PROFESSIONAL BUSINESS ADMINISTRATION FRATERNITY

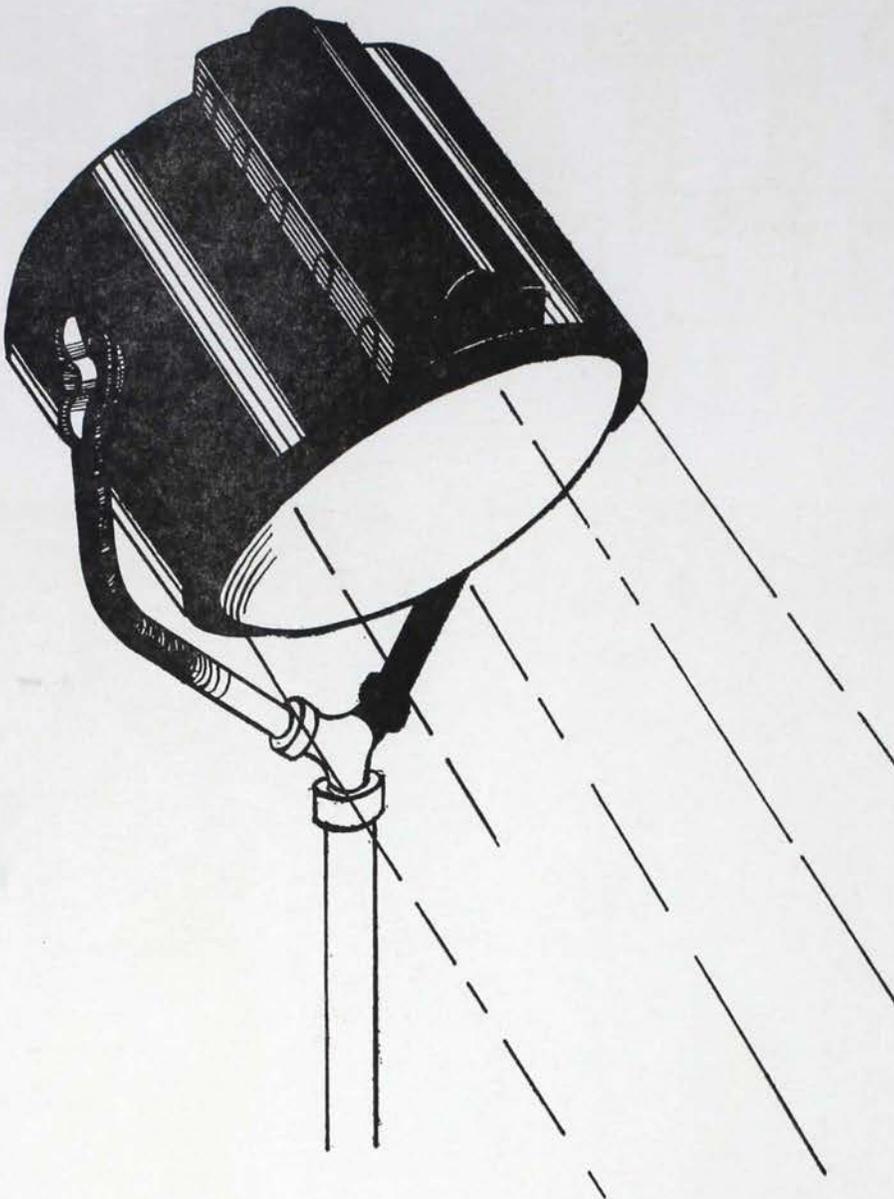

FOUNDED 1907

MARCH 1959

The International Fraternity of Delta Sigma Pi

*Professional Commerce and Business
Administration Fraternity*

Delta Sigma Pi was founded at New York University, School of Commerce, Accounts and Finance, on November 7, 1907, by Alexander F. Makay, Alfred Moysello, Harold V. Jacobs and H. Albert Tienken. Delta Sigma Pi is a professional fraternity organized to foster the study of business in universities; to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce; and to further a high standard of commercial ethics and culture, and the civic and commercial welfare of the community.

IN THE PROFESSIONAL SPOTLIGHT

OUR CHOICE for the Spotlight this issue is Gamma Upsilon Chapter at Babson Institute in Babson Park, Massachusetts. About to embark on one of its industrial tours are Brothers Hunter, Hunt, Jones, Tyson, Swirsky, Smith, Wales, Herr, Paluszka, Lapham and Swim. Since its installation in 1951, Gamma Upsilon Chapter has conducted a most extensive professional program.

HOMER T. BREWER
Kappa—Georgia State

IN RECENT YEARS I have found a meaningful phrase which I can use in describing many of our successful chapters, and that is "good citizen on the campus."

Chapters of Delta Sigma Pi ought to be good citizens, and most of them are. They take part in campus-wide projects of all kinds. They enter floats in Homecoming parades, they decorate their houses to welcome alumni. They support Blood-Bank campaigns, they give and solicit money for the Community Chest. They staff information booths at registration time, and they help with freshman orientation.

These good chapters encourage their members to join and support other organizations, and provide leadership where needed. Other chapters serve their campuses well professionally, by organizing and promoting a commerce day, career's day or a business machines exposition, and by opening

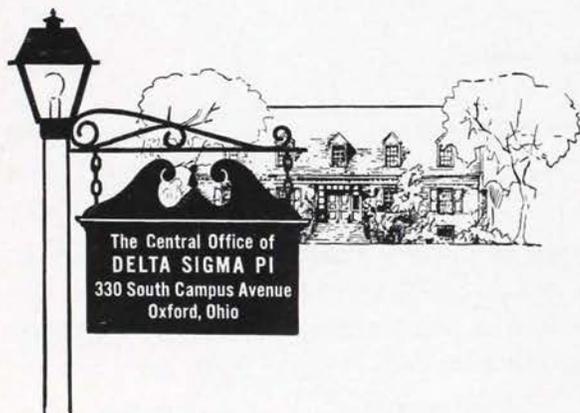

outstanding professional programs to the entire commerce student body.

Such chapters are recognizing their obligation to the institution which is their host, and they are fulfilling it well.

And these chapters are being good citizens on their campuses, so the individual Deltasig in the chapter is being a good citizen. He, the chapter, the university and the local community are that much better for it.

If your chapter is not doing its part for your alma mater, now is the time to begin. Read The DELTASIG newsletters for ideas. Write other chapter presidents for more details.

And be sure your chapter gets credit in the Chapter Efficiency Contest for this work. Special projects are worth points and recognition. Tell us about them!

AS WE WRITE THIS the activities of the first semester of the 1958-59 college year have drawn to a close. From our vantage point at The Central Office, we note added strength in our undergraduate chapters. Not only are they stronger in terms of number of members, but also in program and general campus acceptance. Thus far, this college year has the earmarks of being one of the greatest in Delta Sigma Pi's history. All of our activity at The Central Office in the months to come will be directed toward making this a reality.

Routine chapter visitation now being completed, we are turning toward special trips involving a chapter here and there

A Word from The Central Office

that needs a lift. In addition, much time is being devoted to preparations for the installation of several new chapters.

Also in the works are a couple of new chapter publications expected to be ready for distribution before the Fall semester begins. Although still several months away, during every spare moment we have from the other projects, just mentioned, we are polishing the silver and shining the brass in preparation for your visit to Oxford and The Central Office this August. The big event of the year, of course, will be the 22nd Grand Chapter Congress, which is the number one program on our calendar.—JIM THOMSON AND AL MACKINNON

Convention Caravans To Make Record Congress Attendance

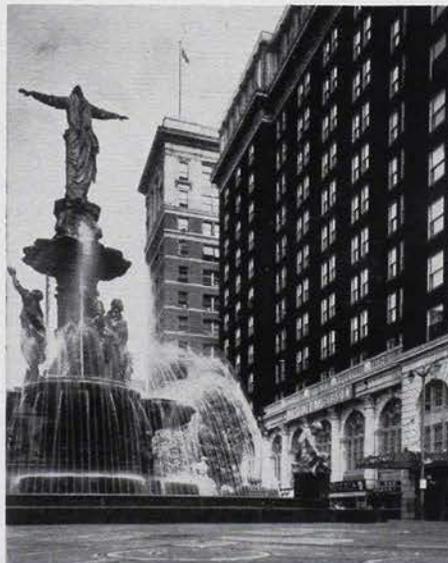

FROM ALL AROUND the country comes news of increasing interest and enthusiasm over the 22nd Grand Chapter Congress to be held on August 30 through September 2 of this year. The reason for this interest is not hard to find. Never before has a Grand Chapter Congress had more to offer than the approaching visit to Oxford and "Zincinnati."

A quick look at the map will show that southern Ohio is more than just the heart of our fraternity's activity. It is the heart of the nation as well. During its early years, Cincinnati acquired the nick-names of "Queen City of the West" and "Gateway to the South," names that have stayed with it through its growth to its present stature and importance. Equally appropriate would be the inclusion of the remaining points of the compass since, in its daily activities, Cincinnati serves as one of the major links with the Northern and Eastern states. But the geographic location of the city is important for more than its economic value to the nation. Of more significance to members of Delta Sigma Pi is the fact that more brothers than ever before will be able to attend our biennial convention. Whether a brother chooses to follow the airways, railways or highways, he will find that all roads lead to Cincinnati at a cost that is within the budget potential of all. The combination of a low transportation cost and minimum of travel time forecasts a more representative attendance than has been possible in the past.

Once arrived, visitors will find the doors to the midwest opened to them.

Long a convention minded city, Cincinnati serves as host to an excess of 80,000 conventionites a year, represented by over 150 conventions of varying size and duration. The Grand Chapter Congress committee has done its utmost to continue this tradition of hospitality and good cheer, with every detail being considered to assure visiting Deltasigs the finest convention they have attended.

Brothers and their wives are urged to plan a fall vacation around the Grand Chapter Congress and trip to Cincinnati and Oxford. What ever one seeks in a vacation, he will find most of it in the

THE SHERATON-GIBSON HOTEL, headquarters for the 22nd Grand Chapter Congress, awaits the delegates in Cincinnati.

middle-west. Often called a second Paris, Cincinnati has received national recognition for its outstanding restaurants and night life. Along famous Vine Street, atop its many hills, throughout the old time german "over the Rhine district" and in nearby northern Kentucky, visitors will enjoy food, drink and entertainment appealing to the most discerning connoisseur and carefree layman.

Culture and the arts also play an important part in the makeup of the area. Cincinnati's Art Museum, Flower Conservatory, Taft Museum, Music Hall, and abounding historical interests will tempt many to stay beyond their allotted time. Sporting enthusiasts can watch the Cincinnati Reds in action against the Dodgers or spend an afternoon at near-by River Downs race track. A must for the ladies will be a visit to the many fashion shops and department stores, all within a few short blocks of the hotel. Men and ladies alike will enjoy an afternoon at Coney Island or a brief side-trip to the Kentucky Blue Grass area and its attractions.

Uppermost in everyone's mind, of course, is the schedule of activities planned for members and their wives. Neither will be disappointed, as a full but well balanced program has been prepared for each. A brief review of the men's program was outlined in the last issue of The DELTASIG and will be covered in more detail in the next issue, along with a detailed schedule of events for the ladies. Highlights of both will be the Bavarian style get acquainted party on Sunday, a trip to see The Central Office in Oxford, and the Grand Presi-

THE STUDENT CENTER of Miami University in Oxford, Ohio is expecting to entertain both the men and women at a luncheon during the 22nd Grand Chapter Congress in August and September.

dent's Dinner and Grand Ball on the final evening. Both the ladies and men of Delta Sigma Pi will have the opportunity to tour The Central Office in Oxford, the campus of Miami University and the adjacent Formal Gardens. After the tour, however, the ladies will go their own way

for their Pink Poodle meeting and activities while the men turn to a stag party and the pleasant task of initiating new men to the ranks of the Yellow Dogs. Remember, any yellow dog who does not have his card must repeat the ceremony. It might be a good idea to check the loca-

tion of your card now.

Headquarters for the 22nd Grand Chapter Congress is the Sheraton Gibson Hotel located on Fountain Square in the heart of downtown Cincinnati. All reservations should be made directly with the hotel, using the form elsewhere in this issue of The DELTASIG. Arrangements have been made to supply all types of rooms ranging from singles and doubles to dormitory style rooms. It is requested that reservations be made as far in advance as possible to allow time for confirmation and to be sure that each man receives the type of room he wants.

Total registration fee for all events during the four day meeting has been set at a low of \$36.00 for the men. The Advance Registration fee of \$4.00 is applicable to the \$36.00 and makes a brother eligible to participate in the drawing for the Diamond Badge. Advance registration for the ladies is \$1.00. Brothers and wives are urged to send in their advance registrations promptly as it aids the committee in planning many of its activities. The official registration form is elsewhere in The DELTASIG and may be sent in even

ADVANCE REGISTRATION

Delta Sigma Pi—22nd Grand Chapter Congress

The Sheraton-Gibson Hotel—August 30, 31, September 1 and 2, 1959

Mr. A. T. Fogarty
Delta Sigma Pi
P.O. Box 1511
Cincinnati 1, Ohio

Dear Brother Fogarty:

I am planning on attending the 22nd Grand Congress of Delta Sigma Pi and will arrive in Cincinnati on
August at about A.M.—P.M. I have (made)—(not made) a room reservation at The Sheraton-Gibson Hotel.

My advance Registration Fee of \$4.00 (has been paid—My Card Number is) (is enclosed).

My Wife's Advance Registration Fee of \$1.00 (has been paid—Her Card Number is) (is enclosed).

I am a Delegate, Undergraduate, Alumnus, Life Member, Grand Council Member.

I have attended the previous Grand Chapter Congresses held in the following cities:

I would appreciate your securing a date for me for the Grand Presidents' banquet, The Grand Chapter Congress Ball
(The Ball will be a separate event following the Banquet.) Desired height and Age

Fraternally yours,

.....
Name Chapter
.....
Address City and State

Make all checks for Advance Registration payable to 22nd Grand Chapter Congress of Delta Sigma Pi, and send to Brother A. T. Fogarty at the above address.

though the hotel reservation is not made until a later date. Additional registration forms are available by writing to The Central Office.

At our 21st Grand Chapter Congress in New York, we celebrated our Golden Anniversary, recording Delta Sigma Pi as 50 years old. Our 22nd Grand Chapter Congress here in Cincinnati will start us on our next span of time. You will be surprised to find many members who have attended year after year. It is only through our national Congress that we ever get to see the real structure of our fraternity, and meet the men who have guided Delta Sigma Pi in the past, present, and the future. If this is your first opportunity to attend a Congress, be sure and not let this chance slip by.

Which chapter is going to win the Attendance Trophy? It's going to be a close race, but a race in which there are no losers. Only one chapter will take home a trophy, but every member in attendance will take home something far more valuable. For only at a Grand Chapter Congress does one fully appreciate the scope and magnitude of our fraternity. Only at a Grand Chapter Congress can a member fully appreciate the meaning of our ideals and goals. Only at a Grand Chapter

A POINT OF INTEREST for the Deltasigs attending the 22nd Grand Chapter Congress in Cincinnati this Fall will be the attractive University of Cincinnati Campus pictured here.

Congress do we usually have the chance to make so many new friends and renew old acquaintances.

The Convention caravans are forming. Make sure that you are included. The small expenditure of time and money that

it requires will pay dividends for years to come in your chapter, college, social and professional life. When next October rolls around and someone asks "Vas you Effer in Zinzinnati?" answer with an emphatic "yes, and I enjoyed it to the fullest."

All reservations will be confirmed. Without a confirmation you do not have a bonafide reservation.

Delta Sigma Pi Conducts

Sixteenth Biennial Survey

COMPLETED LAST FALL and published in the winter of 1958 was the Sixteenth Biennial Survey of Universities Offering an Organized Curriculum in Commerce and Business Administration. Over 6,000 copies of this Survey, which is reproduced in this issue of The DELTASIG, have already been distributed to leaders in business and education.

It is significant to note that 314 colleges and universities participated in the Sixteenth Survey. About a dozen more would have been included had their statistical reports arrived a few days earlier.

The first such Survey was conducted in 1928 and contained the statistics for 89 colleges and universities. The enrollment figures were included for the college years 1919-20 through 1927-28. The total enrollment of these 89 colleges and universities in 1919-20 college year was 36,456 or an average of 409 per college. In 1927-28 the total enrollment was 67,496 or an average of 758 per college. Today in the 1957-58 college year the total enrollment of the 314 participating colleges and universities was approximately (some colleges did not report exact enrollment figures) 268,907 in the undergraduate program alone, or an average of 855 per college. In addition another 28,000 were engaged in graduate study in commerce and business administration.

Our first Survey indicates that a total of 5,768 degrees were granted, both undergraduate and graduate, in the college year 1927-28. The Sixteenth Biennial Survey has a total of 39,237 degrees granted by undergraduate schools and 5,783 degrees granted in graduate schools.

Delta Sigma Pi is indeed grateful for the cooperation of the many colleges and universities that participated in the 1958 Biennial Survey and to the American Association of Collegiate Schools of Business who permits us to conduct this Survey among its membership. It is also gratifying to have received so many fine comments from those who have already been given copies of the Survey. We trust that you will, likewise, find it interesting and informative.

