# The International Fraternity of Delta Sigma Pi

*Professional Commerce and Business  
Administration Fraternity*

Delta Sigma Pi was founded at New York University, School of Commerce, Accounts and Finance, on November 7, 1907, by Alexander F. Makay, Alfred Moysello, Harold V. Jacobs and H. Albert Tienken. Delta Sigma Pi is a professional fraternity organized to foster the study of business in universities; to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce; and to further a high standard of commercial ethics and culture, and the civic and commercial welfare of the community.

## IN THE PROFESSIONAL SPOTLIGHT

THE PROFESSIONAL HIGHLIGHT of the last few months was the initiation of James A. Farley, former Postmaster General and currently Chairman of the Board of Coca Cola Export, as an Honorary Member-at-Large of Delta Sigma Pi at its 21st Grand Chapter Congress and his address at the Banquet in New York City. James A. Farley, second from the left, is being welcomed by Executive Director Jim Thomson while Richard Abbe and Theodore Boutis of the Grand Chapter Congress Committee, and Franklin Tober of the Grand Council look on.

HOMER T. BREWER

Kappa-Georgia State

I LEFT NEW YORK elated over the many successes of the past two years, and happy over the Fiftieth Anniversary we had just celebrated. I was very much touched by the remarks of Harold V. Jacobs, one of our Founders, and I was very much gratified by the many wishes for success as Grand President during the next two years.

But I can have no success unless my lack of modesty makes me claim credit for what you do. So I will claim that I have been successful if your chapter has its very best year, if your alumni club has more members taking part in a better program, if The Central Office gives you more help than ever before, and if other groups of students of business establish new chapters of Delta Sigma Pi.

My term of office will be a successful one if you are the best president, or the best secretary, or the best junior guide, your chapter has ever had. I will be successful if your professional programs and your social affairs are the best you have ever had. I will be successful if your Chapter Efficiency Contest score is 100,000 points. This will be our best year if your new members are the very finest men taking commerce work, if you make thorough Deltasigs out of them.

I will be successful if your alumni club doubles its mem-

bership this year, if you are in touch with each new graduate as he moves to your city, if you actively promote the high ideals of our fraternity among all business men. I will be successful if your club lends a helping hand to a nearby chapter,—to make its ritual performance more impressive, or to see that it gets and maintains the house or meeting room it needs.

I shall boast of my term if The Central Office and its good people give you the best service you have ever had—if our staff are able to help solve your problems—if you receive your regalia trunk on time and forward it on time—if you get your reports and remittances to Oxford by the time they are expected.

This will be a good two years if we spread our gospel of integrity in business and excellence of professional preparation to schools of business where we do not now have chapters. I will be successful if we provide for "the association of students" everywhere that it is practicable.

So you see, there is no possibility for me to be successful. Only WE—we men of Delta Sigma Pi—can be successful. I have my job to do, of course, but so do you. You are an undergraduate, you are an alumnus, you are a chapter officer, you are a Grand Officer. We know our jobs. Let's do them!

## Some Chatter from the Central Office

ONE MIGHT THINK that life would be serene at The Central Office now that the building is completed, dedicated, and the new staff baptized by the experience of a whole college year. Such is not the case, however, as there seems to be an endless stream of new fields to conquer in Delta Sigma Pi. It is these goals and the successes we have in reaching them that marks our growth and material progress.

In this, our "Golden Year," we are eager to do more things than ever before, and to do those things that we have done before better than ever. If you are still with us after the last thoughts, we might illustrate our point by suggesting that you thumb through the balance of this issue of "The DELTA-SIG" and pass judgment on the new format, mastheads and

typography. We hope that you like the new look to the extent that you will feel inclined to send us personal news, professional articles and other material that will make interesting reading.

Some of the other things that are making life interesting at 330 South Campus Avenue in Oxford are: the Annual Edition of our "Directory of Graduates"; the selection of an undergraduate delegate to represent Delta Sigma Pi at the National Association of Manufacturers' Congress of American Industry in New York City in December; and the publication of our annual edition of the "Alumni News" to be sent to our 39,000 alumni. We trust that you personally will benefit from some of our efforts.—JIM THOMSON and RAY FLODIN

## 21st Grand Chapter Congress Marks Fraternity's 50th Anniversary

A MOST FITTING WAY to mark the 50th Anniversary of Delta Sigma Pi was the 21st Grand Chapter Congress just held in New York City, the birthplace of the Fraternity. Delegations from 82 of the 89 active undergraduate chapters joined with those from 13 alumni clubs to make this Congress one of the largest and certainly the most memorable one in the history of Delta Sigma Pi. The famed Biltmore Hotel in the heart of New York City served as the headquarters for the four day "Golden Anniversary" celebration which began on Tuesday, August 27, and was concluded on Friday, August 30.

The delegates began to arrive on Tuesday prior to the official opening of the Congress so most of them were on hand for Buffet Dinner and Reception held on Tuesday evening. Despite the many informal parties held following the Reception on Tuesday evening, the delegates were on hand bright and early the next morning for the opening business session and a few words of welcome by Richard Abbe, *Alpha-New York*, General Chairman of the 21st Grand Chapter Congress Committee. John Cashmore, *Alpha-New York*, President of the Burrough of Brooklyn for many years, also welcomed the delegates on behalf of New York City officials. After the delegates were officially seated, each of the national officers followed Grand President Feltham in the presentation of their reports for the biennium. At the Delegates Luncheon a number of very informative discussions developed which kept them around the tables for most of the afternoon. One of the highlights came with the initiation of James A. Farley, former Postmaster General and currently Chairman of the Board of Coca Cola Export and several

other subsidiaries, by a Grand Council ritual team. Later that evening, Brother Farley gave the principle address at the 21st Grand Chapter Congress Banquet held in the Bowman Room of the Biltmore Hotel.

Thursday morning found the chapter delegates back at work in the first of two "Chapter Officers' Training Sessions." Concurrently in another part of the hotel the alumni were engaged in a discussion of alumni activities. Buses took the delegates on visit to the United Nations Buildings and the New York Stock Exchange in the afternoon prior to the traditional Stag

Party and Yellow Dog Initiation held that evening in the 7th Regiment Armory.

On Friday morning both the "Chapter Officers' Training Program" and the "Alumni Activities Panels" were concluded. The afternoon was devoted to the official business of the Grand Chapter Congress and the election of national officers. Homer T. Brewer, *Kappa-Georgia State*, was elected Grand President by acclamation to serve for the next two years. To fill vacancies in the Grand Council created by the expiration of terms were: Franklin A. Tober, *Alpha Kappa-Buffalo*, Director at Large; Henry C. Lucas,

appointed Walter Brower, *Beta Xi-Rider*, to serve as Director of Business Education and the Grand Council, upon recommendation of the delegates of the Southeastern Region, elected Monroe Landreth, *Alpha Lambda-North Carolina*, to serve as Director of that region. Other members of the Grand Council whose terms of office did not expire with the Congress are: J. Harry Feltham, *Chi-Johns Hopkins*, Past Grand President; Robert O. Hughes, *Beta Nu-Pennsylvania*, Director of the Eastern Region; Robert F. Andree, *Beta Tau-Western Reserve*, Director of the East Central Region; Frank A. Thomson, *Beta-Northwestern*, Executive Director; and Raymond W. Flodin, *Alpha Omega-De Paul*, Executive Secretary.

On Friday evening Delta Sigma Pi's "Golden Anniversary Banquet" was held in the beautiful Ballroom of the Biltmore Hotel with a record number of members and their dates or wives present. Founder Harold V. Jacobs was on hand and fascinated those in attendance with his story of the founding of the Fraternity. Later he presented a bronze plaque commemorating the founding of the Fraternity to Assistant Dean Waldo Buckham, *Alpha-New York*, of the School of Commerce and Accounts at New York University for the foyer there. The presentation

of a Special Award to Past Grand President, John L. McKewen, *Chi-Johns Hopkins*, and an address, "Delta Sigma Pi Today," by Executive Director, Jim Thomson concluded the program.

