LEADERSHIP FUND

Commentary

John V. Henik

Dear Brothers:

Four years in review

It is hard to believe that four years have passed since I became Grand President. These four years have seen many new and exciting programs implemented in our organization:

- The installation of 12 new chapters and reactivation of three into our fraternity and the addition of approximately 20,000 members to our ranks!
- The establishment of many new and "exciting" constitutional amendments designed to make our organization attuned to proactive and long range planning programming as we embark into the future!
- The introduction of the first Regional and Provincial Leadership School programs aimed at enhancing the leadership and management skills of our members!
- The creation of our Educational Masterplan designed to assist our members in reaching new heights in both personal and professional development.
- 1989 will see the first Annual Campaign of the Delta Sigma Pi Leadership Fund. This exciting new fund raising effort marks the beginning of a new era of development for our Brotherhood. More information about this important Campaign is contained elsewhere in this issue.
- The hiring of our Director of Development—a new executive staff position at our Central Office whose duties include administering to our fund raising efforts and strengthening our corporate and alumni relations.
- Maintained a "balanced budget" in our fraternity keeping our spending "in check".

Such positive results could never have been possible without the hard work, unity and dedication of our Brotherhood. In my four years of office, it is hard to believe I have visited over 150 of our collegiate chapters across the country logging over 150,000 miles of flying and driving. It was a joyful experience I would do again without hesitation!

I look forward to supporting our fraternity and its ventures as Past Grand President and "reimmersing" myself in my management consulting and engineering consulting practice in Chicago and Dallas.

With our 37th Grand Chapter Congress in St. Louis successfully just completed, our missions to the future shall continue to unfold.

Finally, I thank everyone for their support over these last four years and I look forward to supporting this great organization as we enter the future.

Fraternally,

A handwritten signature in dark ink, appearing to read "John V. Henik".

Hilo, Quincy, Las Vegas:

Three Newest Chapters

The 1988-89 academic year continued to be one of growth for Delta Sigma Pi. Following the reactivation of Gamma Chapter at Boston University in December, 1988, and the installation of Lambda Chi Chapter at the University of California at Riverside in January, 1989, the fraternity continued its growth with the installation of three new collegiate chapters. Lambda Psi Chapter became the first collegiate chapter of Delta Sigma Pi to be installed in Hawaii with its installation at the University of Hawaii at Hilo. The 13th collegiate chapter of the fraternity founded in the state of Illinois was installed as Lambda Omega Chapter at Quincy College in Quincy, Illinois. The second collegiate chapter founded in Nevada, and the fraternity's 223rd and newest chapter, was installed as Mu Nu Chapter at the University of Nevada at Las Vegas. These three collegiate chapter installations continue the growth Delta Sigma Pi has been experiencing in recent years. The hard work of the members of the colonies which were installed as the fraternity's newest chapters is a tribute to themselves and to Delta Sigma Pi.

Hawaii's First Chapter

On Saturday, April 22, 1989, the fraternity's 221st and first collegiate chapter in Hawaii was installed as Lambda Psi Chapter at the University of Hawaii at Hilo. On that date, collegiate and alumni Brothers from across the country flew to Hilo, Hawaii, to install Lambda Psi Chapter. Participating in the installation ceremonies were Grand President John V. Henik, Western Provincial Vice President William R. Kinsella, South Pacific Regional Director Paul J. P. Garcia, District Directors Clayton E.

Chong and Christopher H. Dunavent, Director of Chapter Services C. Dean Ferguson and members of the Hawaii Alumni Chapter of Delta Sigma Pi. Although Lambda Psi Chapter was installed on April 22, 1989, the groundwork for the installation was first laid four years ago by alumni Brother Clayton E. Chong. Brother Chong, a resident of Hilo, Hawaii, is also an alumnus of Alpha Upsilon Chapter at Miami University in Oxford, Ohio. In the summer of 1985, Brother Chong re-

turned to Oxford and briefly visited The Central Office. At that time he expressed a strong interest in establishing both collegiate and alumni chapters in the state of Hawaii. Brother Chong returned to Hawaii and was instrumental in forming the Hawaii Alumni Chapter. He immediately contacted Dr. Robert King, Chairman of the Business Administration and Economics Division at the University of Hawaii at Hilo. Approval was granted to begin recruiting efforts and to establish a Delta

Grand President John V. Henik, near right, presents William J.J. Vroom with the Lambda Psi Chapter Charter, the first collegiate chapter charter in Hawaii. South Pacific Regional Director Paul J.P. Garcia and Western Provincial Vice President William R. Kinsella look on.

Below is one of the interesting sculptures on the beautiful Hawaii-Hilo campus.

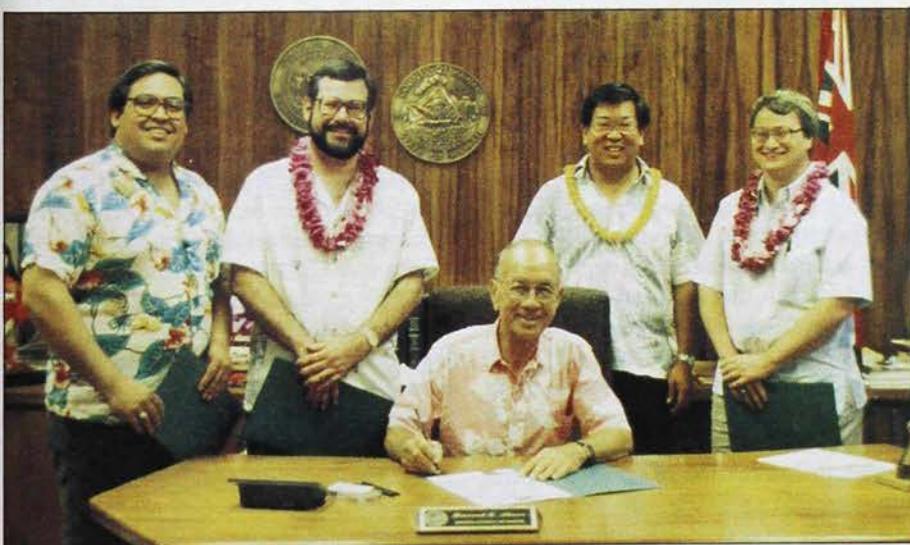

Sigma Pi chapter on campus.

Recruiting efforts were first conducted during the spring semester of 1987. The colony established on campus held its first meeting on June 11, 1987, and selected a colony name of Alpha Theta Kappa. A limited number of activities were conducted during the summer and fall of 1987.

Then South Pacific Regional Director William R. Kinsella visited Hilo, Hawaii, during the summer of 1987 to provide information and assistance to the Hawaii Alumni Chapter and the Alpha Theta Kappa Colony. Recruiting plans for the 1987-88 academic year were finalized during this time frame.

A covered outdoor patio looking toward the Campus Center are two areas that can be enjoyed by students while on the Hawaii-Hilo campus.

Left: South Pacific Regional Director Paul J.P. Garcia, Western Provincial Vice President William R. Kinsella, District Director Clayton E. Chong and Director of Chapter Services C. Dean Ferguson gather around Hilo Mayor Bernard K. Akana as he signs a proclamation welcoming Delta Sigma Pi to Hawaii County and the city of Hilo.

Michael T. Walsh visited the colony in Hilo on February 4-6, 1989. After meeting with members of the colony and reviewing their programs, Assistant Executive Director Michael T. Walsh and Brother Clayton E. Chong pledged 46 members of Alpha Theta Kappa Colony in accordance with the

fraternity's Ritual on February 6, 1989. Brother Chong was chosen to coordinate the colony members' pledge education program which continued until April.

On the morning of Saturday, April 22, 1989, representatives from the Hawaii Alumni Chapter gathered with national officers for the installation ceremonies which resulted in the initiation of 24 charter members who formed Lambda Psi Chapter. Grand President John V. Henik served as Headmaster for the Ritual Team. Other members of the Installation Team included Western Provincial Vice President William R. Kinsella, South Pacific Regional Director Paul J. P. Garcia, District Directors Clayton E. Chong and Christopher H. Dunavent, Director of Chapter Services C. Dean Ferguson and Hawaii Alumni Chapter members Randall Lee, Lori Ching and Lynn Imperial.

Following the installation of the chapter which took place on the 3rd Floor of the Campus Center at the University of Hawaii at Hilo, was the Installation Reception and Banquet. The Reception and Banquet took place in the Kupuna Room in John Michael's Restaurant in Hilo. South Pacific Regional Director Paul J. P. Garcia served as Toastmaster. The Invocation was given by Michael Thrower, Ritual Chairman of Lambda Psi Chapter. Greetings were extended from the university by Dr. Paul J. Kopecky, Dean of the Office of Student Services. A History of the Business Administration and Economics Division was presented by Dr. Robert King, Associate Professor of Business Administration.

Charter members Alison Mukai and Reddy Kwan presented the History of Alpha Theta Kappa Fraternity, which became Lambda Psi Chapter. After this presentation, Remarks by Western Provincial Vice President William R. Kinsella were made followed by the presentation of the Lambda Psi Chapter Charge and Charter by Grand President John V. Henik. The Charge and Charter were accepted by William J. J. Vroom, President of Lambda Psi Chapter. Following the charter presentation, several other awards were presented by Susan Honda, Vice President for General Activities of Lambda Psi Chapter and Dr. Nancy G. Dodd, Assistant Professor of Business Administration. Director of Chapter Serv-

ices C. Dean Ferguson then presented Fraternal Greetings from chapters and members from across the country welcoming Lambda Psi Chapter. Lambda Psi Chapter now represents Delta Sigma Pi at the University of Hawaii at Hilo.

In 1947, the University of Hawaii in Honolulu established an extension division in the city of Hilo. This extension division expanded rapidly and in 1955, a permanent campus was purchased to offer degrees in Education, Business Administration, Arts and Sciences, and Engineering. In 1969, the Board of Regents of the University of Hawaii authorized transformation of the satellite campus in Hilo into a four year college. Today, the college is designed to offer a residential undergraduate experience emphasizing small classes and excellence in teaching.

Degrees are offered through the College of Agriculture, College of Arts and Sciences, the Hawaii Community College and the Center for Continuing Education and Community Service. The university is situated on the island of Hawaii which is the largest island in the Hawaiian Archipelago. Many of the courses and programs of study at the university are devoted towards the island's economy. This economy is centered largely on agriculture and tourism.

The university is accredited by the Western Association of Schools and Colleges. Enrollment at the University of Hawaii at Hilo is presently 3,500 students. A majority of students who attend the university reside in university housing.

Courses in business were first offered at the University of Hawaii at Hilo in 1955. Initially, a two year program of study was available for business administration students. A four year degree in business administration was first offered in 1982 and, since that time, enrollment has grown steadily. Enrollment in the business administration and economics division is expected to exceed 900 students by the end of 1989.

Undergraduate majors are available in the areas of finance, management, quantitative business analysis, computer science, economics and business administration. Degrees granted include the Bachelor of Business Administration degree and the Bachelor of Science degree. Currently, the business division is con-

tained in the College of Arts and Sciences. Plans are for this division to become a separate school within five years. Degree programs are accredited by the Western Association of Schools and Colleges.

Delta Sigma Pi welcomes the 24 new charter members of Lambda Psi Chapter and the first chapter in the state of Hawaii to its fraternal family. Located in the Western Province and South Pacific Region of the fraternity, Lambda Psi Chapter continues to proudly represent Delta Sigma Pi at the University of Hawaii at Hilo.

The Administration Building, Francis Hall, the oldest building on the Quincy College campus, houses the Division of Business.

Illinois' Newest Chapter

On April 22, 1989, the same day Lambda Psi Chapter was being installed, over 4,000 miles away the newest chapter in Illinois was being installed as Lambda Omega Chapter at Quincy College in Quincy, Illinois. Quincy College is an independent, Roman Catholic, Liberal Arts College founded in 1860 by the Franciscan Friars. From its founding, the college worked to maintain the Franciscan spirit of influencing the world by caring about people and urging them to fulfill their individual potential. The Franciscan tradition contin-

ues at Quincy College even today as the academic program is designed to provide students with the fundamentals of a Liberal Arts education and at the same time prepare them for a rewarding professional and personal life. The curriculum is flexible in design by allowing for double majors or major-minor combinations, student-design majors, independent studies, special topics courses, independent research, practicums, and internships. Teaching is considered the primary focus of educational development at Quincy College. Quincy College offers Bachelors degrees in 31 areas of study. Minors are available in 23 additional areas. Certificate programs, as well as pre-professional programs, are also offered by the college.

The college is located in a residential section of Quincy, a city of 50,000 people, situated on the bluffs of the Mississippi River. The college is divided into a main campus and a North campus separated by 10 city blocks. Over 1,500 students attend Quincy College representing 25 states and eight foreign countries. A majority of students are from the Midwest with approximately 70 per cent of students residing in on-campus housing. The college is accredited by the North Central Association of Colleges and Secondary schools.

Unlike many Liberal Arts institutions, Quincy College began a curriculum in business shortly after the college was founded. The first business curriculum was offered in 1867 and has evolved to its current state with majors offered in the areas of accounting, management and marketing. Outside the Division of Business are major programs in personnel administration and management information systems. Undergraduate business programs comprise the majority of students in the Division of Business. A Master of Business Administration degree was first offered at the college in 1985, and since then, has proven very popular among business men and women in the Quincy area.

Accreditation for both the Bachelors and Masters degree programs are through the North Central Association of Colleges and Secondary Schools.

The establishment of a chapter of Delta Sigma Pi on the campus of Quincy College began on September 16, 1988, when Mr. Richard Magliari,

Head of Quincy College's Division of Business, announced to his senior Labor Economics class that he was looking for volunteers to research and start up a business club. Seven students were chosen one week later to investigate the establishment of a business club or fraternity. This group of students quickly distributed a survey to all business students and learned that a professional business fraternity was preferred over a business club. Presentations were received from three professional business fraternities and Delta Sigma Pi was chosen in mid-November. Great Lakes Regional Director Joseph J. Dabrowski, District Director Mary L. Miracle, District Director Stephen L. Black and Chapter Consultant Robby L. Hultz made presentations to either Mr. Magliari or students at Quincy College throughout the fall semester of 1988.

An informational meeting was scheduled for the final weeks of the fall semester. Great Lakes Regional Director Dabrowski presented information about the fraternity to interested students. During the holiday break, officers were chosen and plans made for the spring semester. At this time, Brother Stephen Black, an alumnus of Epsilon Omega Chapter at Eastern Illinois University, was appointed as District Director to the colony which took the name Delta Beta Alpha Fraternity. Through weekly visits he was able to monitor the group's progress from the very beginning.

