Statler. That evening the traditional Doe Party was held at the Detroit Yacht Club. As a surprise the local ladies committee had arranged entertainment in the way of an exhibition of real live pink poodles. Later in the evening the Pink Poodles initiation was held at which time 67 new candidates were admitted to membership.

On Saturday a fashion show was an added feature to the customary coffee hour.

Since the 16th Grand Chapter Congress in Minneapolis, the attendance of ladies at conventions of Delta Sigma Pi has grown steadily. The introduction of the Pink Poodles, which is the counterpart to the men's Yellow Dogs, has received wide acclaim, and membership therein is highly prized. The ladies program at each Grand Chapter Congress and the Pink Poodle organization is now a very important segment of our biennial meetings.

The Committee

The smoothness with which the 20th Grand Chapter Congress was executed was no accident, but the result of months of planning by a most efficient committee. It would not be fair to

Bob Elder handled the finance, while his wife Marilyn arranged the Doe Party and Pink Poodle initiation. Bob Lavens and Charles Papazian and their wives Jay and Theresa arranged the auto plant tours for both the men and women. The Yellow Dog initiation was conducted by Jim Peterson and his wife Lillian was co-chairman of the ladies program. John Harrington and Ed McIntosh were responsible for all of the pre-convention publicity, and Ed turned out the *Deltasignals*, which was the Grand Chapter Congress newspaper. Our thanks to Deans Stevenson, O'Regan, Fitzgerald, and Wyngarden for selecting the Honorary Member-at-Large, and making the necessary contact with Mr. Breech. The huge job of registration and hotel reservations was masterfully handled by Rick Herman and his wife Jan. Bill McCann set up the regional luncheon, and Frank Worrell headed the budget committee. Officiating at the stag party was Doug McKenzie, and co-chairman of the ladies program was his wife Marion. Jack Toot mastered the reception, and Dick Bartlett the Grand Chapter Congress Banquet. The H. G. Wright Testimonial Dinner and the Grand Chapter Congress Ball were arranged by Don Nelson and his wife Marge. Among the many others lending a hand with the wonderful arrangements of the Grand Chapter Congress were John and Mildred Karr, Helen Armstrong, Pat Parks, Tom and Elizabeth Lavender, and Harold Reinecke. We are thoroughly convinced that this team could solve most any problem and successfully arrange any convention no matter how large or complex.

The H. G. Wright Testimonial Banquet

In recognition of H. G. Wright's 31 years of service to the fraternity a special Testimonial Banquet was held on the final evening of the 20th Grand Chapter Congress in Detroit in the Ballroom of the Statler Hotel. This also marked his official retirement as Executive Director of Delta Sigma Pi. So that this auspicious occasion will forever be remembered it is being recorded here in the pages of The DELTASIG just as it happened.

The Program

For the Present

**Howard B. Johnson, Kappa
(Grand President, 1951-1953)**

Howard Johnson: "Good evening Pink Poodles, Ladies, Yellow Dogs, and Brother Deltasigs.

"We have an important program tonight, with important people participating. I'd like to impress you with *my own* sparkling personality, but they won't let me. I can't even take time to tell you about the people I'm going to introduce. My instructions first were that I shouldn't even mention their names, that they'd just get up, one after the other, and everybody would know who they are. But I convinced them that a police whistle or a gong would be more effective than a toastmaster in that case. They were afraid that my feelings were going to be hurt, so I'm now going to mention everybody's name before he gets up.

"There are so many other Deltasigs here whom I'd like to introduce—who've done so much for Delta Sigma Pi—unofficially as well as officially. But this is 'Gig' Wright's program, and, while we *all* think we've measured up in many ways to what Delta Sigma Pi expects of us, 'Gig,' like Davy Crockett, is *ahead of us all, a' meeting the test!*

"'Gig's' entire family is here. We want to recognize his daughter, Barbara. Also his son, Brother Bob Wright, of Zeta Chapter, and his wife, Marybelle.

"This is a testimonial banquet, and we have an exclusive program tonight. *Everybody*, but *everybody*, is a Past President of Delta Sigma Pi, except the S.G.B. of the Pink Poodles, and I understand that's kinda the same thing. This program is almost as exclusive as the store on Park Avenue in New York called the *Pajama Toppe Shoppe*.

"I'd like to say a lot tonight. But they made me toastmaster for two reasons: one is because I'm a stolid Swede and wouldn't get too sentimental about things that are said; the other is so I wouldn't make a speech myself.

"I'd like, however, to ask you to pay tribute to those Grand Presidents and other Grand Officers who have served us well but can now meet with us on this earth only in spirit. Some of their wives and families are here, and we want to express to them and to God our love for these leaders who are gone.

"Please stand in silent prayer for a moment.

"Thank you.

"As to you—Alice Sehm and Barbara Merrick, will you please stand and let us thank you for coming?

"You know, gratitude is not one of mankind's outstanding virtues. So I'm especially pleased to see us dedicate this Congress and this banquet to 'Gig.'

"When you younger folks hear us talk sentimentally about 'Gig' Wright, we're really talking about why some of us have ever amounted to anything because we have a group like this behind us—why so many of us have the jobs we have—why so

many of us are good friends—why we're even here at all! We're really saying, 'Gig' for all these things and more, we're very much obliged to you!

"As you will notice from the program, I'm supposed to speak *For the Present*. Well, I have done my do. I now recognize Ed Schujahn, Grand President from 1930 through 1936, and winner of the 'Deltasig of the Year Award' for 1954."

RESPONDING TO THE TRIBUTES just paid to him is H. G. Wright at his Testimonial Banquet.

For the Past

**Edwin L. Schujahn, Psi
(Grand President 1930-1936)**

Edwin Schujahn: "Brother Johnson, Brother 'Gig,' and Alice, Roses of Delta Sigma Pi, Brother Deltasigs, and Guests:

"I deeply appreciate the privilege, accorded me by my Brother Past Presidents, of being permitted to speak on this occasion on behalf of the fraternity. For it was here in Detroit 25 years ago, in 1930, that the Tenth Grand Chapter Congress elected me Grand President, with 'Gig' Wright as Grand Secretary-Treasurer. And it was during the six years I served as your Grand President, that I really learned to know 'Gig,' to love and respect him for his vision, his character, his ideals, and his steadfast devotion to an idea,—the idea of Delta Sigma Pi.

"Henry Gilbert Wright became the 156 initiate of Delta Sigma Pi, when Beta Chapter was installed at Northwestern, on February 7, 1914. And on that date began an association which was to become his lifetime career. He served his chapter as treasurer and as head master, and for 30 years, served the House Corporation, which was established at 42 Cedar Street, Chicago, an address famous in Deltasig lore. He was also very active in the establishment of the Chicago Alumni Club, today one of the strongest.