BEING CHOSEN to travel to New York and represent Delta Sigma Pi among the students at the 63rd Congress of American Industry of the National Association of Manufacturers will always be a highpoint in my college life. In brief, the entire meeting was most educational and enlightening, not to mention the privilege I had of associating with other college students from all over the country.

Upon arriving in New York City we were treated to a tour of the city by the Education Department of the NAM, which was our host at the meeting. The first taste of the meeting itself was given

gan. On the other two days of the meeting, several score of business leaders led panels on many different phases of commerce. One panel included talks by such men as General Carlos P. Romulo, Philippine Ambassador to the United States; Dr. Charles H. Malik, President of the United Nations General Assembly; and Dr. Jose A. Correa, Permanent Representative to the United Nations from Ecuador.

The big moment for the student guests came on the last morning when we were given an opportunity to quiz a panel of industrialists. The noted columnist, radio

The three day program was brought to a fitting conclusion at the Banquet where the Postmaster General of the United States, Arthur E. Summerfield, gave the principal address. All of us were indeed sorry that this was over, but it is probably just as well that it did end then, as our ability to assimilate much more at that time was, no doubt, nil.

I am indeed grateful to Delta Sigma Pi and the Education Department of the National Association of Manufacturers for the opportunity to attend this outstanding meeting. I wish everyone of the Beta Iota Chapter members at Baylor could have

Observations of Our Student Guest To NAM'S Congress of American Industry

us at a special breakfast of the Education Department at which we had an opportunity to learn of the purposes of the NAM from the top officers themselves. Surprising, was the fact that the NAM, although it is commonly thought of as big business, is composed almost entirely of small businesses throughout the country.

The first general session of the Congress began on Wednesday morning following our special breakfast and was held in the main ballroom of the Waldorf-Astoria Hotel. It was there that I met Grand President Brewer and Executive Director Thomson of Delta Sigma Pi who were also attending the Congress as guests of the Education Department of the NAM. The opening address of the Congress was made by the NAM President, Milton C. Lightner, in which he set the theme of the entire meeting and that was "American—Today and Tomorrow." This started the ball rolling and was the signal to bring on the most impressive array of leaders in business, education and government that I have ever seen. It was my privilege to hear, on the first day, such men as Paul C. Butler and Meade Alcorn, chairmen respectively of the Democratic and Republican Parties; and the Honorable John R. Dethmers, Chief Justice of the Supreme Court of Michi-

and TV announcer, Frank Blair, served as moderator of the most lively discussion period I have ever encountered. Much was to be learned from this very frank questioning of these top business executives. I must mention too, the opportunity we had the evening before, at the annual Education Department Banquet, to quiz a group of educators, who were likewise guests at the Congress. This too was most enlightening.

been with me, for that matter all of Delta Sigma Pi, as I feel I have a better knowledge of the American Free-Enterprise System and the problems it faces as a result of having been there. It is difficult to truly evaluate, at this moment, the extent of the benefits that I derived from this trip, but I am positive that it will always remain a high point of my college days. THOM R. POWERS, BETA IOTA CHAPTER AT BAYLOR UNIVERSITY.

AMONG THE STUDENT GUESTS, pictured here in a panel, is Tom Powers of Baylor University (top row, second from the right), who represented Delta Sigma Pi at the National Association of Manufacturers' 63rd Congress of American Industry held in New York City in December.

WITH THE ALUMNI THE WORLD OVER

ALUMNI CLUBS

Gamma Rho of Detroit

CHANGE in location of the monthly dinner meetings, was begun this year. It is hoped that this will encourage members who have to travel long distances to attend more meetings. All Deltasigs who are interested in the date and place of the coming meetings, may contact John F. Paul, 14910 Arlington, Allen Park 12, Michigan.

Trenton

THE TRENTON ALUMNI CLUB is in its fourth year of operation and has an active membership of 35 brothers. Activities so far this year list bi-monthly meetings at Brother Don Young and Don Ottaunick's restaurant, joining with the undergraduates in November for an informal dinner and dance, and attending as a group the Rider College Alumni Reunion. The greatest of preparations are being made for the 25th Anniversary of the founding of Beta Xi Chapter on the campus of Rider College.

Cincinnati

THE JANUARY MEETING of the Cincinnati Alumni Club was held on the 16th at the Finneytown Inn, Winton Road and North Bend in College Hill. Speaker for the evening was the new municipal court judge, William J. Keating, who spoke on "Business Law and the Courts." Advance warning is a picnic scheduled for Sunday, May 3.

Charlotte

THE MONTHLY January meeting of the Charlotte Alumni Club was held on Monday the 12th, at the Greenland Restaurant on South Boulevard, next door to the Dilworth Theatre. Speaker for the evening was Mr. Randy Babcock, president of Pelton & Crane and Central Piedmont Industries. Future plans include a Valentine Dinner Party with wives and dates.

Milwaukee

MONDAY NIGHT, January 19, was the time of the January meeting of the Milwaukee Alumni Club. Through the courtesy of Brother Milt Kassner of the Telephone Company, a drawing for a color telephone was held, with the winner having it installed in his home at no extra charge. This

message sent to the wives before the meeting, greatly enlarged the attendance.

Cleveland

JOHN G. ADDAMS, president of Cleveland Alumni Club, is pleased to announce a very well attended Annual Get-Together party in the fall and also he was pleased with the attendance of the brothers at the annual college alumni Holly Dance.

Life Members

The following have become Life Members of Delta Sigma Pi recently:

- 2362 Willard H. Bennett, Jr., *Gamma Sigma*, Maryland
- 2363 Frank J. Tysaka, *Alpha Omega*, De Paul
- 2364 P. Alistair MacKinnon, *Gamma Psi*, Arizona
- 2365 Vergil K. Butler, *Delta Theta*, Oklahoma City
- 2366 Howard G. Elam, *Lambda*, Pittsburgh

The Central Office Register

The following visitors to The Central Office recently are: ROBERT BAUER, *Beta-Northwestern*, Glenview, Ill.; MORLEY C. TOWNSEND, *Alpha Kappa Psi Grand President*, Kenmore, N.Y.; VERN C. JAQUISH, *Alpha Kappa Psi East-central District Councilor*, Detroit, Mich.; JOHN D. SPARKS, *Alpha Kappa Psi Secretary-Treasurer*, Indianapolis, Ind.; MARVIN C. KING, *Alpha Kappa Psi Assistant Secretary*, Indianapolis, Ind.; GLEN G. YANKEE, *Alpha Kappa Psi*, Oxford, Ohio; PAUL E. OHMART, *Alpha Kappa Psi*, Indianapolis, Ind.; MICHAEL E. GERWE, *Alpha Kappa Psi*, Indianapolis, Ind.; ROBERT A. AHRENS, *Beta Pi*, Cincinnati, Ohio; DARYL E. DOUGLASS, *Delta Iota*, Oxford, Ohio; DALE A. DOUGLAS, *Delta Iota*, Oxford, Ohio; JOSEPH P. DELAVIGNE, *Phi*, Cincinnati, Ohio.

Dividends

To Brother and Mrs. Carl C. Clarino, *Arizona State*, on December 16, 1958, a daughter, Barbara Ruth.

To Brother and Mrs. Wade B. Salisbury, *Rutgers*, on October 21, 1958, a son, William Porter.

To Brother and Mrs. James K. Phillips, *Tulsa*, on October 4, 1958, a daughter, Wendy Ley.

To Brother and Mrs. Kenneth R. Howes, *Missouri*, on November 8, 1958, twin sons, Kent and Kraig.

To Brother and Mrs. Alex Fierro, *Texas Western*, on May 5, 1958, a daughter, Annette.

To Brother and Mrs. Thomas G. Woody, Jr., *North Texas State*, on October 14, 1958, a daughter, Ava Lois.

To Brother and Mrs. Bill C. McAmis, *East Tennessee State*, on November 5, 1958, twins, Michael Bradford and Pamela Denise.

To Brother and Mrs. Paul P. Mulrenin, *U. of Maryland*, on July 30, 1958, a daughter, Kelly Ann.

To Brother and Mrs. Gerald Rourke, *Detroit*, on November 13, 1958, a daughter, Alicia McKendry.

To Brother and Mrs. Joseph F. Pelton, Jr., *Detroit*, on October 19, 1958, a daughter, Joanne Marie.

To Brother and Mrs. Norbert A. Ugorowski, *Detroit*, on November 11, 1958, a daughter, Cynthia Christine.

To Brother and Mrs. David Davenport, *Kent*, on October 1, 1958, a daughter, Cindy Joy.

To Brother and Mrs. Reed Willson, *Kent*, on May 13, 1958, a daughter, Patricia Ann.

To Brother and Mrs. William C. Cleworth, *Babson*, on March 26, 1958, a son, Christopher Wilson.

To Brother and Mrs. Ralph R. Wiwkowski, *U. of Wisconsin*, on September 3, 1958, a son, James Stanley.

To Brother and Mrs. Frederick Pajtas, *Michigan State*, on August 20, 1958, a daughter, Katherine Ann.

To Brother and Mrs. Frank J. Flynn, Jr., *Florida State*, on December 3, 1958, a son, Frank Joseph Flynn III.

To Brother and Mrs. Luther Emmett Taylor, *Alabama Poly.*, on December 13, 1958, LeAnna Kay.

To Brother and Mrs. Roger L. Bartels, *Penn State*, on July 12, 1958, a son, Mark Wentzler.

To Brother and Mrs. Ryland D. Phillips, *South Dakota*, on September 29, 1958, a son, Richard Scott.

To Brother and Mrs. John P. Dawson, *Missouri*, on April 6, 1958, twins, Christopher and Karen.

To Brother and Mrs. Morris H. Wyman, *U. of Michigan*, on October 7, 1958, a daughter, JoAnn Rebecca.

To Brother and Mrs. Harold Scott, *Memphis State*, on September 27, 1958, a son, Leonard Alan.

To Brother and Mrs. G. Herbert Wirth, Jr., *Temple*, on June 27, 1958, a son, Karl Erich.

To Brother and Mrs. Larry G. Goldsborough, *California*, on September 8, 1958, a daughter, Tisha Lea.

To Brother and Mrs. John F. Durkee, *Oklahoma State*, on March 23, 1958, a daughter, Elaine N.

To Brother and Mrs. John Y. Cummin, *Miami U.*, on September 8, 1958, a daughter, Cathleen Susan.

To Brother and Mrs. James H. Sova, *U. of Minnesota*, on November 15, 1958, a son, Alan James.

To Brother and Mrs. Ezra Lorber, *U. of Florida*, on April 4, 1958, a son, Isadore.

To Brother and Mrs. Robert B. Latousek, *Loyola-Chicago*, on April 13, 1958, a son, John Francis.

To Brother and Mrs. Charles P. Andorfer, *Loyola-Chicago*, on June 2, 1958, a son, Gary Philip.

To Brother and Mrs. Leonard L. Paul, *U. of Pennsylvania*, on November 23, 1958, a daughter, Lorraine Diane.

To Brother and Mrs. Tom Constantine, Jr., *Mississippi*, on September 13, 1958, a son, Tom Lambert III.

To Brother and Mrs. William A. Ross, *Western Reserve*, on June 24, 1958, a daughter, Theresa Catherine.

To Brother and Mrs. Walter J. Zebrowski, Jr., *Rider*, on November 30, 1958, a daughter, Cynthia Ann.

To Brother and Mrs. Robert E. Milstead, *U. of Texas*, on October 4, 1958, a son, Robert John.

To Brother and Mrs. Albert W. Arvidson, *New York*, on April 29, 1958, a son, William Albert.

To Brother and Mrs. Alphonse J. Noel, *Penn State*, on April 30, 1958, a daughter, Linda Ann.

To Brother and Mrs. Robert K. Platek, *Buffalo*, on June 21, 1958, a daughter, Judith Ann.

To Brother and Mrs. Miles C. Gerberding, *Indiana*, on June 1, 1958, a daughter, Karla Marie.

To Brother and Mrs. E. Glenn Robinson, *Ohio*, on October 7, 1958, a son, William Edward.

To Brother and Mrs. Michael E. Petrisin, *Rider*, on November 4, 1958, a son, Michael James.

To Brother and Mrs. David L. Paden, *Miami U.*, on October 9, 1958, a son, David Alton.

To Brother and Mrs. Roy T. Hawk, *U. of Tennessee*, on March 25, 1958, a son, Roy Thornton, Jr.

To Brother and Mrs. Graham Ernest Armstrong, *Detroit*, on July 30, 1958, a son, David Graham.

To Brother and Mrs. Harry M. Ferguson, *Mississippi State*, on March 20, 1958, a daughter, Nancy Felice.

To Brother and Mrs. Arnold W. Zimmerman, Jr., *Missouri*, on November 5, 1958, a daughter, Lynn.

To Brother and Mrs. William A. DiGleria, *Santa Clara*, on March 31, 1958, a daughter, Gina Teresa.

To Brother and Mrs. Wilbur C. Lewis, *Louisiana State*, on August 12, 1958, a son, Wilbur Cushman, Jr.

To Brother and Mrs. Robert C. Jacob, *Miami U.*, on July 30, 1958, a son, Brian Frederick.

To Brother and Mrs. James Burkett, *Detroit*, on December 19, 1958, a daughter, Ann Laurice.

To Brother and Mrs. Michael P. Sertich, *Georgia*, on August 8, 1958, a daughter, Geriann.

Triplets at Lamar Tech! Within one month three families received dividends, and as it was within such a short period of time, they decided to call them triplets—a daughter, Lauren, to Bob and Jackie Baker; a son, Pete, to Walter and Georgia Rusek; and a son, Philip David, to Bill and Wilma Winn.

Mergers

George H. Gates, Jr., *Tulsa*, on June 21, 1958, to Patricia Ann Burrell, at Pawhuska, Oklahoma.

Claude Jacobs, Jr., *St. Louis*, on October 19, 1958, to Geraldine Sinic, at St. Louis, Missouri.

Leo Kubisiak, *Wisconsin*, on November 29, 1958, to Margaret Ainsworth, at Wisconsin Rapids, Wisconsin.

Ronald K. Powell, *U. of Miami*, on October 24, 1958, to Helen T. Miller, at Baltimore, Maryland.

Caril F. Magdefrau, *Memphis State*, on June 28, 1958, to Marilyn Ann Boeth, at Pensacola, Florida.

Gordon R. Toedman, *Kansas*, on November 22, 1958, to Nancy C. Owsley, at Topeka, Kansas.

Glen McGeady, *Maryland*, on November 15, 1958, to Nancy Weitzel, at Severna Park, Maryland.

David C. Roberts, *Wisconsin*, on January 3, 1959, to Gail Hammer, at Colfax, Wisconsin.

Joseph J. Gernoske, *Wisconsin*, on January 17, 1959, to Carol Ann Conway, at Madison, Wisconsin.

Gerald P. Blazkowski, *Detroit*, on June 28, 1958, to Dolores A. Chauvin, at Stoney Pointe, Ontario, Canada.

John Magazine, *Kent*, on August 30, 1958, to Kay McGinnis, at Cleveland, Ohio.

Fernando Hernandez, *Babson*, on November 29, 1958, to Gloria Marselle, at Guatemala City, Guatemala.

Howard E. Boehmer, *Wayne*, on August 23, 1958, to Barbara J. Towns, at Detroit, Michigan.

Thomas L. Teague, *Wake Forest*, on June 14, 1958, to Edith M. Conrad, at North Carolina.

Benedict T. Maltagliati, *Georgetown*, on September 27, 1958, to Gloria F. Ambrogio, at Washington, D.C.

Don E. Sherwood, *Tennessee*, on August 22, 1958 to Patricia M. Grubbs, at Maryville, Tennessee.

Bobby S. Hall, *Mississippi State*, on November 1, 1958, to Jane Breedlove, at Jackson, Mississippi.

Larry J. Cook, *Tulane*, on November 22, 1958, to Helen Cabaniss, at New Orleans, Louisiana.

Frank O. Watt, *Baylor*, on December 28, 1958, to Gloria Wenzel, at Chicago, Illinois.

Donald U. Beimdiek, *Northwestern-Zeta*, on June 7, 1958, to Carolyn Anderson, at St. Louis, Missouri.

Lloyd J. Donnel, *Temple*, on October 18, 1958, to Sally D. Paul, at Upper Darby, Pennsylvania.

Leonard Brooks, Jr., *Babson*, on May 31, 1958, to Katherine M. Kozonek, at Dunkirk, New York.

Billy J. Wright, *Texas Tech.*, on December 27, 1958, to Mahala Larason, at Oklahoma City, Oklahoma.

Michael R. Riggs, *Detroit*, on November 15, 1958, to Nancy Emig, at Detroit, Michigan.

John A. Weber, *Detroit*, on November 8, 1958, to Joan Helen Exchrich, at Detroit, Michigan.

Robert G. Fisher, *Detroit*, on October 11, 1958, to Gertrude M. Torzowski, at Grosse Pointe, Michigan.

Personal Mention

Alpha—New York

THOMAS M. MULLERY, was recently promoted to manager of management services in the western department of The Fund Insurance Company, in Chicago, Illinois.

Beta—Northwestern

RICHARD H. KROHN, has just become associated with J. Leslie Hansen and Son of Phoenix, Arizona, as an appraiser.