Later that evening in the same room the 21st Grand Chapter Congress Ball was held. At one of the dancing breaks the traditional Diamond Badge Drawing was held with Founder Harold V. Jacobs pulling the name of Robert O. Hughes, *Beta Nu-Pennsylvania*, from the hat. The Attendance Trophy, which was awarded at the same time, was won by Beta Chapter at Northwestern in Chicago, which had the greatest number of undergraduates traveling the greatest total number of miles. For the first time, awards were made for the Advance Registration to the next Congress, which in this case is 1959 in Cincinnati. Frank Geraci, *Zeta-Northwestern*, Monroe Landreth, *Alpha*

A TENSE MOMENT of the 21st Grand Chapter Congress came when James A. Farley approached his initiation as an Honorary Member-at-Large. Heading the Escort Committee were Past Grand Presidents John L. McKewen (right), and Kenneth B. White. In the background (left to right) are Grand Council Members Robert O. Hughes and E. Coulter Davies, and Founder Harold V. Jacobs.

*Lambda-North Carolina*, and Mrs. Rudolph Weber of Chicago were the winners of these prizes.

Most everyone in attendance was sorry to see this affair end as it marked the conclusion of one of the most outstanding events in Delta Sigma Pi's history.

### Reception and Buffet Dinner

The beautiful Bowman Room of the Biltmore Hotel, which generally serves as the main dining room, was turned over

to Delta Sigma Pi for its first event of the 21st Grand Chapter Congress and "Golden Anniversary." Over 300 Deltasigs and their wives, the first arrivals in New York City, joined in this Reception and Buffet Dinner. Members of the Grand Council formed a receiving line at the entrance of the Bowman Room and greeted the delegates and their wives prior to their partaking in a luscious buffet dinner. This fine function gave the visitors the chance they were seeking to meet the national officers, host committee and other delegates from all corners of the country. It was also the beginning of the many fine friendships that have grown out of the Congress.

### Business Meetings

A record number of 82 undergraduate chapters and 13 alumni clubs were represented at the 21st Grand Chapter Congress. They also displayed an unprecedented eagerness at the business meeting and in some instances bemoaned the fact that there weren't more pressing matters in which they could sink their teeth. As it was, all of the delegates were on hand on Wednesday morning to hear the words of welcome sincerely expressed by Richard Abbe, *Alpha-New York*, General Chairman of the 21st Grand Chapter Congress. John Cashmore, *Alpha-New York*, long time president of the Borough

of Brooklyn, greeted the delegates on behalf of New York City and urged them to make the most of their visit by seeing the many wonders of the city including Brooklyn. Grand President J. Harry Feltham was then introduced and he proceeded with the business of the Congress by asking Executive Secretary Raymond W. Flodin, *Alpha Omega-De Paul*, to call the roll and seat the delegates. The reports of the National officers followed with Grand President Feltham making his first. Executive Director J. D. Thomson, *Beta-Northwestern*; Executive Secretary Raymond W. Flodin, *Alpha Omega-De Paul*; Chairman Franklin A. Tober of the Committee on Life Membership, *Alpha Kappa-Buffalo*; Chairman Henry C. Lucas of the Committee on Alumni Placing Service, *Alpha Delta-Nebraska*; and James J. Moore of the Committee on Alumni Activities, *Chi-Johns Hopkins*, presented reports covering the biennium.

On Thursday morning a "Chapter Officers' Training Program" was conducted for the benefit of the undergraduate delegates while the alumni met and discussed alumni activities elsewhere in the hotel. At the chapter panels George Fern, Director of the Education Department of the National Association of Manufacturers, explained their program and suggested ways in which the chapters might benefit from it. In the afternoon both the

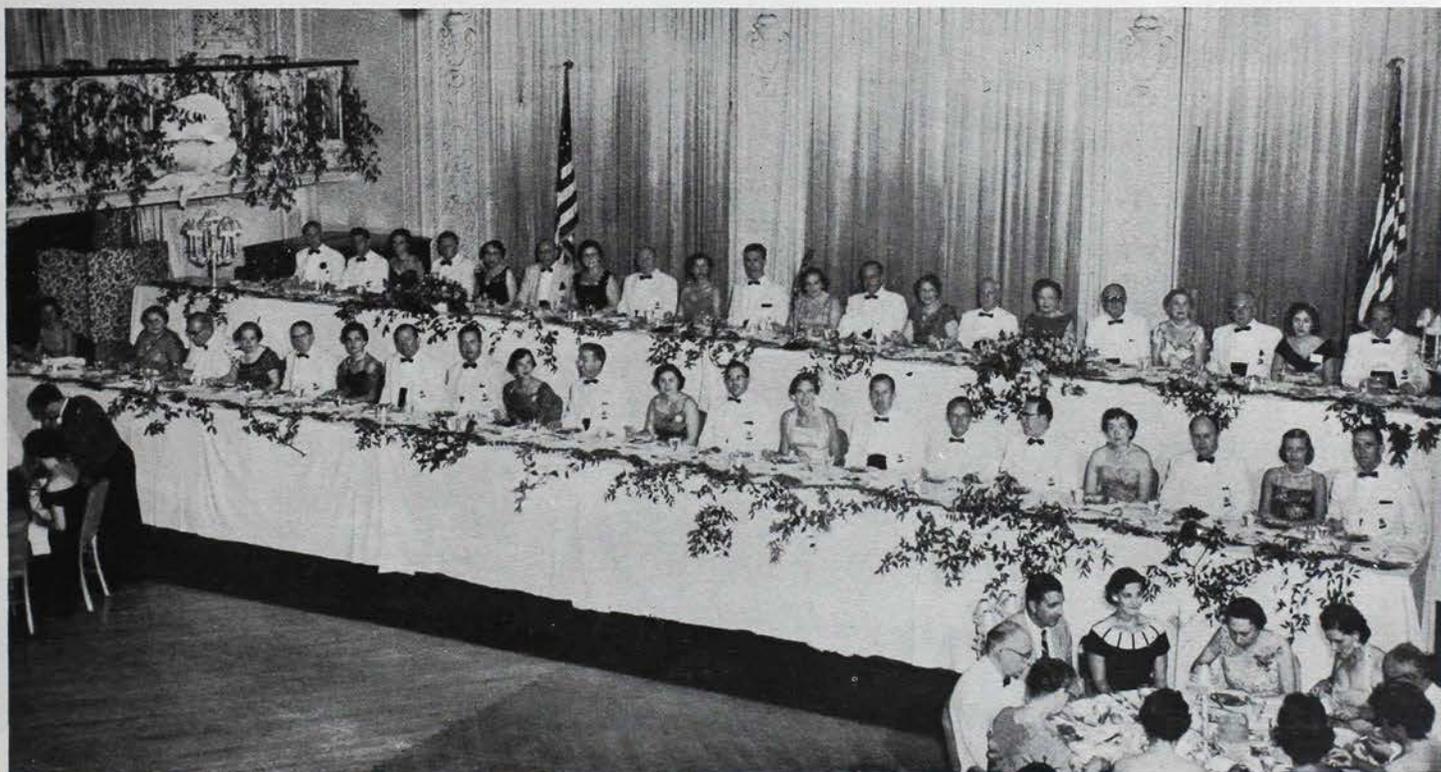

alumni and delegates joined in tours of the New York Stock Exchange and the United Nations Buildings.