"'Gig' attended his first Grand Chapter Congress in 1915, and he is the only Deltasig who has attended every Grand Chapter Congress since then,—nineteen in all. He was Beta's delegate in Boston in 1917,—the total registration was six,—'Gig' and Walt Juengst, who are here, attended.

"In February 1920, at the Grand Chapter Congress in New York, the delegates assembled elected 'Gig' to the office of Grand President. At that time there were but three chapters, Alpha the Mother chapter at New York, Beta at Northwestern, Gamma at Boston, and fewer than 400 members,—few of them are in this room tonight.

"Meanwhile, 'Gig' had established a successful business of his own in Chicago,—his fraternity work was a hobby, but a fascinating hobby it proved indeed,—and gradually he devoted more and more time to it. At the Grand Chapter Congress in New York in September 1924, the most important single piece of legislation was the establishment of the Central Office of Chicago. 'Gig' was elected Grand Secretary-Treasurer. He provided space in his business office to conduct the affairs of the Fraternity. At that time there were 35 chapters.

"But 'Gig' had sensed the possibilities of service to men in schools of commerce and to men in business, inherent in the ideals of our Fraternity. More and more of his time was devoted to the affairs of Delta Sigma Pi. There was the establishment of the standard accounting system; rituals, regalia and insignia to be brought up to the needs of the growing organization; new chapters to be inspected; and installation ceremonies to be conducted. The first Biennial Survey of Schools of Business was completed and published in these early years,—the fourteenth was published last January. 'Gig,' ably supported by the Grand Officers of that period, was the spark plug of the progress of the fraternity. Those of us who knew 'Gig,' and saw him in action, as it were, in those days began to realize that we were seeing the development of another example of the old adage,—*An Institution is the Lengthened Shadow of a Man!*

"It was about four years later, in about 1928, that the Grand Council asked 'Gig' to consider the possibility of serving Delta Sigma Pi on a full-time basis, which meant closing out his own business. 'Gig' agreed, and until a few years ago he has devoted his entire time and effort to the Fraternity, and a loving effort it was. Those of us who were in business, and who knew 'Gig' well, and recognized his talents, agree that if 'Gig's' aim in life had been material success, he could have carved himself an outstanding career in the field of business.

"But 'Gig' enjoyed his work, was happy in it, and found rich compensation in the many friends he made through his contacts in all parts of the country, and in his service to a growing body of men, bound together in our brotherhood.

KENNETH B. WHITE about to present a book to "Gig" containing the names of the contributors to the Central Office Building dedicated to H. G. Wright.

"His work in Delta Sigma Pi was noted by others active in Fraternity fields, and in 1928, he was asked to be one of the founders of the Professional Interfraternity Conference, which he served for 12 years as Secretary-Treasurer, and for two years as President. He is the only man who has attended every meeting of this organization since its founding, and he has greatly influenced the development of professional fraternities.

"At the Tenth Grand Chapter Congress, here in Detroit, the delegates passed legislation establishing the office of Grand Secretary-Treasurer, now called Executive-Director, as ap-

pointed by the Grand Council,—and 'Gig' has been reappointed by each new council up to the present time. At that Grand Chapter Congress, a quarter century ago, we met at Webster Hall; registration was about 200; attendance at the Grand Chapter Congress dinner was 284 including guests. There were 51 installed chapters by then and 7,120 members. Among the Grand Officers were Rudy Schmidt, and Gene Milner, who have passed on to their reward, and Herm Walther and Herb Wehe who are with us tonight.

"At this Grand Chapter Congress too, we instituted the Life Membership program, first proposed by 'Gig.' Today there are about 2,200 names on the rolls, and this National Endowment Fund has been of invaluable service to the Fraternity, to individual chapters, and to members who needed assistance to complete their education.

"He continued to improve our publication, gradually evolved the regional organization, increased the services to chapters and alumni clubs. Delta Sigma Pi became a smooth running organization, as befits a fraternity in the field of business.

"Somewhere in here he instituted the Chapter Efficiency Contest, and developed an Alumni Placement Service, which has helped many men find new or better positions. He attended many meetings of the American Association of Collegiate Schools of Business, and was recognized by the Deans present as one who had an untold wealth of information about what went on on the campus of schools from border to border, and coast to coast.

"It was during these years too, in the early thirties, that the structure was put to a severe test, when the *great depression* forced some chapters to suspend; there were times when the future indeed looked dim; but these trying times proved the mettle of the man. He never lost sight of our goal, he kept the ship on an even keel, and even though for economic reasons we could not develop some of his ideas, he nevertheless worked on them to have them clearly thought out when the time for action seemed more appropriate. We weathered the storm, and with fewer casualties than most fraternities.

"By the Twelfth Grand Chapter Congress in Atlanta in 1936 the worst was over, though a greater test was still to come with World War II. And by now we had installed 57 chapters, and initiated 10,649 members.

"Hitler marched while our Thirteenth Grand Chapter Congress was gathering in Philadelphia,—and we entered the war years. Over 4,000 Deltasigs went into service, initiations dropped to 129 in 1944; only 11 chapters remained on the active roll. Fraternity income was almost completely eliminated, and the Fraternity faced possible exhaustion of its financial resources. But again, 'Gig' never lost faith!!

"He envisioned Delta Sigma Pi resuming activities with the cessation of hostilities, to render still greater service to the world of business. With the support of the Grand Council, he therefore engaged in other activities, which absorbed most of the expense of the Central Office, preserved the resources of the Fraternity, and set the stage for the Post-War reactivation and expansion of our order to its present size of 92 chapters installed, and over 34,000 members initiated.

"Finally, with the future well-being of the Fraternity ever at heart, 'Gig' selected and trained an able successor in Jim Thomson, who, with the guidance and support of the Grand Officers of recent years and those to come, will help build Delta Sigma Pi to even greater service and significance. So, today, 'Gig' lays aside the responsibilities he has discharged so successfully over a long span of years.

"Tonight, on this occasion, 'Gig,' the chapters of Delta Sigma Pi, all but 12 of which you helped install, pass in review before you, and the thousands of your brothers and mine salute you!! The names of all Grand Officers and Directors of the past, all of whom knew you personally, pass across the pages of

memory, together with the Four Founders, who little realized how far you would carry the torch they lit. All salute you, and wish you well.

"And, on behalf of all of them, I thank you for your years of service, years of loyal and loving service which you devoted to Delta Sigma Pi. And with these thanks, 'Gig' and thanks too to Alice, go the best wishes of all Deltasigs for many years of health and happiness, years during which you, as Grand Secretary-Treasurer Emeritus, may see your dreams of the institution you so greatly served, expand still further, as younger hands carry on the task.

"'Gig,' you are a true, a great Deltasig, and one to whom all of us will be forever indebted.