FRANKLIN R. LACY, JR., is the new president of the Lacy-Dane Corporation, makers of a hot chocolate dispenser, located on Central Avenue in Chicago, Illinois.

Delta—Marquette

RODERICK LANSER, the 1957-58 president of the Milwaukee Junior Chamber of Commerce, has been named winner of the Jaycees annual distinguished award. Brother Lanser is a salesman for the Accurate Sales Book Company in Milwaukee, Wisconsin.

Epsilon—Iowa

WILLIAM J. AMBRISCO is now employed as a salesman for the S. T. Morrison Agency in Iowa City, Iowa.

Pi—Georgia

JOHN A. McMANUA, JR., is now serving as traffic supervisor of the Southern Bell Telephone and Telegraph Company in Columbia, South Carolina.

GEORGE R. GREENE, now serving on active duty in the Medical Services Corps of the United States Air Force, is stationed at Gunter Air Force Base, Alabama.

JAMES E. GREENE, JR., holds the position of Director of Counseling at the Georgia State College of Business Administration in Atlanta, Georgia.

Rho—California

WALTER S. NORDQUIST, JR., became a research meteorologist this past fall at White Sands Missile Range, New Mexico.

Psi—Wisconsin

MERLYN C. RUE, has recently been named an assistant controller of Johnson and Johnson, located in New Brunswick, N. J. Previous to joining Johnson and Johnson, Brother Rue was an assistant controller with The Northwestern Mutual Life Insurance Company in Milwaukee, Wisconsin.

JACK L. BOHRICH, has been appointed district sales manager this past fall of Evinrude Motors in Milwaukee, Wisconsin.

EDMUND J. WARREN, has been promoted to state agent for the Royal-Globe Insurance Group in Chicago, Illinois.

NORMAN E. HARTUNG, was recently named assistant secretary of the Inland Steel Products Company of Milwaukee, Wisconsin.

Alpha Beta—Missouri

FRED M. KLEPPSATTEL, JR., a major in the USMC, is a comptroller at the Marine Corps Air Station in Quantico, Virginia.

Alpha Gamma—Penn State

J. WESLEY BERGEY, is working for the New York Life Insurance Company in New York City as a group representative.

FREDERICK H. BAUER, is the new comptroller-treasurer of Kent State University in Kent, Ohio. Before coming to Kent, Brother Bauer was business manager of State Teachers College, Slippery Rock, Pennsylvania.

NORMAN L. HEDDING, has just been named office manager of Mayer Body Corporation in Pittsburgh, Pa.

Alpha Epsilon—Minnesota

PAUL H. KEPPEL is the new owner of the Clarks Grove Hardware and Implement Company in Clarks Grove, Minnesota.

Alpha Kappa—Buffalo

ROBERT A. BOLLMAN, has been promoted to sales manager of the Buffalo Brake Beam Company in New York.

THADDEUS J. DULSKI, is a new congressman in Washington, D.C. His home is in Buffalo, New York.

WILLIAM C. RAPP, is with New York Telephone Company in Rochester, New York. He is the new traffic superintendent.

Alpha Mu—North Dakota

JOHN EDWARD KENNEY, has recently become a commercial instructor at Hazelton High School in Hazelton, North Dakota.

Alpha Nu—Denver

DAVID J. SCHELL, was promoted to administrative officer in charge of the U.S. Internal Revenue Service, located in Carlsbad, New Mexico.

CARROLL V. GALBREATH, is the new dean of students at Drake University in Des Moines, Iowa.

Alpha Xi—Virginia

LEE R. MORRISON, just returned from active duty in the U. S. Army and is now employed as an accountant for Stanton, Minter and Bruner, C.P.A.'s.

Alpha Pi—Indiana

GEORGE L. ALBEAN, has recently become an agent for the Equitable Life Insurance Company in Indianapolis, Indiana.

NORBERT L. SPROUSE, is the new president of the Vernco Corporation in Columbus, Indiana.

Alpha Sigma—Alabama

WARREN A. SEDBERRY, has recently been promoted to general agent for Pilot Life Insurance Company in Birmingham, Alabama.

CYRUS H. COLE, was promoted to accounting systems supervisor with Moore Business Forms, Inc. in Denton, Texas.

Alpha Upsilon—Miami U.

WILLIAM C. POSTEWAITE, is the publisher of the Gatlinburg Press and Sevier County News in Gatlinburg, Tennessee.

Alpha Phi—Mississippi

JOHN A. DECELL, is now serving on active duty in the Medical Services Corps of the United States Air Force.

Alpha Omega—De Paul

RICHARD A. BODE, has a new position with National Food Stores. He has the title of controller and is located in Detroit, Michigan.

RICHARD KUKLINSKI is the new co-ordinator of benefit plans for Union Tank Car Company in Chicago, Illinois.

Beta Gamma—South Carolina

PAUL A. SMITH, has been promoted to general manager of the Oliver Motor Company in Columbia, South Carolina.

Beta Omicron—Rutgers

JOHN H. SCHNAKENBERG, is a buyer for the University of California at Los Alamos Scientific Laboratory.

Beta Pi—Kent State

EDWIN DONALDSON has the new position of North Carolina Sales Representative with Rubbermaid Inc. of Wooster, Ohio.

Beta Omega—U of Miami

TED E. TSOUPRAKE has passed the Florida Bar Exam and is now a qualified attorney at law.

Beta Phi—Southern Methodist

MILTON ZAPATA has been promoted to executive vice president of the P.R. Home Appliances Corporation of San Juan, Puerto Rico. Brother Zapata is world vice president of the Junior Chamber of Commerce International.

Gamma Pi—Loyola, Chicago

THOMAS SPLIT has recently been promoted to contract manager of AFCO Inc. in Kansas City, Missouri.

Gamma Eta—Omaha

DONALD E. OLSON, has become associated with Olson Brothers, Inc. in Omaha, Nebraska.

Gamma Xi—Santa Clara

ROBERT K. RYLAND, a lieutenant in the U. S. Army Transportation Training Command, is the project officer for the giant overland train which has returned to the arctic area of Greenland in support of Arctic Operations.

CHAPTERS

GEORGIA

PI CHAPTER at the University of Georgia celebrated Founders' Day with an informal dance on November 22. The dance was a combination Founders' Day celebration and "Rose" Dance with over 135 people in attendance. This included 43 brothers, 22 pledges, and 3 professors and their wives and dates. Miss Carol Young was crowned "Rose of Deltasig" and Miss Joan Myers of Zeta Tau Alpha became the new sponsor. We hereby give fair warning to all other chapters that Miss Young will succeed Helen Craig, our last year's entrant, as National "Rose of Deltasig."

Our professional program will begin January 27, when Dr. William H. Harris will speak on "How to Sell Yourself." Plans now call for two professional meetings per month and tours of General Time Corporation and Westinghouse.

On January 11, Pi Chapter initiated 22 undergraduates and one Professor. Professor Ryan Mura is counselor to freshmen in the College of Business Administration and is a real asset to our chapter. We were very happy to have Brother Monroe M. Landreth, our Regional Director, visit with us and observe our formal initiation.

Plans for winter quarter rush have been made and we are looking forward to another pledge class as we have great plans for them. Their first project will be to redecorate our "Shack" which is used for week-end parties and pledge meetings.—JOHN B. FURSE

SAN FRANCISCO

AS USUAL the University of San Francisco hilltop is bubbling with activity and Gamma Omicron Chapter seems to be swept right along with this activity. A great Mardi Gras Carnival is in the making and will be held in USF's brand spanking new \$1,000,000 War Memorial Gymnasium. Gamma Omicron Chapter will play a major part in the celebration as the brothers will operate two carnival booths. Not only will the Mardi Gras festivities provide the brothers with much enjoyment but the operation of the booths will add substantially to Gamma Omicron Chapter's coffers.

In the realm of professional activities the chapter has visited a local lock manufacturing concern and held two professional dinner meetings. Applause for the success of these three functions goes to Brothers Chuck White and Bob Scott who always manage to come up with an interesting speaker for our dinners.

We have also flourished socially and have

MISS CAROL YOUNG, 1959 "Rose of Deltasig" of Pi Chapter at the University of Georgia, left, was presented at a recent dance by Chapter President Ronald McKinley and Sponsor Joan Myers.

under our belt a number of great parties including that unforgettable New Year's Eve gathering at the home of Brother Frank DeBenedetti. Again we must deal out some credit and this time it goes to our social chairman Brother Don Larson and our treasurer Brother Lorry Kopp.

As we glance at Brothers Frank Coughlin and Bill Schmitt we notice that they have a strange gleam in their eyes. The reason is that they are the senior vice-president and vice-president respectively and are at present conjuring up a number of activities for our future pledges.

It is difficult to note everything going on in Gamma Omicron Chapter in this small newsletter but one activity which we cannot pass over is the Western Regional Conference. Just because it's a little late doesn't mean that it won't be constructive and enjoyable. With Gamma Omicron Chapter sponsoring and the other chapters expressing enthusiasm it is sure to be a resounding success. San Francisco is recognized by all to be the leading convention city of the Pacific Coast and it stands ready to host the visiting Deltasigs in late February. Of course by the time this issue of The DELTASIG is released the convention will be history. The next copy will undoubtedly contain a report on the conference.—JIM DAL BON

CREIGHTON

BETA THETA CHAPTER is engaged now in ironing out all the preliminaries to the second annual "Business Week," which was initiated last year, primarily through the efforts of the Deltasigs here. The dates of the major activity will be February 24 and 25. On the 25th Beta Theta Chapter will have one of the regular dinners in the Creighton Student Center, and the speaker will be a nationally known figure.

At this time the Chapter is involved with making the arrangements with business firms in and around Omaha for the many displays which will adorn the Student Center during the week's festivities. We have as our headquarters, for this purpose, an office in one of the commerce buildings, which the chapter generously, and unassumingly offered to paint.

Last week, January 5, the chapter held its monthly dinner. Guests were Mr. Bernard J. Conway, faculty moderator of Beta Theta Chapter, Rev. Richard L. Porter, S.J., honorary member, and a host of four experts in the different phases of insurance from the Mutual Benefit Health and Accident Insurance Company of Omaha. The latter entertained the chapter with a very unique and interesting program regarding the insurance industry.

Brother Tribulato has informed me that we are right in there with the best of them in the Chapter Efficiency Contest. We all have high hopes of again hitting the top. The feeling in the chapter is "We will make 100,000, or break our necks trying."—MICHAEL A. ROSSITER

LOUISIANA STATE

BETA ZETA CHAPTER opened the second semester with an all out effort to improve its professional program. A committee has been appointed to reconstruct an improved professional program.

With due representation on the College of Commerce Student Council, Beta Zeta Chapter will sponsor one or more functions at LSU's annual "Commerce Day." Dean Ross will address the faculty and students on this important occasion at the LSU College of Commerce.

The Deltasigs here at LSU look forward to professional movies, a new vibrant professional program, and—to climax the school year—election of some fine new leaders to guide this most fortunate chapter.—J. C. KLOOR

SOME OF THE MEMBERS and faculty of Upsilon Chapter at the University of Illinois as pictured at their December initiation.

MISSISSIPPI SOUTHERN

GAMMA TAU CHAPTER looks forward to having its biggest and best year yet. After initiating 17 of the top men in the School of Commerce plans are now being made for an even greater program. A screening process has been established to secure a better balanced membership. It is expected that by this means that the chapter can continue to grow and prosper into the leader of the South Central Region. We are proud of our recent standing in the Chapter Efficiency Contest. Although we were ranked tenth we expect to continue upward to the 100,000 point mark. Everyone wants to see our chapter in the number one position at the end of the school year.

As the second quarter gets under way here at Mississippi Southern, the Gamma Tau Chapter moves forward professionally and socially too. Our Professional Committee is preparing an interesting schedule of speakers and field trips for the brothers. The speakers will be leaders of various fields and the trips are expected to cover a variety of industries. Socially several parties are expected to better acquaint the brothers and pledges and continue the success of our greatest year ever.

NEW MEXICO

GAMMA IOTA CHAPTER at the University of New Mexico elected new officers for the second semester. They are: President, Gerald Olson; Senior Vice-President, Berkely Beaver; Vice-President, Zack Meystedt; Secretary, Kenneth Bohlander; Treasurer, Everett Watt; and Historian, Paul McCollum.

The formal initiation for the fall semester was held December 6, 1958, at the local Hilton Hotel. We now have 16 new members in Gamma Iota Chapter. They are: Wendell Armstrong, Paul Beatty, Kenneth Beech, Kenneth Bohlander, Dick Chapman, Edward Clum, Kyle Duffie, Robert Goehring, John

Hammon, Zack Meystedt, Frank Nechero, James Radosevich, Stew Saul, Peter Townsend, Everett Watt, and Ralph Workman. Initiation activities included the annual dinner-dance which was presided over by Miss Suzy Medlan, our new "Rose" of Delta Sigma Pi. She is a freshman in the University College and was escorted by Brother Stew Saul. Miss Medlan's photograph and qualifications have been forwarded to The Central Office to be entered in the national competition.

One-half day of labor was contributed by both the pledges and the actives to the "Brick for a Boy" campaign conducted by St. Anthony's Orphanage here in Albuquerque for the purpose of raising funds with which new structures can be built as replacements for the present old buildings. This pledge project is in line with Gamma Iota Chapter's practice of aiding charitable organizations and youth institutions.

Professionally, Gamma Iota Chapter was addressed by Mr. Harry Vance of Tri-State Credit, on a subject of great interest to students of business. His subject was "Causes and Reasons for Bankruptcy of Small Businesses." Mr. Vance handles approximately 80% of all such claims in New Mexico. Also on tab for the professional program is Gene Pierce, past president of Gamma Iota Chapter, and now a successful insurance executive. His subject will be "Life Insurance As A Career."

Gamma Iota Chapter is well on its way to obtaining 100,000 points in the Chapter Efficiency Contest. With the extra effort put out by all the brothers, we are certain we will reach our goal.

Despite the fact that semester exams are on us once again, the new officers are busy planning committee appointments and professional activities to insure another successful semester for all the brothers here at the University of New Mexico.—ARTHUR L. PINO

TULANE

GAMMA MU CHAPTER concluded the fall rushing season on January 12, 1959 by successfully initiating 18 men. New brothers include: Henry Blake, Chris Bunger, Jerry Kraft, Omer Krubel, Jack Letillier, Dick Lippencott, Harry McArthur, Al McLain, Steve Nichols, Dave Painter, Chris Reuter, Alan Rosenblum, Dave Smith, Jim Smithers, Jerry Stahl, Lionel Sutton, Paul Yoder, James Parthemos.

The banquet immediately following the initiation at the Roosevelt Hotel was highlighted by the presentation of awards. Brother Charles Zammit was recognized for his outstanding fraternity service, and Brother Dave Smith was selected as the best pledge of the past semester. Mr. James Parthemos, the faculty initiate, was tapped as the guest speaker, and his talk was enjoyed by all.

The brothers at Gamma Mu Chapter started the holiday season by having a most successful Christmas party at the Tulane Alumni House. Plans are already underway for more social and professional activities. We are particularly preparing for our "Rose" Formal to be held later next semester.

Deltasigs who received recognition for being outstanding of campus by being selected to *Who's Who in American Universities* for the year 1958 are: Brothers Al Otto, Robert Cooper, Tom McCay, and Robert Metcalf.—RON FIORE

ILLINOIS

UPSILON CHAPTER at the University of Illinois held its fall initiation Sunday, December 7, 1958. A dinner followed the initiation at which R. A. Stipes of Champaign, Illinois a publisher and businessman was guest speaker. Sixteen undergraduate pledges were initiated along with six faculty members and two honorary members. The two honorary members are Provost and Vice President of the University of Illinois, Gordon Ray, and businessman R. A. Stipes.

Our professional meeting featured a "Dutch-Style" dinner followed by a professional program at which Mr. H. C. Korff was guest speaker. Mr. Korff is associated with the Certified Public Accounting firm of Touche, Niven, Bailey and Smart of Chicago. The entire chapter, accompanied by their wives and dates, were on hand and for good time.

At our recent election of officers Phil Brown was elected president. At the installation of officers Professor Walter McMahon formally took over as the new faculty advisor, replacing Associate Dean C. Clyde Jones.

The semester ended on a happy note as Upsilon Chapter held a party for the graduating seniors. At this time a tentative program for the spring semester including many social and professional events was approved by the chapter.—LEON C. REIVITZ

SANTA CLARA

GAMMA XI CHAPTER at the University of Santa Clara ended the fall semester with its second annual Orphan Christmas Party. All the brothers were present along with the wives of the business college faculty to make the party a great success. Forty-five orphan girls received toys, refreshments, played games arranged by Brother Roffoni, sang Christmas carols and watched numerous cartoons. Mr. Boitano, moderator of our chapter, portrayed Santa Claus and distributed the gifts to all the girls. Much of the success of the party must be attributed to Brother Erbst, an outstanding member of our last pledge class, who contacted and invited the orphans.

January 10, marks the date of our "Rose of Deltasig" Dance. The dance will be preceded by a champagne cocktail party at Mariani's Restaurant and Motel here in Santa Clara. The dinner dance will take place at the beautiful Almaden Country Club in San Jose. Music will be supplied by the renowned Soft Tones.