On Friday morning the "Chapter Officers' Training Program" and alumni panels were concluded. The final business session took place that afternoon with Grand President Feltham presiding. There being no new legislation for the Grand Chapter to consider, the Congress turned to the election of officers and Robert O. Hughes, *Beta Nu-Pennsylvania*, made his report as chairman of the Committee on Nominations. Following this, the election of officers was held with Homer T. Brewer, *Kappa-Georgia State*, being elected Grand President. Past Grand President Robert G. Busse, *Beta Omicron-Rutgers*, was asked to swear in the new Grand Council which he did. This officially concluded the business of the 21st Grand Chapter Congress.

### Delegates Luncheon

Once again the chapter and alumni club delegates were honored by a special luncheon which was held this time in the newly decorated Music Room of the Biltmore Hotel. Separate tables were assigned to each Region giving the delegates an opportunity to discuss local problems with their Regional Director and neighboring chapters. Plans were also made at this luncheon for Regional Meetings to be held in the Fall of 1958.

THE "GOLDEN ANNIVERSARY" BANQUET was the climax of the entire 21st Grand Chapter Congress. The Speakers' Table is shown here.

## Grand Chapter Congress Banquet

The Bowman Room of the Biltmore was literally packed for the 21st Grand Chapter Congress Banquet held on Wednesday evening. Just prior to the Banquet, James A. Farley, chairman of the Board of Coca Cola Export and other subsidiaries, was initiated as an Honorary Member-at-Large of Delta Sigma Pi by a ritual team composed of members of the Grand Council. James Clyne, *Alpha-New York*, served as toastmaster of this Banquet and began the ceremonies by introducing the many national officers both past and present in attendance. James A. Farley then gave the principal address of the evening which was most inspiring and one that will long be remembered by those in attendance.

## Stag Party

After a heavy day of meetings and tours the delegates welcomed the chance to relax and play at the traditional Stag Party held on Thursday evening. The 7th Regiment Armory was the scene of this affair which featured a very manly buffet dinner. The Ancient Effervescent Order of the Yellow Dogs convened that evening too and admitted quite a number to membership. The festivities lasted well into the night, and the Party was the means of creating many new friendships.

## Golden Anniversary Banquet

The highlight of the whole Congress was the "Golden Anniversary Banquet" in the beautiful ballroom of the Biltmore

Hotel. A record number of Deltasigs and their dates attended this affair which began early on Friday evening. Richard Abbe, *Alpha-New York*, the General Chairman of the Grand Chapter Congress Committee, served as toastmaster of this stellar event in Delta Sigma Pi history. The program began with an introduction of the 40 people at the speakers' tables which served to acquaint the large audience with fraternity dignitaries both past and present.

The new Grand President, Homer T. Brewer, *Kappa-Georgia State*, then took the rostrum to present Service Awards to retiring members of the Grand Council Andrew P. Marincovich and E. Coulter Davies, and to J. Harry Feltham, retiring Grand President. Brother Feltham made the award to John L. McKewen, *Chi-Johns Hopkins*, which had been voted unanimously by the Grand Chapter that afternoon and which was in recognition of his many years of devoted service to the Fraternity.

Founder Harold V. Jacobs was then called upon to relate the events that led to the founding of Delta Sigma Pi. His address, which thrilled everyone in attendance, is printed word for word in this issue of *The DELTASIG*. In conclusion Brother Jacobs presented a large bronze plaque commemorating the founding of Delta Sigma Pi to the School of Commerce, Accounts and Finance at New York University, the birthplace of the Fraternity. Assistant Dean Waldo B. Buckham, *Alpha-New York*, accepted this

plaque on behalf of the University with a few well chosen remarks. Executive Director J. D. Thomson was then asked to describe "Delta Sigma Pi Today" in an address which clearly indicated the progress that had been made in 50 years.

A special surprise treat was next on the program in the form of a sextet headed by Past Grand Presidents John L. McKewen and Howard B. Johnson, which saluted the Pink Poodles in song. The concluding act in this most memorable affair was a rising vote of thanks to the 21st Grand Chapter Congress Committee.

## Our Eighth Honorary Member-at-Large

Our Eighth Honorary Member-at-Large, James A. Farley, was presented to the 21st Grand Chapter Congress Ban-

THE GOLDEN ANNIVERSARY MEDAL-LION of Delta Sigma Pi, which was presented to everyone attending the 21st Grand Chapter Congress in New York.

quet, as an outstanding figure in politics and business. Perhaps he is best known for being Postmaster General of the United States from March 1933 to August 1940. Initiated into the fraternity at our 21st Grand Chapter Congress, we welcome Jim Farley to our brotherhood.

He was born in Grassy Point, New York, and now lives in New York City. Starting to work as a bookkeeper with Merlin Heilholtz Paper Company, he then became connected with Universal Gypsum Co. as sales manager. Later he organized the James A. Farley and Co., a building materials company. This company merged with five other materials companies and formed the General Builders Supply Corporation in 1929, of which he served as president and director. His latest association is with Coca Cola. As chairman of the board of Coca Cola Export Corporation in 1940, he then be-

came chairman of the board and director of Coca Cola Bottling Co. in Boston. Furthering this association, he was made director of Coca Cola Co. of Canada, Ltd., president and director of Coca Cola International, and director of Compania Embotelladora, Coca Cola, S.A.

### Ladies Program

Once again the Grand Chapter Congress was well attended by a large number of ladies from all sections of the country. A variety of events were planned for them with ample free time left for shopping and sight-seeing in New York City.

On the first evening of the 21st Grand Chapter Congress a most appetizing buffet supper was served in the Bowman Room of the Biltmore Hotel. As in previous years both men and ladies attended this affair. The next morning a breakfast, accompanied by a style show, was held at Altman's Dept. Store in a most attractive room patterned after a Charleston garden. On Wednesday noon the Pink Poodles went to Toffenetti's for their biennial reunion and business meeting. Many of the ladies took advantage of the free time on Wednesday afternoon to attend a matinee of one of the plays in town. Thursday evening the traditional Doe Party was held at Nassau Country Club on Long Island. After a tasty chicken dinner, the ladies attending their first Grand Chapter Congress were initiated into the Pink Poodles. The Baltimore gals deserve congratulations for their work in making this initiation a memorable event.

On the final evening of the 21st Grand Chapter Congress the "Golden Anniversary Banquet" was served in the Ballroom of the Biltmore for the men and their

ladies. The banquet, followed by the ball, closed an interesting ladies program.

### The Committee

The theory that all it takes to do a job is a few good men was borne out by the 21st Grand Chapter Congress Committee in New York. From the hundreds of Deltasigs in the New York area Dick Abbe, The General Chairman, selected just a small group of men to put on what has proven to be one of the most outstanding conventions in fraternity history. On his right hand were Theodore Boutis, Rodney Stahl, James Clyne, Ben Ross and Philip Warner each of whom carried a major part of the responsibility. Finances were in the hands of Joseph Kennedy and

James McBain, both well experienced in the handling of money. Registration, always one of the most tedious jobs of any Congress, was mastered by Richard Freyland and Ignacio Vaccaro. Many of the delegates that were supplied with dates for the Ball owe much to Richard Cianci who handled the date bureau. The delicious meals that we had were planned by Paul Lee with William Kiefer making some of the dinner arrangements. The music at the various functions was under the guiding hand of Vincent Schuster, while Russell Fairbanks handled the photography. The entertaining Stag Party was the making of John Buttine, and William Butler arranged the tours with transportation provided by Herbert Brown. Publicity, a job that precedes the Congress by a couple of years and which reaches its climax with the Congress newspaper, was ably handled by our own New York newspaper columnist, Rodney Stahl. There will, of course, be more Grand Chapter Congress committees, but we doubt that they will be as small as this one and accomplish as much. The fraternity spirit displayed through the hard work of this Committee is hard to beat.