"We will always be 'Yours Fraternally in Delta Sigma Pi,'—thanks, 'Gig,' for all you've done to make these words so deep and rich in meaning. Thanks, and Good Luck, and may God Bless You."

Howard Johnson: "I now present Ken White, Grand President from 1945 through 1947, and winner of the second Distinguished Service Award."

Kenneth B. White, Gamma (Grand President 1945-1947)

Kenneth White: "Brother Toastmaster Johnson, Brother Grand Presidents, Brothers, Guests, and Ladies:

"This is indeed a proud moment for me to continue this affectionate tribute *For The Past* to H. G. Wright at this Testimonial Banquet tonight in his honor.

"I first met 'Gig' Wright in 1925. During this 30 years of his 35 years of loyal, devoted, and outstanding service to Delta Sigma Pi, I have learned to love him—and his wife, Alice—and their children, Barbara and Bob, who are here with him on this occasion.

"Out of this cherished friendship and through his great leadership and guidance I have been given the opportunity to watch Delta Sigma Pi grow and advance to become one of the largest and strongest professional fraternities in the world.

"Our salute to him as *Mr. Deltasig* will be joined by the hundreds of others over this land who found it impossible to be with us here in Detroit.

"Over the years 'Gig' has dreamed of a Central Office Building for our fraternity. We have talked of it many times. At last this *dream* is to become a reality as our next landmark in that advance stride toward maintaining Delta Sigma Pi's enviable position in the fraternity field.

"In this beautiful contribution book, which I hold in my hands, are inscribed the names of 1,100 Deltasigs who have

already made the initial contributions to the Delta Sigma Pi Building Fund. This is truly a tangible salute to 'Gig' Wright in whose honor this Central Office Building is being dedicated.

"To these names will be added the names of many other Deltasigs who will continue to make contributions to this Fund.

"Another copy of this book will be placed in the Library and Founders' Room of the new Central Office Building.

"'Gig' Wright—*Mr. Deltasig*—it gives me great pleasure and is a high spot in my Deltasig life to present you with this book of:

Contributors to Delta Sigma Pi
Central Office Building
dedicated to
H. G. Wright."

Howard Johnson: "For the future, I present Allen L. Fowler, Grand President 1947-1949, and the winner of the third Distinguished Service Award."

For the Future

Allen L. Fowler, Beta Nu (Grand President 1947-1949)

Allen Fowler: "I note, from the program, with some trepidation, that I am the lead-off man *For the Future* and while I am deeply appreciative of this opportunity to delve into the future, God forbid that I should attempt to predict what 'Gig' might do in the future. My task tonight concerns more tangible things, as you will see.

A MINIATURE of the bronze plaque that is to be mounted on a wall of the entrance hall of the Central Office Building is being presented to H. G. Wright by Herman Walther.

"It was my good fortune to work very closely with the guy during my tenure of Grand Presidency from 1947 to 1949. We had been close friends prior to that, but during that period of great post-war expansion we were thrown together much more closely. It seemed as though nearly every weekend we met in some part of the country, north, south, east or west. We saw more of each other than we did of our wives. In fact, 'Gig's' good wife, Alice, coined the phrase *'Gig' and Allen are going steady*. We fussed and cussed and quaffed and laughed, all in the interest of Delta Sigma Pi.

"I came out of that experience with a new appreciation of 'Gig's' sincere and hard work. He truly is a man who has dedicated the major portion of his life to forwarding the interests of our fraternity.

"It seems to all of us, therefore, that it is most fitting that we should now give tangible evidence of our appreciation and affection by dedicating something to him. It is my pleasure and privilege to unveil something that will serve as a constant re-

minder, to us and to the many future generations of Deltasigs, of *Mr. Deltasig* himself.

"This cast bronze plaque will hang in the center of the right hand wall of the entrance hallway of our new Central Office Building in Oxford, Ohio. It is inscribed as follows:

"Further words from me would be superfluous."

Howard Johnson: "I now introduce Herm Walther, Grand President 1926-1928."

Herman O. Walther, Psi
(Grand President 1926-1928)

Herman Walther: "Mr. Chairman, Brother Deltasigs, Ladies and Gentlemen:

"I am proud, indeed, to be here tonight to do honor to a man who has spent most of his business life working for Delta Sigma Pi. Never in my experience have I known a man with such great devotion to an organization. In my more than 32 years with the fraternity, I have never heard a word of criticism of his devoted efforts. present this plaque (*a miniature of the bronze plaque to be placed in the building*) to you, 'Gig,' for your untiring efforts on behalf of the fraternity. I know I speak for every member and I hope it will ever remind you of the esteem in which you are held by all the members everywhere."

Howard Johnson: "Don't take these bronze tablets too seriously, 'Gig.' We came to praise Caesar, not to bury him.

"I now present John McKewen, Grand President 1939-1945."

ALICE WRIGHT shows off the china Pink Poodle just presented to her by Dorothy Lewis the S.G.B. of the organization.

John L. McKewen, Chi
(Grand President 1939-1945)

John McKewen: "None of us could, no matter to what extent we planned, irrespective of our sincere desire, pay proper and adequate tribute to the one man who has made possible that we, 35,000 strong, call one another *Brother*."

"You have heard, and you know, of our honored brother's devotion to our great fraternity, of his personal sacrifices over the period of years, to make for its success, and because of this the pinnacle it has reached. All of us are justifiably proud of being a member of this great brotherhood."

"In paying homage to this brother this evening, it would be an empty gesture if we did not also think in terms of the future—25—50—100, and more years from now."

"An Asiatic philosopher, I forget his name, it is too *Confushing*, said centuries ago that a picture is worth 10,000 words. How true this has been down thru the years."

"Although not an artist, if I were to close my eyes, I could draw in my mind, a picture of our honored brother, no matter how many years it may be from now."

"Those of us who have maintained an active interest in this fraternity, have done so because of the example set for us by the brother Deltasig we honor this evening. His inspiring desire that Delta Sigma Pi assume a great stature is embedded in the minds of all Deltasigs."

"In the *future* the name of *Henry Gilbert 'Gig' Wright*, will be tantamount to saying Delta Sigma Pi. He will always be known as *Mr. Deltasig*."

"As one travels thruout the land, one is impressed by viewing pictures of the *Great*, of those who have left behind them an accomplishment of permanency."

"We see a picture of George Washington, and we are proud to be Americans; of Shakespeare, and we know it symbolizes literature; of Michael Angelo, symbolizing art; of Mozart, Brahm, Chopin, Beethoven, Wagner, Straus, Toscanini and others symbolizing music; of Henry Ford, Thomas Edison, Alexander Graham Bell and of many other great American industrialists who have built canals, railroads, and airways, etc.—all of whom have made for the American way of living . . . and we are impressed."