A letter of intent was received from Delta Beta Alpha Fraternity on November 21, 1988, indicating their desire to pursue the installation of a chapter of Delta Sigma Pi at Quincy College. The first calendar of activities submitted by the colony was received at The Central Office in January, 1989. Colony bylaws, a roster of members and officers, among other pieces of paperwork, were submitted during the first few weeks of the spring semester. Delta Beta Alpha Fraternity planned a wide range of activities ranging from professional, to community service to fund raising activities for its membership. As the number of activities increased so did membership during the spring semester.

On February 28, 1989, Director of Chapter Services C. Dean Ferguson visited Quincy College, along with District Director Stephen Black and

St. Louis Alumni Chapter Vice President Frank Weber. A pledging ceremony was conducted for 35 students and one faculty member. Three days later, the members of Delta Beta Alpha Fraternity traveled to Chicago for two professional tours and the Great Lakes Region's Area Conference. The pledge education program for Delta Beta Alpha Fraternity was developed and implemented by District Director Stephen Black.

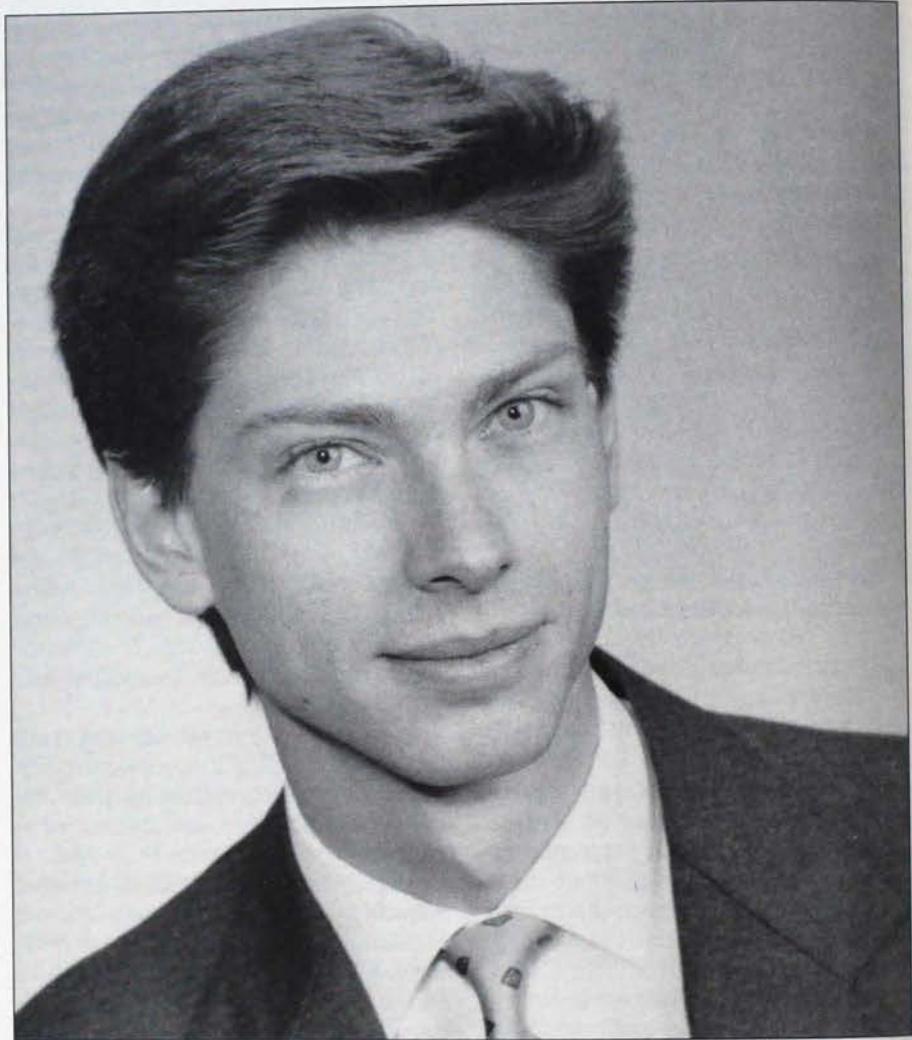

On Saturday, April 22, 1989, representatives from several collegiate chapters in the Great Lakes and Midwestern Regions met in Quincy along with national officers of the fraternity for the installation of Lambda Omega Chapter at Quincy College. Mid-American Provincial Vice President Marlow B. Kee served as Headmaster for the Ritual Team. Other members of the Installation Team included Collegian of the Year-1987 William E. Newbury, Great Lakes Regional Director Joseph J. Dabrowski, Midwestern Regional Director Karen A. Winter, District Directors Stephen L. Black and Mary L. Miracle, Assistant Executive Director Michael T. Walsh and members of Eta Nu Chapter at the University of Missouri at St. Louis, Iota Nu Chapter at Northeast Missouri State University, Iota Chi Chapter at Illinois State University, Lambda Omicron Chapter at Western Illinois University and the St. Louis Alumni Chapter.

Following the installation of Lambda Omega Chapter which took place in the Administration Building on the campus of Quincy College, was the Reception and Installation Banquet. The Banquet and Reception were held at the Spring Lake Country Club outside of Quincy. The national officers arrived at the banquet, via a chauffeured limousine, courtesy of members of Lambda Omega Chapter. Great Lakes Regional Director Joseph J. Dabrowski served as Toastmaster. The invocation was given by Patricia Churchill-Loos, Vice President for Professional Activities of Lambda Omega Chapter. Greetings were extended by Dr. Ian Fyvie Keith, Faculty Advisor for Lambda Omega Chapter. A history of the Division of Business was then presented by Mr. Richard Magliari, the other Faculty Advisor for the chapter. Following this presentation, Todd Friye, Senior Vice President of Lambda Omega

(See **THREE** on page 36)

COLLEGIAN OF THE YEAR 1989

Selected as the outstanding members of their chapters, each candidate for Collegian of the Year represents the fraternity's very best. Meet these candidates, our leaders of tomorrow . . .

Chris E. Robinett

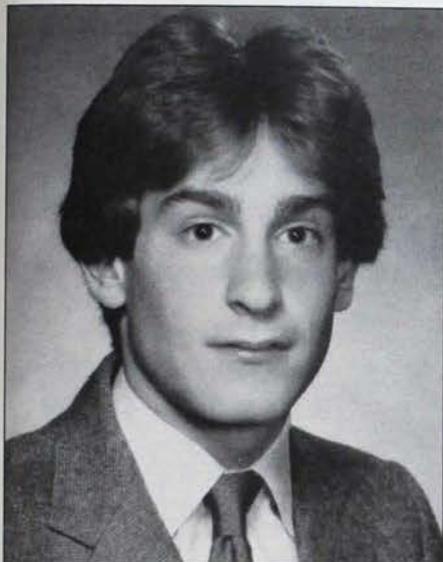

CHRIS E. ROBINETT, a graduate of the University of Nebraska at Lincoln and an alumnus of Alpha Delta Chapter, has been chosen Collegian of the Year for 1989. Chris maintained a 3.6 grade point average during his four years at Nebraska-Lincoln while carrying a double major in accounting and finance.

Initiated on November 17, 1985, by Alpha Delta Chapter, Chris is a Life Member. While a collegiate member of Alpha Delta Chapter, he served as President, Historian, Recruiting Chairman, Publicity Chairman, Regional Conference Co-Chairman, was on the Alumni/Faculty Relations Committee and implemented the chapter's Motivation Committee. He

was also Chairman of the Pledge Committee. In addition, he was voted Outstanding Member of his chapter. He also participated in the basketball/volleyball marathon sponsored by the chapter.

In addition to his work with Alpha Delta Chapter, Chris was a member of Beta Alpha Psi and served as Community Service Chairman. He was also a member of Beta Gamma Sigma; Golden Key Honor Society; the Finance Club; AIESEC, the international business group, and was on the Student Advisory Board for the College of Business Administration as a representative of Delta Sigma Pi. In addition, he also served on PICUP (Pride in County United Project) for Franklin County, Nebraska.

While at the University of Ne-

Howard T. Spilko

As Collegian of the Year, Chris begins a two year term of service on the Board of Directors and the Executive Committee of Delta Sigma Pi. He has already attended a meeting of the Executive Committee and has handled many of the responsibilities that come with being a member of that body. In every way, Chris E. Robinett exemplifies those qualities for which the Collegian of the Year Award was established.

Each chapter in the fraternity has the opportunity to nominate a member for this award. From all regional nominees, a regional finalist is selected by a screening committee within the region and, from these finalists, a national winner is chosen by the Executive Committee and Executive Director.

Established in 1971, this award recognizes the outstanding collegiate member of the fraternity as evidenced by scholarship, extra-curricular activities, fraternity service, demonstration of responsibility to self and others and representation of conduct according to the highest standards of business ethics and integrity.

All nominees are all of these things, making the final selection most difficult for the Executive Committee. As you read about these Collegians of the Year and their achievements while in school, you will note that they are the fraternity leaders of tomorrow and represent our very best.

HOWARD T. SPILKO, is the Collegian of the Year nominee from the Eastern Region. A May, 1989, graduate of the State University of New York at Binghamton, Howard maintained a 3.8 grade point average, majoring in accounting.

An April 19, 1986, initiate of Kappa Lambda Chapter, Howard is a Life Member. While a member of Kappa Lambda Chapter, he served as President, Senior Vice President, Spirit Chairman and Publicity Chairman. During the 1987-88 academic year, he received the Ideal Member Award from his chapter.

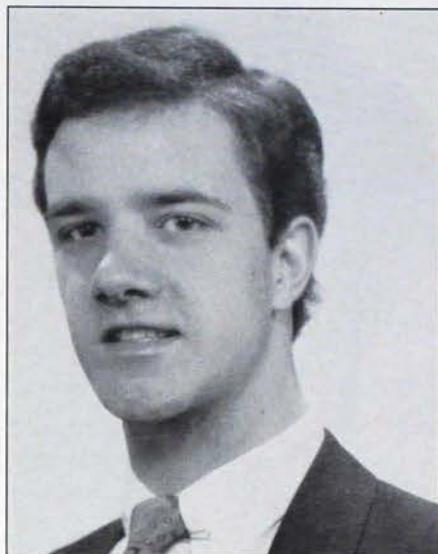

While attending SUNY-Binghamton, Howard served for two years as the Associate Business Manager for the "Pipe Dream", school newspaper. He also served as a volunteer usher for the Anderson Center for the Performing Arts.

While attending school, Howard

received many awards including being on the Dean's List for four semesters. He received the Robert Van Handel Award for being the most outstanding junior in the School of Management and was also named to Who's Who Among Students in American Colleges and Universities. In addition, he was named to Outstanding College Students of America.

While enrolled at SUNY-Binghamton, Howard was employed during summer and winter breaks by Julius Baer Securities in New York City. He was also Assistant Unit Head for YM-YWHA of Suffolk Teen Travel Program in Commack, New York.

His future plans include attending law school at the University of Pennsylvania in the fall of 1989. Following graduation from law school he would

Sean P. Whelan

like to practice corporate law.

An alumnus of Gamma Sigma Chapter and the University of Maryland, **SEAN P. WHELAN**, is the Mideastern Region's nominee for Collegian of the Year. While at the University of Maryland, Sean maintained a 3.6 grade point average in finance and accounting.

An April 12, 1987, initiate of Gamma Sigma Chapter, Sean served his chapter as Student Government Association Representative, Community Service Chairman, Scholarship Chairman, Awards Chairman and as Pledge Class Vice President.

While at the University of Maryland, he served on the Dean's Undergraduate Advisory Council. He was also a charter member of the University of Maryland chapter of Toastmaster International, where he served

braska at Lincoln, Chris was awarded several scholarships including: the Regents Scholarship; the LaVerne A. Cox Scholarship; and the Sosnik Scholarship in Accounting. He also received the Omaha/Lincoln Society of Financial Analysts Presidents Award for being the top student in the field of finance. On the Dean's List for six semesters, Chris was also on the National Dean's List for four years.

During his college years at the University of Nebraska at Lincoln, Chris worked for two companies. He first was employed by David J. Florell, C.P.A., as a bookkeeper. He later went to work for Hill & Liegl Financial Consultants in Lincoln and has been employed with that company on a full-time basis since his graduation in December, 1988.

as Treasurer and Administrative Vice President. A member of the Finance, Banking and Investments Society, Sean also was a tutor for the Dean's Council.

Sean was also a member of several honorary societies or fraternities including: Omicron Delta Kappa; Golden Key; Omicron Delta Epsilon; Phi Eta Sigma; Alpha Lambda Delta; and Beta Alpha Psi.

While in college, Sean worked as a teller for Citizens National Bank in Beltsville, Maryland. He also worked as a summer intern at Ernst & Whinney in Baltimore. In addition, he worked at Sears Roebuck & Company part-time as a jewelry salesman and also worked for the Vector Marketing Corporation.

Future plans include moving to

Shawna M. Taggart

New York City to work as a Management Consultant and to pursue an MBA.

SHAWNNA M. TAGGART, the nominee from the East Central Region, was initiated by Alpha Omicron Chapter at Ohio University on November 15, 1986. A finance and management major, she maintained a 3.5 grade point average. As a member of Alpha Omicron Chapter, she served as President, Spring Trip Chairman and as a member of the Ritual Team.

While at Ohio University, she also served on the Membership Committee of the Society for the Advancement of Management and as a college liaison on the Dean's Council. She was named to several honor societies including: Phi Kappa Phi; Omicron Delta Kappa; Alpha Lambda Delta; and Phi Eta Sigma.

On the Dean's List eight times, Shawna was named Corporate Leadership Fellow. She received the Myron M. Wallace Scholarship, the Blanch R. Powell Scholarship and the Dean's Scholarship.

Through these scholarships and employment, Shawna financed 100 per cent of her education. She worked for *The Post*, in Athens, Ohio, and also was an intern at Xerox in Cincinnati. During the summer of 1988, she served an internship at the Pickett Suite Hotel in Columbus, Ohio. Prior to that, she also worked at the Memorial Auditorium Box Office in Athens and for the Felicity General Store, a family business. She also worked at the Timber Ridge Camping Reservation in High View, West Virginia, during the summer of 1987.

Shawna's future plans include pursuing career opportunities in Cincinnati.

CAMI S. MC GAHAN, is the Collegian of the Year nominee from the Central Region. An accounting major at the University of Evansville, Cami maintained a 3.5 grade point average.

Initiated on April 25, 1987, Cami served Iota Sigma Chapter as its President, during which time the chapter was chosen Most Improved in the region. She also served as Vice President for Chapter Operations and was Secretary of her pledge class. The Iota Sigma Chapter Alternate to the 36th Grand Chapter Congress in New Orleans, Cami also attended the 1988 Central Regional Conference in Louisville and other Area Conferences.

While at the University of Evansville, she was Secretary of the Accounting Club and was a student member of the National Association of Accountants. She was also named to Mortar Board.