We can't speak of the 21st Grand Chapter Congress Committee without mentioning the ladies and the fine program they arranged for the visitors. Our hats are off to Marion Abbe, Jane Boutis, Helen Butler, Kay Cianci, Audrey Freyland, Arlene Hughes, Ronnie Lee, Elaine Schuster, and Connie Stahl all of whom played an important part in the Ladies Program.

THE LADIES ATTENDING the 21st Grand Chapter Congress had a fine program of their own. One of the features was a style show and breakfast in the Charleston Gardens Restaurant of B. Altman's New York City Store.

THE MOST INTERESTING FEATURE of the "Golden Anniversary" Banquet was an address by Founder Harold V. Jacobs.

I HAVE BEEN ASKED to give you a short and condensed story of the founding of our Fraternity that I am going to try to tell you as best I can. But, before I begin on this tale, I would like to take this opportunity to say a few words regarding my personal feelings with reference to this series of our "50th Anniversary" celebration.

I seem to be unable to express in words what my heart feels on this occasion, but I am bewildered and overcome by the honor and sincerity you have accorded me these last four days. After 50 years of the existence and tremendous growth of Delta Sigma Pi, my uppermost thought is that we, the founders, must have had a concept that was sound and desirable enough that you were willing to accept it. This gives me a warm feeling of satisfaction and pleasure. My one regret is that the three other brother founders can't share with me the pleasure I feel on this, our "50th" milestone.

My thanks to each and every one of you for making me feel such a vital part of you after a lapse of so many years. If I say any more I am afraid I will be overcome by my emotions, so I had better get down to the history of the fraternity from its inception.

A great governor of the state of New York, known nationally as the Honorable Alfred E. Smith, had a political theme song called, "The Sidewalks of New York." In a way that same title could be the theme song of our Fraternity, because it was literally conceived on or under the sidewalks of New York. At this point it would be appropriate to give you a little location scenery so that you can better

understand the story.

The School of Commerce, Accounts and Finance of New York University was conducted on the ninth floor of an office building, located at Washington Square, better known as Greenwich Village. It was a night school with classes from 8:00 to 10:00, five nights a week for three years. At the completion of the course, the graduates received a Bachelor of Commercial Science Degree, provided that they lasted that long.

## Delta Sigma Pi Is Born

*An Address Presented to the 21st Grand Chapter Congress*

BY HAROLD V. JACOBS, FOUNDER

In 1906, when this story begins, the registration of the School was approximately 300 students. To this School of Commerce in the fall term came four ambitious young men, unknown to each other, but with a common desire for knowledge, wealth and position. As in any classroom these four met, but what drew them together was the fact that after classes were over these same men, from the same class, used the same subway, to go in the same direction to get to their respective homes. This association led to closer ties and better understanding of each other.

When the weather was clear it was a refreshing walk from the School south to the Brooklyn Bridge; a distance of about two miles. And what did we talk about? Girls, naturally. We discussed the possibility of forming a School of Com-

merce club, that could offer social as well as financial benefits to all who cared to join; although, in our minds the benefits were rather vague. Now these four men as you know were: Alexander F. Makay, H. Albert Tienken, Alfred Moysello, and yours truly. We outlined our plans to other students, but the response was disappointing.

In the spring of 1907 during our nightly walks we became more enthusiastic about the club idea and thought up another plan to recruit members. This time we tried to interest other classmates in this idea by asking them to meet us for dinner before class (at their own expense) at a restaurant near the School, but that failed too. We were rather discouraged, but so far it had cost us only wear and tear on our thinking. One night, I don't remember if the moon was out or if it was in the subway, we got a brilliant thought. Why not form a fraternity instead of a club?

One fraternity already existed in the School and had no difficulty in getting members. Then why not form another?

We started contacting our classmates again and this time with better success. A number of men wanted to join us immediately, but the trouble was we didn't have a fraternity for them to join. We told our prospective brothers that we had not received our charter as yet, but as soon as we did we would initiate them.

School closed shortly after Memorial Day, but the four of us continued to meet evenings and Saturday afternoons to work out our plans for a fraternity. This was to start the following school semester which would be September of 1907. Makay and I were members of high school fraternities, so we had some idea of what a constitution, by-laws and a ritual should be like, but writing them was another matter! We eventually came up with what we thought was something really special.

# The New Grand Council of Delta Sigma Pi

A TOTAL of 15 men took office at the close of the 21st Grand Chapter Congress to serve Delta Sigma Pi for the next biennium. These men compose the Grand Council of Delta Sigma Pi and are as follows:

## HOMER T. BREWER, Grand President

TWENTY YEARS SPAN the interest in Delta Sigma Pi for our new Grand President, Homer T. Brewer. Homer became a member of Kappa Chapter in 1937, serving, as secretary, senior vice-president, and chancellor of the chapter. After graduating he served this chapter as advisor, and later continued his interest becoming director and president of the Deltasig Lodge in Atlanta.

During this time Brother Brewer, received his B.S. degree from Atlanta Division of the University of Georgia in 1941, and an LL.B. degree from Emory University in 1949. Later on that year he was admitted to the Georgia Bar.

The Southeastern Region knows Homer well, as he has represented this region on the Grand Council since 1953. Through his extensive letter writing, and visitation in his region, there are very few members of the region who do not know Homer from his interest and experience carried on in Delta Sigma Pi fashion.

HOMER T. BREWER  
Kappa-Georgia State  
Grand President

Homer is assistant tax commissioner of the Southern Railway System, and makes his home in Decatur, Georgia. His wife Lenore has his same interest in Delta Sigma Pi, and is usually on hand to help the women's organizations.

## JAMES D. THOMSON, Executive Director

J. D. THOMSON appointed by the Grand Council to the office of Executive Director in 1955, at the 20th Grand Chapter Congress in Detroit, shoulders various duties. He not only carries out the decisions of the Grand Council, and manages The Central Office, but makes chapter visitation, represents Delta Sigma Pi at meetings and conferences, and edits The DELTASIG.

Brother Thomson's fraternal activity began when he became a member of Beta Chapter at Northwestern University on June 15, 1940. While in Beta Chapter he served as vice-president, senior vice-president and president. Active in university affairs, he was president of the Commerce Club, the Student Council, and the Chicago Campus Association. While attending Northwestern he won the Delta Sigma Pi Scholarship Key, the Psi Gamma Rho prize for the outstanding junior, and was presented a plaque by the Commerce Club for his work and

contribution to the welfare of the School of Commerce. He also served on the Board of Directors of the Deltasig House Corporation, and took an active part in the Delta Sigma Pi Chicago Alumni Club. He joined the staff of The Central Office in 1946 as Assistant Grand Secretary-Treasurer, later called Executive Secretary, and was on hand to assist in the postwar expansion of the fraternity.

Jim lives close to The Central Office in Oxford, Ohio. Although residing here little over a year, he has found time to take part in community affairs.

## RAYMOND W. FLODIN, Executive Secretary

BEGINNING his second college year as Executive Secretary, Raymond W. Flodin could be called "the traveling salesman" for Delta Sigma Pi. By dividing the chapter visitation with Jim Thomson, he is called upon to sell the fraternity, act as troubleshooter, and find out in the field how the operations of the fraternity as a whole can best fit the needs of the undergraduates. He fits well into this job as he has been active in the fraternity since he was initiated into Alpha Omega Chapter at De Paul in Chicago in 1951. He held the office of senior vice-president in his chapter, and represented Delta Sigma Pi on the Interfraternity Council.