During the fall semester, we pledged 28 new members into our chapter. These new members are all very enthused about their entrance and are eager to contribute to our chapter efficiency and future possibilities. Recently we toured the Borden Milk Company in San Jose. The tour proved very interesting and enlightening. We received a cordial invitation to return anytime.—ARNOLD J. FINOCCHIO

WAYNE STATE

"GENTLEMEN, I PRESENT TO YOU your Rose of Deltasig!" With these words, President Gene Dimick introduced lively Erlene Rentz Gamma Theta Chapter's "Rose of Deltasig" for 1959. Erlene, a blond, blue-eyed freshman in the College of Liberal Arts, was selected by the chapter from ten finalists who were chosen in our campus-wide "Rose" Contest. Erlene will be officially crowned at our "Rose" Dance which is being held on March 21, in the Colonial Room of the Detroit-Leland Hotel.

At our New Years' Eve party we welcomed in 1959 with a roar! Next to the "Rose" Dance this is our biggest social function of the year. Thanks to Brother Karl Gmeiner this year's party was one of the most successful ever despite the treacherous weather that night.

At our last professional meeting of 1958 Mr. Leo Buffa and Mr. John Hall spoke to us about the work of the Lions Club. Thanks to these gentlemen we were able to learn many interesting things about this important service organization.

Brother John Brooks has been elected vice-commodore of the Wayne Sailing Club. In the process of sailing in regattas in various parts of the country, he has visited the chapters at Wisconsin and Northwestern. We are considering appointing him our official good will ambassador.

Eight men emerged victorious in the chap-

ter spring elections. They are: Miller Myers, president; Fred Schneider, senior vice-president; Don Cook, vice-president; John Brooks, treasurer; Tim Catalina, secretary; Benny Ditta, chancellor; Joe Hardoin, historian; and Mel Burke, social director.

Our two vice-presidents, and for that matter, all the men of the chapter have done a tremendous job on our rushing activities. We should, this semester, initiate a large and capable pledge class. From all points of view this semester should be another successful one for Gamma Theta Chapter.—MILLER C. MYERS

DRAKE

ALPHA IOTA CHAPTER at Drake University held its "Rose of Deltasig" dance at the Skyliner on February 21. The social committee under Brother Marcheschi had a wonderful evening planned as we dined and danced.

Our special professional meeting was held on February 4 and the pledge class is working towards being the best ever. But they will really have to work to reach the class of last fall.

The pledges last fall through a marketing research project earned the money to pay a large share of our expenses to go on a field trip which we took on March 5, 6, & 7, to Minneapolis where we learned many things about their industry and business.

Brother Mooty, pledge master of the fall class, because of the amount of time he put forth for his class, especially on this fund raising project, and because he was not able to go on our field trip since he graduated in January, was awarded the Deltasig special recognition ring from the chapter.

This class also did much of the work in organizing a Christmas party for the children of a school for the retarded. This party was held on December 21.—JOHN HINES

ARIZONA STATE

Attendance should pick up at our early morning breakfast meetings (6:30 A.M.) because we are inviting our "Rose of Deltasig" candidates to breakfast. The one lovely young lady representing Gamma Omega Chapter will present stiff competition in the inter-chapter contest. Miss Pat Tribbey of Mesa, Arizona was our "Rose of Deltasig" last year.

Brother Dick Fletcher is planning and hosting the senior farewell party for our nine brothers graduating in January. It will be a traditional beer mug-bull session in Dick's back yard. May they remain active Deltasigs throughout their careers.

Last year, we co-sponsored with the College of Business Administration a highly successful Career Day program. Besides the informative talks given by local business leaders, the students participating enjoyed the fast moving question and answer periods that followed the talks. Tentative plans have been formulated for this year and we hope to again head the steering committee.

Of paramount importance to us is our rushing and initiation this semester. Our belief, at Gamma Omega Chapter, is not to be known as an honor society but as a professional fraternity. As such, we do not seek as our brothers, the scholar or the athlete. We welcome the well-rounded, personable business student. It is coincidental that many of our brothers are Phi Kappa Phi's, Who's Who, Blue Key's, and "A" letterholders. About one-third of our brothers belong to social fraternities on campus. There are few fraternal or non-fraternal groups on campus that do not have a Deltasig as a member. About 20 such men will become brothers this March at Cudia City. About 70 actives and alumni will celebrate the occasion at the dinner-dance following the initiation.—ERNEST R. JEFFERIES

STAR OF TWO EVENTS was Louis Boitano, Chapter Advisor of Gamma Xi Chapter at the University of Santa Clara. In the left photo he is shown acting as Santa Claus at a Christmas Party which the chapter held for a number of orphan children. His next role was that of master of ceremonies when Gamma Xi Chapter presented its "Rose of Deltasig," Miss Barbara Ann Garbe, and her court.

OKLAHOMA

BETA EPSILON CHAPTER finished the year 1958 with its largest meeting in its history. The occasion was the installation of our new officers for the spring semester, and the meeting was in the form of an installation banquet for members, their wives or girlfriends, and faculty members. The banquet was attended by some 60 people, and for the first time in this writer's memory there were not enough chairs prearranged to accommodate all the guests. In addition to an excellent attendance by the undergraduate members, over 90% of the faculty, who are Deltasigs, were present.

The banquet was held in the ballroom of the Lockett Hotel in Norman, and the evening was highlighted by an interesting speech by Mr. Robert E. Lee, trust director of the 1st National Bank of Oklahoma City, on the effect of war on the Korean people.

Brother Wayne Merritt, our past president, installed the new officers in their positions for the spring semester. The new officers are: Stewart E. Myers, president; Stanley L. Hall, senior vice president; John Caffey, vice president; Donald L. Criswell, secretary; William L. Fentress, treasurer; and Alvin B. Richards, historian.

We were particularly gratified with the outcome of our chapter birthday party on December 4 in the lobby of the School of Business Administration. We served cake to all students and faculty who passed our booth in the lobby. Each piece was inscribed with our Greek letters, and the comments and publicity we received were wonderful.

The hard work put in by the members is beginning to provide results in the form of increased membership, attendance, publicity and recognition. We recently initiated the largest group of pledges in the history of our chapter, and the fraternity is rapidly being represented in every class in the School

of Business Administration. We now have faculty representation in every major subject taught and in all the minor subjects except one.

The coming semester looks like it will provide more advancement for Delta Sigma Pi, and the big project presently being undertaken is our "Rose of Delta Sigma Pi" contest. Our new officers have the plans all made and the competition is slated to start on January 20.

We feel that the fall semester has been a good one for our chapter, and that each semester coming will be better than the previous one.—WILLIAM J. NASSIF

TEXAS TECH

*"To heck with Dead week, drab and dreary some,
"Studying for exams is mighty wearisome."*

This seemed to be the theme Saturday, January 24, as the brothers of Beta Upsilon chapter celebrated the end of semester finals with a party for the graduating seniors. All of the brothers who had not left town for the between semester holiday came to the party, and plenty of games provided an enjoyable evening for all. Brother Dick Robinson made all the arrangements.

Active membership in the chapter rose to 48 with the initiation of 16 new members on December 19. At the initiation banquet, Dr. D. M. Wiggins, vice president of the Citizens National Bank, told the brothers to get a broad background in many varied fields before they enter the business world.

Careers Conference Chairman for the next two semesters is Reid Biggs, who was elected to this post at our January 5 meeting. Reid tells me that he has several good speakers in mind for the 1959 Conference.—FRANK CLOVER

BUFFALO

ALPHA KAPPA CHAPTER embarked on their fall program with a good old fellowship meeting on September 26, at the Wurzburger Hof in Buffalo. Although business was not on the agenda for the evening, we did manage to adopt a few new plans for the coming semester.

October was a busy month with two main projects involved. The first was the selection of prospective pledges followed by the Pledging Party held at the Buffalo Trap and Field Club on October 5. The following Sunday we accepted 12 pledges at our pledging ceremony.

Our practice in the past has been to participate in some civic project each year. On Sunday October 19, the members and pledges undertook the joint task of painting the interior of the Buffalo Association for the Blind building. This was one of the most enlightening projects ever undertaken by Alpha Kappa Chapter. We plan on making it a regular part of our fall and spring programs each year.

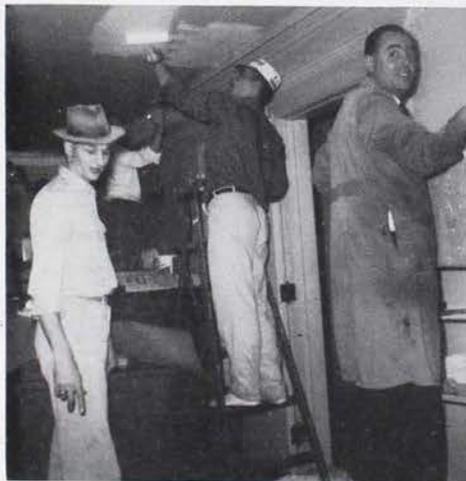

Our annual Founders' Day Dinner on November 8 was highlighted by the awarding of the scholarship key to E. Ross Blew. This is always a popular affair, and needless to say, it held to tradition.

We became well acquainted with our future brothers at the bowling party on November 16. There were many 300's; for three games that is.

The Buffalo Canoe Club again was the location for our Fall Initiation on November 22. We were proud to initiate the following new brothers into the chapter: Milton T. Batzenschlager, Gerald E. Boutin, Ward V. Fitch, William D. Foster, John G. Karrer, Howard J. LaMae, Russell E. Mueller, Theodore C. Thield, Charles J. Ulrich, Ronald C. Voisard, Edward M. Zacher, Edward J. D. Zobrest.

As the end of the first semester draws near, and the second semester fast approaching, the brothers of Alpha Kappa Chapter are looking forward to new undertakings, activities, fraternalship, and passing grades.—ELMER E. BURK

PLEDGE PROJECT of Alpha Kappa Chapter at Buffalo was to paint the various rooms in the Buffalo Association for the Blind Home. Pictured, left to right, in the three photos are: Bill Race, Art VanWagner, Al Bowling, Chapter President Jim Cooley, Milt Batzenschlager, Ron Voisard, Ed Zobrest, Ward Fitch, and Dave Foster.

OHIO U.

BY THE TIME you read this article, Alpha Omicron Chapter at Ohio University will have initiated the new brothers who have successfully completed their pledge training the first semester of the 58-59 school year. Initiation was held the afternoon of February 8, with an initiation banquet at the Sportsman that evening.

The initiation was handled by the new officers who took office late in January. We congratulate the outgoing officers who have done a fine job during the past year: Robert Wertz, president; Richard Schnelker, senior vice-president; Frank Waters, vice-president; Dave Larcomb, secretary; Chuck Ramseth, treasurer; Jack Iliff, historian; Forrest Dye and Carl Dill, social chairmen.

Another pledge class will be starting very soon. A rush party is being planned for early in the second semester. It is necessary that we acquire a large pledge class, because 24 of our brothers are graduating seniors. The enthusiasm shown for our rush parties in the past indicates to us that our chapter will be up to strength next fall.

Taking a look at our professional program, already trips and speakers have been scheduled for the spring semester. Early in the semester we are going to visit the Mead Corp. a leader in the paper industry located in Chillicothe, Ohio. Also a time is reserved for Mr. Fred Helm of the Firestone Tire and Rubber who will speak on the subject of Liberia. We heard several speakers during the fall semester, but due to bad weather we had to call off a tour of National Cash Register in Dayton, Ohio. Presently, we are trying to reschedule the tour, and we are in the process of scheduling others but for the most part no dates have been set.

For 24 brothers, this semester is the final roundup, and to these brothers, may we wish them every success in their careers ahead.—RONALD RIDGWAY

ITHACA

LAST DECEMBER Delta Lambda Chapter sponsored a float in the annual Christmas parade held by the Ithaca Chamber of Commerce. The float was built under the leadership of Brother Moreira for the Heart Fund, and stressed their slogan, *BUY USE XMAS SEALS*. The float was a success and received many favorable comments from the town's folk.

On December 14, we held our semi-annual initiation banquet at the Statler Club on Cornell University's campus. Over 100 brothers and their guests attended including our brothers from Alpha Kappa Chapter in Buffalo and Brother Tom Keane of Mu Chapter at Georgetown.

The speaker, Dr. John Harcourt, gave an interesting and thought provoking talk on the role of the businessman in society as seen through literature. Toastmaster Peffers closed the evening with a story that sent everyone home with a smile.—ALLAN BOWLBY

MISS BARBARA BECKER reigns this year as the "Rose of Deltasig" of Beta Omicron Chapter at Rutgers University. Brother Mancusi-Ungaro was her escort to the dance at which she was honored.

MARQUETTE

THE ADVENT of Delta Chapter's semesterly activities was brought about by the installation of the new officers; Jim McNamara-President, Tom Hinners-Exec. V.P., Ed Schommer-Senior V.P., Ed Neubecker-V.P.; while Bob Silah, Mike Whelan, Norb Niedzwiecki, Marv Berg, Jim Turzinski, Mike Pfau, Bill Stamper, Dave McDougall, and Dick Herdegen comprise the other officers.

The pledging program has the appearance of a Ringling Bros. roundup; sixty eager tigers were accepted as neophytes. Pledge Master Neubecker has sunk his fangs into them making them a well organized group.

Brother MacDougall's professional efforts have materialized into an extremely beneficial and informative business endeavor. A good portion of his professional program has been developed with the steel industry as its nucleus. The first introduction to the industry was through a series of films concerning the production, distribution, and marketing of steel and its related products. These films were followed by a first hand tour of the Allis Chalmers Mfg. Co., here in Milwaukee. Several other tours are to follow in a short time.

Socially this semester has been somewhat lessened by Lenten devotions. The Behind the Barn Party was once again the highlight of the early spring festivities. All the brothers are eagerly anticipating the dinner dance at the Chalet on the Lake.

Brother Silah's abilities have once again been shown as he directed Delta Chapter's

annual Post Prom Breakfast—that enjoyable all-university function featuring gourmets delights and gay entertainment.

Delta Chapter once again spectacularly shined in Varsity Varieties with their musical takeoff on MacBeth.

All of the brothers at Delta Chapter sincerely wish continued success for all of the other chapters of Delta Sigma Pi.—LAWRENCE F. WADDICK

RUTGERS—Beta Omicron

THE BETA OMICRON CHAPTER of Delta Sigma Pi closes its fall semester with a feeling of accomplishment. All that remains is the formal initiation.

This feeling is derived in part from a new activity. Prior to this year, the activities of Beta Omicron Chapter were excellent within the academic sphere. But, our relations with the community in which we live left much to be desired. Beta Omicron Chapter was infinitesimal when compared to other social organizations. We students had not the time, the finances, the over-all organization, or where-with-all to compete with the many other organizations dedicated to revitalizing the Newark metropolitan area.

This was changed when the local chapter of the Junior Chamber of Commerce extended to the Newark Colleges of Rutgers University the privilege of forming a collegiate affiliate. It is interesting to report that over 70 per cent of the new student associates are brothers of Beta Omicron chapter.

Our social program was climaxed with the Founders' Day Formal. At this Gala Ball we honored our outgoing Chapter Advisor, and welcomed the new. Brother Ben Summers said that he regretted that his work did not permit him to continue a job he likes so much. And Brother Howard Neu said he only hoped that he could continue where Brother Summers left off. It was indeed a time of mixed emotions; for both men are equally esteemed.

After this ceremony, the dean, representatives of the faculty, and members of the alumni chose the "Rose of Deltasig." This year's "Rose" was Barbara Becker of West Long Branch, New Jersey. Brother Mancusi-Ungaro was her escort. With all her loveliness and charm she tried to thank all present for the privilege and honor of being chosen "The Rose of Deltasig."

In closing, Beta Omicron Chapter again becomes the driving force behind the activities of the School of Business. Student elections of Business Club Officers finds the brothers of Beta Omicron Chapter in every important office. Since this was done by secret ballot, it dramatically points out that we are the recognized "doers" in the school.

We sincerely hope that the other chapters of Delta Sigma Pi have enjoyed as rewarding a term as we have had. And to them we extend our congratulations.—M. F. MANCUSI-UNGARO

UTAH

SIGMA CHAPTER at the University of Utah is anxiously anticipating the winter quarter after the carefree holidays. A full schedule of professional meetings is in the offing with a variety of speakers, tours and films filling every other week on the agenda.

The current discussions at our business meetings concern the festivities associated with the "Rose of Deltasig." Each women's sorority on campus will be asked to nominate a candidate for the queen eliminations banquet to be held on January 31. This should give us 10 beautiful coeds from which to choose. Two brothers from the chapter will escort each candidate to the banquet—and may the best man win when they each try to get a date with her for the "Rose Dance" to be held on February 21. Three of our new initiates, brothers Jim Littlefield, Harlow Lees and Walt Bickett, have been promised dates with the queen and her two attendants for being the outstanding members of their pledge class. Last year's queen, Carol Jean Douglas, will crown the new "Rose" at the February 21 dance.

Sigma Chapter is also planning a fun filled holiday in Las Vegas, Nevada this quarter. A "professional tour" of Las Vegas' principle business enterprises will be included in the trip.