"Viewing pictures of those who have made a contribution to our better thinking has an everlasting effect."

"The name of *Henry Gilbert 'Gig' Wright* will forever constitute Delta Sigma Pi."

"*But* it has been planned that posterity will know him more than by name."

"For this purpose, 'Gig,' I have humbly accepted the great honor bestowed upon me by the Grand Council."

"In the name of our 35,000 members and of our founders and of our deceased brothers, including Gene Milener, Walt Sehm and Bill Merrick, it is my privilege to tell you that the Entrance Hall of the new Central Office Building, on Miami Campus, at Oxford, Ohio, will be embellished with a picture where Deltasigs of the present and of the future may look at and reflect upon a *Great Man*.

"I present to you *Henry Gilbert 'Gig' Wright*."

**Robert G. Busse, Beta Omicron
(Grand President 1953-1955)**

Robert Busse presented a bouquet of Red Roses to Alice Wright.

Howard Johnson: "The next lady is the equivalent of Grand President of the Pink Poodles. I don't know what S.G.B. stands for, but, from the representatives I have seen, it must mean

Such Girlish Beauty. Anyway, Dorothy is the Big Wheel of the Pink Poodles."

**Dorothy E. Lewis
(S.G.B. Pink Poodles 1953-1955)**

Dorothy Lewis: "The Royal Order of the Pink Poodles is certainly getting up in the world when we get a spot on a program such as this. It didn't seem fair for 'Gig' to be getting everything tonight so we have a present for Alice. The title for this section of the program is For Always and that is just how we want Alice to remember us. We hope this little gift will help. The plate reads: In Tribute to Alice Wright, the First S.G.B. of the Pink Poodles of Delta Sigma Pi. And so to Alice, with love, for always."

Howard Johnson: "'Gig' I said that I wasn't going to allow myself to become sentimental tonight, so I won't add anything to what's been said, except that my sentiments are, Amen, Brother! I now give you the floor, 'Gig.'"

And Always

**H. G. Wright, Beta
(Grand President 1920-1924)**

At this point in the program H. G. Wright responded to all that had preceded. At the conclusion of "Gig's" remarks the organ played "Rose of Deltasig" and the entire group rose and sang the lyrics.

Howard Johnson: "This is an occasion all of us will remember the rest of our lives. I'm right proud of myself for not breaking down, but as soon as we adjourn to prepare for the Grand Chapter Congress Ball, I don't know what you're going to do, but I'm going up to my room and cry a while. So, 'Gig' and Alice, may the good Lord bless and keep you, and God bless us everyone!"

AMID THUNDEROUS APPLAUSE "Gig" Wright turns and kisses Alice, his wife, at the conclusion of his Testimonial Banquet.

The Grand Council of Delta Sigma Pi

J. HARRY FELTHAM—Grand President

The attributes of our new Grand President are too numerous to mention, but the hundreds of Deltasigs who have crossed Harry's path during his 32 years of service to the fraternity will never forget his winning smile and devotion to the fraternity. Since 1923 when he became a member of Chi Chapter, then located at the University of Maryland now at Johns Hopkins, Harry has been constantly in demand and has willingly and efficiently served in practically every office in the fraternity from vice-president in the undergraduate chapter to Grand President. Some of his more prominent posts include that of chairman of the National Committee on Life Membership and general chairman of the 17th Grand Chapter Congress held in Baltimore in 1949. Since that date Harry has served as Director of the Eastern Region and for the last two years as a member of the Executive Committee.

With a record like this you might think he had no other activities. Not so. He is cashier, in charge of the accounting department, of Robert Garrett & Sons of Baltimore, a large investment firm, and serves on the board of several corporations in Baltimore and Pittsburgh. Harry also finds time to participate in the Grand Jurors Association, churchmen's club, and the Cashiers Association of Baltimore.

For over 15 years he has been a member of the vestry of St. John's Church in Huntingdon. He is a thirty-second degree mason and a member of the Boumi Temple Shrine.

Justly proud of his many accomplishments is Betty, his wife, who often goes with Harry on his chapter visits and who is as enthusiastic about Delta Sigma Pi as he is. In this team of Harry and Betty we have a Grand President and first lady that are bound to win the hearts and devotion of all Deltasigs.

J. D. THOMSON, Executive Director

Brother Thomson's fraternal activity began when he became a member of Beta Chapter at Northwestern University on June 15, 1940. While in Beta Chapter he served as vice-president, senior vice-president and president. In addition to these offices, he was president of the Commerce Club of Northwestern Uni-

versity, president of the Student Council, and president of the Chicago Campus Association of the University. While at Northwestern he also won the Delta Sigma Pi Scholarship Key, the Psi Gamma Rho prize for the Outstanding Junior, and was presented a plaque by the Commerce Club for his work and contribution to the welfare of the School of Commerce. He has also served on the Board of Directors of the Deltasig House Corporation and has taken an active interest in the Chicago Alumni Club of Delta Sigma Pi.

Jim joined the staff at The Central Office in 1946 as Assistant Grand Secretary-Treasurer later called Executive Secretary. He was on hand to assist in the post-war expansion of the fraternity and personally participated in the negotiations with 30 chapters installed since then. His first responsibilities were with undergraduate activities, then assumed other duties as H. G. Wright began preparations for his retirement.

Each year Jim visits more than half of the active chapters and alumni clubs in addition to his duties at The Central Office. When at home he spends his free hours with his wife, Lillian, and his two children, Barbara and James. They live in Glen Ellyn, a suburb of Chicago.

ROBERT G. BUSSE, Past Grand President

Our popular immediate Past Grand President has a long list of accomplishments in the fraternity and in business. Brother Busse's first activity in Delta Sigma Pi was the part he played in the establishment of Beta Omicron Chapter at the University of Newark (now part of Rutgers University). In 1936 he attended our 12th Grand Chapter Congress in Atlanta as a member of Phi Sigma Beta, a local professional commerce fraternity. He acted as spokesman and president for that group, then petitioning to become a chapter of Delta Sigma Pi. After its installation into the fraternity as Beta Omicron Chapter, Bob served as chancellor and contributed much toward getting the chapter off to a good start. After his graduation he continued his activities as chapter advisor.

In 1947, Brother Busse was elected to the Grand Council and became Director of the Eastern Region when it was established. In 1949, he was reelected to the Grand Council as a Member-

at-Large, and at the 18th Grand Chapter Congress held in Dallas in 1951, Bob was elected Director of the Central Region. In this post he served wisely and well until 1953, when his firm transferred him, out of the territory composing that Region.

Brother Busse majored in accounting at the University of Newark, graduating with a B.S. degree in Business Administration.