From 1952 through 1954 Brother Flodin was in Korea with the 7th and 40th Infantry Divisions and was assigned to an Engineer Combat Battalion with the rank of Staff Sergeant. After being discharged, he became a city reporter for the Chicago office of Dun and Bradstreet, joining the Central Office staff in April, 1956. In addition to his visitation program, Ray handles most of the corre-

### **J. HARRY FELTHAM,** Past Grand President

THE PAST TWO YEARS have been outstanding in the history of the fraternity, and this is a result of the devotion, service and leadership of J. Harry Feltham to the fraternity. A member of Chi Chapter since 1923, then located at the University of Maryland and now at Johns Hopkins, he has constantly served his fraternity from vice-president in his undergraduate days to Grand President in 1955. His many posts in the fraternity include: Member of the Executive Committee for the past four years, the Directorship of the Eastern Region, Chairman of the 17th Grand Chapter Congress held in Baltimore in 1949, and Chairman of the National Committee on Life Membership.

Brother Feltham is cashier, in charge of the accounting department, of Robert Garrett & Sons of Baltimore, a large investment firm, and serves on the board of several corporations in Baltimore and Pittsburgh. He has found time to be active in the Grand Jurors Association, Churchmen's Club, and the Cashiers Association of Baltimore.

A member of the vestry of St. John's Church in Huntingdon for over 15 years, a 32nd Degree Mason, and a member of the Boumi Shrine Temple, Harry is well known in the Baltimore area.

As Past Grand President, Harry Feltham will continue to be a member of the Grand Council and his presence again will be felt in the progress of the fraternity.

### **FRANKLIN A. TOBER,** Director-at-Large

RE-ELECTED Director-at-Large, Frank has served the fraternity in many ways since his initiation into Alpha Kappa Chapter at the University of Buffalo. Frank's record at college includes a B.S. degree in Business Administration; winner of the Delta Sigma Pi Scholarship Key; president of the Student Council; editorship and business manager of the student publication, "The Midnight Oil"; and the Dean's Gold Key two years in a row for outstanding student activity. This was achieved in the evening division, so that his days were filled with a full time position with the Remington Rand Corp.

Frank's present position is supervisor in charge of production standards methods, and engineering of the North Tonawanda plant of the Remington Rand Division of the Sperry Rand Corporation. He has served as director of the Buffalo Chapter of the National Association of Cost Accountants, is currently president of the Niagara Frontier Chapter of the National Association of Suggestion Systems, and executive vice-president of the Niagara Frontier Society of Industrial Engineers, and is a Commissioner for the Buffalo Area Council of the Boy Scouts of America.

Brother Tober is well known for his achievements in Delta Sigma Pi: as president of Alpha Kappa Chapter, he has been Chapter Advisor of Alpha Kappa Chapter for the past four years, a past District Director in the Eastern Region, chairman of the Active Chapter Committee of the Delta Sigma Pi Building Fund, Director at Large for the years 1955-57, chairman of the National Committee on

Life Membership, and a member of the National Committee on Alumni Activities, 1953-55.

### **WALTER A. BROWER,** Director of Business Education

OUR NEW DIRECTOR OF BUSINESS EDUCATION, Walter A. Brower, earned his undergraduate degree at Rider College, and his masters degree at Temple University, and is currently pursuing further graduate studies at Temple. He is presently an Assistant Professor of Business Education at Rider College.

Brother Brower has always possessed an interest in all fraternity activities since his initiation into the Beta Xi Chapter at Rider and now serves at its Faculty Advisor. He is the founder and first president of the Trenton Alumni Club, and has also been an officer of the Beta Xi House Corporation.

In addition to his fraternity interests, Brother Brower serves as President of the Eastern Regional Council of the United Business Education Association, and is a member of the Executive Board of the New Jersey Business Education Association. He is active in the Eastern Business Teachers Association, American Vocational Teachers Association, National Business Teachers Association, and he holds memberships in the American Association of University Professors, National Education Association, the Association for Higher Education, and the New Jersey Education Association. He is Chairman of the Education Committee of the Trenton Chapter of NOMA.

Brother Brower is a member of Lions International and he served as an Air Force officer during the Korean conflict

## **ROBERT O. HUGHES, Eastern Region**

THE DIRECTOR of the Eastern Region, Bob Hughes, is well known throughout the fraternity. This is his fourth year serving in this capacity. In his travel for the Radio Corporation of America, he has made Delta Sigma Pi a business all along the way, visiting chapters and alumni clubs. He is manager of all machine accounting methods and systems for the Radio Corporation of America and its subsidiaries.

Brother Hughes is a member of Beta Nu Chapter at the University of Pennsylvania and was initiated in 1941. He was called into the service that same year and did not return until 1947. Returning to Pennsylvania, he was appointed social chairman of the active chapter, and in 1948 he served as general chairman of the first Eastern Regional Meeting. Later associated with the Philadelphia Alumni Club, he was elected secretary and then president.

He lives with his wife, Arlene, and son Warren, in Rutledge, Pennsylvania, a suburb of Philadelphia.

## **MONROE M. LANDRETH, JR., Southeastern Region**

OUR NEW DIRECTOR of the Southeastern Region is Monroe Landreth, *Alpha Lambda-University of North Carolina*. He was appointed to fill the unexpired term of Homer T. Brewer. Monroe has held various offices in his undergraduate chapter, and has served the fraternity noticeably in these past few years as a District Director in the North Carolina, South Carolina, and Virginia areas. He

entered into his affiliation with Alpha Lambda in the fall of '46, after serving in the U. S. Navy at Miami, San Francisco, and Pearl Harbor. He was active in school affairs being chairman of the Student Audit Board, chairman of the Senior Ring Committee, Freshman counselor, and initiated into the top two honorary societies—the order of the Golden Fleece, and the order of the Holy Grail.

Brother Landreth is a member of the Purchasing Department staff in Charlotte, North Carolina of the Great Atlantic & Pacific Tea Company. His association with A & P began way back in 1928.

Monroe helped to organize the Charlotte Delta Sigma Pi Alumni Club and was its first president. He was born in Asheville, North Carolina and later moved to Charlotte where he now resides. Active in community affairs, he is a past president of the Bachelors Club.

## **ROBERT F. ANDREE, East Central Region**

ALTHOUGH he only became associated with Delta Sigma Pi in 1949, Bob Andree has attended five Grand Chapter Congresses and been on hand at seven Regional Meetings. This total in eight years shows the interest and service that Bob has shown in the fraternity, and is the reason he was elected to the Directorship of the East Central Region.

While attending Western Reserve, his Alma Mater, he was social chairman and president of Beta Tau Chapter. After graduating, he became connected with Copper & Brass Sales, Inc. in Cleveland, and has since become sales manager. This position means some traveling, and with it Bob has been exceptional in contacting

his many chapters in the East Central Region. The Cleveland Alumni Club also counts Bob as one of its presidents.

An ardent sailor, Bob spends his week ends sailing his cabin cruiser, but does not let it interfere with his association in the Rocky River Methodist Church, of which he is a teacher in the Church School, and serves on the Board of Stewards.

## **FRANK A. GERACI, Central Region**

FRANK A. GERACI became a member of the Grand Council in 1955, as Director of the Central Region. His interest, devotion, and untiring work with the men in his chapters have made him not only a guide and leader, but a friend of the members in all his chapters and alumni groups in his region.

A member of *Zeta-Northwestern*, Frank was initiated in October 1946, and served the chapter as treasurer and also house manager. Graduating in 1948, he became a member of the Chicago Alumni Club and served in all the major offices of the club including president.

He is currently auditor and assistant controller of the Electrical Engineers Equipment Company in Melrose Park, Illinois, where he has been working since his graduation. Active in the National Association of Cost Accountants, Frank has also found time to be in the men's choir of his church. He resides in Hillside, Illinois with his wife, Loretta, and daughter.

Central Region in 1955, V. Burt Waite, is a charter member of Gamma Delta Chapter. His undergraduate days at Mississippi State were interrupted by service in the Marine Corp, of which he became a Sergeant, and by a period of time when he worked for the Chicago and Southern Airlines. After graduating from Mississippi State, he became associated with the T. E. Lott and Company, Certified Public Accountants, in Columbus, Mississippi where he is a senior accountant.