While in school, she was named to the Dean's List three times and received the Alumni Merit Award and the Whirlpool Scholarship. She was employed by the University of Evansville as an intern in the accounting and auditing department from January, 1988, until graduation. She also worked summer jobs at Citizens National Bank in Columbia City, Indiana, for Pizza Hut and for Hooks Drugs.

Future plans include pursuing an accounting career in Indianapolis.

LAURIE J. ROGIEN, is the Collegian of the Year nominee from the

Huron Region. An accounting major at Grand Valley State College, Laurie maintained a 3.7 grade point average while completing a Bachelor of Business Administration in accounting. Prior to obtaining this degree in May, 1989, Laurie received an Associate of Science degree in accounting and secretarial science from the Davenport College of Business.

Initiated on April 19, 1986, Laurie was a charter member of Lambda Xi Chapter. While a collegiate member of the chapter she served as Vice President for Chapter Operations for two years and also as University/Community Service Chairman. In addition, she served on the Bylaws, Scholarship, Fund Raising, Community Service and Professional Activities Committees. She attended the

Cami S. McGahan

Central Regional Conference in Ann Arbor, Michigan, in 1986, and the Huron Regional Conference in Ft. Wayne, Indiana, in 1988.

While at Grand Valley State, Laurie also served as a host for the Grand Valley State College Summer Employment Extravaganza from 1986 to 1988. She was a coordinator for the Indian Trails Camp 24 hour marathon and was also a member of the Accounting Club. She was also a member of Delta Mu Delta and Phi Kappa Phi honor societies.

While at Davenport College and Grand Valley State, Laurie was named to the Dean's List every year. She received the Michigan Business Schools Association Scholarship in 1983, and the Presidential Scholarship at Grand Valley State in 1986.

While in school, Laurie worked for

First Michigan Bank Corporation in Holland, Michigan, as an accounting intern. She also worked for R. G. Rogien Construction on a part-time basis as a systems accounting intern. In addition, she also held jobs at Tree-Mendus Fruit Farm, Inc., and worked for Manpower Temporary Services.

Her future plans include working as an audit staff accountant for Coopers & Lybrand in Grand Rapids, Michigan.

KATHERINE E. DUTTON, is the Collegian of the Year nominee from the South Central Region. An international business and French major with a minor in Economics at James Madison University, Katherine has maintained a 3.8 grade point average.

Initiated on April 25, 1987, Katherine

Laurie J. Rogien

ity, Katherine has been involved in the Scholars program, taking 24 hours of honors classes. She has been on the President's List for five semesters and the Dean's List for one semester. She was also the South Central's Region Collegian of the Year for 1988.

While in school, Katherine has worked as a Supervisor and Assistant Service Manager for the James Madison University Special Events department. From May until August of 1988, she worked at Les Anteliers de la Haute Garonne in Toulouse, France.

Following a December, 1989, graduation, she would like to return to work for the James Madison Studies Abroad program. Later, she would like to then attend graduate school to obtain a Masters degree in International Management.

REBECCA R. SMELTZER, an April 25, 1987, initiate of Beta Gamma Chapter at the University of South Carolina, is the Collegian of the Year candidate from the Southeastern Region. Rebecca maintained a 3.7 grade point average while earning a Bachelor of Science in Business Administration.

As a member of Beta Gamma Chapter, she served as President, Vice President for Professional Activities and Vice President for Fund Raising Activities. She attended several area and regional meetings including the regional Spring Fling for two years. She also attended and was involved with the South Central Area Conference sponsored by Beta Gamma Chapter. In addition, she was involved with the chapter in intramural softball.

While at the University of South Carolina, she was also a member of the American Marketing Association and Women In Business. In addition, she was involved in Residence Hall Government and also gave her time to the American Red Cross, Epworth Childrens' Home and the Brian Center for Nursing Care. Rebecca was also a member of Beta Gamma Sigma honorary business fraternity and Phi Eta Sigma honor society.

A participant in the Marketing Scholars program, Rebecca received the Margaret P. McElveen Scholarship, the University of South Carolina College of Business Administration Scholarship and the Department of Education/Archibald Rutledge Scholarship for the Arts. Named to the

Dean's List and the National Dean's List, Rebecca was also named to Who's Who Among Students in American Colleges and Universities.

While at school, she held summer jobs at Banana Republic in Charleston, South Carolina, Onstage in North Charleston and at Lowcountry Express and Lowcountry Clocks, also in North Charleston. She also worked at Strings & Things and Creative Crafts in Ladson, South Carolina, and at WBER Radio in Moncks Corner, South Carolina.

A May, 1989, graduate of the University of South Carolina, Rebecca plans on pursuing a career in merchandise management and retail buying in the fashion industry.

A November 14, 1986, initiate of Epsilon Rho Chapter at the University

Katherine E. Dutton

of Tampa, **TAMMY J. BUCHAN**, is the South Atlantic Region's nominee as the Collegian of the Year. A finance and management information systems major at the University of Tampa, Tammy served Epsilon Rho Chapter as President for two terms and as Vice President for Pledge Education. She also served as Special Tasks Committee Chairman and Community Service Committee Chairman. In addition, she was a member of the chapter's Faculty Relations Committee. Elected Pledge Class President, Tammy also received the Best Pledge Award in the fall of 1986. She has attended South Atlantic Regional Conferences in Tampa and Orlando, two Area Conferences, two Spring Flings and four joint chapter initiations. In addition,

(See COLLEGIAN on page 26)

The Chapters Speak

MID-AMERICAN PROVINCE

Welcome to the pages that feature the many chapters of the Mid-American Province. The heartland finds a distinctive kind of Brotherhood and fraternalism that makes our chapters the best in the country as evidenced by the articles submitted.

In August, the 37th Grand Chapter Congress came to heart of the Mid-American Province in St. Louis, Missouri. I hope you were able to experience the Brotherhood of the Mid-American Province, first-hand, at the 37th Grand Chap-

ter Congress in St. Louis. Brothers from all across the country converged on St. Louis for a week to celebrate our common bond of Delta Sigma Pi. The St. Louis Alumni Chapter and the Eta Nu Chapter at Missouri-St. Louis helped to make the 37th Grand Chapter Congress the best ever.

The theme was "Gateway to Brotherhood." No where did the Brotherhood of Delta Sigma Pi reach such a pinnacle than in St. Louis that week. Many came to share the memories of Congresses

past. Many made new friends and have new memories from St. Louis.

Finally, I have retired from elected service to the fraternity and I want to say thank you to all of those individuals and chapters who helped, supported and tolerated me and some of my crazy ideas over the past several bienniums. It has been fun.

MARLOW B. KEE
Mid-American Provincial
Vice President

GREAT LAKES REGION

ILLINOIS STATE, IOTA CHI—This past year we added 29 new members, including one faculty member. We were also named the Most Outstanding Chapter in the Great Lakes Region for the second year in a row. We received this recognition at the Great Lakes Regional Conference of which we had 50 members in attendance and won the travel and attendance awards.

Beside our usual fund raisers this year, we worked at the College of Business Phonathon. In addition, our biggest fund raiser, the Redbird Reminder datebook, proved to be another success. Our professional program provided a new twist this year with a business etiquette dinner. We also sponsored various parties celebrating everything from initiation to graduation.

Iota Chi Chapter also played an instrumental part in the installation of a chapter at Quincy College in Quincy, Illinois, and in starting a colony at Bradley University in Peoria, Illinois.

The year came to a close with Rose Formal in St. Louis, Missouri. Everyone shared a good time as we danced the night away on the Becky Thatcher Boat cruising down the Mississippi.

—Christopher M. Jenkins

MARQUETTE, DELTA—This year has been a busy one for Delta Chapter. Professional events ranged from a diverse array of speakers, including: Bo Black, the coordinator of Summerfest; and Steve Harnes, marketer for the Milwaukee Bucks; to an Etiquette Brunch and several interesting tours, including the Milwaukee County Zoo and the Haggerty Museum of Art.

Several Brothers also participated in Al's Run, volunteered in the Food For Families program, and went Christmas caroling at a nearby nursing home. We have also been able to work with Junior Achievement in teaching a course in Business Basics to fourth, fifth and sixth grade students.

Our most profitable fund raiser was promoting AT&T in the fall, while the one that was the most fun was entitled,

"Besse Bingo" and involved a real cow! Alumni relations have also greatly improved over the year.

—Amy S. Albrinck

QUINCY COLLEGE, LAMBDA OMEGA—On Saturday evening, April 22, the 222nd chapter of Delta Sigma Pi was established at Quincy College. What initially started as only a dream became a reality when Mid-American Provincial Vice President Marlow B. Kee presented chapter President Jennifer Blair with the Lambda Omega Chapter Charter. Also on hand for the ceremonies were Great Lakes Regional Director Joseph J. Dabrowski, District Director Stephen L. Black, Collegian of the Year 1987 William E. Newburry and Assistant Executive Director Michael T. Walsh.

A full day of events started with registration, campus tours, initiation ceremonies and ended with an evening banquet and dance. During the banquet, several individuals were recognized for outstanding performance. Senior Vice President Todd Friye was chosen by the chapter as Outstanding Executive. Outstanding

Member went to Jeanne Puzniak and Mike Thornhill received the Scholarship Key. In addition, the seven seniors responsible for laying the groundwork were recognized. Those recognized were Jennifer Blair, Diane Brummel, Patricia Churchill-Loos, Todd Friye, Bob Jenkins, Patricia Mahoney and Mike Thornhill.

No awards ceremony could have been complete without recognition of the tremendous service given to both the fraternity and the Lambda Omega Chapter by District Director Steve Black. Great Lakes Regional Director Joe Dabrowski presented Steve with a Testamonal of Appreciation from the fraternity's Board of Directors. Steve also received a plaque from the Lambda Omega Chapter for his outstanding service. It is safe to say that this day never would have been a success without his help.

It has been a very busy and enjoyable year for Lambda Omega Chapter. We have all worked extremely hard and want to thank everyone for their assistance and positive attitude.

—Michael D. Thornhill

Dave Ralph, Laura Clusky, Brenda McCluskey, Donna Klein, Lisa Spangler, Tom Leveck and Joe Harrington celebrate Iota Chi Chapter's Brotherhood Week at Illinois State University.

The Chapters Speak

WISCONSIN-WHITEWATER, THETA XI—Theta Xi Chapter had a very productive first semester, with one of the strongest professional programs in many semesters and a total of 43,000 CEI points in December, placing us second in the region. In addition, we initiated seven new Brothers and are confident they will lead us in the long range goals of the chapter. We have also, through the joint efforts of our Treasurer and Finance Committee, developed many new fund raising ideas and have generated enough revenue to go forward with the renovation of our house. This took a lot of time and energy, but we feel the chapter, as a whole, will benefit in the long run.

A tour of the Chicago Federal Reserve Bank and a presentation by Clyde Fessler - Director of Trademark and licensing for Harley-Davidson, were only two of our professional events this past semester. One of our goals for this year is to work toward attaining the Most Improved Chapter Award.

We would like to extend an invitation to all chapters to come and visit the Brothers of Theta Xi Chapter this year.

—Timothy A. Carnes

CHICAGO—Looking for an organization that you can belong to for decades that will give you many professional and social contacts? If yes, then we are the organization for you! Unlike our collegiate chapters that you graduate from when you leave school, we are a chapter that you can graduate to and, in the process, continue to have the fun and the Brotherhood you had as a collegiate member.

Our activities are as diverse as our membership. We have dinner/speaker functions, golf outings, wine tastings and our Undergraduate Weekend, to name a few. We have members that were initiated by over 40 collegiate chapters nationwide, and our membership encompass all age groups.

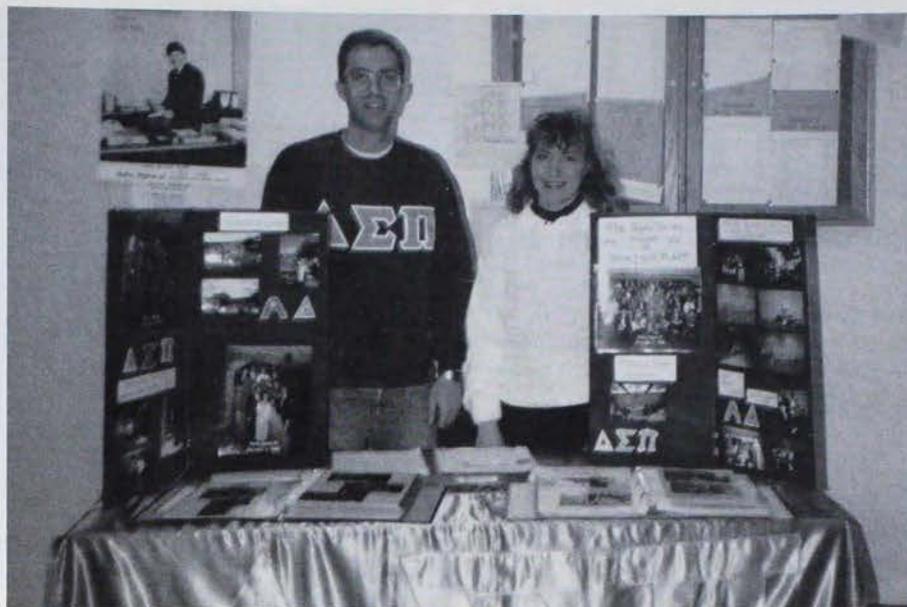

We had a great time at our picnic on July 15, and at the 37th Grand Chapter Congress in mid-August. Our Round Up Night is coming up on September 9. We have also announced that our 7th Annual Chicago Invitational Basketball Tournament will be held on February 24, 1990.

All interested alumni may contact us at our Post Office Box: Chicago Alumni Chapter of Delta Sigma Pi, P. O. Box 11314, Chicago, IL 60611.

—James L. Prescott

HEART OF ILLINOIS—It has been a productive and growing year for the Heart of Illinois Alumni Chapter. Since its founding last spring, the chapter has grown nearly two-fold.

The chapter started the year by issuing the first semi-annual issue of the "Great Lakes Regional Directory," which disseminates regional addresses and contacts. The chapter also sent three representatives to the Great Lakes Regional Confer-

Tim Prickett and Lori Doerr work at Alpha Delta Chapter's information table during the chapter's recruiting efforts last semester at the University of Nebraska at Lincoln.

ence in Milwaukee in October to help "get the word out" about Deltasig developments in Central Illinois. On November 9, the chapter sponsored its first "Brotherhood in Bloomington" celebration which attracted in excess of 100 Brothers who participated in a cookout, professional tours of State Farm Insurance and Nestle-Beich, and a Founders' Day bash. The Heart of Illinois Alumni Chapter has also been involved with the Bradley University and Quincy College expansion efforts over the past year.

Internally, the chapter has sponsored activities ranging from the, now-legendary, pool party to progressive dinners. The chapter, which has just adopted a Board of Directors structure and elected new officers, is looking forward to many events during the upcoming year.