It is our trust that the other chapters may enjoy the fine associations and fellowship that we have experienced here at Utah during the first quarter.—DAVID CREER

OMAHA

ON APRIL 23, 1949, just ten years ago Gamma Eta Chapter was installed at the University of Omaha. Since our humble beginning we have risen to the top spot among campus organizations. Birthday plans are being made to celebrate the event.

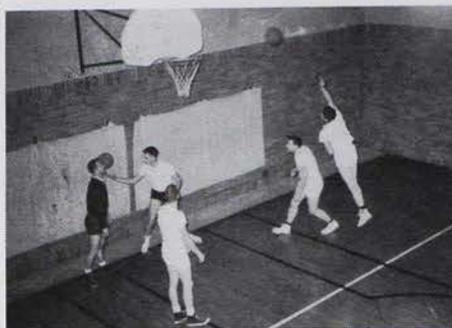

The "Rose of Deltasig" Dinner-Dance was a big success as predicted. Miss Carol Wallen of Alpha Xi Delta was our "Rose." The evening got underway promptly at 7:00 P.M. with steak dinners followed by a gay evening of dancing to the music of the Keynotes.

At our first January meeting we filled the offices of secretary and chancellor with Brothers Ronald Norman and Thomas Durick respectively. Brothers Jack Williams and Don Echtermier, former secretary and chancellor, graduated mid-year with five other brothers.

At least two more tours are being planned for this spring to complete a very thorough professional program. One of these will be in the headquarters of the Strategic Air Command located near Omaha.

Another attraction this spring is our bi-annual workshop entitled "How to Apply for and get a Job." Dick Hegarty is doing a fine job as chairman of the workshop.

With the halfway mark nearing in this year's bowling season, Delta Sigma Pi is slotted in fourth place amidst a cluster of six teams near the top of a 16 team league. This year Delta Sigma Pi is setting the pace for the introduction of bowling shirts into

VARIETY IS THE KEYNOTE at the University of Omaha and Gamma Eta Chapter there. Top: Gamma Eta Chapter's basketball team makes a few shots before game time with Norman Kueny, Larry Hansen, Dick Goldstein, John Hruska, and Phil Ullerich on the floor. Center: The "Rose of Deltasig" Dance was a highlight with Brothers Phil Ullerich, Harold Smith and Robert Hanen escorting three of the candidates to the affair; Bottom: The bowling team with new shirts awaits their turn. Pictured, left to right, are: Russell Blanchard, Les Edwards, Tom Durik, and Jack Williams.

the league. With black shirts and white lettering Delta Sigma Pi is the best looking team on the alleys.

The Deltasig basketball team is also scoring in new shirts. The jerseys are old gold with royal purple letters. Thus far, the team has shown great promise of winning the City League Championship.

Chapter Efficiency Contest Chairman Les Edwards reports that Gamma Eta Chapter should have little trouble attaining 100,000 points for the second straight year. President Goldstein, serving his second year as President, is wondering what he would do with two life-memberships.—GAYLORD E. MYER

DETROIT—Theta

THETA CHAPTER again showed its exquisite taste in feminine appreciation, selecting Miss Margaret Smith as their "Rose of 1959" at the enchanting Grosse Pointe War Memorial. Petite Margaret, a strong contender for national honors, is a 5' 1", dusty-brown haired, freshman at the University of Detroit. Congratulations, Margaret and gentlemen of Theta Chapter for your unequalled selection. Brother Roy Bowen's efforts in arranging the details of the tea made it a complete success. Well done, Roy!

The formal installation of 12 pledges was held at Huck's Redford Inn with the usual success. We extend our hands to these new members, knowing that the chapter cannot progress with men of this caliber at its base.

The efforts of Brother Carl Cyrowski and his able-bodied crew made New Year's Eve a memorable occasion for the brothers and the accompanying bevy of beautiful women. We are all looking forward to the next affair arranged by the "Proud Pole."

Congratulations go out to Brothers Ray Francis and Leo Clement, each of whom has planned to relinquish his bachelor status in the near future. Ray's fiancée is Miss Barbara Feehan, 1957 Homecoming Queen at the University of Detroit, and the Future Mrs. Leo Clement is Miss Karen Dwyer, Theta Chapter's "1958 Rose of Delta Sigma Pi." The Fraternity wishes them all the happiness in the world and many prospects for future membership.—MICHAEL R. CAVANAUGH

NORTHWESTERN—Zeta

ZETA CHAPTER of Northwestern University this year climaxed their initiation week with the annual "Rose Formal," a chapter tradition. The new initiates, brothers, alumni, and guests enjoyed the festivities of the night which included the crowning of our "Rose Queen" and her court. The queen and her court each received one dozen roses and a trophy as a remembrance of that night. Thanks to Brother DeGeus, our social calendar so far has been filled with a barn dance, pledge party, splash party, an informal, and two formal dances.

Our athletic chairman, Brother Kroeger, was successful in leading our football team to a second place standing in which we were defeated but once. The basketball team, sparked by Brothers Ruona and Smith, was again triumphant and Zeta Chapter was well pleased with its standing this season.

Scholastically, the active chapter and the pledge class teamed up to put the Deltasigs seventh on campus, competing with 28 other fraternities. At the same time, we were well pleased with the professional program headed by Brother Gould. At the first meeting, the Deltasigs and their guests enjoyed the discussion about our present tax system and its loopholes. This was a very interesting and worth-while subject and debates were still being heard during the serving of refreshments.—ADAM W. TALAREK

LAMAR

DELTA ETA CHAPTER had the honor of meeting our fraternity's Executive Secretary, Brother Al MacKinnon. On his tour of the Southwest region, Brother MacKinnon spent a day here in Beaumont, and was shown the college. The same night we held a meeting to hear Brother MacKinnon speak. We gained an insight on how The Central Office works, as well as inspiration to do a bigger, better job here at Lamar. We are more determined than ever to get more and better members. This would entail our lowering the 1.7 grade point average requirement. As it stands, we lack a few votes of having a majority in favor of a 1.5 grade average.

Delta Eta Chapter has applied to sponsor a speaker for the School of Business during Religious Education Week here on campus. We are also trying to think up a "brainstorm" idea of a special project for next semester which will do a lot of public good as well as gain publicity for Delta Sigma Pi.

New members put on the pledging committee are busy procuring prospective pledges for the new semester beginning February 5. We are proud of Kenneth Hankins, George Harvey, Ray Graham, Elvis Mason, and Bill Winn as they are presidents of various organizations here at Lamar. We only regret that we see very little of some of them. Speaking of presidents, Martha Sparks, "Rose" of Delta Eta Chapter, is president of the Delta Zeta sorority. Truett Smith joins Brothers Walter Rusek and Elvis Mason in Lamar Tech's Honor Society. Louis Morrison, January graduate, is sporting his Who's Who in American Colleges and Universities pin.

Delta Eta Chapter brothers are proud of each other and of all brothers everywhere, and think Delta Sigma Pi is the greatest thing that ever happened to them.—DON WILKINSON

MIAMI U.

ALPHA UPSILON CHAPTER at Miami University elected as the 1959 officers: President, Richard Lamb; Senior Vice-President, Donald Power; Vice-President, Roger Sayles; Treasurer, Floyd Patinkin; Corresponding Secretary, Donald Hoffman; Recording Secretary, Bill Papenbroch; and Historian, Hilton Peaster.

Following the election nine members were initiated into Delta Sigma Pi. At the conclusion of the ceremony the brothers adjourned to the University Center to attend the banquet honoring our new actives and our officers. The speaker, Jack Samuelson who is a local merchant, gave an informative talk on the positive and negative values of a small business in a small town.

At a later date, our "Rose of Deltasig," Miss Barbara Ogden, was the guest of honor at our Annual "Rose of Deltasig" Banquet. Professor Reid Bain of the sociology department of Miami University presented a fine speech on the Economic Problems of Marriage and concluded with a dedicatory poem to our own Miss Ogden. The brothers felt that it was a suitable tribute to the "Roses" of every Delta Sigma Pi Chapter and thus deserved public recognition in our national magazine.

THE ROSE OF DELTA SIGMA PI

As I sit by the fire, my heavy eyelids close
And I see the lovely scenes of days gone by,

I see the diamond dewdrops on the petals
of the Rose,
The red Rose, the dear Rose of Delta Sigma
Pi.

Chorus

Hail to the lady who never grows old!
Hail to her beauty that never shall die!
Hail to the Rose of the Purple and Gold,
The red Rose, the dear Rose of Delta Sigma
Pi!

I kissed her in the moonlight of Indian
summer haze,
Felt her warm heart beat, and heard her
gentle sigh—

So I sing forever her honor and her praise,
The red Rose, the sweet Rose of Delta Sigma
Pi!

Chorus

No matter where we wander, we Brothers
of the key,
We shall see her beauty, shining pure and
high,

The Crimson Rose of Deltasig on every land
and sea,
The red Rose, the dear Rose of Delta Sigma
Pi!

Chorus

Alpha Upsilon Chapter has many activities planned for the new year; field trips, lectures, and professional movies, along with the preparations for obtaining the new pledge class in February. We feel that these activities will be of advantage to our individual chapter and, by the same token, add to the prestige of our national, Delta Sigma Pi; the prestige they so richly deserve—
FLOYD E. PATINKIN

ALABAMA

ALPHA SIGMA CHAPTER at the University of Alabama highlighted its fall program schedule with a tour of the Army Missile Works at Redstone Arsenal, Huntsville, Alabama. The brothers who drove to Huntsville on Friday, November 21 were shown through the computer laboratory, missile assembly plant, and saw a missile static fired.

December 15 was a red letter day for the pledges of Alpha Sigma Chapter. On that afternoon 14 men were initiated into the brotherhood of Delta Sigma Pi in the student activity room of Bidgood Hall, our commerce building. The initiation was followed with a banquet for the new initiates, brothers, and their dates at the Hotel Stafford. We were very happy to have as our guests three Deltasigs from Mississippi State at that banquet.

Commerce Day is the big springtime event for commerce students at the University of Alabama. The date has been set for April 22. Deltasig will be in the forefront of all activities with brother Lawrence Harris as general chairman and Deltasigs heading many of the important committees.—JULIAN D. BUTLER

MISS BUNNY OGDEN, "Rose of Deltasig" of Alpha Upsilon Chapter at Miami University, was presented with a trophy and a bouquet of roses at a banquet in her honor. Floyd Patinkin of Alpha Upsilon Chapter is shown making the presentation.

MISSOURI

ALPHA BETA CHAPTER at the University of Missouri is again in number one position for the Chapter Efficiency Contest. Total points of 61,900 were reported on December 15, 1958. With the fine guidance of Brother Fred Everett, chapter advisor, and with the aid of our aggressive and hard-working actives we expect to maintain this lead.

Second semester activities began with the election of officers on January 15. Jim Peek was elected our new president and his staff includes Senior Vice-President, Don Harper; Vice-President, Harold Atkins; Secretary, Norbert Orf; Assistant Secretary, Howard Neff; Treasurer, Don Aubuchon; Chancellor, Don Best; Historian, Ronald Ohmes; Senior Guide, Wayne Ricketts; Junior Guide, Jack McCausland; and Ritual Chairman Ken Herbold. Retiring president Don Best has done an excellent job the past semester and we are looking forward to another successful semester under our new officers.

Mr. R. A. Young, manager of the Petroleum Division of MFA was guest speaker at the last professional meeting. He gave a fine talk on the organization of the MFA, with particular respect to the various divisions. A very interesting question and answer period was held immediately following his speech. We also have had a couple fine films on such topics as automation, salesmanship and other interesting topics. At the close of the semester we had a party in honor of the brothers which were graduating.

Great progress is being made in the construction of the new business administration building. Delta Sigma Pi is going to have its own office in the new building, which everyone is eagerly looking forward to.

Campaign planning is in progress for the Ideal Boss and Secretary to be elected during Business Week. Another victory is planned this year with Brother Steve Harlan as our candidate for Ideal Boss. The winners will be honored at the Bosses' Ball to be held at the end of Business Week.—RICHARD E. WOLFF

NEBRASKA

ALPHA DELTA CHAPTER closed another very successful semester with its traditional recognition dinner-dance at the Town and Country restaurant. Our guest speaker for the evening was Mr. William Quinn, supervisor of sales of Lincoln Telephone and Telegraph Co. I would like to take this opportunity in wishing the graduating seniors the best of luck in what ever they may choose. I'm sure that being members of Delta Sigma Pi has made them better men. I'm also sure that the gifts that the seniors received will be cherished by them for a long, long time.

This semester we initiated 27 men. We

ALPHA BETA CHAPTER at Missouri celebrated Christmas by holding a party for the Children at the University Hospital. The Deltasigs pictured here are, left to right: Chapter Advisor Fred Everett, Jim Bridges, Earl Teagarden, Howard Neff, Bill Benson, and Otis Brinkley.

started out the semester with 33 pledges, but we had to drop some for scholastic reasons. You see, we are second highest in scholastic average of all the men's organized and independent houses on the campus. We anticipate an even bigger pledge class this semester.

The "Rose" committee has been very busy these past couple of months. We have the "Rose" candidates down to the five finalists. The first meeting of the second semester we will choose our "Rose" Queen. Our "Rose" Formal will be held at the Cornhusker Hotel on April 4.

Ring out the Old, Bring in the New! As usual election of the new executive committee was held, and at the last official meeting of the semester it was sworn in. The new executive committee is as follows: President Dick Hanzel; Senior Vice-President Chuck Stork; Vice-President Jack (Puggy) Lang; Secretary Bill Halbur; Treasurer, Roger Eilers; Chancellor, Bob Harder; and Historian, Duane Batenhorst. Our new house manager for the second semester is Bill Cords. All I can say is that we are losing a good executive committee, but I'm sure that the new one will do as well. Good luck to the old and the best of luck to the new.

We didn't have the best intramural football team this past semester, but I can say this much, that those who did play gave it their all. As for the basketball team, the season isn't over yet, but the Deltasigs have a 500 average. But alas, we finally found a winner in our bowling team. At the close of the semester the bowling team is in first place in their division.

Well, you all, as Past President Reed would say, just as the semester came to an end so have I. Best of luck to all the grads, and *Arrivederci*.—JOHN J. DI BAISE

JOHNS HOPKINS

PAST GRAND PRESIDENT J. Harry Feltham and Executive Director Jim Thomson were guests of honor at the initiation ceremonies conducted by Chi Chapter on December 13, 1958. The Ritual was held at the Lord Baltimore Hotel and members of the Baltimore Alumni Club, our permanent ritual team, aided us in adding seven new Deltasigs to our rolls.

The following is an article, published by the Maryland Society For Mentally Retarded Children, Inc., pertaining to Chi Chapter's "HELP" week activities in Baltimore:

"The Searchlight Training Center, a school in Arlington which is sponsored by the Maryland Society for Mentally Retarded Children will benefit this week by an edict handed down from The Central Office of Delta Sigma Pi, International Fraternity.

Chi Chapter of the fraternity, at Johns Hopkins University, will provide the manpower on Saturday December 6th for a 'clean-up' day at the school's two story brick structure on Kennison Avenue. Mr. Carl Eisman, secretary of the chapter, and Mrs. Elizabeth Haynie, Director of the school have made plans to have these willing young men scrub shelves, wash windows and move equipment at the school.

Mr. Norbert Vasil, chapter president and Mr. Jack Mellon, vice-president in charge of pledge training are planning this as their contribution during 'Help' week which by national edict replaces the traditional pre-initiation hazing activities typical of college initiations in the past, known as 'Hell Week'. Chi Chapter of Delta Sigma has done this for the past four years."—J. W. DELANEY, JR.

AUBURN

BETA LAMBDA CHAPTER at Alabama Polytechnic Institute, located on the loveliest village of the plains, has just recently elected their "Rose of Delta Sigma Pi." She is Diane Richardson, a junior at Auburn. The other girls who were in the finals were Barbara Ellis and Robbie Lovvorn.

At our first business meeting a plan was set up to rush around 100 boys during this quarter. A rush smoker was planned for a later date to acquaint the pledges with the members and the members with the pledges. Mr. Ed Manning will be in charge of the pledge initiation.

The spring quarter pledge group of last year handed in their project this quarter. The project was to make a plaque upon which to place the clock our chapter gave to Tichenor, the business and commerce building. At the top of this plaque is carved the letters Delta Sigma Pi, and at the bottom is found the gold letters Beta Lambda Chapter.—FRED W. WILSON

NORTHWESTERN—Beta

BETA CHAPTER completed the year 1958 with an excellent group of social events, climaxed by the New Year's Eve party. This event, as usual, attracted a large group of brothers and their guests. Brothers Virgil Needham and Tony Fernandez deserve much thanks for the wonderful job they did in handling this affair.

Just prior to the holidays, Beta Chapter had its annual caroling party. On this evening all men and women students were invited to join us in singing carols for the patients at several of the hospitals in the area. After the caroling, all were invited to the chapter house for refreshments and also to help trim the chapter Christmas tree.

On the 13th of December, the pledge class

did a very noble job of entertaining at their "Pledge Party." The skit and the cuisine put forth by pledges was of the finest and enjoyed by all present.

On the athletic field Beta Chapter went down to the wire, only to lose the intramural football title in the final game. Arrangements are now being made for a basketball tournament, in which we are looking forward to greater success.