While in school he was very active in Gamma Delta Chapter. He was president of the chapter and helped to take his chapter on to reach its first 100,000 points in the Chapter Efficiency Contest.

Active in community affairs, he has been president of the Lions Club, treasurer of the Junior Chamber of Commerce, a member of Kiwanis, V. F. W., and a 32nd degree Mason.

His wife Lorraine, a charter member of the Pink Poodles, and his daughter Barbara (nickname Pixie) and his favorite sports of hunting, golf, and fishing, take care of his spare time. Burt's ambition is to form a Delta Sigma Pi Alumni Club in the State of Mississippi.

**HENRY C. LUCAS,  
Midwestern Region**

A MEMBER of the Grand Council since 1948, when he was elected to fill a vacancy created by the resignation of Daniel C. Kilian, Henry has been re-elected as Director of the Midwestern Region at the 17th, 19th and 21st Grand Chapter Congresses.

He became a member of the fraternity at the University of Nebraska-Alpha Delta Chapter, and graduated from there receiving his B.S. Degree in Business Ad-

ministration.

Brother Lucas is known throughout the fraternity as the editor, publisher and distributor of the annual Directory of Graduates. This was first started in 1951, and has been an annual affair ever since. It has become a real help to the men seeking employment in various fields. As chairman of the National Committee on Alumni Placing Service, he has put this publication on top of the list for personnel men throughout the country.

A member of the firm, Mathur, Inc., in Omaha, Nebraska, Henry serves as auditor and office manager. His family share his interest in the fraternity and often have accompanied him to meetings and Grand Chapter Congresses.

**JOE M. HEFNER,  
Southwestern Region**

BROTHER JOE HEFNER is new to the office of Director of the Southwestern Region, but not new as a worker for the fraternity as he just completed a term as District Director in the Lubbock area. A native of Texas, he has been interested in the fraternity since he was initiated as a charter member of Beta Upsilon Chapter at Texas Tech in 1947.

Joe attended Texas Tech for a year and then entered the Naval Air Corp for a three year stint. He re-entered Texas Tech and graduated with a BBA in 1948. While attending school he had many honors as Student Council Representative, *Who's Who in American Colleges and Universities*, Alpha Phi Omega, and Senior Vice President of the Beta Upsilon Chapter.

Upon graduation, he accepted a position as agent with the Amicable Life Insurance Company of Waco, working

out of their Lubbock office. He is currently a special representative for Amicable Life Insurance Company, and holds memberships in many insurance associations such as Amicable Million Dollar Club.

Brother Hefner was instrumental in establishing the Lubbock Alumni Club along with ten other Deltasigs, and served as its president. Joe lives in Lubbock with his wife, daughter, and son, and holds memberships in St. Johns Methodist Church, Red Raider Club, and Hillcrest Country Club.

**D. H. CHANDLER,  
Inter-Mountain Region**

AFTER FILLING the unexpired term of Regional Director Harry Hickey in the Inter-Mountain Region, Jim Chandler was elected by the delegates of the Region at the 21st Grand Chapter Congress to carry on the office.

Brother Chandler was initiated at the University of New Mexico in 1949 as a Charter Member. He served his chapter in various capacities and held many positions in school organizations. In 1951 he was appointed a Province Officer of Delta Sigma Pi and assisted in the installation of Gamma Phi Chapter at Texas Western and Gamma Psi Chapter at the University of Arizona. His next post was that of District Director, under which he served jointly both the Western and Southwestern Regions.

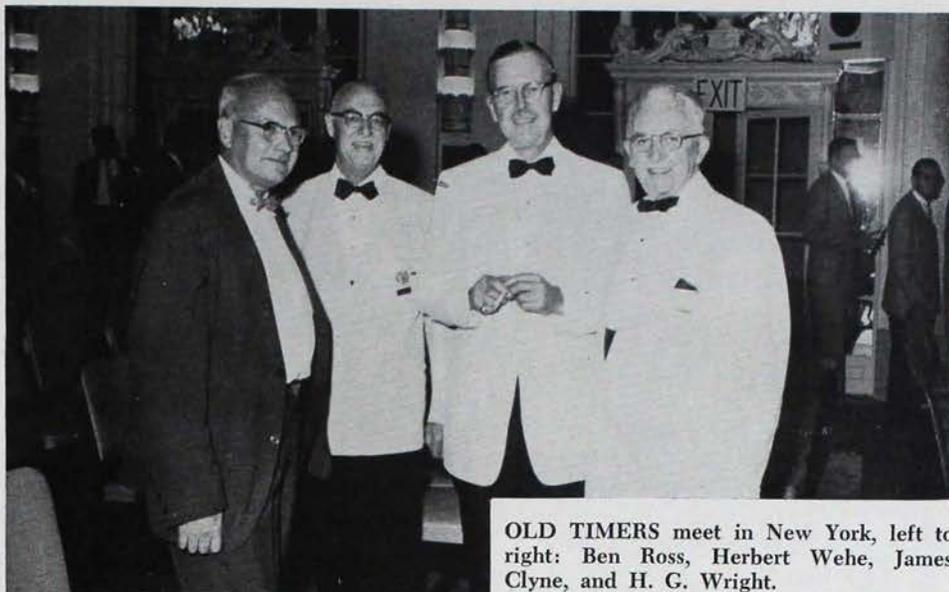

Responsible for the establishment of the Albuquerque Alumni Club, he has served both as vice-president and president.

Currently Brother Chandler is a sales representative for Burroughs Corporation in the Farmington, New Mexico area.

**BURELL C. JOHNSON,**  
Western Region

IN 1952, when Frank Brandes of San Francisco found it necessary to resign his Grand Council post, Burell C. Johnson was the outstanding choice to succeed him. Accordingly, he was elected as acting Director of the Western Region for this unexpired term. This year the delegates have elected him again to that post.

His activity with Delta Sigma Pi has been divided into two parts of the country. The first was his initiation into the fraternity while attending the University of Alabama, our Alpha Sigma Chapter. The second was his transfer to Southern California for his junior and senior years, from where he graduated. Making the West his home, he helped to reactivate Phi Chapter at the University of Southern California, reactivate Rho Chapter at California, helped at the installation of Gamma Xi Chapter at Santa Clara and Gamma Omega Chapter at Arizona State.

OLD TIMERS meet in New York, left to right: Ben Ross, Herbert Wehe, James Clyne, and H. G. Wright.

Brother Johnson is currently associated with the National Cylinder Gas Company of Los Angeles as its assistant manager of the Western Regional Office. His residence is in La Habra, California.

**DELTA SIGMA PI IS BORN**

*(Continued from page 12)*

Our next headache was what to name our fraternity in Greek Letters, but first we had to know in English what we wanted to say in Greek. We decided on the words that best expressed our ideals and a friend of Moysello translated them into Greek for us—Delta, Sigma, Pi, being the first letters of the words that conveyed these ideals.

At the September opening, we, the four founders, rented a small room in the neighborhood of the school and in a short time we had initiated a number of men from our class of 1909. They in turn approached the class of 1910 and from this class came such outstanding and enthusiastic brothers as Past Grand President Phil Warner, our own dear Billy Mann, Dr. Lee Galloway, our faculty member, and many others. As the Fraternity grew so did our meeting places from one room to a large house and we even managed to maintain a summer home. By that time we were enjoying a high social life including dances, dinners and boating parties. To these affairs I invited a certain young lady. She had such a good time at these functions, and wishing to continue them and for other minor reasons, consented to become Mrs. Jacobs. She is still enjoying that fraternity spirit as you can see.

I hope my little story has conveyed to you a better understanding of the founding of our Delta Sigma Pi Fraternity.