—Stephen L. Black

NORTH CENTRAL REGION

NEBRASKA-LINCOLN, ALPHA DELTA—This past spring semester, Alpha Delta Chapter had its largest pledge class since 1981. The highlights of the pledge program were the community service project and the business project. The pledges organized a spaghetti dinner for 100 of Lincoln's homeless. They financed and prepared the dinner at the People City Mission. Five hundred dollars was raised by the pledges through a raffle. This money will be given to a professor at the University of Nebraska-Lincoln, College of Business Administration to further business research.

The North Central Regional Conference was hosted by Alpha Delta Chapter last November with over 110 people attending. The theme of the conference was

"Communications in World Markets." The Brothers were moved and inspired by Mr. Dave Swanson of Milwaukee and educated on non-verbal communications in world business by Mr. Robert Harris, Chairman of Harris Technology.

The chapter held its 12th Annual Basketball/Volleyball Marathon. Over 25 teams entered the marathon that lasted 44 hours. Donations went to the Spina Bifida Association of America.

"Sing along with Kollin" was just one of the creative ideas of the motivation committee. During chapter meetings, Kollin Kostbooth, with his great voice, sunglasses and back-up singers, Lynn and Sheila, sang a part of a popular song. The Brother who could complete the song received a prize.

The other activities that kept the chapter busy throughout the year included community service projects such as the Big Brother/Big Sister Halloween party, Easter egg hunt and food bank. Fund raising projects consisted of selling Leggoons, jewelry, pom poms at football games and J. C. Penney credit card applications.

—Cindy M. Petersen

WAYNE STATE-NEBRASKA, ETA PI—Last year Eta Pi Chapter was very successful in recruiting new members. In the fall semester we initiated 12 new members and in the spring we gained 17 new initiates. We also celebrated our 20th Anniversary as a chapter on April 1, 1989, at our annual Rose Formal which was held in Omaha, Nebraska. It was well attended by collegiate members, Wayne State College business faculty and Delta Sigma Pi alumni. It was a great time to share stories and renew old friendships, as well as make new ones.

The Chapters Speak

ries and renew old friendships, as well as make new ones.

This past year was a very busy one for our chapter. In addition to sponsoring several speakers, the chapter volunteered to help at a high school business competition day held on Wayne State College's campus. We also helped host a business workshop. In January, we attended the North Central Region Basketball Tournament in Winona, Minnesota, hosted by Kappa Upsilon Chapter at Winona State University. While we were there, we toured a few businesses in the surrounding area.

WINONA STATE, KAPPA UPSILON—The weekend of January 27-29, 1989, was one of fun and games for the Brothers in the North Central Region. The Annual Volleyball/Basketball Tournament was held at Winona State University, hosted by Kappa Upsilon Chapter.

Although the festivities unofficially began on January 26 with the arrival of the Eta Pi Chapter Brothers from Wayne State College, planning began much earlier. Thanks to all contributors, with special credit to Pamela J. Miller! The other chapters from the region arrived eagerly on January 27 and were welcomed at the Holiday Inn. Those who were able to attend included Brothers from Iowa, Drake, Nebraska-Lincoln, Minnesota, St. Cloud State and Mankato State. Brothers from the Twin Cities Alumni Chapter attended as well.

The games began Saturday morning and concluded when Epsilon Chapter at the University of Iowa and Eta Pi Chapter at Wayne State College won the basketball and volleyball championships, respectively. Trophies were awarded to the teams after the banquet. The banquet provided an opportunity for the 219 Brothers to eat and relax before the big night of dancing and socializing. A chartered bus furnished transportation to and from the dance site.

North Central Regional Director Marvin Anderson and Eta Pi Chapter's District Director Janice Kiewal, were both able to join us and gave the tournament good reviews. Thanks to all who made the weekend the memorable time that it was!

—Donna M. Leach

TWIN CITIES—Sunday, June 25, was the day for the Twin Cities Alumni Chapter's annual pig roast. Over 200 Brothers, friends, and family attended this fun-filled day of volleyball, good food and warm Minnesota sun at West Bush Lake Park in Bloomington.

This month the Twin Cities Alumni Chapter will be painting a house in the Metro Paint-a-thon, a community service project to help the elderly and handicapped. Last summer, while painting, our president fell and broke his foot. He as-

Faculty and alumni, including Dean of the College of Business Ralph Williams, joined the Brothers of Kappa Omicron Chapter to celebrate Founders' Day last fall at Southwest Missouri State University.

sure us he will not have a repeat performance this year.

The 1989 Twin Cities Alumni Chapter "Forecaster" held in February, was an outstanding success. Gary Stern, President of the Minneapolis Federal Reserve, spoke to over 80 Brothers on such topics as the economy, interest rates and the deficit.

Our meetings are at 7:00 P.M. on the first Thursday of each month at Sgt. Preston's in Seven Corners. If you would like more information call Eric Esau at 612-944-3728.

—Eric J. Esau

MIDWESTERN REGION

CENTRAL MISSOURI STATE, IOTA OMI-CRON—The Iota Omicron Chapter celebrated its 10 year anniversary at Central Missouri State University during the 1988-89 school year. The events included declaration of Delta Sigma Pi Week, a field trip and a Kansas City Royals baseball game. The high point of the celebration was the spring birthday banquet and weekend of festivities.

A new service project was started this year with Iota Omicron Chapter adopting a portion of Highway 13 and picking up trash to keep the area clean.

Once again, spring break trips to Daytona Beach, Florida, and Padre Island, Texas, were sponsored. Field trips were taken to DST, Hallmark Cards and Farm-land Industries.

Other events this past year included a Founders' Day banquet, faculty appreciation week, Rose Formal, a charity volleyball tournament and various professional events.

—M. Jeanette Wallenburn

NORTHEAST MISSOURI STATE, IOTA NU

The Iota Nu Chapter kicked off the year with tremendous support and enthusiasm from the alumni at the 10 year anniversary celebration which included nearly one-half of Iota Nu Chapter's total membership. The weekend was highlighted by appearances from Grand President John Henik and Mid-American Provincial Vice President Marlow Kee.

At the Midwestern Regional Conference in October, Iota Nu Chapter received five awards, including the Most Outstanding Chapter in the Region and Regional Outstanding Service Awards.

The chapter ventured to Chicago for a Spring Break trip, and toured such places as The Board of Trade, O'Hare Airport, and the Burnett Advertising Agency. Other professional events included Graduate School Day, an etiquette dinner, panel discussions and a resume workshop.

Community Service events were topped off by receiving our \$1,000 goal for the 3rd Annual Cystic Fibrosis Lock-Up. The chapter also initiated a Boogie-for-Breath dance with proceeds going to Cystic Fibrosis. Other activities included visits to Twin Pines Nursing Home, petting animals at the Humane Society, sponsoring a Blood Drive, and helping with the county commodity distribution. The year concluded with the adoption of a portion of Missouri Highway 63 that we are responsible for cleaning and beautifying.

—Ellen R. Tumbleson

OKLAHOMA, BETA EPSILON—Last fall, Beta Epsilon Chapter initiated 19 new members, including our new faculty advisor Michelle Tersine. Our chapter sent

The Chapters Speak

The new initiates of Iota Psi Chapter celebrate with Vice President for Pledge Education Eddie Roberson last fall after their initiation at Corpus Christi State University.

We were very successful in recruiting 25 prospective members. We initiated these students in the spring with Beta Chi Chapter at the University of Tulsa and Gamma Epsilon Chapter at Oklahoma State University. This joint initiation served to bring the chapters in our area together and prompted a better fraternal spirit. We had an excellent pledge program and have enjoyed working with our new initiates throughout the year.

Beside working to increase our chapter size, we have also been active with many professional activities. The chapter toured Hitachi and TV9, discovered what "The Altitude of Their Attitude" was, learned about "Dressing for Success," as well as about the "Integrity in the Business World." In April, we further expanded our knowledge of retail business on a road trip to Dallas to tour the World Trade Center.

A special thanks to Beta Epsilon Chapter's alumni of 1979 for establishing the Jack Michael Warren Memorial Scholarship. At the reunion they sponsored, in excess of \$850.00 was donated for the establishment of this scholarship. We were honored with the presence of two of our chapter's founding Brothers Burton E. Towne and A. J. Braun. Past Grand President and Beta Epsilon Chapter alumnus Michael R. Mallonee was the guest of honor.

—Kelley T. Plummer

SOUTHWEST MISSOURI STATE, KAPPA OMI-CRON—One of our community service projects last spring was our co-sponsorship of the Drug Free Dance '89. This event was sponsored by many local businesses, hospitals and Kappa Omicron Chapter. Members donated their time by

painting posters and decorating or serving refreshments at the dance. It was our desire to bring together teens from the surrounding area and let them have a good time enjoying pizza and soft drinks, shaking their "proverbial groove thing," and kicking back and just sharing time with their peers, without feeling the need or pressure for drugs. It is our belief and hope that activities such as these can benefit our community and be a success for Delta Sigma Pi.

Our second community service project last year was a garage sale that benefited the American Cancer Society. Members were involved with posting flyers, pricing items and then haggling with stingy, but wonderful shoppers. Our efforts generated over \$420.00 for new research which will someday produce a cure.

Our final spring project helped the American Red Cross raise funds to further their important community services. Kappa Omicron Chapter assisted by encouraging others to purchase pizzas from the Red Cross at their "Fresh Pizza Make" on April 22. This project gave members the opportunity to raise over \$225.00 for the Red Cross, which will also benefit our community.

KANSAS CITY—The Kansas City Alumni Chapter has completed a full year of its reactivation process. More Brothers are becoming involved and we see nothing but a bright future for the chapter. With more than 25 members, we are constantly seeking new Brothers and new, exciting ideas.

A few examples of activities in which we have participated include: a Christmas decoration hanging at Spoffard House for children; an ice skating party at Crown

Center Ice Terrace; an evening at Heart-throb's Nightclub; and a Slapstix Comedy Club/Pizza Hut night. Some future plans for the chapter include: a picnic; a canoe float trip in South Missouri; and more Spoffard House activities.

The Kansas City Alumni Chapter is on the move. We hope all Kansas City alumni will come and join in on the fun and Brotherhood. We would like to meet you all and welcome your ideas for a better overall chapter. For more information, please call Brad Wirths at 816-435-8358 or 816-941-8315.

—Bradley J. Wirths

SOUTHWESTERN REGION

ANGELO STATE, ETA THETA—Last year began with our chapter president attending the Leadership School in Los Angeles. Our "Go Greek" recruiting theme attracted many candidates to the information meeting where they learned about Delta Sigma Pi. We pinned 17 pledges at the pledging ceremony. Two days later, Brothers and pledges traveled to San Antonio to attend the Southwestern/Gulf Western Regional Conference.

Back in San Angelo the pledges stayed busy completing pledge program requirements. The collegiate members were preparing for Angelo State University Homecoming events. Our chapter participated in the homecoming bonfire and entered a float in the parade. Pledges ran victory laps during the homecoming game. The next day collegiate Brothers defeated alumni Brothers at the annual football game.

Eta Theta Chapter initiated 13 collegiate and one faculty Brother. All enjoyed the initiation banquet and dance. The semester was filled with professional and fund raising events, community service projects and lots of Deltasig fun. We plan to do even more this year to reach our goal of achieving 100,000 points in the Chapter Efficiency Index.

BAYLOR, BETA IOTA—Beta Iota Chapter at Baylor University in Waco, Texas, has developed a uniquely successful carnival booth. Each semester there is some sort of school carnival or celebration that allows organizations to enter booths: food booths, games, contests, etc. The chairman of the third annual Baylor Fall Fest Carnival said our particular game booth was the best organized booth he had seen in the last two years. The booth preparation got all the members excited and involved in setting it up.

We simply had each member contact local businesses for prize donations in return for advertisement space at our booth. Participants who stopped at our booth paid 50 cents to select a lolly-pop which had previously been numbered. If

LEADERSHIP FUND

*Michael J. Mazur, Jr.
Executive Director*

From The Executive Director

Dear Brother,

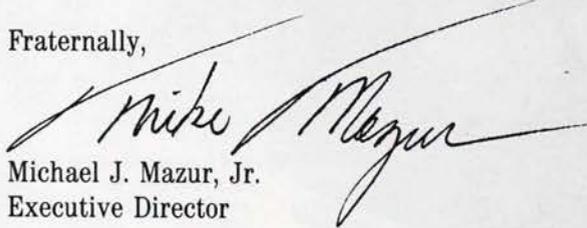

The Annual Campaign of the Leadership Fund is an investment in both our Fraternity and our membership. We are very excited about this excellent opportunity to ensure the continued growth and progress of our Brotherhood. We are certain that you too will share in this excitement.

This year is one of the most important for all of us. Through the Annual Campaign and your support, we will be able to take Delta Sigma Pi and your fellow Brothers to new heights. We are proud of the efforts of the over 20,000 loyal Deltasigs who have supported the Fraternity over the past years, and look forward to your continued support. We believe the Annual Campaign represents the best opportunity for you to support your Fraternity. The success of this new effort depends upon your help.

Over the next several months, the Leadership Fund will be asking you for your commitment. Your gift will strengthen Delta Sigma Pi and help your Fraternity grow. Join me in making an investment in the future of Delta Sigma Pi.

Your support will make our progress possible!

Fraternally,

Michael J. Mazur, Jr.
Executive Director

The Leadership Fund

Nineteen eighty-nine marks the inauguration of the Annual Campaign of the Delta Sigma Pi Leadership Fund. This new fund raising program represents one of the most important developments in the history of our Fraternity. The Leadership Fund, a separate legal entity, has built a special "partnership" with the Fraternity and the Educational Foundation in order to provide the "best of both worlds" to those who wish to support Delta Sigma Pi.

Through the Annual Campaign, the Leadership Fund will make resources available for expanded Scholarships and Fellowships to Deltasigs (so important in this day and age of rising college costs), and will support educational and leadership programming in the Fraternity. The Leadership Fund, with your help, will allow Delta Sigma Pi to keep pace with the changing needs of our Brotherhood.

Why the Leadership Fund?

It's really quite simple. Gifts made to the Leadership Fund are *tax-deductible*. Gifts to the Fraternity are not. Additionally, because of I.R.S. restrictions, raising money through the Fraternity has become increasingly difficult over the years. A single fund raising program of a charitable organization (such as the Annual Campaign of the Leadership Fund) eliminates confusion and meets all I.R.S. restrictions and guidelines.

Because the Leadership Fund is a public, charitable and educational corporation with an Internal Revenue Code Section 501(c)(3) standing, we not only can provide you with tax-deductibility, but can also fund a variety of important programs in the Fraternity. The Annual Campaign provides you with the best opportunity to support Delta Sigma Pi.