Since 1939, Bob has been associated in various capacities with the Burroughs Corporation. His various posts have kept him and his wife, Dottie, on the move. First it was Boston, then Kalamazoo. While serving Delta Sigma Pi as Grand President they lived in Wilmington, Delaware. Now he is in the main office in Detroit and will move his family there soon.

FRANKLIN A. TOBER—Director at-Large

A key figure in the Millard Fillmore College of the University of Buffalo, which is the evening division, for over 13 years and the guiding influence of Alpha Kappa Chapter since the war is Franklin Tober our new Director at-Large. Frank's record at college includes a B.S. degree in Business Administration; the Delta Sigma Pi Scholarship Key; presidency of the Student Council; editorship and business manager of the student publication, *The Midnight Oil*; and the Dean's Gold Key two years in a row for outstanding student activity. All this, while holding down a full time position with the Remington Rand Corporation.

Frank is now supervisor in charge of production standards, methods, and engineering of the North Tonawanda plant of the Remington Rand Division of the Sperry Rand Corporation. He has served as a director of the Buffalo Chapter of the National Association of Cost Accountants, secretary of the Niagara Frontier Chapter of the National Association of Suggestion Systems, and as a committee chairman of the Boy Scouts of America.

In Delta Sigma Pi his achievements read something like this: president of Alpha Kappa Chapter, general chairman of the Eastern Regional Meeting in 1952, official delegate representing Alpha Kappa Chapter or the Buffalo Alumni Club at four Grand Chapter Congresses, Chapter Advisor, and District Director in the Eastern Region. Frank has also been on hand, when Gamma Chi Chapter was installed, to handle most of the arrangements and to participate in the reactivation of Lambda Chapter at Pittsburgh. All those at the 20th Grand Chapter Congress will remember the panel Frank conducted at the Chapter Officer's Training Program.

That beautiful red haired woman and the five well behaved children that attended the 20th Grand Chapter Congress also belong to Frank.

E. COULTER DAVIES—Director of Business Education

This extremely prominent position on our Grand Council is again being filled by E. Coulter Davies who is Dean Emeritus of the School of Commerce of Northwestern University. Brother Davies was first appointed to this position by Grand President Busse, now he was reappointed by Grand President Feltham.

Coulter became a member of Beta Chapter at Northwestern in 1921 while an undergraduate on the Northwestern campus. In 1922 he received his degree from Northwestern and his C.P.A. from the State of Illinois. Before becoming the assistant dean of the School of Commerce at Northwestern University, Coulter spent some time with Arthur Andersen and Company and Wolf and Company Public Accountants in Chicago. In 1940 Brother Davies retired as assistant dean only to be recalled in 1949 to serve as acting dean of the School of Commerce of Northwestern, which position he held through 1953. At that time he retired again as a Dean Emeritus.

Brother Davies is the author of several books on accounting and business organization, and has served as an officer of the American Accounting Association. He is a member of Beta Gamma Sigma, Delta Mu Delta, Beta Alpha Psi, and Sigma Alpha Epsilon.

Currently he has three homes; one in Evanston, Illinois, one in Antioch, Illinois, and the third in Florida. His wife, Irmgard, attended the 20th Grand Chapter Congress with him in Detroit, and is extremely proud of her affiliation with the Pink Poodles. The Davies' have one son.

ROBERT O. HUGHES—Eastern Region

Robert O. Hughes known to the Pink Poodles as the husband of the S.G.B. is the new Director of the Eastern Region. By any title you choose the entire Hughes family, Bob and Arlene, has been active in Delta Sigma Pi a long time.

Brother Hughes was initiated into Beta Nu Chapter at Pennsylvania in February 1941 only to be called into service in November of that year. Upon his return from service in 1947 he was appointed social chairman of the active chapter. In 1948 he served as general chairman of the first Eastern Regional Meeting. Then the Philadelphia Alumni Club beckoned and post of secretary was ably filled by Bob. Then came the presidency in which capacity he served for three years. Under Harry Feltham, Bob also served as District Director in the Eastern Region for the past three years. Bob, too, was a member of the National Committee on Nominations.

As manager of all machine accounting methods and systems for the Radio Corporation of America and its subsidiaries, Brother Hughes travels a great deal and will be calling upon chapters and alumni clubs from coast to coast. You may also meet Arlene, his wife, and their young son, Warren, as they often travel with Bob.

HOMER T. BREWER—Southeastern Region

Reelected as Director of the Southeastern Region is Homer T. Brewer, *Kappa-Georgia*, of Atlanta. Since early 1953 Brother Brewer has represented this Region on the Grand Council.

Homer is well known for his proficiency at letterwriting and for the extensive correspondence that he has carried on among the chapters in his Region. Many chapters in the Southeastern Region have also had visits from Homer, and his spirit and energy is in evidence wherever the fraternity is concerned.

Brother Brewer received his B.S. degree from Atlanta Division of the University of Georgia in 1941 and an LL.B. degree from Emory University in 1949. Later that year he was admitted to the Georgia Bar.

Homer became a member of Kappa Chapter in 1937, serving as secretary, senior vice-president, and chancellor of the chapter. After graduation he continued his fraternal activity as chapter advisor and as a director and president of Deltasig Lodge in Atlanta. In April 1952 he served most efficiently as chairman of the Regional Meeting held in Atlanta.

As assistant tax commissioner of the Southern Railway System, Homer travels quite extensively. He makes his home in Decatur, Georgia, and is the father of three children, two boys and a girl. Homer's wife, Lenore, is also very active in Delta Sigma Pi.

ROBERT F. ANDREE—East Central Region

The East Central Region may be brand new to Delta Sigma Pi, but its Director isn't. Robert Andree became a member of Beta Tau Chapter at Western Reserve University in 1949 and almost immediately took a leading role as social chairman of the

chapter. In his graduation year he was chapter president.

His B.S. degree and entrance into the business world only marked the beginning of his fraternal activity. The Cleveland Alumni Club welcomed Bob, and soon he was elected president. He was president during the Cleveland 1952 Central Regional Meeting and contributed much to its success.

At two of the three Grand Chapter Congresses Bob attended he was the official delegate of the Cleveland Alumni Club. He also conducted a panel in the Chapter Officers' Training Program at Denver and Detroit. During the past two years his activities have included supervision of our chapters and alumni clubs in the State of Ohio as District Director.

Upon leaving college Bob joined Copper and Brass Sales, Inc. of Detroit, a leading non-ferrous metal distributor. Soon after he assisted in the establishment of the Cleveland warehouse and sales office. This work led to sales and his success in this phase of the business warranted his promotion to the position of Sales Manager in 1955.

Bob lives in Rocky River, Ohio, a suburb of Cleveland, and is single, the only member of the Grand Council that is.