Thanks for listening and God Bless You.

# Delta Sigma Pi Dedicates Its New Central

## Office Building

The Central Office of  
Delta Sigma Pi  
330 South Campus Avenue  
Oxford, Ohio

DESPITE HEAVY SPRING RAINS The Central Office Building in Oxford, Ohio was appropriately dedicated on Saturday, May 18, with about a hundred fraternity, town and Miami University Officials on hand to witness the ceremonies. Plans had been made to hold the dedication on the steps and lawn in front of the new building, but a downpour, several minutes before the program was to begin, moved the throng into the Alumni Room in the building which proved to be most adequate.

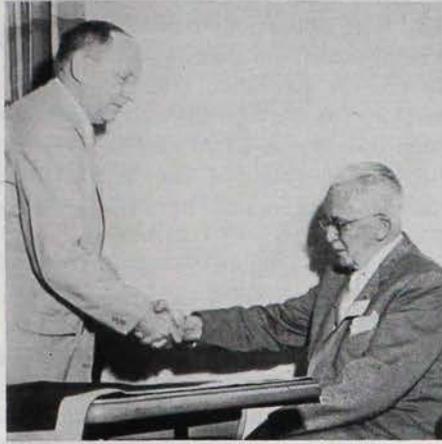

Reverend Howard Gebhart of Oxford opened the program with an invocation and later closed it with a benediction. Keppel O. Small, of Oxford, one of the two architects, presented the Building to Delta Sigma Pi with a few brief remarks relative to its design and the fine manner in which it augments the architectural motif of the Miami University campus of which it is a part. The Building was accepted on behalf of the fraternity by Executive Director J. D. Thomson who also acknowledged the wonderful cooperation that had been afforded Delta Sigma Pi in Oxford, not only by the town officials and Miami University Administration, but also by the local merchants and tradesmen. In conclusion Jim Thomson introduced Grand President J. Harry Feltham of Baltimore, who formally dedicated The Central Office Building to Grand Secretary-Treasurer Emeritus H. G. Wright. He also presented H. G. Wright with a gold master key and fob

appropriately engraved for The Central Office Building. Brother Wright concluded the formal program by accepting the honor bestowed upon him with a few well chosen words. The guests were then invited to inspect the Building and return to the Alumni Room before departing, for refreshments which were served by The Central Office Staff.

Some of the fraternity dignitaries in attendance, in addition to those on the program, were: Past Grand Presidents John L. McKewen, Howard B. Johnson, and Robert G. Busse; Grand Council Members Robert F. Andree, Homer T. Brewer, Frank A. Geraci, E. Coulter Davies, and Franklin A. Tober; Past Grand Council Member Herbert Wehe;

H. G. WRIGHT, Grand Secretary-Treasurer Emeritus, acknowledges the dedication of The Central Office Building to him. Left to right: Reverend Howard Gebhart, Architect Keppel Small, and Grand President J. Harry Feltham look on.

and District Director Charles Schnabel. A Pink Poodle party was also held in conjunction with the dedication at Lillian Thomson's home with Pink Poodles Betty Feltham, Loretta Geraci, Ada Hales, Marie McKewen, Ruth Ramsen, Alice Wright and Mary Belle Wright in attendance.

Although the idea of Delta Sigma Pi having its own Central Office building was in existence for many years, little was done about it until 1949 when the late Allen L. Fowler, then Grand President persuaded the Grand Council to create a Central Office Building Reserve Fund for the eventual construction of

such a building. This Fund grew slowly with small appropriations being made each year from the general operations of the Fraternity. In 1954 the thought of a Central Office Building sprung to life when the Grand Council was seeking some suitable way to recognize H. G. Wright, who had served as Executive Director and administrator of The Central Office for some 30 years and who anticipated retiring in 1955. The decision was made in the summer of 1954 to proceed with the construction of a building after an investigation had proven that it was feasible and desirable. The next year was a busy one, with the creation of enabling legislation, the search for a suitable location, the campaign for funds, and the development of construction plans. By the fall of 1955 and the 20th Grand Chapter Congress all of the preliminary problems were solved, financing was well along, drawings completed, and bids received. It was then that the contracts were let and announcements were made to the effect that the new building would be dedicated to H. G. Wright, just designated as Delta Sigma Pi's Grand Secretary-Treasurer Emeritus. One year later The Central Office was moved from Chicago to its new quarters in Oxford. Just in time to appropriately mark the Fraternity's 50th year of existence. The \$95,000.00 building is truly a symbol of 50 years of growth and progress.

**EXECUTIVE DIRECTOR J. D. THOMSON** welcomes the guests and acknowledges the cooperation received from many people responsible for the new Central Office Building on the day of the dedication. **GRAND PRESIDENT J. HARRY FELTHAM** dedicates the new Central Office Building in May while Reverend **Gebhart** of Oxford looks on.

The new Central Office Building is located at 330 South Campus Avenue in Oxford directly across the street from the Miami University Campus. The building itself is of colonial brick and of modified Georgian design in keeping with the motif of Miami University structures. The grounds surrounding the building are expertly landscaped and consist of almost an acre in size. Entering the double colonial doors at the front and center of the building one is impressed by the paneled

foyer with its Colonial staircase and Williamsburg lighting fixtures. The left wing of the building houses the addressograph and records room, a mail and duplicating room, with a walk-in vault for jewelry and supplies, and a receiving and shipping platform on the back of the building. The hallway connecting these two rooms is flanked with supply and maintenance closets and the men's washroom. A ladies' lounge and washroom is situated in the exact center of the first floor easily ac-

cessible from all parts of the building. The right wing of the building contains a large general secretarial office and private offices for the Executive Director and Executive Secretary. Although there are three floors, it is interesting to note that the entire operation of The Central Office has been incorporated into the main floor of the building.

The colonial staircase to the second floor is an indication of what you will find there. Behind two stained cherry doors is the Founders' Room which serves as the Grand Council and Executive Committee meeting place as well as the Fraternity library and archives room. The room is of authentic Williamsburg design with all furnishings and appointments being reproductions from there. All of the paneling and cabinets are made of solid cherry wood and have a hand rubbed finish which gives this room a very rich appearance. This room is one of the outstanding features of The Central Office Building, and one that is hard to beat when it comes to design, furnishings and quality.

The balance of the second floor contains two guest rooms, finely furnished with colonial pieces, and bathroom and storage closet facilities.

THE FOYER of the new Central Office Building carries out the colonial motif of the entire structure.

UPPER LEFT—Founders' Room in the new Central Office Building serves as a Grand Council Meeting Room, Library and Archives Room. It is completely furnished with Williamsburg reproductions.

LOWER LEFT—Executive Director Jim Thomson's office has the same colonial furnishings that were purchased when The Central Office was established in Chicago in 1926.

Every square inch of space in the basement has likewise been put to good use. The largest part of it is devoted to a meeting room, which has a large colonial fireplace, lighting fixtures and other appointments which carry out the theme of the building. In conjunction with this meeting room are toilet facilities, a service kitchen and a large hallway with a separate outside entrance. This group of rooms provides complete facilities for meetings, and in addition to being used for fraternity functions it has been made available to the community and is used by various civic groups.

THIS BEAUTIFUL colonial staircase greets a visitor when he enters the front door. Jim Thomson and Ray Flodin pause at the bottom of it for a small conference.