Giving Levels

Through the Annual Campaign, the Leadership Fund has established Giving Levels to recognize contributions from Brothers. All gifts made during the lifetime of a Brother are credited toward membership in the appropriate cumulative Giving Level:

Life Member Level	\$100.00
1907 Society	250.00
Crown & Delta Society	500.00
Trustee Associate	1,000.00
Chairman's Forum	2,500.00
Founders' Circle	5,000.00

The giving history of all Brothers who have made previous contributions in support of Delta Sigma Pi will be fully credited for past generosity, and the Brothers name will be added to the appropriate Giving Level. Examples of this type of support would include previous Life Member payments, prior gifts to the Educational Foundation, and prior Alumni Dues payments. These new Giving Levels will allow the Leadership Fund to fully recognize the past support of loyal Deltasigs, while at the same time recognize their continuous support of the Annual Campaign.

The Spring issue of The DELTASIG magazine (published in April of next year) will have a complete listing of all Annual Campaign contributors and Giving Level members. Every year, this and other forms of recognition will be provided to those who have made contributions to the Annual Campaign of the Leadership Fund. We hope to be able to include your name on this important list of loyal supporters.

Life Membership

As you can see through the Giving Levels, the Life Member concept is alive and well. With a special arrangement between the Leadership Fund and the Fraternity, the first Giving Level of the Annual Campaign is that of the Life Member. For those who have supported the program in the past, you will automatically receive recognition for your support (at your original contribution amount, or \$100.00, which ever is greater), and will continue to receive your benefits. For those looking to support in the future, the Leadership Fund now provides you with that avenue.

By making your tax-deductible contribution to the Leadership Fund, you can enjoy all the benefits and rewards of Life Membership. The great tradition of supporting Delta Sigma Pi continues. The Leadership Fund is now the best way in which all Brothers can show their dedication and commitment.

How I can help

The easiest, and by far the most beneficial way to support your Fraternity, is for you to make tax-deductible contributions to the Annual Campaign of the Leadership Fund. Your contributions will help your Fraternity grow stronger, and will allow it to meet the challenges and opportunities that face it.

In several weeks, you will be receiving a request in the mail. We hope that at that time, you will be able to make a commitment to the Annual Campaign, and support your Brotherhood. Of course, if you should ever want to take advantage of gift opportunities above and beyond the Annual Campaign, the staff of the Leadership Fund is here to assist you.

Where my support goes . . .

Scholarships

In 1988-89, over \$11,000.00 in scholarships were awarded. Scholarship recipients are selected by a national committee composed of prominent faculty Deltasigs. Those selected, represent a field of students who have excelled academically, and have made meaningful contributions to society. The following individuals were selected to receive scholarships in 1988-89:

Marcia Harris, sister of Gregory C. Harris, *Delta Xi*, East Tennessee State

Marcus R. Ringheim III, son of Marcus R. Ringheim Jr., *Beta Psi*, Louisiana Tech

Karen Harting, *Lambda Xi*, Grand Valley State

Ernest J. Myers, *Omega*, Temple

Y. Lynnette Servaes, *Epsilon Phi*, Sacramento State

Mathew S. Levin, *Rho*, California-Berkeley

Chris E. Robinett, *Alpha Delta*, Nebraska-Lincoln

How your contribution will help

Your contributions will help us continue to increase both the number and amount of scholarships available for Deltasigs. In 1990-91, we expect to award nearly \$16,000.00 in financial aid to individuals who have demonstrated excellence in scholastic achievement, fraternal activity, and campus and community service.

Your contributions to the Annual Campaign will enable us to continue to help fellow Deltasigs meet their financial needs while in school. As college costs on both an undergraduate and graduate level increase, your help in this area is more important today than ever before.

Mr. & Mrs. Sydney A. Sparks Scholarship Profile

Brother Chris E. Robinett was selected as the 1989 Collegian of the Year, and is now eligible to receive the Mr. & Mrs. Sydney A. Sparks Scholarship. Brother Robinett was president and historian of Alpha Delta Chapter, and maintained a 3.7 grade point average in his undergraduate studies. Chris is currently employed by a financial consulting firm in Lincoln, Nebraska, and plans to pursue both a CPA and CFA certificate in the immediate future. Chris hopes to return to school soon to begin his graduate studies in business.

The Mr. and Mrs. Sydney A. Sparks Collegian of the Year Scholarship was endowed through a generous gift by Founders' Circle member Sydney A. Sparks of Beta Kappa chapter in 1981. We thank Brother Sparks for his generous support of Delta Sigma Pi.

Educational Grants

Contributions to the Annual Campaign will also help the Leadership Fund support educational and leadership programming in Delta Sigma Pi. Through your support, Delta Sigma Pi will be able to assist our Brothers in developing those skills which will enable them to be successful in business and in life. Through educational and leadership programming in the Fraternity, we are able to keep pace with a changing society and Brotherhood in the areas of personal and professional development. Some areas where your contributions will help are:

Educational/Leadership Programming

- The Grand Chapter Congress, where nearly 1,000 Deltasigs participate in this biennial convention, consisting of over 50 hours of educational programming.
- The Leadership Schools, which offer an educational forum that assists our

chapters in being the best that they can be through teaching individual leadership skills.

- Seminar topics, including: alcohol awareness, time management, communication skills, community service, group dynamics, motivation, etc.
- And other educational/leadership programs which although now are still under development, will become a reality soon because of your help.

Chapter Consultant Development

The Leadership Fund, through your contributions, also supports the Chapter Consultant training program. Chapter Consultants travel across the nation assisting and advising our collegiate chapters. Their two month training and education program provides them with the needed skills to manage a broad spectrum of issues—community service, faculty and university relations, alumni programming, chapter management, and scholarship, just to name a few.

By supporting the Chapter Consultant development program, the Leadership Fund is able to provide a direct benefit to chapters all across the nation.

Philanthropy & Charity

One final area that the Leadership Fund supports is general philanthropy and charity. Our Fraternity engages in numerous projects that benefit more than just Delta Sigma Pi and its members. For example, Delta Sigma Pi publishes the *Biennial Survey of Colleges and Universities offering an*

Organized Curriculum in Business and Commerce Administration, a reference guide distributed to universities, libraries, governmental agencies, and business. Also, Delta Sigma Pi awards its Scholarship Key to the business student who graduates with the highest grade point average at a school in which we

have a chapter. This respected and coveted honor is one of business education's highest forms of recognition for outstanding scholastic achievement. Your support will enable Delta Sigma Pi to remain an active partner in the business world and in business education.

Questions & Answers:

Your guide to understanding the Leadership Fund

What is the Delta Sigma Pi Leadership Fund?

The Leadership Fund is a tax-exempt, public, charitable and educational corporation with an Internal Revenue Code Section 501(c)(3) standing.

What does the Leadership Fund do?

The Mission Statement of the Leadership Fund provides a great deal of insight as to the purpose of this organization:

"The Delta Sigma Pi Leadership Fund exists to provide for the furtherance of business education through the extension of financial assistance and the support of worthy educational, scientific and charitable programs."

Where is it located?

The Leadership Fund shares office space with the International Fraternity of Delta Sigma Pi at The Central Office in Oxford, Ohio. Its full mailing address and phone is:

Delta Sigma Pi Leadership Fund
330 South Campus Avenue
P.O. Box 230
Oxford, Ohio
(513) 523-5252

Who runs the Leadership Fund?

The Leadership Fund is run through the volunteer efforts of Brothers in Delta Sigma Pi who comprise the Board of Trustees for the corporation. They, giving freely of their time and knowledge, guide the Fund and its programs. Additionally, the Fund is served by Michael J. Mazur who is Executive Director, and Daniel S. Doyle, who serves as the Director of Development and administers to its daily operation.

Why raise money through the Leadership Fund?

The Fund asks for contributions in order to make resources available primarily for scholarships, grants, and educational/leadership programming in the Fraternity. Gifts to the Leadership Fund are tax-deductible. Gifts made to the Fraternity are not. We have found that Brothers respond favorably to this tax advantage.

What types of programs will my contribution support?

Through your generous support, the Leadership Fund will be able to provide needed resources to those areas of greatest importance to our Fraternity. Currently, arrangements have been made

for the Leadership Fund to support:

- 1) Scholarships to Brothers in Delta Sigma Pi
- 2) Grand Chapter Congress educational programming
- 3) The Delta Sigma Pi Leadership Schools
- 4) Seminar topics on a wide array of issues
- 5) Chapter Consultant development
- 6) Delta Sigma Pi Scholarship Key and Biennial Survey

As you can see, the Leadership Fund and the success of its Annual Campaigns are of great importance to our Brotherhood.

What about the alumni dues program?

The Fraternity will no longer solicit alumni dues. The Annual Campaign of the Leadership Fund will now provide loyal Deltasigs with the best possible avenue available today to support Delta Sigma Pi. Contributing to the Leadership Fund is the best thing a Brother can do for the Fraternity.

What about my Life Membership?

The Life Member concept is alive and well, as was mentioned earlier. The Leadership Fund will recognize the support that Life Members have made to Delta Sigma Pi over the years. For those who have supported the program in the past, you will automatically receive recognition for your support at your original contribution amount, or the \$100.00 level, whichever is greater. For those looking to support in the future, the Leadership Fund now provides you with that avenue.

What about the Delta Sigma Pi Educational Foundation?

In the past, the Delta Sigma Pi Educational Foundation served our Fraternity as the administrator of scholarship programs for our Brotherhood. They also conducted a limited fund raising effort aimed at generating money to support those scholarships. Now that a special "partnership" has been formed between the Foundation, the Fraternity and the Leadership Fund (which has been endorsed by the Foundation Board of Directors), the Leadership Fund will be assuming all fund raising responsibility in our Brotherhood.

All Brothers should make their contributions directly to the Leadership Fund through the Annual Campaign. The Leadership Fund will then be able to support scholarships for Deltasigs through grants to the Foundation and will also be able to fund a wide array of important programs in our Fraternity.

Will I receive recognition for my past support?

YES! Because of the special relationship between the Fraternity, the Educational Foundation and the Leadership Fund, all contributors will be fully credited for their past generosity. Since we have donor records dating back several years, we will be able to ensure that your past support is appropriately recognized.

How can I support the Leadership Fund?

Beginning this year, the Leadership Fund will be conducting an extensive Annual Campaign inviting Brothers across the nation, and indeed, across the world, to support its programs. The Annual Campaign mailings will be sent out through the Development Office of the Leadership Fund, and will be arriving at your home within several weeks. Yearly contributions to the Leadership Fund are the best manner in which you can support your Fraternity.

Your check, made to the Delta Sigma Pi Leadership Fund, can be returned in the envelope provided to you with your Annual Campaign materials.

Are my contributions to the Leadership Fund tax-deductible?

YES! Contributions to the Leadership Fund are fully tax-deductible for federal income tax purposes as a charitable contribution.

Will my contributions qualify me for recognition in a Giving Level?

Your annual support of the Leadership Fund will qualify you for recognition in the Giving Level program. Annually, the Leadership Fund will recognize your support in The DELTASIG magazine. Your Giving Level membership will be determined by your life-to-date contributions in support of Delta Sigma Pi. The Delta Sigma Pi Leadership Fund is proud to honor those brothers who have reached certain cumulative Giving Levels. The Leadership Fund recognizes Brothers at the following levels:

Life Member level	\$ 100.00
1907 Society	250.00
Crown & Delta Society	500.00
Trustee Associate	1,000.00
Chairman's Forum	2,500.00
Founders' Circle	5,000.00

Does the Leadership Fund accept Memorial Contributions?

YES! The Leadership Fund is pleased to be able to accept contributions made in memory of a Brother. Those who make a memorial contribution will receive a special donor recognition listing in The DELTASIG magazine, and their Giving Level membership will be fully credited. Additionally, the Leadership Fund will notify the family of the Brother that a memorial contribution has been received. Memorial contributions provide you with an excellent means of recognizing a Brother's dedication and commitment, while at the same time supporting your Fraternity.

Do you accept corporate matching gifts?

YES! If you work for a company which participates in a matching gift program,

your Annual Campaign contribution may be doubled or even tripled by your employer. The staff of the Leadership Fund will be more than happy to assist you in providing your employer with the information they need to match your gift.

Generally, in order to have your gift matched by your employer, you must first obtain a matching gift form, and then send it in with your contribution to the Leadership Fund. One special advantage to corporate matching gifts is that your Giving Level membership will be credited not only by your original contribution amount, but also by your employer's matching gift.

What other gift opportunities are available to me?

Above and beyond Annual Campaign contributions, the Leadership Fund also makes available to donors various other giving opportunities:

- 1) Bequests—through your will, you can provide for direct distributions to the Leadership Fund.
- 2) Life Insurance—by naming the Leadership Fund as the owner and beneficiary of a life insurance policy, you can receive a tax deduction for your premium payments.
- 3) Securities—gifts of securities are in many cases accepted by the Leadership Fund, and provide you with another avenue for support.
- 4) Gifts in Kind—the Leadership Fund also accepts many donations of real estate and rare possessions.

We suggest that if you are interested in any of the above options, consult your attorney and tax advisor and call or write:

Support Delta Sigma Pi . . .

There are many ways in which you can support your Fraternity. The most important way, and by far the easiest, is by contributing to the Annual Campaign of the Leadership Fund. Through your *tax-deductible* contributions, your Fraternity can continue to provide the same quality experience you enjoyed as a collegiate.

Your contribution will make this inaugural Campaign year a success. When you receive your request in the mail, make Delta Sigma Pi one of your priorities—make your commitment to the 1989 Annual Campaign count!

. . . Support
the 1989 Annual Campaign!

(continued on page 39)

of North Texas, **DANA C. HILL**, is the Collegian of the Year nominee from the Southwestern Region. An April 13, 1986, initiate of Delta Epsilon Chapter, Dana has served her chapter as Secretary, Alumni Banquet Co-Chairman, Bylaw Chairman and as a member of the Newsletter Committee. She has also served on the Executive Committee Review Board Committee and the Long Range Planning Committee of Delta Epsilon Chapter.

While at the University of North Texas, Dana has been a member of Gamma Beta Phi, the honor and service organization. She is also a member of Golden Key, Alpha Chi, the honor society, and the North Texas Marketing Association. Named to the National Dean's List for three

Dana C. Hill

years, Dana has also been recognized by Outstanding College Students of America.

As a student at the University of North Texas, she has been employed as a Sales Associate at Casual Corner in Addison, Texas. She has also worked as a Group Administrator Assistant for BSC Life Insurance Company in Dallas and for two years worked for Cox Appraisals.

Following her graduation in May of 1990, Dana plans to pursue a career in Retailing with a specialty retailer.

STEPHEN S. HENNIGAN, is the Collegian of the Year nominee from the Gulf Western Region. Stephen is a finance major at St. Mary's University in San Antonio, Texas, after having transferred from the University of New Orleans. Initiated on November

23, 1985, by Epsilon Nu Chapter at the University of New Orleans, he is now an affiliate member of Lambda Upsilon Chapter at St. Mary's University.