FRANK A. GERACI—Central Region

A newcomer to the Grand Council is Frank Geraci, *Zeta-Northwestern*, the Director of the Central Region. Frank was initiated as a member of Zeta Chapter in October 1946. Soon after he was elected treasurer of the chapter and also served as house manager. Upon graduation in 1948 he joined the Chicago Alumni Club, and rapidly moved up the ladder first as secretary, then treasurer, vice-president, and president.

Brother Geraci is quite familiar to those who have attended Grand Chapter Congresses since 1947, as he has been at a total of five. At Dallas and Denver he was the official delegate of the Chicago Alumni Club. He also conducted a portion of the Chapter Officers Training School in Denver and an Alumni Club Panel in Detroit.

During the past two years Frank has served as chairman of the National Committee on Alumni Activities and participated in the Central Regional Meeting held a year ago.

Frank is auditor and assistant controller of the Electrical Engineers Equipment Company in Melrose Park, Illinois, which firm he joined upon graduation in 1948. Frank is also active in the National Association of Cost Accountants and in the men's choir at his church. On September 10, following the 20th Grand Chapter Congress, he married Miss Loretta Vassallo.

V. BURT WAITE—South Central Region

Our new Director of the new South Central Region, V. Burt Waite, is a graduate of Mississippi State College and a charter member of our Gamma Delta Chapter there. Burt returned to college after service in the Marines and a stint in the business world with the Chicago and Southern Airlines.

While in college Brother Waite was president of Gamma Delta Chapter and under his guidance they reached their first 100,000 in the Chapter Efficiency Contest. Other activities included the chairmanship of the School of Business Festivities Day, membership on the Dean's Student Advisory Committee, and the vice presidency of the Accounting Club.

In Columbus, Mississippi, where Burt lives, he has served as president of the Lions Club, treasurer of the Junior Chamber of Commerce, advancement counselor of the Loundes County Boy Scouts and active in the Masons, Kiwanis, and V.F.W.

Burt is a senior accountant with the T. E. Lott Company, Certified Public Accountants of Columbus, Mississippi.

Lorraine, Burt's wife, is a charter member of the Pink Poodles, having attended the 17th Grand Chapter Congress in

Baltimore, where Burt was official delegate from his chapter. His three year old daughter too, is a veteran of conventions having been in attendance in Detroit.

HENRY C. LUCAS, Midwestern Region

Henry Lucas has served on the Grand Council since 1948, when he was elected to fill a vacancy created by the resignation of Daniel C. Kilian, and reelected as Director of the Midwestern Region at the 17th and 19th Grand Chapter Congresses.

Brother Lucas received his B.S. degree in Business Administration at the University of Nebraska, where he became a member of Alpha Delta Chapter. He has since then taken part in the installation of Beta Theta Chapter at Creighton in 1930 and Gamma Eta Chapter at Omaha in 1949. Several other of our chapters have been reactivated as result of contacts he made while traveling as auditor and contracting officer for the army during the war. Henry made a habit of looking up Deltasigs wherever he went and dropped in on alumni club meetings.

The contribution to his fraternity, for which Brother Lucas is chiefly known, is the editing, publishing and distribution of the annual Directory of Graduates, first issued in 1951. As chairman of the National Committee on Alumni Placing Service, he has justifiably earned most of the credit for the success of this important fraternity publication, which has received acclaim from personnel men throughout the nation as a valuable placement tool.

Brother Lucas is a native of Omaha, Nebraska, and is connected with the firm of Mathur, Inc. of that city, where he serves as auditor and office manager. Lois, his wife, and his two children share Henry's fraternal interest, and on several occasions have accompanied him to meetings and Grand Chapter Congresses.

BURNELL C. BUTLER, JR., Southwestern Region

Although "B.C." has only been a member of Delta Sigma Pi since 1949, he has already established quite a record with the fraternity. While attending Southern Methodist University he joined our Beta Phi Chapter there and later served as its president. During the 18th Grand Chapter Congress held in Dallas in 1951, he played an important part on the convention committee. He also attended the 19th Grand Chapter Congress in Denver and the Southwestern Regional Meeting in Houston in 1952.

In March 1953, Brother Butler was elected by the Grand Council as the acting Director of the Southwestern Region, to replace William R. Merrick, who passed away. At the 19th Grand Chapter Congress he was reelected.

"B.C." began his business career in 1950, when he joined Talon, Inc. manufacturers and distributors of zippers, as their warehouse manager. After several years of success with that organization, he left to join his father's real estate firm in Dallas. Training in this field under his dad led to his present position as a sales representative of one of the large real estate development companies in Dallas.

At each fraternity function where women are invited you may be sure that you will see Paula, his attractive wife. The Butler's also proudly display their young daughter at every occasion and justly so.

HARRY G. HICKEY, Inter-Mountain Region

Brother Harry G. Hickey was appointed to the Grand Council as a Member-at-Large when Robert Busse relinquished that position to become Director of the Central Region. At the 19th Grand Chapter Congress he was elected to serve as Director of Alumni Activities.

Harry was a charter member of Alpha Nu Chapter at the

University of Denver, having been initiated in October 1925. After leaving school he continued his fraternal activity as chapter adviser. In 1949 he took on the job of reactivating the Denver Alumni Club, which he has since served as President, and which, under his leadership, has developed into one of our strongest alumni groups. He also headed the delegation from Denver which assisted in the installation of Gamma Iota Chapter at the University of New Mexico.

Brother Hickey will best be remembered, however, first for his efforts at the Dallas Grand Chapter Congress to have the next one held in Denver; and second, for getting it there and serving as general chairman of the 19th Grand Chapter Congress. He and his committee showed true Western hospitality to the hundreds that attended the only Grand Chapter Congress held in the west. Everyone there thoroughly enjoyed a full and stimulating program, capably planned and carried out under Harry's direction.

At the present time Brother Hickey is vice president and sales manager of Francis J. Fisher, Inc. of Denver, a supplier of building materials; of course he is a resident of the Mile-High City, Denver. His wife, Doyne, is an avid booster of the fraternity, and although their spirit and actions belie the fact, they are proud grand-parents.

ANDREW P. MARINCOVICH—Western Region

In 1950 Phi Chapter at the University of Southern California was reactivated and among those initiated at that time was Andrew Marincovich, a graduate student and a member of the part-time faculty. Following his initiation Brother Marincovich served as Chapter Adviser for two years. His next fraternal job was that of secretary of the Los Angeles Alumni Club in which capacity he also served for two years. The next two years found him in the office of president and representing the Los Angeles Alumni Club at both the 19th and 20th Grand Chapter Congresses. From 1953-1955 Andy served as a member of the National Committee on Alumni Activities. At Detroit he was elected by the Grand Council to fill the unexpired term of Burell Johnson, who found it necessary to resign because of business commitments.