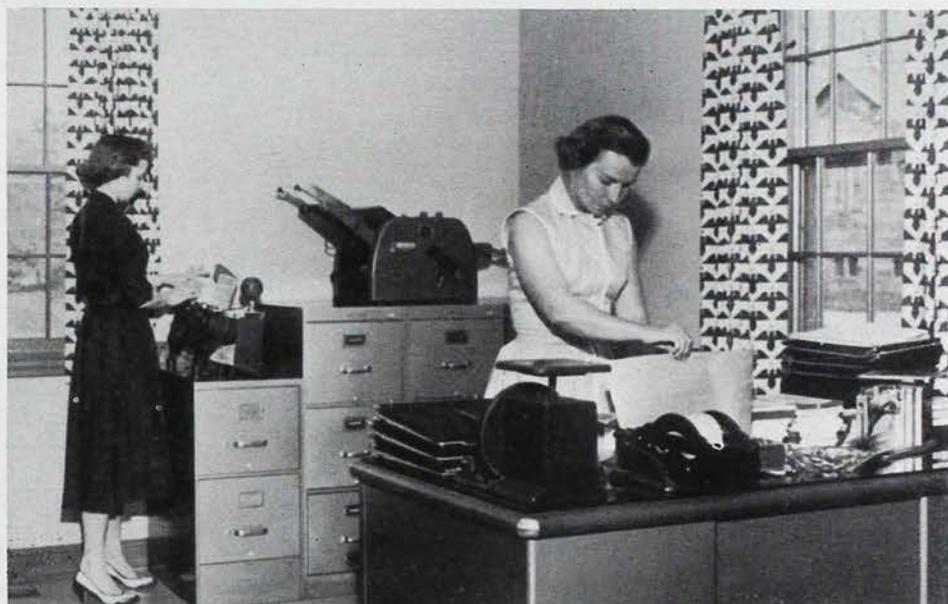

The balance of the basement consists of a maintenance and furnace room and a supply storage room with an outside entrance and ramp.

The building and grounds which are complete to the last detail provide Delta Sigma Pi with not only one of the most attractive national headquarters in the fraternity world, but also facilities that should make its Central Office operation one of the most efficient and economical.

THE ALUMNI ROOM of the new Central Office is sufficiently large to accommodate about a hundred people at a meeting.

## Frank H. Miller, Passes Away, Past Grand Secretary-Treasurer

FRANK H. MILLER, *Alpha-New York*, a past Grand Secretary-Treasurer in the early years of the fraternity, died suddenly at his home in Port Jefferson, Long Island. Always a loyal and interested Deltasig, Brother Miller was initiated

into Alpha Chapter in 1916, and later graduated from the School of Commerce of New York University. He was War Production Board Chief of the leather products branch, office of civilian requirements, during World War II, and treasurer of the Tanners Council of America. We were indeed sorry that Frank could not have been with us to celebrate our 50th Anniversary in New York.

## Deltasig Named Assistant to Dean of Evening College at Cincinnati

GAIL A. NELCAMP, *Alpha Theta-Cincinnati*, assumed his new duties on August 1, as the assistant to the dean of the University of Cincinnati Evening College. This announcement was made by Dean Frank R. Neuffer. A graduate of the University of Cincinnati, with a degree of bachelor of science in commerce, Brother Nelcamp had an outstanding record while attending school besides a full time job as assistant to the president of the Cincinnati Window Shade Company. His activities included president of the Evening College student council, president of Alpha Theta Chapter of Delta Sigma Pi, membership in Alpha Sigma Lambda and Delta Mu Delta, honor societies. This past year Gail led his chapter to the top in points, receiving 100,000 points in the Chapter Efficiency Contest.

## National Honor for Robert G. Pruitt

ROBERT G. PRUITT, *Kappa-Georgia State*, was elected national treasurer of the Benevolent and Protective Order of Elks this summer at their 1957 convention in San Francisco. Brother Pruitt holds the position of tax commissioner of the Southern Railway in Atlanta. It is probably a coincidence, but our Grand President, Homer T. Brewer, is Brother Pruitt's assistant. This makes two organization leaders for the Southern Railway.

Brother Pruitt became a member of Kappa Chapter in 1928 while it was on the Georgia Tech campus before business administration was discontinued there and our chapter transferred to what is now Georgia State. Through the years he has always maintained close ties with Delta Sigma Pi, although he has never held a national post.

## Paul M. Green Heads The A.A.C.S. of B. for 1958

PAUL M. GREEN, *Alpha Upsilon-Miami U.*, has been chosen the new president of The American Association of Collegiate Schools of Business. To lead this large group of business school executives, Brother Green has excelled in his field of endeavor since he was an undergraduate. He received a B.A. degree from Miami University, Oxford, Ohio in 1926, and took graduate training at the University of Illinois where he received his M.S. and Ph.D. degrees. In 1952 he was awarded an LL.D. by Miami University.

This outstanding Deltasig has been Dean of the College of Commerce and Business Administration at the University of Illinois since 1952. Starting as an assistant in accountancy, he later became instructor in accountancy, assistant professor of economics, professor of management, professor of business administration, and chairman of the Department of Economics.

Brother Green has had experience in government agencies, such as head research accountant of the FHA; controller and director of finance for the AEC, Washington, D.C.; controller, Mutual Security Administration; and assistant director of Price Stabilization.

While attending Miami University, he was awarded the first Delta Sigma Pi Scholarship Key. For civilian service during the war, he was given an award by the President of the United States.

Listed with Brother Green as an officer of The American Association of Collegiate Schools of Business, is Richard C. Reidenbach, a brother from *Alpha Chi*. He holds the position of Executive Secretary.

## Educational Foundation Holds Annual Meeting in New York

Coulter Davies, *Beta-Northwestern*, William M. Hales, *Beta-Northwestern*, and Herbert W. Wehe, *Lambda-Pittsburgh*, all with five year terms; Howard B. Johnson, *Kappa-Georgia*, John L. ## C. Rollin Niswonger Heads American Accounting Association

ON JANUARY 1, 1958, C. Rollin Niswonger will assume his office as President of the American Accounting Association, being elected to that office at the annual convention at the University of Wisconsin this past summer. Currently professor and chairman of the Department of Accounting at Miami University, Oxford, Ohio, Brother Niswonger is a charter member of Alpha Upsilon Chapter of Delta Sigma Pi.

He has been very active in his field as shown from his record of: member of Committee on Accounting Personnel, American Institute of Certified Public Accountants; chairman, Committee on Accounting Procedure, Ohio Society of Certified Public Accountants; member of Education Committee, Cincinnati Chapter of Controllers Institute of America; and a member of group of educator consultants to Comptroller General of the United States. # CHAPTERS

## The 1957 Chapter Efficiency Contest Was Mastered by 29 Chapters

THE END of the 1956-57 college year showed 29 chapters tied for first place in the Chapter Efficiency Contest with a total of 100,000 points. In addition to these 29 chapters, 17 other chapters scored 85,000 points or more to place on the Honor Roll a total of 46 chapters out of 86 that participated. To the president of each chapter

that tied for first place, a Life Membership in our fraternity has been awarded, while any brother who was a member of a chapter that made the Honor Roll will be able to purchase a Life Membership at a five dollar discount.

Kappa Chapter at Georgia State continues to hold first place in the number of times that they have scored 100,000 points, with this year making it the 21st time, while Beta Chapter at Northwestern (*Chicago*), and Alpha Beta Chapter at Missouri continue to be tied for second place, each having placed first 17 times.

The Chapter Efficiency Contest was established during the college year 1931-32, and since that time has definitely proven itself to be of a real value in increasing chapter interest, while also providing an adequate yardstick to measure a chapter's achievements. The Chapter Efficiency Contest is divided into five major divisions: Professional Activities, Scholarship, Membership, Finance, and Chapter Initiative and Administration. A maximum of 20,000 points is permitted in each division, thus a final standing of 100,000 points indicates a perfect record for the year's work. Points are awarded for the many various phases of chapter activities, such as: professional meetings, individual and chapter scholarship, pledge training, professional tours, chapter publicity, chapter newsletters, the proper handling of finances, collection of dues, payment of bills.