While in Epsilon Nu Chapter at the University of New Orleans, Stephen served as Vice President for Professional Activities. He was also named Best Pledge in Epsilon Nu Chapter. After transferring to St. Mary's University, he initiated efforts to begin a chapter of Delta Sigma Pi. As the founder of Lambda Upsilon Chapter, he served initially as President of the Sigma Alpha Tau Colony. Since the chapter's installation, he has served Lambda Upsilon Chapter as Ritual Chairman and Chancellor. He has also served on the Bylaws, Community Service, Fund Raising, Internal

Stephen S. Hennigan

Audit and Control, Recruiting, Ritual, Professional Activities and Social Committees of the chapter.

In addition to his involvement in activities with his own chapter, he has attended many events of other chapters in the region. He attended the 1986 Gulf South Regional Conference in Baton Rouge, the 1988 Gulf Western/Southwestern Regional Conference in San Antonio, the Executive Committee meeting in New Orleans, the 1988 Mid-American Provincial Leadership School in St. Louis and the 36th Grand Chapter Congress in New Orleans.

While at St. Mary's, Stephen has also been a member of the St. Mary's Business Finance Club and the Young Entrepreneurs Society. He has been involved in the St. Mary's Alumni Association Mentor program.

The recipient of the first Ben H. Wolfenberger Award, a grant offered by the Delta Sigma Pi Educational Foundation, Stephen has also been the recipient of the Jesse & Mary Jones Scholarship.

While in San Antonio, Stephen has worked as an Operational Analyst Intern for the Victoria Mortgage Company and was also employed as a Financial Analyst Intern by S.A. Mortgage Service Company. While in New Orleans, he was Co-Proprietor and Controller at Bandi Entertainment Enterprises, Inc., in Metairie, Louisiana, and was a Marketing Representative for Horven Realm, Inc., in Kenner, Louisiana.

Following the receipt of his Bachelor of Business Administration degree from St. Mary's University in Decem-

Bryan S. Anderson

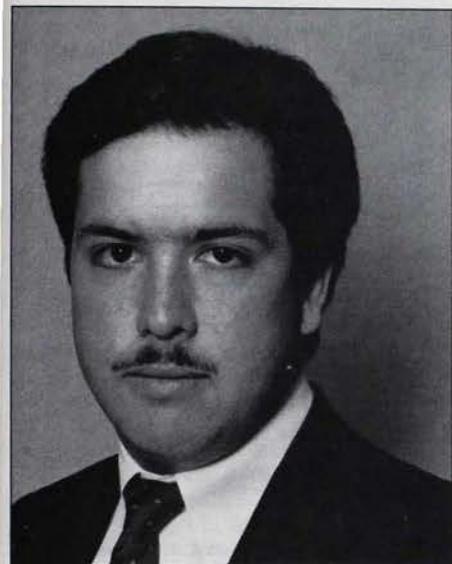

ber of 1989, Stephen plans on pursuing an MBA degree at either Northwestern University, the University of Pennsylvania or the University of Texas at Austin.

BRYAN S. ANDERSON, is the Collegian of the Year nominee from the Intermountain Region. A travel and tourism marketing and management major at the University of New Mexico, Bryan maintained a 3.2 grade point average. Initiated by Gamma Iota Chapter on April 19, 1986, Bryan is a Life Member.

As a member of Gamma Iota Chapter, he served two terms as President. He was also Vice President for Chapter Operations, Vice President for Finance and Ritual Chairman. He also served as Chairman for the Gamma Iota Chapter's 40th anniversary celebration. During his terms as

President, Gamma Iota Chapter was voted Most Outstanding Chapter in the Intermountain Region and also received the Regional Community Service Award. Bryan attended the 1988 Intermountain Regional Conference in Tempe, Arizona, and also served on the National Committee on Membership.

While at the University of New Mexico, he was involved in Trailblazers, the student alumni association. He was also a Special Admissions Committee member at the University of New Mexico. He was a member of several honorary fraternities and societies including: International Spurs, the collegiate sophomore service honorary; Las Campanas, the collegiate junior honors society; Blue Key, the collegiate senior honorary; and Mor-

Robert A. Tavarez

tar Board, the collegiate senior honorary.

While at the University of New Mexico he was named to Who's Who Among Students in American Colleges and Universities and received the Presidential Academic Fitness Award. He received the Outstanding Las Campanas Member Award and Scholarship, the Presidential Scholarship and the Jessica Donaldson Graham Outstanding Spur Service Award and Scholarship.

While in school, Bryan worked as Assistant Director of Sales for Howard Johnson East in Albuquerque. He also was a commissioned sales associate for Sears for two years. Additionally, he was employed at Summit Stationers, Seagull Street Fish Market Restaurant and Valentino's Italian Ristorante. He developed a complete

marketing plan for the Red River Resort in New Mexico and also designed and conducted a market research project for West Coast Sound Retail Stores in Albuquerque.

A May, 1989, graduate of the University of New Mexico, his future plans include working at a major convention hotel in sales, eventually working up to the position of General Manager. He would also like to some day own and operate his own luxury hotel.

A December, 1988, graduate of San Jose State University with a major in information research management, **ROBERT A. TAVAREZ**, is the Collegian of the Year nominee from the Western Region.

An April 26, 1986, initiate of Theta Chi Chapter at San Jose State University, Robert served his chapter as President, Senior Vice President and Chancellor. He also served as Newsletter Editor and Membership Chairman. He attended the 1986 and 1988 Western Regional Conferences and in the spring of 1988 was voted Most Valuable Member by his chapter.

While at San Jose State University, he served as Chairman for two terms on the Executive Council of Business Students. He received the 1988 San Jose State University Business Alumni Association Service Award and in 1987 was chosen as a San Jose State University Homecoming King Finalist.

Prior to his graduation, Robert was employed by Hewlett Packard in Palo Alto, California. He also worked as a Systems Analyst for Lockheed Missiles and Space Company in Sunnyvale, California. Following his graduation, he went to work for Hewlett Packard in a full time position as Programmer Analyst.

PATRICIA ANN MOM, is the Collegian of the Year nominee from the South Pacific Region. Recipient of a Bachelor of Business Administration degree in May of 1989 from the University of San Diego, Patricia maintained a 3.8 grade point average as an undergraduate.

Initiated as a charter member of Lambda Pi Chapter at the University of San Diego on May 10, 1986, Patricia served the chapter as Vice President for Community Service and Vice President for Chapter Operations. She also served as Banquet Chairman and Alumni Chairman. She was a member of her chapter's Ritual

Team, Pledge Education Committee, Social Committee and Intrafraternal Relations Committee.

While at the University of San Diego, she was also active in other organizations. She served as President of the Spirit Club for two semesters and was also a member of Beta Gamma Sigma honorary business fraternity. In addition, she did much volunteer work on and off campus in the San Diego area.

Patricia financed 100 per cent of her education at this private university through scholarships and employment. She received the University of San Diego Academic Grant, the Ahmanson Foundation Scholarship, the Home Savings Scholarship, the Henry T. Leyendecker Scholarship and the Fed Mart Foundation Schol-

Patricia A. Mom

arship. She also participated in the University of San Diego Honors program.

While in school she worked as a market associate coordinator for the Competitive Research Institute. She was also employed as a Real Estate Intern at California First Bank and a marketing intern at Mutual of Omaha. During her years of study she was also employed as an independent marketing agent for Avon Products, Inc., as a bank teller for Home Savings of America and was employed by the University of San Diego Manchester Executive Conference Center.

Patricia plans on a career in sales marketing or Consulting. She then would like to pursue an MBA degree after some additional experience in the business world.

Taking Note

Ronald C. Andujar, *Adelphi*, has been promoted to Assistant Treasurer of The Chase Manhattan Bank. Ron is responsible for portfolio analysis in the Credit (Administration) group. He has also been involved in auditing our floorplan dealers and in a number of other portfolio related projects. Ron joined CAF (Chase Automotive Finance) in 1985 while attending Adelphi (University) graduate school.

B. Todd Whisenant, *Alabama*, has been named Executive Assistant to the Senior Vice President-Director of Stores for Maison Blanche, the country's largest privately owned retail chain. Todd, past president of Alpha Sigma Chapter at the University of Alabama, previously worked for two years as Chapter Consultant for the fraternity. He is past District Director for Theta Sigma Chapter at the University of Central Florida and currently resides in Baton Rouge, Louisiana, location of Maison Blanche corporate headquarters.

After graduating from Ball State in 1986, **David C. Hollingsworth**, *Ball State*, has been employed with Champion International Corporation in Stamford, Connecticut. In January of 1989 he was promoted to Network Analyst, and in May of 1989 he received his MBA from Xavier University in Cincinnati, Ohio. In addition, he is also active with Toasmasters International and Big Brothers/Big Sisters of Stamford, Connecticut.

SHOCKLEY NAMED MANAGER

Jodine D. Shockley, *Ball State*, has been promoted to manager in charge of tax services by Whitacre Staebler & Company, P.C., a full service certified public accounting firm located at Indianapolis, IN.

Jodine was awarded the Delta Sigma Pi Scholarship Key while a student at Ball State University. She joined Whitacre Staebler in 1986 as tax senior and became a Certified Public Accountant in 1987.

She earned her Bachelors of Science degree, Summa Cum Laude, from Ball State University in 1984, and while at Ball State she was in the Honors College and recognized as the Outstanding Accounting Senior.

Amelia Debusman Maldonado, *Bellarmine*, has accepted a position as an attorney with Ashland Oil Inc., in Ashland, KY.

Donald P. Magier, *Cal State-Northridge*, has accepted a position as Staff Accountant with Weber Lipshie & Company, a CPA firm in Beverly Hills, CA.

Leigh A. Kussner, *Cal State-Northridge*, has accepted a position as Staff Accountant with Good, Gagerman & Burns, a CPA firm in West Los Angeles, CA.

Melinda C. Knopf, *Eastern Illinois*, has accepted a position as Accountant I with Boxleitner, Knopf & Company in Des Plaines, IL.

Michael D. Propst, *Ferris State*, is Plant Controller at the Dura Plant, a division of the Wickes Manufacturing Company in Toledo, OH.

After two and one-half years with Shell Oil Company in Houston, Texas, **Steven D. Ruff**, *Colorado*, was granted an educational leave of absence to pursue an MBA degree. He now lives in Austin where he is enrolled in the University of Texas MBA program.

PRIMOSIGH REJOINS PRICE WATERHOUSE

Mark V. Primosigh, *Colorado*, has rejoined Price Waterhouse as the firm's National Marketing Manager for the Digital Equipment Corporation (DEC) Systems Consulting Services. As Marketing Manager, Mr. Primosigh will coordinate Price Waterhouse consulting services for organizations who are users of DEC Systems which include the DEC VAX 8978 and 6340. Mr. Primosigh will also be responsible for personnel training and development in DEC systems consulting.

Prior to rejoining Price Waterhouse, Mr. Primosigh worked as a sales representative for Digital Equipment Company for five years where he sold the complete range of DEC products and hosted industry-specific sales training courses. In 1981 to 1983, Mr. Primosigh was a member of the Price Waterhouse Denver audit staff.

Mr. Primosigh holds a B.S. in Accounting and a B.A. in Economics from the University of Colorado, and is an alumnus of Alpha Rho Chapter.

William V. Hurston, *Florida*, has recently retired as Manager of Training for Shell Oil Company in St. Louis to become President of Communications for Success, Inc. His organization specializes in workshops for improving listening skills, and consultation for the implementation of the Quality Improvement Process. He is also a Colonel in the U.S. Army Reserve.

Douglas M. Stone, *Florida Atlantic*, has accepted a new position as Programmer with International Business Machine in Boca Raton, FL.

HORATIO ALGER AWARD GIVEN

S. Truett Cathy, *Georgia College*, has been named one of 10 winners of this year's Horatio Alger Awards. The awards are given annually to those who have achieved remarkable success despite humble beginnings and adversity.

One of seven children born to a rural family, Mr. Cathy of Hampton, Georgia, financed his first Chick-fil-A restaurant in 1946 by selling his car. Today, there are nearly 400 Chick-fil-A restaurants in 31 states.

Mr. Cathy, an honorary initiate of Iota Mu Chapter at Georgia College, received his award from the Horatio Alger Association of Distinguished Americans.

Allison R. Miller, *Howard* has accepted a new position as Administrative Assistant with Camp, Barsh, Bates & Tate in Washington, DC.

Mark B. Howard, *Indiana-Bloomington*, is a Special Agent with Northwestern Mutual Life in Indianapolis, IN.

Charles S. Grinley, *Indiana State*, has accepted a new position as Personnel Assistant responsible for employee development and wellness coordinator with the Federal Bureau of Prisons in Terre Haute, IN.

ANDERSON BECOMES NOVELIST

Paul G. Anderson, *Lamar*, has resigned from the Space Division of Lockheed Missile and Space Corporation (LMSC) in Sunnyvale, California, to work as a full-time novelist. Paul has worked in sales, sales management, boiler and pressure vessel inspection and design, mechanical engineering, codes and standards engineering, nuclear engineering, and in electronic engineering. At LMSC he worked on Special Projects/Programs as a Senior Electronic Research Engineer.

Presently, he is working on his first novel, one of the 12 he has outlined. He plans to travel and live in Mexico and South America with side trips to the rest of the world and in the United States as required. Paul believes there is nothing that a person cannot do if they want it badly enough. He lives in Port Neches, TX.

Curt B. Hyzy, *Loyola-Chicago*, has accepted a new position as Senior Financial Analyst with Helene Curtis Industries, Inc., in Chicago, IL.

Andrea Kasalo Hoover, *Loyola-Marymount*, having completed her Juris Doctor degree at Western State University is now pursuing an international marketing career in the entertainment industry.

Frank A. Densmoor, *Marquette*, has accepted a new position as Sales Consultant with WKLH/96 FM Classic Hits in Milwaukee, WI.

Thomas J. Winkel, *Marquette*, has accepted a new position as Management Information Consultant with Andersen Consulting in Milwaukee, WI.

Taking Note

Robert P. Rohrer, *Marquette*, has accepted a new position as Management Information Consultant with Andersen Consulting in Milwaukee, WI.

Mark T. Heath, *Memphis State*, has joined the tax department of Uiberall & Company, P.C., Certified Public Accountants.

Paul H. Sallwasser, *Miami-Ohio*, was named Partner at the Fort Lauderdale, Florida, office of Ernst & Whinney.

Maria Papas Heide, *Miami-Ohio*, is Assistant Professor, Department of Marketing, at the University of Akron in Akron, OH.