Brother Marincovich is controller of Johnson Western Constructors of San Pedro, California. Presently he is serving as chairman of the local committee and as a member of the state committee on education for the California Society of Certified Public Accountants. He is also director of the Long Beach Chapter of the Systems and Procedures Association of America.

Andy makes his home in San Pedro, California, and he and his wife Matilda are the proud parents of three girls.

Fraternalism Builds Headquarters at Miami University in Oxford

THE NEW CENTRAL OFFICE BUILDING of Delta Sigma Pi is now being constructed adjacent to the Miami University Campus in Oxford, Ohio. The need for a home of our own was not enough to make it a reality. It required the support of many Deltasigs as large reserves had not been accumulated over the years. In the last nine months a substantial number of Deltasigs have evidenced a keen interest in the future of the fraternity and proved their loyalty by making contributions to The Central Office Building Fund.

Our original goal has just about been reached, but the final construction bids exceeded by 50% the estimated cost on which this goal was established. This called for some immediate modification of the original program. Four alternatives were evident: To reduce the size and quality of the building; to leave part of the building unfinished at present; to seek outside financing; and to ask for additional contributions from our alumni and chapters.

Some modification of the size and quality of the building was made immediately, but as this alternative was pursued, it was soon apparent that any extensive reduction would give us an inadequate building, with a high maintenance cost and one of dubious life. Therefore to retain the original idea that this be a permanent structure designed to fulfill our needs for the seeable future, we modified the original plans and material specifications very little.

A large saving was effected, however, by leaving certain portions of the building unfinished and deferring such other items as landscaping and interior furnishings until a later date. Present plans call for the completion of the immediate requirements in office space leaving such things as our library, Grand Council Meeting room, storage rooms, etc. for the future.

Outside financing has also been sought and obtained in an amount which we feel we can repay in a reasonable period of

time and which we can handle without curtailing in any fashion the services now provided by The Central Office.

Finally we are asking the alumni and chapters to provide further contributions to enable us to carry out our present program and to possibly limit the extent of the measures we have had to take to make the building a reality, namely: Reducing size and quality, leaving portions of the building incomplete, and borrowing from outside sources.

Three categories have been established to recognize contributions: The Century Club, The Cornerstone Club, and The Contributors Book.

The Century Club recognizes those who have contributed \$100 or more. Their names will be placed on a framed plaque to be hung in the new Central Office Building, and each will receive a certificate acknowledging his contribution.

All of those contributing \$25 or more will become members of the Cornerstone Club. They will receive a membership card and will also have their name placed on a scroll to be inserted in a capsule to be sealed in the cornerstone of the building. This cornerstone will be permanently cemented into the structure at the time of the dedication ceremonies now being considered for the summer of 1956.

All contributors regardless of amount will be recorded in the Contributors Book, a copy of which will be placed in the library of the new Central Office Building.

Each category now has an impressive list of members indicating the extent to which a substantial number of Deltasigs hold their membership in Delta Sigma Pi. True fraternalism is enabling us to build this permanent structure to house the Central Office of Delta Sigma Pi. How about you? Have you expressed your true fraternalism through your contribution?

May we suggest that you review your participation to date and let us hear from you at The Central Office.

NEW BUSINESS BOOKS

Compiled by Kenneth S. Tisdell, Alpha Chi

Associate Librarian, University of Missouri Library, Columbia, Mo.

Accounting

MARGINAL-COST PRICE-OUTPUT CONTROL, by Burnham P. Beckwith, published by Columbia University, 376 pp., \$6.75.

A critical history and restatement of the theory that price and/or output is ideal when price equals marginal cost. Its application in public utility rate theory is considered, along with problems of optimum investment of fixed capital, methods of financing ideal deficits, and the general economic effects.

PRODUCTIVITY ACCOUNTING, by Hiram S. Davis, published by the University of Pennsylvania, 206 pp., \$5.00.

This is a means of converting accounts into constant dollars as well as measuring the efficiency of a business enterprise. The measure is the ratio of total goods and services produced to the total economic costs incurred, with both products and costs having been revalued to some selected scale of constant prices.

Advertising

MOTIVATION RESEARCH IN ADVERTISING AND MARKETING, by George H. Smith, published by McGraw-Hill, 260 pp., \$5.00.

Reports on techniques developed by social scientists and psychologists which can be applied to the complex problems of advertising and market fact finding.

CREATIVE ADVERTISING, by Charles L. Whittier, published by Holt, 604 pp., \$8.50.

Every phase of advertising, media, methods, and organization is examined from the standpoint of ideas in providing a readable survey, description and evaluation. Author is a former vice-president and director of Young & Rubicam.

Executive Management

MANAGEMENT TEAM, edited by Edward C. Bursk, published by Harvard University, 221 pp., \$4.00.

Discussion by business and industrial executives on the problems of delegating authority, communication, and control as essential components of teamwork in business management.

WHAT MAKES AN EXECUTIVE? by Eli Ginzberg, published by Columbia University, 191 pp., \$3.50.

A free and undirected discussion on executive potential and performance which considers such factors as the value of a college education, personal qualities, training, testing, and evaluation of executive ability.

MANAGERIAL STATISTICS, by Kermit O. Hanson, published by Prentice-Hall, 320 pp., \$6.35.

Shows how statistics are useful to management in planning and controlling organizational activities, including forecast of sales.

PRINCIPLES OF MANAGEMENT, by Harold D. Koontz & Cyril O'Donnell, published by McGraw-Hill, 674 pp., \$6.50.

An analysis of the five managerial functions—organizing, staffing, directing, planning, and control of an enterprise. Constructed around the basic idea that the first-line supervisor's job is essentially the same as the top executive's job; getting things done by coordinating the work of others.

OPERATIONS RESEARCH FOR MANAGEMENT, edited by Joseph F. McCloskey & Florence N. Trefethen, published by Johns Hopkins University, 433 pp., \$7.50.

An introduction to the newest management science, its history, methodology, and case histories showing its application in various fields.

Forecasting

SHORT-TERM ECONOMIC FORECASTING, by the Conference on Research in Income and Wealth, published by Princeton University, 517 pp., \$7.50.

Analyzes the problems of predicting the behavior of economic variables over one or two years in various fields, the actual preparation of short-term forecasts, and the interpretation of forecasts prepared by others.

BUSINESS FLUCTUATIONS AND FORECASTING, by Carl A. Dauten, published by South-Western, 526 pp., \$5.75.

A guide to the nature, effects, measurement, and history of business cycles, with the background and knowledge necessary to the development of long-range forecasting of production, prices, and the stock market for the best estimate of future business conditions.

Investments

HOW TO INVEST YOUR MONEY, by Ralph C. Epstein, published by Ronald, 222 pp., \$3.50.