Plans are now being completed for our final initiation ceremony and the dinner and dance which will follow at the Shoreland Hotel on February 7. "Rose" Committee chairman Russ Bruzek is now preparing for the selection of the "Rose of Deltasig" of Beta Chapter, to be announced at the initiation banquet.—EGON G. ECKEL

DENVER

ALPHA NU CHAPTER started off the year with eight active members. We immediately started to build the chapter back to a respectable number. The chapter held two rush functions at our mountain lodge. Both rush functions were steak fries and were very successful. We were able to pledge 12 men this fall and had a very good pledge class.

During the fall quarter we had three professional speakers on the following subjects: advertising, labor relations, and sales. We had two parties at our mountain lodge. In October, we held a Halloween party with the customary games and decorations. After school was out we celebrated Christmas with a very good party. The chapter also celebrated our birthday and Founders' day by having a dinner with the Denver Alumni Club.

On January 11, we initiated seven of our pledges bringing the active membership up to 15. The chapter held one of the best initiations in the past few years. The alumni

present at the ceremony congratulated the members on their knowledge of the ritual.

The chapter started the winter quarter with a tour of the Allstate Insurance Company's branch office in Denver. We have three pledges at the present time and anticipate an additional six.—JOHN W. HAYEN

PENNSYLVANIA

THE INITIATION of eight brothers into Beta Nu Chapter on January 10, was the culmination of an exceedingly busy fall semester. A formal initiation party was held at President Dick Davies' home with his capable wife, Doris, once again serving as hostess.

At our Christmas party on December 13, we officially and unhappily said goodbye to chapter alumni advisor, Brother Frank Strong, who received a new assignment from his company and is now living in Dallas, Texas. As a token of remembrance, he was presented with a gold wrist watch. We will certainly miss Frank and his contribution to the chapter.

Plans for a repeat performance of last year's spring formal dinner-dance are being formulated with our "Rose" Queen being chosen from 14 lovely applicants.

On January 29, the brothers of the active chapter have been invited to attend the annual alumni dinner at the Llanarch Country Club. Beta Nu Chapter is indeed fortunate in having such a large active alumni group so close at hand.—PAUL W. FRIESE

LOYOLA—Chicago

THE CLIMAX of the first semester saw the addition of eight new brothers. These eight assets have raised Gamma Pi Chapter's active strength to 41. The Edgewater Beach Hotel was the scene of a highly successful initiation dinner-dance to welcome the new brothers. Ambitious plans for this semester's rushing program are now in progress.

City-wide attention was gained by Deltasig and by this chapter in particular through the picture coverage our "Rose" contest and dance received in all of the four major Chicago newspapers. The event itself was one of the most successful staged at Loyola this year and it was, as judged by our standards one of the best in our annual series. The lovely winner who now reigns as our "Rose" is Miss Rose Piraino.

We have been pleased to host two distinguished visitors during the year. In mid-January we were honored in having Jim Thomson, Executive Director, in attendance at our business meeting while prior to this Brother Earl Rix, past-president of the Chicago Alumni Club, spoke to us on opportunities in the real estate field for college graduates.

Through the work of Athletic Chairman Ron White and the participation of the brothers, we lead all other Loyola fraternities in Intramural points. A sweepstakes victory seems in the offing.—NICK MOTHERWAY

SOME OF THE DISTINGUISHED BROTHERS at a recent initiation of Upsilon Chapter at the University of Illinois pose for the camera. Left to right: Chapter President H. B. Haush, Dean Paul Green of the College of Commerce, Provost Gordon Ray of the University of Illinois, R. A. Stipes of Champaign, and Chapter Advisor W. W. McMahon.

LOUISIANA TECH

BETA PSI CHAPTER, as a result of previous rushing activities, pledged 14 prospective Deltasigs on November 13. These pledges, currently being tamed and trained by Brother Charles Farrar, managed to squeeze by the actives in the Pledge-Active basketball game held on December 19.

On Founders' Day, Mr. Jack Smith, president of Troy and Nichols Realty Co., spoke to us about the real estate business. The lively question and answer period which followed helped to make this one of our most interesting and informative professional meetings. Mr. Harry Bell of Bell & Rapier, Certified Public Accountants, spoke on "The Requirements for Entrance into the Field of Public Accounting" in another professional meeting held recently.

As part of its campaign to promote brotherhood and fellowship in the fraternity, Beta Psi Chapter held a Sunday morning breakfast for the actives and pledges. Afterwards, the Chapter attended the morning worship services of the Grace Methodist Church.

At the South Central regional convention held in Memphis, Beta Psi Chapter received the man-miles attendance award. Brothers Harold Bledsoe, Donald Craig, Jim Davison, Charles Farrar, Sonny Hardee, Sammy White, and Dan Wigley represented the chapter at the convention, and became "Yellow Dogs." Besides enjoying the fine fellowship at the convention, these Brothers brought home many good ideas and plans, and we hope to use these ideas to strengthen and better Beta Psi Chapter.—DAN L. WIGLEY

IOWA

EPSILON CHAPTER at the State University of Iowa, was honored with a visit from Mr. Broyer of the Iowa City Sears Roebuck and Company store. Mr. Broyer's talk consisted chiefly of the operations of his store and the Sears Roebuck Company in general. Everyone present seemed to agree that this was perhaps the most helpful talk we have ever had as far as planning ones' own career.

We here at the Epsilon Chapter are especially concerned with our up and coming pledging for the spring semester. Since we did not pledge any members last fall due to our large membership, a great effort shall be made to acquire good potential men since a large number of members will be graduating this spring. We have good pledge prospects this term since many of those who wanted to join last fall are wanting to try again this term along with new candidates.

In a few weeks our chapter will be picking the "Rose of Deltasig." Sororities and women's housing units have already been contacted for the selection of candidates. The "Rose" shall be picked the night of January 23, when a formal dinner and dance shall be held.—LARRY R. WICHMANN

DELTA MU CHAPTER'S first "Rose of Deltasig" at Mexico City College is lovely Esta Rauche, pictured here with a crown and corsage of roses and a trophy.

BABSON

GAMMA UPSILON CHAPTER at Babson Institute hired a bus for a field trip to the Sanborn Company, makers of medical and biophysical equipment, oscillographic instruments, and recorders for industrial research. Much interest was displayed in the question and answer period which followed the tour. President Hunter has planned many more interesting field trips for the remaining year.

Our first professional meeting was very informative on the subject of labor and management. Thomas P. McNalley, commissioner of mediation, was the guest speaker. He also serves as a member of the Federal Mediation and Conciliation Board, and served as an assistant under President Truman. The talk answered many of the questions and problems which faces labor and management, and how his position entails him with these problems. Also attending their first meeting were the seven new brothers that were initiated on December 5, 1958.

Gamma Upsilon Chapter is in first place of the interfraternity league as a result of winning the football championship. With the combined efforts of the fraternity, we hope we can win the trophy.

Plans are now being made for the winter weekend, the crowning of our queen, and the making of our float. Also plans are completed for a ski trip on January 31, 1959, for all brothers, their dates, and the new pledges that are now being rushed. We should have no trouble meeting our quota in the Chapter Efficiency Contest as long as the brothers continue to show participation and cooperation.—WILLARD E. HERN

MINNESOTA

ALPHA EPSILON CHAPTER at the University of Minnesota continues a full round of scheduled activities.

The social program during the fall quarter got off to a cold start. Cold in the sense that almost everyone turned out for a hayride with temperatures near the zero mark. All, however, had an opportunity to finish the evening in comfort at the chapter house with dancing and plenty of food. The social program will continue with a party "spectacular" planned by the pledge class.

The professional program again this year is directed toward having dinner guests of particular note from the field of commerce and industry. Tours have not been forgotten with another all-school program being planned. The active chapter will also make an outside professional tour.

Guests of particular note during the winter quarter were Dean Kozelka and Prof. Holloway of the School of Business Administration. Both are Deltasigs. They met with the chapter and explained the new curriculum at Minnesota for students in the commerce and business areas.

A work session with plenty of enthusiasm being displayed was also included among recent activities. Actives and pledges cooperated in cementing and finishing a basement room. The room will provide the additional space for recreation as the chapter grows.

If you are ever in the area, visit us at the chapter house. We are just off the campus at 1029 Southeast Fourth Street in Minneapolis. Meetings are every Monday night.—ROGER KLIETZ

CALIFORNIA

RHO CHAPTER at the University of California in Berkeley initiated 12 new members on November 14 and celebrated their initiation on November 15 with a banquet at Sabella's on San Francisco's Fisherman's Wharf. This was the outstanding social event of the semester, and we heartily thank Del Roy, social chairman, for planning a very enjoyable evening. The initiates were Charles Brown, Dave Cushway, Peter Donley, Donald Faries, Kenneth Garcia, Milton Goltz, Howard Hamilin, Eugene Oliver, Russell Prince, Al Robarts, Michael Russ, and Charles Weesner.

A total of 19 members of Rho Chapter journeyed to San Jose, California January 7 and spent the day inspecting the education, research, and production facilities of the IBM Corporation. The day was a complete success and thoroughly enjoyed by all who participated. Our thanks go to John Herzog, vice-president, who arranged this function. We were treated royally by IBM and were quite impressed with their fine facilities.

The IBM tour terminated the professional and social activities of the semester, and many thanks go to our fine executive committee for making this semester one of our most active and enjoyable semesters.—ROBERT S. FARIS

BAYLOR

BETA IOTA CHAPTER at Baylor is busy at this time preparing for the spring rush. This spring we plan to rush with the Men's Inter Club Council of which we are a member and helped to form several years ago. Heretofore, although we have been active in the MICC, we have had a separate rush. We believe this will be an asset to us in our rush program and will help us in selecting a very fine spring pledge class.

As in past years, our chapter is working on a production for the All University Sing. This is a program which always creates a lot of interest on our campus here at Baylor. A lot of time and talent have to be exerted for a good performance, and we are planning one of our best so far. Last year we won third place in the Sing.

The professional side of our program here has been very interesting and educational this year. Mr. H. Hart Nance, a Baylor graduate, part time professor in the Law School, and trust officer of the Citizens National Bank of Waco, spoke for one of our meetings. His subject, "Stocks and Bonds," provided some good information for our members. Dr. Ralph Parsons of our department of accounting is to speak for one of our professional meetings during rush. Also, an industrial tour to Dallas is planned for this spring.

Our intramural basketball team played some very good games in the pre-game league tournament, and we expect that they will be one of the leading contenders for the championship in league play.

An informal party and barbecue given for members, dates, and sponsors was a very enjoyable affair. Music for the dance was provided by records. Ridgewood Country Club will be the place of our "Red Rose"

BETA RHO CHAPTER activities included recently an initiation, a Christmas party, and a trip to the YM-YWHA with gifts for needy children. Left photo pictures the new initiates with their membership certificates. Left to right: President Gessner, Bob Blood, John Hoffman, Jim Ziemba, George Russo, Arnold Spedler, Leo Neggers, and Bill Halliday. Center photo finds Past Chapter President Haslestad, left inspecting chapter cake with Chapter President Gessner. Right photo pictures LaVozier LaMar, Executive Director of the Newark Southwest Branch of the YM-YWHA, left, thanking President Gessner of Beta Rho Chapter for the pile of gifts donated by the members.

Formal, and George Netherly's orchestra will furnish the music. Our sponsors and members of the university administration will be honored along with Miss Nancy Nail, "Rose of Deltasig" for this year.

We recently initiated our fall pledges into full brotherhood. This pledge class was very spirited, and we are proud of them.

Brother John O'Neal, a senior from Dallas, was elected president for the spring semester. Brother O'Neal is a Deltasig all the way, and we are sure of a very successful semester. Other officers now are: Tom Powers, John Fite, Richard Sale, Richard Hamon, Walter Gibson, Gary Dukes, and Jarred Sloan.—WALTER GIBSON

CINCINNATI

MEMBERS OF ALPHA THETA CHAPTER helped to make a merrier Christmas for about 40 children from foster homes in nearby Clermont County, at a party held on Christmas morning. Gifts were presented to the children by Brother Ron Meale as Santa Claus. Refreshments, all donated by local merchants were served. The happy faces of the children attending were enough to tell anyone that the party was a success.

The highlight of the social calendar, the "Rose" Dance, was held on February 27 at Hartwell Country Club. Eight young ladies vied for the title of "Rose of Deltasig." Social Chairman Howard Vollmer and his committee went all out to insure the success of the affair which will be long remembered by all attending.

New members who joined us at the December 7 formal initiation are: Lou Albiez, Lynn Arnold, Dick Calk, Jim Cook, Don Craig, Herb Meyer, Bernie Ratliff, Carl Rullman, Ron Schmid, and Ed Ward.

Our recent professional program has included a tour of the Rubel Baking Company, several excellent movies, and a speaker from the Committee on Decent Literature, a group currently making newspaper headlines in Cincinnati.

The second semester rushing program is well under way and a new group will be pledged on March 13.—ROBERT C. FISCHER

RIDER

BETA XI CHAPTER at Rider College enjoyed the New Year's Eve get-together at the chapter house. Brothers Jack Bowers and Len Accardi planned the very successful party which was attended by 45 brothers. The first business meeting of the new year was held on January 6, at which time final plans were announced for our Rush Dinner to be held on February 10.

December 15, was the date of the annual Poor Kiddies Christmas Party. Brother Dick Jensen did an excellent job of selecting gifts and entertainment for the 36 children who attended.

Brother Pete Solana has been named co-captain of the Rider Basketball Team. Thanks to the fine bowling of Brother Ed Godin, who is Deltasig's top scorer, our bowling team is currently one game out of first place. Since we have five starters returning to the softball team, we look forward to a good season on the diamond.

Brothers Ron Barksdale, Dick Jensen and Tony Majewski graduated in January.

Plans are in the final stages for the 25th Anniversary Weekend, on May 15, 16 and 17. Reports from co-chairmen Brothers Joe DeMilto and Bill Nice indicate that this will be the biggest celebration Beta Xi chapter has ever had.

Grand President Homer T. Brewer and Executive Director J. D. Thomson were welcomed by the Beta Xians on December 2. We enjoyed showing them our new campus, having them for dinner and a stag party in the evening.

At this writing rush season is rapidly drawing to a climax. We are striving for quality and quantity in our 1959 Pledge Class.—WILLIAM BODE

KENT STATE

THE BETA PI CHAPTER at Kent State University increased its active members last quarter by initiating nine upperclassmen who show ability and a desire of being good Deltasigs. Formal initiation was held on December 6, 1958, at the Vale Edge Restaurant in Ravenna, Ohio. The chapter is anticipating the addition of at least 15 or more pledges this winter quarter.

The professional activities of the chapter last quarter included two speakers and a field trip. Mr. McCullough from the department of marketing gave a talk on the topic "Seeking Jobs." On November 10, Mr. O'Conner, stockbroker of the F. I. DuPont Company, gave an interesting talk about stocks and the stock market. Speakers for the winter quarter include Mr. LeGrande of the department of marketing, an accounting speaker from the accounting firm Ernst and Ernst, and a speaker from the Standard Oil Company. Field trips to the Chrysler Plant in Twinsburg, Ohio, and to the Firestone Tire and Rubber Company in Akron, Ohio, were conducted during winter quarter. Also, on November 6, a chapter banquet was held at the Union Building on campus in honor of Founders' Day. An interesting and entertaining speech was given by Mr. Forzano of the athletic department.

Special project of the chapter last quarter was a sales campaign to obtain a set of cooking utensils for the house. The sales item was a pound can of black pepper. It proved to be a successful campaign. Another project this quarter is a building fund raffle for future improvements. Prizes for the win-

ners are a hi-fi record player and a clock radio. The Greek letters of the fraternity (*black letters three feet high*) were attached to the front of the house. They look very impressive against the white background. Also, a new 15 cubic foot refrigerator has been purchased for the kitchen.

The social calendar was filled with interesting events last quarter, and it will be just as exciting this quarter. Social affairs held were a hayride, weiner roast with Alpha Gamma Delta sorority, a Halloween costume party, open house after homecoming which was well represented by the alumni, and concluded with a cheerful Christmas party. Social events for this quarter included Pork Barrel, February 13 and 14, with all the brothers performing a dance skit representing different countries, the annual semi-formal dance held February 7 at the Twin Lakes Country Club which was the high point of the quarter, and the exciting Monte Carlo party which was held at the chapter house. Congratulations to all the brothers and especially to Brother Ray Fritinger, chapter social chairman, for the fine attendance and success of all fraternity social functions. In sports Beta Pi Chapter is currently in fourth place in all sports competition with 16 other fraternities. The football and volleyball teams were fairly successful, and the basketball and bowling teams are presently working toward a winning team. Good luck, brothers!

The brothers are looking forward to an exciting and busy quarter with many professional and social affairs scheduled on the fraternity calendar.—RICHARD G. HORN

SOUTHERN CALIFORNIA

PHI CHAPTER at the University of Southern California wishes to announce an all-out Pledge-Campaign-for-1959. Our goal has been set at a minimum of 20 pledges per semester. Under the leadership of Tom Berge, the above is only one part of the platform the new officers of Phi Chapter have incorporated.

Tom Berge's election as president was inevitable, after performing an outstanding job as social chairman last semester. Others elected to hold office were: Luther Wright, senior vice-president; Dick Clark, vice-president; Ron Higgins, secretary; Chuck Collins, chancellor; and Pat Kelly, treasurer.