Carolyn S. Jones, *Miami-Ohio*, is a Sales Representative with Owens-Corning Fiberglas Corporation and has been transferred from Columbus Supply Center to the Supply Center in Detroit, MI.

HENDRICK NAMED MARKETING MANAGER

Jill L. Hendrick, *Mississippi State*, has been named Marketing Communications Manager for National Microsystems, Inc., (AmTech). Her new responsibilities will include management of the companies' advertising programs, trade show coordination and management of all external data base systems.

A Birmingham native, she attended Mississippi State University where she received a Bachelor of Business Administration degree emphasizing marketing and management. She also received a Master of Business Administration degree. An alumna of Gamma Delta Chapter, she was a Dean's List scholar.

Larry K. Graves, *Missouri-Columbia*, has accepted a new position as Staff Auditor with Peat, Marwick, Main & Company in St. Louis, MO.

Al Richards Elam, *Missouri-Columbia*, has been appointed Vice President-Education of The American Institute of Certified Public Accountants.

HOOK LEADS BOY SCOUTS

Harold S. Hook, *Missouri-Columbia*, has been elected president of the 5.3 million-member Boy Scouts of America at the annual BSA convention in San Diego. A boyhood Eagle Scout, he had previously served as BSA vice president for administration and, most recently, as executive vice president. As president, he will serve a two-year term.

He is also the Chairman and CEO of American General Corporation, America's fourth-largest shareholder-owned insurance organization, with over \$30 billion in assets and over 16,000 employees.

An alumnus of Alpha Beta Chapter and Del-tasig of the Year 1969, he holds a Bachelor of Science degree, a Master of Arts degree, and an Honorary Doctor of Laws degree from the University of Missouri at Columbia; and an Honorary Doctor of Laws degree from Westminster College, Fulton, Missouri. Mr. Hook served three years active duty in the United States Navy during the period 1954-57 as an executive officer and navigator in the Atlantic Fleet.

DRAKE HEADS SAR CHAPTER

Charles G. Drake, *Missouri-Columbia*, is the president of the newly chartered Martin Warren Chapter of the Sons of the American Revolution in Warrensburg, Missouri. For the past two years he has been Genealogist and Registrar of the Harry S. Truman Chapter in Independence. In addition, he has served as Alternate Trustee for Missouri for the past two years and attends Trustees meetings at the National headquarters in Louisville, Kentucky.

He received his A.B. degree from Westminster College in 1935, M.A. degree from Washington University in 1952 and in 1965 his Ph.D. in Economics from the University of Missouri-Columbia. A 1954 Alpha Beta Chapter faculty initiate, Dr. Drake was also instrumental in helping to establish Iota Omicron Chapter at Central Missouri State University in 1979.

Suzanne M. Killmer, *Missouri-Columbia*, has accepted a new position as Staff Accountant with Coopers and Lybrand in Chicago, IL.

Gregory B. Camden, *Missouri-Columbia*, has accepted a new position as Auditor with Coopers & Lybrand in St. Louis, MO.

Steven R. Bassett, *Missouri-Columbia*, has accepted a new position as Staff Auditor with Arthur Young.

Corinna Yit Leong, *Missouri-St. Louis*, has accepted a new position as Associate Business Programmer with McDonnell Douglas Aerospace Information Service (MDAIS) in St. Louis, MO.

WINDESHAUSEN EARNS DISTINGUISHED SERVICE AWARD

H. Nicholas Windeshausen, Ph.D., *Nebraska-Lincoln*, and Professor Emeritus in the School of Business Administration at California State University at Sacramento, was presented the Distinguished Service Award by the Consumer Credit Counselors of Sacramento.

In presenting the award, Tom Sullivan, Vice President of Prudential-Bache Securities, stated "Nic Windeshausen has outdistanced all others with his commitment to the agency and to the community as a whole. This person is not only a leader in his field in Sacramento, but a leader internationally. If there is a worthy cause, I am sure that he has donated some time to that organization."

H. Nicholas Windeshausen has served on the Board of Directors of the Consumer Credit Counselors of Sacramento since its inception 25 years ago. He has been Professor of Marketing and Management at CSUS for the past 27 years.

William M. Ketcham, *Nebraska-Lincoln*, has accepted a position as Financial Coordinator in the corporate and media relations finance division with the NBC Television Network in Burbank, CA.

Sylvia Menendez Fontana, *New Orleans*, has accepted a new position as Retail Services Specialist with Hibernia National Bank in Louisiana.

Frank J. Fontana, Jr., *New Orleans*, has accepted a new position as Mortgage Specialist with Thomas-Waddell & Associates in Metairie, LA.

GILES ELECTED TO BOARD

Larry D. Giles, *North Carolina-Chapel Hill*, has been elected by the North Carolina Society of Accountants to its Board of Directors. He is also serving a second term as president of NCSA's Burlington Chapter and Chairman of the state society's Education Committee coordinating continuing education for practicing accountants, CPA's, and Enrolled Agents.

He operates his practice as an accountant in Chapel Hill, North Carolina, and is enrolled to practice before the Internal Revenue Service.

Taking Note

Karen, a Certified Public Accountant, received a Bachelor of Science in Accounting and Business Administration with an emphasis in Data Processing from Northeast Missouri State University in 1981. She also received a Master of Business Administration from Washington University in St. Louis in 1987.

Currently, she serves as District Director for Iota Nu Chapter at Northeast Missouri State and is a member of the St. Louis Alumni Chapter.

Michael T. Lyone, *Northern Illinois*, has accepted a new position as Director of Marketing-Healthcare with Wallace Computer Services in Hillside, IL.

Elyse R. Cimring, *Philadelphia Textiles*, has accepted a new position as Assistant Merchandise Manager-Lowell Bleachery South with Division of Dundee Mills, Inc., in New York, NY.

Gina Savini, *Philadelphia Textiles*, has accepted a new position as Product Consultant with Towers Perrin Foster and Crosby.

William A. Hunter, Jr., *Philadelphia Textiles*, has accepted a new position as Controller with Bell Atlantic-TriCon Distribution Sales Financing in King of Prussia, PA.

POWELL ELECTED SHRINER POTENTATE

George W. Powell, *Pennsylvania*, an initiate of Beta Nu Chapter and a Deltasig for over 50 years, has been installed as Imperial Potentate of the Shrine of North America, the 800,000-member fraternity that operates the 22 Shriners Hospitals for Crippled Children. Mr. Powell, who lives in Ocean City, New Jersey, with his wife Mildred, was elected during the Shrine's Imperial Council Session, the annual international convention in Toronto on July 2-7. As Imperial Potentate, he will serve as president of the board of directors for the Shrine and as chairman of the board over the Imperial Divan, the 13-member body which helps to regulate the Shrine.

The Shrine fraternity founded and continues to operate the 22 Shriners Hospitals for Crippled Children. The 19 orthopedic hospitals and three burns institutes through North America provide specialized medical care to crippled and burned children up to their 18th birthday, absolutely free of charge.

Mr. Powell is the president of Numerical Control Program Service, Inc. He previously has served as president of Powell Realty, George W. Powell Engraving, Inc., Fidelity Machine Tool, Inc., and N-C Machinery, Inc. He was a past director of First People's Bank of New Jersey.

ISOBE NAMED DISTINGUISHED ALUMNUS

Gerald M. Isobe, *Rochester Tech*, has received the Distinguished Alumnus Award from the National Technical Institute for the Deaf, which is one of nine colleges comprising the Rochester Institute of Technology. He was presented this award last year during the 20th Anniversary of the founding of NTID at RIT.

Previously, Brother Isobe had been selected by the Hawaii Jaycees as one of the winners of the 1986 Three Outstanding Young Persons Awards.

Olga J. Moreno, *San Francisco State*, has accepted a position with Arthur Andersen & Company in San Francisco, CA.

Rosalie A. Reyes, *San Francisco State*, has accepted a position with Coopers & Lybrand in San Francisco, CA.

John B. Ives, *Siena*, has been promoted to DC-9 Captain of Midway Airlines and based at Chicago's Midway Airport. He graduated from Army flight school and is in the Army National Guard serving as Chief Warrant Officer. John resides in Scotia, NY.

Pamela A. Selvey, *Southwest Missouri State*, has accepted a new position as Word Processing Operator II with the University of Missouri-Kansas City School of Dentistry in Kansas City, MO.

YARNELL NAMED ASSISTANT MANAGER

Viola A. Yarnell, *Southwest Missouri State*, is Assistant Manager of the Sherwin-Williams store in Abilene, Texas. She started with the company in December of 1988, and completed the Assistant Manager Training Program in February of 1989.

EXECUTIVE ACHIEVERS NAME ADRAGNA

Michel A. Adragna, *Southeastern Louisiana*, has been named Achiever of the Year by the Executive Achievers Association in New Orleans. A past president of the association, he is a Certified Public Accountant and alumnus of Zeta Sigma Chapter.

Roy A. Herberger, Jr., *Southern Methodist*, has accepted a new position as President of American Graduate School for International Management—Thunderbird in Glendale, AZ.

C. Russell Williamson, *Southern Mississippi*, has accepted a new position as Associate Accountant with Amoco Corporation in Tulsa, OK.

Taking Note

David C. Bearden, *South Florida*, has been named President of Tampa Bay Wallstreet, Inc., a full service discount brokerage firm.

Diane Perkins Jacobson, *South Florida*, has accepted a new position as Office Accountant for Douglass, Cooper, Coppins & Powell in Tallahassee, FL.

Charles A. Sememza III, *SUNY-Albany*, has recently joined People's Bank of Bridgeport, Connecticut, as an Assistant Vice President of Financial Planning. He resides in Trumbull, CT.

near Chicago. His other health care administrative experience includes service at St. Joseph Hospital, Towson, Maryland, and at Germantown Hospital, Philadelphia.

An alumnus of Temple University and 1957 initiate of Omega Chapter, Mr. Samojlowicz earned his master's degree in Health and Hospital Administration from Xavier University in Cincinnati. He is a veteran of service with the United States Army where he held the rank of captain upon discharge in 1965.

His professional academic activities include serving as faculty member of the University of Scranton Graduate School.

Albert R. Zamora, *Texas A & I*, has accepted a position as Personnel Manager with Evergreen.

MARRIOTT NAMES FULLER

Edwin D. Fuller, *Wake Forest*, has been appointed Vice President of the Western and Pacific Region by Marriott Hotels and Resorts. In this capacity, he will assume responsibility for the company's hotels and resorts in Southern California, Hawaii and Hong Kong that generate sales of \$500,000,000 annually. He will also oversee hotel operational development in the Far East Region.

Fuller most recently held the position of Vice President of Marriott Hotels and Resorts' Midwest Region where, since 1985, he was responsible for the operation of 17 hotels and two resorts with 1987 sales in excess of \$350,000,000. From 1983 to 1985, he was the opening General Manager of the 1,200-room Boston Marriott Hotel at Copley Place. Earlier, he served as the opening General Manager of the 400-room Long Island Marriott Hotel, and from 1978 to 1982 he was Vice President of Sales and Marketing of Marriott Hotels and Resorts.

Duke Power's Board of Directors elected **Sherwood L. Love**, *Wake Forest*, Assistant Treasurer of cash management in March of 1989. He joined Duke Power's financial studies department in 1970 and was named senior financial analyst in 1973. He was promoted to manager of the corporate budget department in 1978 before being named general manager, corporate budget, goals and performance.

Charles A. Hill, *Washburn*, has accepted a new position as a Loan Officer with Farm Credit Services of Northwest Missouri.

Gretchen N. Wiczorek, *Winona State*, has accepted a new position as Market Analyst with Patterson Dental Company in Minneapolis, MN.

John T. Clifton, *Wisconsin-Whitewater*, has accepted a new position as Senior Marketing Representative with Micro America in Waukesha, WI.

WHITE HONORED BY TEXAS HOUSE

Arthur C. White, *Texas-Austin*, a consultant to the accounting firm of Spicer & Oppenheim, was honored by the Texas House of Representatives for his more than 45 years of service to the business community in his practice as a Certified Public Accountant and his many public service activities at the state and local level.

Mr. White was recently confirmed by the State Senate as a member of the State Property Tax Board, following two years of service on the State Banking Board. He has also served as a board member and/or officer of Dallas Central Appraisal District, Dallas County Child Welfare Board, Dallas County Health Committee, Children's Development Center, Citizen's Development Center and various committees of the Texas Society of Certified Public Accountants, and as a consultant to the Texas State Board of Public Accountancy.

A graduate of the University of Texas in 1943 and an alumnus of Beta Kappa Chapter, Mr. White married Jean Gratigny, whose father, B. Wayne Gratigny, was an early collegiate member of Alpha Delta Chapter at the University of Nebraska at Lincoln.

Russell D. Wager, *Texas-Austin*, has accepted a position as Assistant Account Executive with Backer Spielvogel & Bates in Irvine, CA.

Darren W. Means, *Texas-El Paso*, has accepted a new position as Production Supervisor with Dale Electronics Inc., in El Paso, TX.

Michael D. Thornbury, *Troy State*, is Area Manager for Pizza Hut in St. Louis, MO.

C. Jeffery Triplette, *Wake Forest*, has been promoted to Manager Real Estate Division, Transmission & Distribution Department, Duke Power Company, Charlotte, North Carolina. Since joining Duke in 1974, he has worked in the Real Estate Division in various positions to include Acquisition, Staff Appraiser and Supervisor of the company's real estate acquisition and valuation groups.

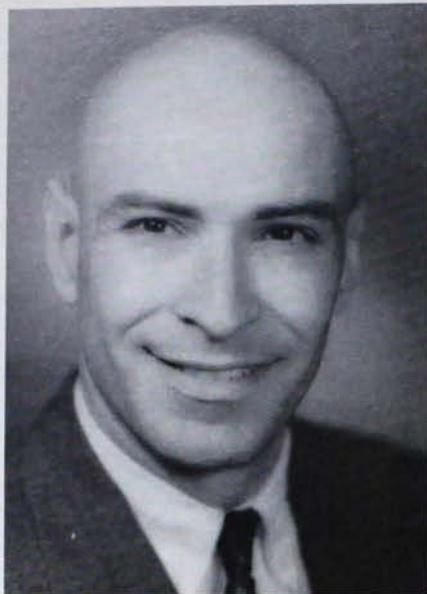

SAMOJLOWICZ CHAIRS HOSPITAL ASSOCIATION

Adrian A. Samojlowicz, *Temple* president of Scranton, Pennsylvania's Community Medical Center and Community Medical Center Foundation, has assumed the chairmanship of the Hospital Association of Pennsylvania, the association that represents Pennsylvania's 304 hospitals. The Pennsylvania association represents 304 hospitals throughout the Commonwealth, with combined operating budgets of some \$10 billion. Headquarters of the organization is in Camp Hill, Pennsylvania.