A non-technical introduction to the principles of sound, profitable investing, including stocks, bonds, mutual funds, savings banks, life insurance, building and loan certificates, estates, and inheritances.

PLANNING YOUR FINANCIAL INDEPENDENCE, by John E. Leibenderfer, published by the University of Oklahoma, 308 pp., \$3.95.

Outlines a plan which will enable individuals to achieve better control over their finances through a definite technique for capital accumulation. Provides for adequate insurance coverage, explains the principles of investment, budgeting, and the like.

WALL STREET: MEN AND MONEY, by Martin P. Mayer, published by Harper, 284 pp., \$3.50.

Explains the technical aspects of security transactions through its introduction to the ways of the New York and American Stock Exchanges, its discussion of stocks and bonds, and the functions of brokers, underwriters, money managers, and other specialized financial personnel in its customer-advice section.

Pensions and Profit Sharing

INDUSTRIAL PENSIONS, by Charles L. Dearing, published by Brookings Institute, 320 pp., \$3.75.

Thorough study of private pension plans now in force in more than 400 companies. How these plans are set up, the financial aspects in terms of coverage, contributions, and investment of funds are all considered, and the relation of these private funds to the government program is evaluated.

PROFIT SHARING IN AMERICAN BUSINESS, by Edwin B. Flippo, published by Ohio State University Bureau of Business Research, 196 pp., \$3.00.

A study of methods used in initiating and administering profit-sharing plans and their progress in high and low or non-profit years. Based on actual practice in about 350 business concerns it considers the reasons for failures or discontinuance of plans, and the relation of such plans to unions.

Personnel

PERSONNEL POLICY IN A PUBLIC AGENCY, by Harry L. Case, published by Harper, 188 pp., \$3.00.

Describes the personnel policies adopted by the TVA Board and procedures put into effect by its staff. Shows how a public body developed progressive personnel program while avoiding political pressures from without.

PERSONNEL RELATIONS, by Arthur M. Whitehill, published by McGraw-Hill, 537 pp., \$6.00.

Matching men and jobs, creating and maintaining good work environment, and dealing with unions, the book gives consideration to the human aspects of administration.

Management

PRACTICE OF MANAGEMENT, by Peter F. Drucker, published by Harper, 413 pp., \$5.00.

The function, standards, responsibilities and structure of business management, it gives marked attention to new developments in industry, such as automation and operations research. Emphasis is put on the human element and what can be done and what is being done by the leaders in management.

PROFITABLE SMALL PLANT MANAGEMENT, by Malcolm H. Gotterer, published by Conover-Mast, 327 pp., \$5.50.

A complete management program for introduction into a plant of limited operations in a step-by-step manner which reduces costs and risks to a minimum. Tackles most of the phases of plant management which can be improved by modern methods.

DEVELOPING MANAGEMENT ABILITY, by Earl G. Planty & J. T. Freeston, published by Ronald, 459 pp., \$7.00.

A selection of 600 self-help questions and answers embodying the current practices of training men at all levels of business operations to develop ability for management. Discusses methods used to improve work performance and the techniques of organizing, operating and evaluating development programs.

GUIDE TO MODERN MANAGEMENT METHODS, by Perrin Stryker & others, published by McGraw-Hill, 310 pp., \$3.50.

Thirty-Six Chapters Tie for First Place in 1954 Chapter Efficiency Contest

IN THE 1955 Chapter Efficiency Contest 36 of our 84 chapters went over the finish line with the maximum total of 100,000 points each. Forty-four chapters made the Honor Roll, which includes all those scoring 85,000 points or more. The number of winning chapters exceeded 1954, when thirty-one attained the maximum number of points.

The winning chapters, scoring the maximum of 100,000 points, were: Alpha Chapter at New York, Delta Chapter at Marquette, Iota

Chapter at Kansas, Kappa Chapter at Georgia, Xi Chapter at Michigan, Pi Chapter at Georgia, Phi Chapter at Southern California, Chi Chapter at Johns Hopkins, Psi Chapter at Wisconsin, Alpha Beta Chapter at Missouri, Alpha Delta Chapter at Nebraska, Alpha Kappa Chapter at Buffalo, Alpha Lambda Chapter at North Carolina, Alpha Xi Chapter at Virginia, Alpha Omicron Chapter at Ohio U., Alpha Rho Chapter at Colorado, Alpha Sigma Chapter at Alabama, Alpha Phi Chapter at Mississippi, Alpha Omega Chapter at DePaul, Beta Theta Chapter at Creighton, Beta Xi Chapter at Rider, Beta Rho Chapter at Rutgers, Beta Sigma Chapter at St. Louis, Beta Upsilon Chapter at Texas Tech, Beta Omega Chapter at Miami, Gamma Delta Chapter at Mississippi State, Gamma Theta Chapter at Wayne, Gamma Iota Chapter at New Mexico, Gamma Kappa Chapter at Michigan State, Gamma Mu Chapter at Tulane, Gamma Xi Chapter at Santa Clara, Gamma Omicron Chapter at San Francisco, Gamma Pi Chapter at Loyola, Gamma Rho Chapter at Detroit, Gamma Phi Chapter at Texas Western, Delta Epsilon Chapter at North Texas State.

Kappa Chapter at Georgia and Alpha Beta Chapter at Missouri upheld their record by again being among the top winners. For Kappa Chapter it was number 19, and for Alpha Beta Chapter it was number 15. For the first time, Beta Sigma Chapter at St. Louis, Gamma Iota Chapter at New Mexico, Gamma Rho Chapter at Detroit, Gamma Phi Chapter at Texas Western, and Delta Epsilon Chapter at North Texas State, were among the winners, with the maximum score of 100,000 points.

The Chapter Efficiency Contest was established during the college year 1931-32 and has definitely proven itself to be of real value in increasing chapter interest. It has also provided an adequate yardstick of measurement of chapter achievement. The Chapter Efficiency Contest is divided into five major divisions: Professional Activities, Scholarship, Membership, Finances and Chapter Initiative and Administration. A maximum of 20,000 points is permitted in each division, thus a final standing of 100,000 points indicates a perfect record for the year's work. Points are awarded for many phases of chapter activity such as professional meetings, individual and chapter scholarship, pledge training course, chapter publicity, contributions to The DELTASIG, the proper handling of finances, collection of dues, payment of bills, the initiation of an adequate number of members, attendance at business meetings, chapter publications, and the filing of important reports.

The presidents of chapters scoring 100,000 points are awarded Life Memberships. Members of chapters winning the contest with 100,000 points, and of chapters making the Honor Roll with 85,000 points or more, are awarded a 10% discount on Life Memberships,

provided that this option is exercised before December 31 following the conclusion of the contest and also provided that payments are concluded within the following calendar year.