Jack Corteway, an alumnus, helped schedule a fine tour of the Union Bank, located in Los Angeles at 8th and Hill Streets. The members who participated in the tour found it most interesting.

Socially, the spring semester will be limited to nine parties. The Champagne Party, one stag, three mixers, and four date parties make up the total.

There is much hope that Brother Bob Shore, whose academic standing is 3.8, will someday receive the Delta Sigma Pi Scholarship Key. This would bring great honor to Phi Chapter and we would be very proud of Bob.

A number of Phi Chapter members are graduating this coming June. We wish them and all other graduating members great success in the future.—LUTHER W. WRIGHT

PENN STATE

ALPHA GAMMA CHAPTER at Pennsylvania State University is now second in the Chapter Efficiency Contest with a total of 59,000 points. Alpha Beta Chapter is first with 61,900 points. We of Alpha Gamma Chapter are striving for another 100,000 points this year.

New ideas are what make an organization grow and we of Alpha Gamma Chapter are considering new and worthwhile projects for the School of Business Administration. In conjunction with this we are also contacting the professors in order that we might learn their views on these projects.

Our Fall Initiation Banquet was held at the Eutaw House where faculty and brothers heard Dr. John Ferguson, chief aid to Governor Leader, deliver an inspiring and informative speech on Job Opportunities in Government. Dr. Rocco Carzo, Jr. was initiated into our chapter. We are very proud to have Dr. Carzo as a member of Alpha Gamma Chapter and we are sure that he will be a definite asset to Delta Sigma Pi.

The School of Business Administration initiated a Career Day for Business Students and in just a few years it has grown to such an outstanding event that this year it will be an All-University Activity. Last year our Chapter President, J. Wesley Bergey, headed the insurance and finance section. This year the members of Alpha Gamma Chapter will be helping to make this a complete success.—HOWARD F. WOLFLEY

ALPHA ETA CHAPTER'S "Rose of Deltasig" and her court are gathered here. In the first row, left to right, are: "Rose" Mary Jo Winkel, Edith Austin, Norma Glazier and Sharon Hinsey. In the second row: Karn Kimball, Marilyn Kimball, Karla Gunderson and Jean Engel.

NORTH CAROLINA

ALPHA LAMBDA CHAPTER is pleased with its progress in the fall semester and we are confident that the new slate of officers for the spring semester will continue to lead us forward as they strive for new heights of excellence in performing their duties for Delta Sigma Pi. Before looking into the future it is sometimes helpful to look into the past and in so doing gain a new perspective for the future.

Our professional activities are one of the main purposes for which we exist. The fall semester program concluded with two dinner meetings at local restaurants with guest speakers from the business world. On December 3 the brothers heard Mr. George Dingeldein, personnel director of Burlington Industries in Greensboro, North Carolina, deliver a very enlightening speech on the career opportunities in the textile industry. On January 7 Mr. Thomas Alexander, Jr., vice-president, secretary and treasurer of State Capital Life Insurance Company in Raleigh, North Carolina, spoke to us about the capital structure and the investment policy of insurance firms. Our association with such men helps to instill in us a practical viewpoint of business subjects which, added to the academic approach gained in college, makes us better prepared to enter the business world when we graduate.

One of the big events of the fall semester was the "Rose of Deltasig" Banquet and Dance which is held each year to honor the newly-initiated brothers. The ballroom in which the function was held featured a festive Christmas decor. On this occasion the Outstanding Pledge Award was presented to Sam D. Hummel of Durham. The highlight of the dance was the crowning of the "Rose of Deltasig," Miss Katherine Davis a university co-ed from Pinehurst. It is memorable moments such as these that create a closer feeling of brotherhood.

These are only a few of the events that took place in the fall semester. One of the big tasks facing us this semester is spring rush. It is through the pledges that we replenish our chapter with the leadership potential necessary to live up to the precedents set by Alpha Lambda Chapter of Delta Sigma Pi.—DON L. MURPHY

MEXICO CITY

BY THE TIME the "Deltasig" is in the mail to our brothers throughout the world, the Delta Mu Chapter will be celebrating its first birthday. In this first year with Delta Sigma Pi, our chapter has not only won wide recognition and acceptance on campus, but throughout México. Thanks to the kind assistance of the many chapters and to the hard work of our members, we have grown and prospered. We would also like to thank Brother John McKewen, Past Grand President of the fraternity, Brother Walborn, a charter member of the Alpha Nu Chapter at Denver and the other brothers who have visited our chapter during the year.

HELP WEEK PROJECT of Delta Mu Chapter at Mexico City College was the clearing of ground for a new state mental hospital in Mexico City. Pledges Bruce Banks and Earl Parisau, left and right, are being given a lesson on how it is done by Vice President Ray Ball, center. The child is unidentified.

Looking back over the past year, we recall our initiation into the fraternity in March which was held in the Hotel Alfer. Following this was the "Rose of Deltasig" dance in May where vivacious Esta Rauche was elected to reign as our first "Rose."

The summer quarter was highlighted by the donation of a much needed bulletin board to the school and by the chapter's organization of and participation in a *Kremesse* which was well received by all. The *Kremesse*, which means an old German Church festival, was held on the terrace of the school cafeteria. Our chapter sponsored Bingo games, a wheel of fortune and hoop throws. During this quarter, work was also completed on a basketball court for a State Mental Hospital. Backboards, nets and the labor for clearing and leveling of the ground were supplied by the members.

During the vacation, the spotlight rests on Brother George Williams, whose attempted round-the-world flight in a single engine Mooney aircraft was followed by newspapers on every continent. Because of ice forming on the wings and unfavorable weather, he was forced to turn back and postpone the attempt.

The curtain came down, marking the end of the Summer vacation. Brothers from all over the world began their migration back to México to begin the fall quarter. On November 15, we enjoyed a wonderful dinner-dance at the American Club to commemorate Founders' Day. On December 19, a very heart warming Christmas party or *Posada* was given for 25 underprivileged children at the Escuela Libertad. The chapter furnished toys and a colorful *piñata*

filled with nuts, fruits and sugar cane. After the traditional breaking of the *piñata*, the children enjoyed ice cream, cookies and cake furnished by the México City College Wives' Club. The following day, the fall quarter was given a final send-off with a beautiful Christmas party.

During the Winter quarter, the Delta Mu Chapter expressed appreciation to Mr. Henry A. Shute by initiating him into the fraternity as this chapter's first honorary member. Mr. Shute aided in the preliminary work which resulted in the installation of our chapter. Also, he was a deciding influence in helping the chapter achieve its first milestone: being accepted as a member of the American Chamber of Commerce de México. Mr. Shute is a graduate of Kenyon College in Ohio and has done post-graduate work at the University of Havana and México City College. He served for four years in the U. S. Navy as an officer. After his discharge, he went on to a very successful and distinguished business career in the United States. He is now Manager of the American Chamber of Commerce de México and very active in commercial and civic affairs.

Now, one year is over. All the work that we have done and all the fun that we have had are pleasant memories. While we enjoy these memories of a wonderful year with the fraternity, we look forward to an even greater year, more hard work, more obstacles to overcome and the enjoyment and satisfaction which comes from working as a whole for the benefit of all.—JAMES L. BOLMAN

RUTGERS—Beta Rho

BETA RHO CHAPTER at Rutgers University Evening College entertained a full house of members and prospective pledges at their rushing party held earlier this year. Brother Bengston, chairman of the affair, provided a delicious variety of snacks and beverages for all. The 35 mm slides which were exhibited, and the organization and aims of Delta Sigma Pi impressed the pledges very much. They left the party anxiously anticipating the next Beta Rho Chapter function. President Gessner indicated that Beta Rho Chapter will meet its quota without difficulty, and he also stated that as of the end of the first semester, all requirements have been completed for Beta Rho Chapter's advance toward another 100,000 point year in the Chapter Efficiency Contest.

One of the highlights on Beta Rho Chapter's social calendar was their Christmas Party. Not only was it attended by all active members, but by a large number of alumni also. The final count was 80 couples. Brother Haslestad, who headed the committee for this function, had the room brightly decorated in holiday fashion. The food was excellent. Instead of the gift grab-bag usually held at Christmas parties, Beta Rho Chapter members each donated a gift to be given to the needy children. A total of 65 gifts were contributed and President Gessner, upon recommendation of the Newark Dept. of Welfare presented the gifts to a group of youngsters in Newark's Southwest Branch of the YM-YWHA.

To begin the New Year, Beta Rho Chapter held a pledge meeting where Mr. Joseph Holoski, Beta Omicron Chapter member and treasurer of the Ortho Pharmaceutical Company, gave a talk on the achievement of success. Brother Holoski, who was instrumental in the organization of Beta Rho Chapter, pointed out that the "S" in success should represent study, stability, sincerity, self-confidence, and salesmanship. He also discussed in brief, the benefits of fraternal life. Later in January, Beta Rho Chapter members and their families, attended a tour of the Newark Airport.—JAMES R. ZIEMBA

DE PAUL

ALPHA OMEGA CHAPTER at the University of De Paul presented their annual charity Christmas Play in November. The Deltasigs were assisted in the presentation of the play by Rho Delta Pi sorority. The play, "Ten O'clock Scholar," was produced by Frank O'Brien and Patricia Keller of Delta Sigma Pi and Rho Delta Pi respectively. The play, a story concerning a wealthy businessman who returns to high school to receive his diploma, was a great success. As a result of this play, a substantial amount of money was contributed to the annual Christmas Basket Fund Drive for needy families.

Alpha Omega Chapter presents its new officers for the remainder of the year. They are: Howard Sikorski, president; Richard

Begley, senior vice president; Bob Larson, professional chairman, and John Bubula, treasurer.

Our basketball team, comprised of brothers and pledges, took part in an elimination tournament sponsored by Alpha Beta Gamma Fraternity in November. We are proud to announce that our big five won first place.

Our formal initiation for the first semester pledge class was held February 8, 1959, at the Brevoort Hotel in Chicago. Everyone had an enjoyable afternoon and dinner, especially the pledges.

Our lovely "Rose," Miss Caroline Leppa, will represent our chapter at the annual I.F.C. Ball. We all wish her best of luck in the Queen contest.

We wish to extend congratulations to Brothers Purdy and Czech who have been elected treasurers of the senior and sophomore class respectively. Also, congratulations to Brother Bauer who has been elected treasurer of the national honor accounting fraternity, Beta Alpha Psi.—ROBERT C. CIRESI

FLORIDA

CONGRATULATIONS to Brother Earl Gause, active member of the Beta Eta Chapter at the University of Florida, are extended by the chapter for his outstanding achievement of being chosen the recipient of the *Haskins and Sells Accounting Scholarship Award*. To win this award, Brother Gause had to be the outstanding all around student among the top five scholarship accounting students in the School of Business Administration. Besides, the highest scholastic award, Earl—a senior, receives a \$500 prize.

The election of officers was held January 8, 1959. Bright and new prospects and activities are anticipated of the new administration under Robert Applerouth, president, and his fellow officers: Larry Barnes, Senior V.P.; Jim Lambert, V.P.; Marty Hurwitz, chancellor; Peter Fellner, secretary; Bill Donald, treasurer; Cal Brincefield, social chairman; Lamar Liddle, ritual chairman; and Dick Spires, historian. Appointed immediately following the elections to the many staff departments were: John Rivers, Jim Nichols, Gene Parish, Frank Dosal, Jim Cooney, Jack Lowe, Frank Deus, Skip Stigger, John Gagnon, Dan Stevenson, and Jim Evans. The fine turn out for elections reflected the appreciation of the members of the Beta Eta chapter for the very excellent performance yielded by the out-going President, Bill Flanders and his administration, who placed Beta Eta chapter in third place in the Chapter Efficiency Contest thus far.

High spirit was shown in the interfraternity baseball contest which resulted in a win for Beta Eta Chapter over Alpha Kappa Psi, and the return of the engraved baseball bat—symbol of the victorious. Some have claimed the refreshments aided the high spirits.—FRANK S. DEUS

THE NEWLY ELECTED AND APPOINTED OFFICERS of Beta Eta Chapter at the University of Florida are assembled here. First row, left to right: Ritual Chairman Lamar Liddle, Treasurer Bill McDonald, Senior Vice President Larry Barnes, President Robert Applerouth, Vice President Jim Lambert and Chancellor Martin Hurwitz. Second row: Newsletter Editor Jack Lowe, Senior Guide John Gagnon, Secretary Pete Fellner, and Assistant Secretary Jim Cooney. Third row: Social Chairman Cal Brincefield, Special Projects Chairman John Rivers, Historian Dick Spires, and DELTASIG Correspondent Frank Deus.

A TRIP TO QUARTZ MOUNTAIN was included in the activities of Beta Kappa Chapter at the University of Texas this Fall. Inside this lodge in Oklahoma, fellowship and fraternalism were in abundance.

TEXAS

BETA KAPPA CHAPTER at The University of Texas is moving ahead on plans to purchase a chapter house. We have selected a fine house which is adjacent to the campus, and all the members are working to secure the necessary down payment.

The Beta Kappa Chapter initiated 23 hard working members at the Formal Initiation held on December 7 at the Stephen F. Austin Hotel. With this additional talent, we are looking forward to an outstanding semester this spring.

The Installation Dance committee did an exceptionally fine job in arranging the dance. All of the 60 brothers and their dates attending the affair enjoyed the beauty of the new Elks Club and dancing to the music of Vic Sterizing's band. The spring semester social calendar includes four dances, a picnic, and stag parties.

President Bill Goforth is lining up an excellent professional program this spring, featuring a field trip to San Antonio and many distinguished speakers. The brothers of Beta Kappa Chapter have adopted the children living in the Texas State School for the Deaf and Blind. Visits, outings, basketball games, and other activities are planned for the children. As part of our service to others, the spring pledge class will spend many hours washing windows at the school for the deaf and blind. According to the latest reports we are leading in the Southwestern Region in the Chapter Efficiency Contest with over 36,000 points and should have a total of 100,000 points by the end of May.

Brother P. Alistair MacKinnon, Executive Secretary from The Central Office, visited with the executive committee January 13. The inspiration and many suggestions he gave us will be used in making the name Deltasig better known and more respected at The University of Texas.—WILLIAM E. BRADY

TULSA

BETA CHI CHAPTER has just finished another busy fall semester and is looking forward to an equally successful and rewarding spring at Tulsa University. Leading our efforts in the months ahead will be: President, Robert P. Bloden; Senior Vice-President, Jack D. Grove; Vice-President, Terry J. McGrann; Secretary, S. Wayne Weber; and Treasurer, Mike A. Davis. Newly appointed committee chairmen include: Kenneth E. Saunders, Professional Meetings; Jim Goodson, Social; Delmar R. McBride, Ritual; and Robert Shower, Chapter Efficiency Contest.

The 21st consecutive initiation of Beta Chi Chapter was held on December 7. The new brothers are: Paul Bailey, Darld Brannan, Charles R. Clow, Quinton J. Cristy, Terry J. McGrann, Kenneth E. Saunders and Professor Robert S. Linnell. Brother Linnell, a member of Tulsa University's accounting department, obtained his M.B.A. at the University of Denver in 1948. Our faculty members were well represented by Professors John D. Gemmill and Philip Blough. Culminating the day's activities was a banquet featuring steaks to order. What better way to end a perfect day?

On December 10, we enjoyed one of our

finest professional meetings thus far. Mr. Joe Cannon, vice-president of Ross Aviation, spoke on the various operations of his company which include airport management, flight instruction, and airplane sales.

Several Deltasig members have been instrumental in helping to organize the Tulsa University Executive Club. The Executive Club is open to all students of the School of Business and is intended to coordinate the activities of the school. The E.C., whose membership already includes over one half of the students, presented the annual School of Business Xmas Assembly and sponsored a Xmas party which was open to all business students. Plans for the coming semester include professional speakers at school assemblies as well as a dance to climax the annual Business Day. Robert P. Bloden, chapter president, is a member of the Executive Council of the E.C. Other Deltasig members serve on the assemblies committee, Business Day committee, Talahi Day committee, and the elections committee.

Kicking off our activities this semester is the registration service desk that Beta Chi Chapter provides at the beginning of each semester to aid the dean's office and fellow students during the hectic registration period.

Brother Saunders' professional program for the spring semester will begin with a tour of the First National Bank of Tulsa. Among the speakers planned will be Brother Charles J. Loveless of the Loveless Personnel Service. Brother Loveless joined the ranks of Delta Sigma Pi in the spring of 1958 and since then has lent his support to us in many ways.—JACK D. GROVE

IN TRUE MEXICAN FASHION, Delta Mu Chapter at Mexico City College held a Christmas party or Posada for the children of an orphanage. The children are in the process of breaking a "piñata" filled with fruit, nuts and sugar cane. Brothers Martinez and Ketchum may be seen in the background.

MICHIGAN

XI CHAPTER welcomed in our new actives with the annual winter formal which was held at the Michigan League on December 6. The evening was chilly but, old and new actives alike had a red hot time.

As a result of our mid-year elections Franz Burnier is the new president of Xi Chapter. Franz has some excellent ideas for reorganizing the working structure of the chapter with the goal of obtaining greater efficiency. With this reorganization we should be able to get more things done with less effort and in less time. Other officers elected were Bob Westerberg, senior vice-president; Dave Perry, vice-president; Russ Carlson, secretary; Jim Williamson, treasurer; and Dave Lundberg, chancellor.

On the sports front we got off to a good start on our winter sports season by winning our first basketball game and also our first bowling match.

On the professional side we took an interesting tour of the Detroit Stock Exchange on January 17. Also, on December 15, Xi Chapter co-sponsored the Young Presidents Conference on campus. These men are presidents of corporations with annual sales of over one million dollars and yet are all under 50 years of age. They discussed problems affecting their particular corporations and the business world in general and in so doing gave us some insight into the reasons for their personal success in the business world.

With the end of this semester approaching we are now making plans for next semester's rushing program. Personal letters are now being sent to prospective rushees inviting them to the rushing smokers. All in all, 1959 should be another encouraging and prosperous year for Xi Chapter.—CHARLES SIROLA

PLANNING FOR A TRIP to St. Louis and the Midwestern Regional Meeting are, left to right: John Moran, Bob Kearns, Jerry Kenealy, Ted Thull, Frank Gartner, Dick Braun, and President Tom Carl of Beta Theta Chapter at Creighton University.

EAST TENNESSEE

DELTA XI CHAPTER started off the winter quarter with the initiation of ten new pledges. They were Buck Williams, Quillen Diseman, Claude Hawks, Stuart Larkey, Eric Coulson, Herb Patterson, Dale Kirk, Lerty Burnette, Glen Parker, and Jack Crum. After the "informal" initiation, a banquet was held. Jim Page, manager of personnel training, for Mason & Dixon was guest speaker. He spoke on the "Value of Fifteen Minutes." The Delta Xi Chapter was honored to have Regional Director Monroe Landreth

Jr. as a guest for the Initiation Banquet.

Brother Bob Helton had a birthday, so ten brothers and their wives had a party for him. We all had a great time. It was at a beautiful log cabin in the Tennessee mountains.

The Delta Xi Chapter plunges head first into the March of Dimes Drive. We are selling little blue crutches to the students on campus. The Delta Xi Chapter was honored to help the March of Dimes.

Not all of us are "Brains" in the Delta Xi Chapter but we do have the highest scholastic average of any fraternity on the campus. We hope to keep up the average.

The Delta Xi Chapter will have its first "Rose of Deltasig" dance the 21st of February. Brother Gene Holt is chairman and has big plans for the dance.

A smoker will be held for pledges at the Peerless Steak House. A successful "Rush" has amounted to about 20 pledges.—JOSEPH R. HESSMANN

DETROIT—Gamma Rho

IN A FEW DAYS Gamma Rho Chapter will have the formal initiation of 11 new brothers into our chapter. The initiation will take place at the Disabled American Veterans Memorial Building on January 17, 1959. We all feel that these 11 men have displayed, during their pledge period, outstanding ability and the qualities that will make them valuable assets to Gamma Rho Chapter and the International Fraternity of Delta Sigma Pi. A banquet and an Informal party will follow the formal initiation.

The latest endeavor of Gamma Rho Chapter is the scheduling of a charity function each semester with all brothers actively participating. Our first function will be a party

The Grand Council

the granting of chapters
to
SAN FRANCISCO STATE COLLEGE
and
THE UNIVERSITY OF NEVADA
Installation of these chapters will
take place soon.

given on Valentine's Day, for the senior citizens of Detroit, at the Bertha Fisher Home for the Aged. We are planning an afternoon of songs, laughs and games. A clean-up fix-up day is also planned in our spring semester's activity at one of the charitable institutions in Detroit.

Our second semester rush party is scheduled for February 28, 1959 and our pledge committee have been screening numerous applicants for our next group of neophytes. On April 4, 1959 our "Rose" Dinner Dance will be held. It will be a semi-formal affair this year and we are looking forward to a fine crowd of both active brothers and many of the alumni group.—JOE PELTON

NORTH TEXAS

DELTA EPSILON CHAPTER at North Texas State College closed out its fall semester activities with the initiation of ten new brothers and our new slate of officers. During their pledgship, the Iota Pledge Class sneaked to Quartz Mountain Lodge in Altus, Oklahoma. The membership followed and a weekend of lots of revelry and no sleep resulted.

We are now in the midst of redecorating our house. In addition to completely redoing the downstairs (*our house is a two story building*), we are also redecorating a new TV room and purchasing about \$1000 worth of new furniture.

In sports, the Delta Epsilon Chapter's basketball and bowling teams are both participating actively in the school's intramural activities.

Scholastically, everybody is cramming for the impending final exams.

LUCILLE BALL AND DESI ARNAZ are to be the judges of the 1959 "Rose of Deltasig" Contest. Lucy and Desi are currently starring in a series of "Specials" on CBS Monday nights and are presenting the Westinghouse Desilu Playhouse.

For Christmas activity, we had an informal party and exchanged inexpensive novelty gifts. The brotherhood also dug into its pockets and came out with a handful of Merry Christmas for a needy local family. This contribution to the happiness of others, although an annual affair, seems to gain approval with each succeeding Christmas season.

Next semester, the Delta Epsilon Chapter plans to hold regular Saturday dances in our redecorated house, get another good pledge class, and wind up the fraternity year with 100,000 points in the Chapter Efficiency Contest.—KENNETH MURPHY

FLORIDA SOUTHERN

DELTA IOTA CHAPTER initiated 14 new members into brotherhood in ceremonies on January 17. The new initiates were feted to a banquet later in the evening which was also attended by brothers, alumni and their dates. A highlight of the evening was the presentation of a bouquet of roses to both Joy Frick Harris, the 1958 Delta Iota "Rose of Deltasig," and Chris Parker, the 1959 "Rose." The event took place at Steve's Rustic Lodge on Lake Thonotosassa near Tampa. The new initiates are: Richard Arlett, James Donovan, Sam Dunn, Steve Gianos, Wayne Harris, Eddie Kolaska, Gus Kopeლოსos, James Montague, C. I. Pinnell, Jim Reinking, Wayne Sater, Bob Strickland, David Walters, Mike Williams.

Delta Iota Chapter, in cooperation with the business department of Florida Southern College, distributed copies of the 1959 edition of the College Placement Annual to all graduating seniors. Published by the College Placement Council, Inc., the annual describes the occupational needs of more than 1,600 employees throughout the United States and Canada.

Last December Delta Iota Chapter sponsored a visit by Bob Paty, a representative of the United States Civil Service Commission. Mr. Paty discussed the many opportunities available in federal employment.

Plans are now being made to conduct an "insurance forum" in the immediate future which will include lectures and discussions by insurance executives in the Lakeland area.

Brothers of Delta Iota Chapter were deeply saddened by the death of our brother and faculty advisor, Professor Fred D. Wish. Besides being a Deltasig, Professor Wish was also associated with the American Economic Association and the American Association of School Administrators. He will be sorely missed.—GEORGE DILL

DELTA IOTA CHAPTER at Florida Southern honors its 1958 and 1959 "Rose of Deltasigs." Pictured, left to right, are Delta Iota Chapter President Larry Carter, the 1959 "Rose of Deltasig" Chris Parker, the 1958 "Rose" Joy Frick Harris, and Treasurer Jack Jagelar.

MARYLAND

GAMMA SIGMA CHAPTER rounded out the fall semester with a program headed by Mr. William Abbott, district manager of Procter and Gamble. Mr. Abbott emphasized the importance of planning and research in the success of the modern business firm. He gave interesting examples taken from the case histories of the company. For example, the brothers were informed that Ivory's floating quality came about when an employee neglected to turn off the soap mixing machine. The result was soap that floats.

The newly elected officers for the spring semester are: Brothers John McGeady, Thomas F. Morressey, Daniel Winn, and John J. McKechnie. The president, vice president, secretary and treasurer respectively were presented to the 20 newly initiated brothers at the last professional dinner. Brother McGeady returned to Gamma Sigma Chapter this September after spending six months on active duty in the Army.

Brothers Roger Niles and Robert McEwan have distinguished themselves and all Deltasigs on campus by their initiation into Beta Alpha Psi, honorary accounting fraternity. At the present time there is a total of nine brothers in the honorary.

The agenda for the spring semester consists of tours to various types of industries and a selection of speakers from local firms and the Federal Government.—PAUL P. MULRENIN

GEORGIA STATE

KAPPA CHAPTER at the Georgia State College of Business Administration initiated nine new men on December 14, 1958, to conclude fall quarter activities. New mem-

bers are: Henry M. Amos; Edward L. Cartwright, Jr.; Joseph R. Jones; David Harvey Marler; John William Marler; James William Newman; Billy C. Redd; James R. Robertson; and Kenneth D. Sanderman.

More than 100 persons attended the annual chapter New Year's Eve party at Kappa Chapter's suburban lodge. Other special social functions planned for the winter quarter include a St. Valentine's Day dance on February 14, at the celebration of Kappa Chapter Founders' Day on March 14.

Brother Duane Essam announced professional program plans for the winter quarter. Speakers will include: Mr. J. D. McIntosh, general manager of the Lithonia Lighting Products Company; and Brother Tom Luck, assistant solicitor general of Fulton County, Georgia. Dr. Floyd S. Harper, Kappa Chapter's new faculty advisor, will speak at a special professional meeting on January 24.

Brother Harper, who came to Georgia State and Kappa Chapter from Drake University, heads the business school's new department of Actuarial Sciences. He replaces as faculty advisor Dr. Michael Mescon, who has left teaching for the business world. Dr. Harper is considered a foremost authority in his field, and Kappa Chapter is indeed fortunate to obtain his services as faculty advisor.—FRED W. LYON, JR.

ST. LOUIS

BETA SIGMA CHAPTER of Saint Louis University presented its new "Rose" at the annual "Rose" Formal Dance, one of the highlights of the Saint Louis University social season. The new "Rose" was crowned by Miss Jackie Serati, the retiring "Rose." Miss Roberta Arnold, sophomore of the

A **STAUNCH SUPPORTER** and a recent initiate as an Honorary Member of Delta Mu Chapter at Mexico City College is Henry A. Shute, Director of the American Chamber of Commerce in Mexico City. Delta Mu Chapter has an active membership in the American Chamber of Commerce in Mexico City and Brother Shute was one of those that encouraged the local organization to consider national affiliation with Delta Sigma Pi.

College of Arts and Sciences, was chosen to reign over the chapter as Beta Sigma Chapter's "Rose of Deltasig." Her court consisted of three maids of honor, Miss Jan Debesis, sophomore of the College of Arts and Sciences, Miss Rosalynn Orth, sophomore of the School of Commerce and Finance, and Miss Margi Prosser, junior of the College of Arts and Sciences. Beta Sigma Chapter extends its gratitude to Miss Jackie Serati for a most gracious reign during the past year. Special thanks should be given to Dan Brady; who, handling the advertising portion of the dance, managed to obtain publicity in four out of state newspapers.

Brother Bill Duhamel and his professional committee are laboring very diligently to present a fine professional schedule for the second semester. While speaking of our professional activities, I would like to mention the extensive business survey, which the brothers of the Beta Sigma Chapter will undertake in the early part of the second semester. This survey, which will include the larger firms in the St. Louis area, is designed to aid the entire School of Commerce and Finance at Saint Louis University. The survey, which will be summarized in booklet form, will seek out the answers to the many problems confronting the business student on his graduation from college.—JAMES C. STANLEY

A **NEW ADDITION** to the Psi Chapter House Mantel is the All Campus Trophy won for the top homecoming house decoration at Wisconsin. Viewing the trophy are some of the guests at a recent house party.

"VAS YOU EFFER IN ZINZINNATI?"

of
DELTA SIGMA PI
Cincinnati and Oxford, Ohio
August 30-September 2, 1959

TENNESSEE

ALPHA ZETA CHAPTER closed out the fall quarter with the initiation of 14 new active members. Following the formal initiation ceremonies, our tri-annual banquet was held at Green's Restaurant. Speakers at the banquet included Monroe M. Landreth, Southeastern Regional Director of Delta Sigma Pi, and Clyde M. Letsinger, accounting instructor and Alpha Zeta's "Professor of the Quarter." Other guests included Assistant Dean Eugene Upshaw, Professor H. G. Myer, Dr. Aubrey Snellings, Professor Ben Butcher, and Professor Frank Thornburg, all of the College of Business Administration.

Alpha Zeta Chapter's drive for new members is taking on a new twist in the coming quarter. The brothers believe that letters to prospective pledges are not accomplishing as much as they should, or as much as we would like for them to. As a result of this belief, we have decided to use the personal approach in our next drive. Each active will try to bring one guest with him to our next meeting, which will be a combination professional program and coffee hour. The brothers are very optimistic about this approach. We believe that the professional program will show the merits of Delta Sigma Pi better than the methods that have been used. With the aid of this new method, we hope to better our quota of 21 new members for the present school year.

The brothers of Alpha Zeta celebrated Founders' Day on Friday, November 7, with an informal dinner at the University Student Center. This event was a highly enjoyable one for all present.—JAMES D. BASS

SOUTH DAKOTA

ALPHA ETA CHAPTER has undertaken two new service projects including a high school visitation committee and another project to collect money for crippled children.

The members of the high school visitation

committee will go with the university recruitment groups to attend the high schools' career days in this area.

The second project called "A Mile of Dimes" consists of a trip to Sioux Falls which will be made the Saturday before Easter. There will be planks placed along the sidewalk for two blocks in downtown Sioux Falls. The Brothers will encourage the passing people to place dimes on the planks. The money that is collected will be given to the South Dakota Crippled Children Home in Sioux Falls.

Some of the members went to Sioux Falls for the fall field trip. They went on an extensive tour of the North West Security National Bank. They were shown how the bank handles the different instruments used daily and the operation of the accounting and auditory departments.

They also visited the offices of the Equitable Life Insurance company of Iowa. A committee is making arrangements for the spring

field trip which is one of the highlights of the year.

The annual "Rose" Dance proved very successful. The "Rose," Miss Edith Austin was presented at that time. She was one of eight lovely candidates.—GEORGE DOUMA

WISCONSIN

PSI CHAPTER at the University of Wisconsin has just elected its new officers. They are: President Thomas Moran, Senior Vice President Leo Meier, Vice President Ronald Michelson, Secretary John Keller, Treasurer Richard Zillmann, Historian John Fisher, and Chancellor Kurt Pingel.

Our social program under the direction of Brother Norm Schmitz has been full and diversified. Once again Psi Chapter has enjoyed being host to all the Brothers attending Big Ten games and the parties following. The pledge party featured costumes around the theme of "Mississippi Gamblers" and was enjoyed by all attending. Famous characters such as the "Mavericks," "Wyatt Earp," "Bat Masterson," etc., were to be seen in the party room which was decorated with wheels of fortune, dice tables, and a roulette wheel.

Brother Dick Mistele's professional program was climaxed by a field trip to the Koehring Company in Milwaukee and a tour of the Schlitz Brewery. Previously, Professor Wolfe of the School of Commerce and formerly research director of the Colgate-Palmolive Company spoke on "Advertising Media."

We anticipate making the full quota of 100,000 points in the Chapter Efficiency Contest and currently led the Central Region in total points. Next semester we look forward to a continued full program of activities here at Psi Chapter.—KENNETH J. MARTIN

THE INITIATION BANQUET of Delta Iota Chapter at Florida Southern was held this winter at Steve's Rustic Lodge near Tampa, Florida.

Midwestern Region Meets in St. Louis

FRIDAY, October 10, saw the opening of the Midwestern Regional Meeting, held in St. Louis, Missouri. The delegates were greeted by the brothers of Beta Sigma, the host chapter at St. Louis University. All registrants were provided with maps of the city, a list of the interesting "sights," and a souvenir ball point pen. After refreshments, a buffet supper—with plenty of "seconds" and "thirds"—was served. Here Donald Hurtgen, Meeting Chairman for Beta Sigma Chapter, formally opened the convention by introducing Brother Edwin Styffe, Jr., president of Beta Sigma Chapter, who welcomed the delegates and guests from the chapters of the Midwestern Region.

Soon after the evening meal, the delegates were left in the capable hands of Brother Al MacKinnon, Executive Secretary, and a small group was seen scurrying about the hotel led by Hartman Krug—you guessed it—Chief Bull Pup! Shortly thereafter, 44 lonesome "pups" found refuge in the Ancient Order of the Yellow Dog!

BOB BURNES of the St. Louis Globe Democrat, was the featured speaker at the Midwestern Regional Meeting. Regional Director **Henry C. Lucas** listens intently.

Henry Lucas, Midwestern Regional Director, from Omaha, led the meetings of the morning and afternoon on Saturday in a round-table discussion of the various facets of the Chapter Efficiency Contest.

Mr. Bob Burnes, sports editor of the St. Louis Globe Democrat, spoke at the luncheon on Saturday. Mr. Burnes, in an inspiring presentation, pointed out the need for a deeper trust and faith in fellow man in our business dealings, just as we find in the good sportsmanship we admire so much.

To round out the weekend for the many delegates, guests and families, a dinner dance was held at the Melbourne Hotel, convention headquarters. The travel prize, awarded to the chapter possessing the most man miles, went to Gamma Eta Chapter of Omaha University.

SOME OF THE DELEGATES attending the Midwestern Regional Meeting held in St. Louis, Missouri with Beta Sigma Chapter as host.