Mr. Samojlowicz has been president and chief executive officer of CMC since 1978. In addition to serving as a chief executive officer of CMC, he has been an officer and director of the major service organizations in the Pocono Northeast. He is the chairman of the board of The Greater Scranton Chamber of Commerce and he was the United Way of Lackawanna County Campaign general chairman in 1985. For the past seven consecutive years, CMC has led the nation's hospitals in United Way giving.

Prior to accepting the presidency of CMC, Samojlowicz was the chief operating officer of Ingalls Memorial Hospital, a 600-bed facility

Memoriam

Max Barnett, Jr.

Earlier this year, the fraternity lost one of the members of the Golden Council, Max Barnett, Jr., at age 57. Max was initiated by Gamma Mu Chapter at Tulane University on January 13, 1952, and later went on to serve the fraternity as District Director. Appointed by the Grand Council (Board of Directors) in 1961 to fill the unexpired term of Director of the old South Central Region, he was elected for a full four year term at the 24th Grand Chapter Congress in Bedford, Pennsylvania in 1963.

Not only did Max serve his fraternity, he was well known in New Orleans as an avid volunteer for a wide range of civic organizations. He was president of the Foreign Relations Association, the Young Men's Business Club, the Kiwanis Club of New Orleans, the Kiwanis Youth Foundation, the Executives Club of Louisiana, the Sertoma Club of Louisiana, the New Orleans chapter of the Muscular Dystrophy Association of America and the Japan Society of New Orleans.

He was chairman of the boards of the Executives Club, the Sertoma Club, the New Orleans Floral Trail and Le Petit Theatre du Vieux Carre, and he was vice president of the Travelers Aid Society.

He was a member of the boards of the Institute for Human Understanding, the National Kidney Foundation, the Mexico Society, the Metropolitan Safety Council, Alliance Francaise and the Louisiana chapter of the Juvenile Diabetes Foundation.

A travel agent with Travel Unlimited, Max was a life long New Orleansian who graduated from Alcee Fortier High School and Tulane University. He won a scholarship for post-graduate study at Harvard University, but he had to forfeit it because he was drafted into the Army during the Korean War.

Max is survived by his mother, Ruth Leopold Barnett; three sisters, Maxine B. Friedman, Jean B. Bresler and Carol B. Robbins.

Alumni Commentary

Commitment. As professionals, we are called upon to participate in many facets of life. Family, career, professional organizations and social activities require a significant commitment of our available time. As alumni, it is imperative that we uphold the commitment of fraternity leadership, now and in the future, by setting the standard for active participation.

There are many avenues by which alumni can provide active support to Delta Sigma Pi. By committing one afternoon or evening per month, you can make an important contribution

to an organization providing meaningful, life-long experiences for its membership.

Joining an alumni chapter is one of the most obvious ways to participate. Serving as a member of a national committee is another way to participate. There are other ways of being active that will provide benefits to you as well as to the fraternity. Adopt a collegiate chapter in your area. Offer to serve as a professional speaker or arrange a tour of your company. Serve as a professional mentor for collegiate members interested in your profession. Provide financial support

to expand educational programs and scholarships.

Each of us can commit, in our own way, to contributing toward the betterment of our fraternity. All contributions, be it time, effort or monetary, are important. As a professional and a member of Delta Sigma Pi, we have a responsibility to lead by example. Each of us.

RANDY L. HULTZ
Vice President for Alumni Benefits and Services

GET INVOLVED

Serve your fraternity in the coming year by becoming a
District Director

The Chapters Speak

(CHAPTERS from page 16)

booth paid 50 cents to select a lolly-pop which had previously been numbered. If the number on the lolly-pop coordinated with one of the prize numbers, then they won that prize. The lolly-pops, however, were not simply drawn from a bag, but they were displayed on a sign outlining our Greek letters. It served as both a fund raiser and a promotional event. Those people who played had a great time and they also knew that Delta Sigma Pi was sponsoring it.

We have designed a kit which included all the information needed to organize, set up, and operate the booth. If anyone is interested, please contact Beta Iota Chapter at Baylor University through The Central Office.

—Bryan S. White

DALLAS-FORT WORTH METROPOLITAN—

The Dallas-Fort Worth Metropolitan Alumni Chapter grew steadily this past spring and we have tripled our membership over the last few months! We have become involved in Junior Achievement, Mayfest and Camp Carter YMCA. In addition, we are becoming more involved with some of our fellow alumni chapters with a trip to Houston for the softball tournament. (Thanks go to the old Dallas Alumni Chapter for paying the entrance fee!) This summer's activities have included a picnic in June for all the graduating seniors and a few Texas Ranger games.

I would like to extend a special thanks to all of the alumni who have put in their hard work to help the chapter grow this past year. We have come a long way over the past year and we will go even farther next year!

—Catherine M. Merdian

GULF WESTERN REGION

CORPUS CHRISTI STATE-IOTA PSI—Iota Psi Chapter had a challenging semester last fall. We had a little trouble with mother nature in September, when the entire city of Corpus Christi had to be evacuated because of Hurricane Gilbert. Luckily there was no damage to the Texas coast or to the city, but it did cause our major fund raiser of the semester, Bayfest, to be cancelled.

With the cancellation of Bayfest, the chapter had to really come together and put forth extra effort into other fund raising activities such as a garage sale and political campaign surveys. In October, we sponsored the first annual AT&T collegiate Investment Challenge. They were all very successful for our chapter.

Our pledge program last semester was a hit, thanks to our Senior Vice President Susan Teltschik and Vice President for Pledge Education Eddie Roberson. We initiated a total of 19 initiates.

Gulf Western Regional Director Vic Tabor presents Ronald Durval, Jr. with the Lambda Upsilon Chapter banner at the joint Gulf Western/Southwestern Regional Conference last September at the Wyndham Hotel in San Antonio, Texas. Vice President for Alumni Benefits and Services Randy L. Hultz and Grand President John V. Henik are in the foreground.

Our chapter would like to extend a welcome to the newest chapter in Texas, the Lambda Upsilon Chapter at St. Mary's University in San Antonio. We wish them the best of luck with their chapter.

—Cynthia Van Zandt

ST. EDWARD'S, THETA OMEGA—Theta Omega Chapter at St. Edward's University in Austin, Texas, improved greatly over the past year. Two improvements could be seen as being part of the overall improvement of the chapter. The first was an increase in Chapter Efficiency Index points submitted during 1988-89 with over 50,000. The second improvement was the stronger bond and increased participation among the Brothers.

Six new Brothers were initiated during the fall, 1988, semester and eight were initiated during the spring, 1989, semester.

The chapter had several professional and community service activities. Such professional activities included: tours of the city newspaper, The Austin American Statesman, and the North Carolina National Bank of Texas (NCNB Texas National Bank). A community service activity included: a project to enrich youngsters with business aspects from Junior Achievement. This was proposed to the chapter by its District Director Randal Mays. Theta Omega Chapter also sponsored a fund raising activity, Casino Night.

—Kimberly D. Edwards

ST. MARY'S, LAMBDA UPSILON—On September 23-25, 1988, the Gulf Western/Southwestern Regional Conference was held in San Antonio at the Wyndham Ho-

tel. The theme for the 1988 conference was "Fiesta de Fraternidad" (Festival of Brotherhood). Past Grand President Mike Mallonee opened the conference with the keynote address.

Grand President John V. Henik led the conference into the seminars with a speech entitled "Horizons." The seminars presented covered various topics, including: "Recruiting," "Community Service," "Pledge Education" and "Alcohol Awareness."

The seminars were followed by a banquet, during which Gulf Western Regional Director Victor A. Tabor presented a banner to Lambda Upsilon Chapter President Ronald Duval, Jr. Following the banquet and ceremony, a dance was held at the Wyndham Hotel Ballroom.

—Elizabeth S. Olea

TEXAS A & M, LAMBDA NU—Lambda Nu Chapter began the 1988-89 academic year with a successful fall recruiting effort. Our 24 pledges beautified the community by cleaning 17 miles of highway! We also sent six Brothers to the Gulf Western/Southwestern Regional Conference in September. They came back with many new ideas.

We sponsored a very special child identification program in conjunction with the local police department. We hope to sponsor one every semester. One new function was a Halloween party co-sponsored by the business fraternities on campus.

Brother Debra Norcross received the Roy Arnold Award at the end of the semester.

Chapter, presented a history of Delta Beta Alpha Fraternity. Mid-American Provincial Vice President Marlow B. Kee then presented the Lambda Omega Chapter Charge and Charter to chapter President Jennifer Blair. Following the Acceptance of the Charter, Reverend James F. Toal, O.F.M., President of Quincy College, made several award presentations to the collegiate members of the chapter. Additional presentations were made and then Assistant Executive Director Michael T. Walsh presented fraternal greetings from chapters and

The Brenner Library, containing over 200,000 books and a rare book collection of about 4,000 volumes, is the academic center of Quincy College campus.

members from across the country welcoming Lambda Omega Chapter into the fraternity.

Delta Sigma Pi is now represented at Quincy College by the 27 charter members of Lambda Omega Chapter. It is the 13th chapter founded in the state of Illinois and continues to proudly represent Delta Sigma Pi at Quincy College and as a member of the Great Lakes Region and Mid-American Province.

Members of Beta Theta Delta colony meet on the Nevada-Las Vegas campus prior to their installation as Mu Nu Chapter.

MU NU at UNLV

On Saturday, April 29, 1989, the fraternity's 223rd and newest collegiate chapter was installed as Mu Nu Chapter at the University of Nevada at Las Vegas. Mu Nu Chapter is

the second chapter established in the state of Nevada. On April 29, collegiate and alumni Brothers from across the country gathered in Las Vegas for the installation of the chapter. Presiding over the installation of the chapter was Grand President John V. Henik. He was joined by Past Grand President William W. Tatum, Jr., Western Provincial Vice President William R. Kinsella, South Pacific Regional Director Paul J. P. Garcia, Intermountain Regional Director Charles E. Farrow and Western Regional Director William F. Stebelski. Joining them were Executive Director Michael J. Mazur, Jr., Director of Chapter Services C. Dean Ferguson, District Directors Christo-

pher A. Rondini and Helen M. Paus-tian and members of Iota Upsilon Chapter at California State Univer-

tion to join. It was during this evening that five students expressed their sincere interest in forming a chapter of Delta Sigma Pi. An added benefit was that Brother Chris Prohaska, an initiate of Delta Pi Chapter at the University of Nevada at Reno, was attending the Las Vegas campus and would provide information and assistance in forming a new chapter.

During the summer of 1988, Regional Director Garcia met with these students three times to establish plans

for the fall semester. Mr. Arlan Holman, one of the interested students, attended the Western Provincial Leadership School in Las Vegas during July of 1988. Plans were solidified during the summer so that a strong effort could occur during the fall semester.

Recruiting activities were conducted in earnest during the fall semester. A complete set of officers was elected at the start of the semester. The name of Beta Theta Delta was chosen as the name of the colony. In October of 1988, Director of Chapter Services C. Dean Ferguson visited Beta Theta Delta Fraternity to discuss colony operations and the needed steps to charter a collegiate chapter. Members of Beta Theta Delta attended the South Pacific Regional Conference that same month.

Professional activities, community service events and social activities were conducted throughout the fall semester of 1988. After the fall recruiting effort had concluded, 20 students composed Beta Theta Delta Colony, but several other students in the College of Hotel Administration had expressed an interest. Throughout the academic year, Beta Theta Delta Fraternity has been assisted by Brother Skip Swerdlow, an initiate of Gamma Omega Chapter at Arizona State University, who is currently an Assistant Professor in the College of Hotel Administration.

The members of Beta Theta Delta Fraternity were pledged in late February by Regional Director Paul J. P. Garcia and District Director Chris Rondini. All of the remaining petitioning requirements were met and the installation date of April 29, 1989, was set.

On the morning of Saturday, April 29, 1989, collegiate and alumni members of the fraternity gathered along with national officers for the installation ceremonies which resulted in the installation of 23 charter members as the Mu Nu Chapter.

Following the installation of the chapter, which took place in Beam Hall on the campus of the University of Nevada at Las Vegas, was the reception and installation banquet. The installation banquet and reception took place in the Cordoba Rooms of the Hacienda Hotel. South Pacific Regional Director Paul J. P. Garcia served as Toastmaster and the invocation was given by District Director

Helen M. Paustian. Greetings were extended from the university by Dr. Robert Maxson, President of the University of Nevada at Las Vegas. A history of the College of Business and Economics and the College of Hotel Administration was presented by Dr. Ann M. Mayo, Coordinator of Undergraduate Advising at the university.

Delta Pi Chapter initiate Chris J. Prohaska, who had attended the University of Nevada at Reno and transferred to the University of Nevada at Las Vegas, presented the history of Beta Theta Delta Fraternity. Remarks from Western Provincial Vice President William R. Kinsella were made and then Grand President John V. Henik presented the Mu Nu Chapter Charge and Charter to chapter President Bret W. Runion. Following this presentation, Executive Director Michael J. Mazur, Jr., presented Fraternal Greetings from different chapters and members from across the country.

Delta Sigma Pi is now represented by Mu Nu Chapter at the University of Nevada at Las Vegas. In 1951, college level courses were first offered in the Las Vegas area through an extension program with the University of Nevada at Reno. One full time faculty member taught classes to a student body of 12 students in a spare room at Las Vegas high school. From these humble beginnings, the university grew rapidly and was formally established by the State Legislature as a regional division of the state university in 1957. The first degrees were granted in 1964. The campus was renamed to the Nevada Southern University in 1965 and in 1968, was given full autonomy and equality with the older Reno campus of the University of Nevada. Another name change occurred in 1969 when the campus was renamed the University of Nevada at Las Vegas.

The university is located on a 335 acre campus convenient to both the downtown Las Vegas area and the city airport. The university is organized into the College of Arts and Letters; Business and Economics; Education; Health Services; Hotel Administration; Science and Mathematics; The Graduate College; and the Howard R. Hughes College of Engineering. The university offers 64 undergraduate degree programs, 45 Masters degree programs and eight

Doctoral degree programs through these various colleges.

The university is accredited by the Northwest Association of Schools and Colleges. Currently, over 13,000 students attend the University of Nevada at Las Vegas. The university is well known in many areas through its strong athletic programs.

Business courses were offered at the University of Nevada at Las Vegas since its founding. Today, the College of Business and Economics is housed in Beam Hall along with the College of Hotel Administration. Undergraduate business programs are available in accounting, business administration, economics, finance, management, marketing and public administration. Graduate degree programs are also available through the Master of Business Administration and Master of Professional Accountancy programs. A majority of students at the University of Nevada at Las Vegas commute to school from area homes. Classes are available throughout the day including a large number of evening classes. Currently, 70 full time faculty members provide instruction to almost 3,000 business majors. An additional 225 students are enrolled in the Masters degree programs.

The University of Nevada at Las Vegas offers a wide range of courses in the hospitality industry. The College of Hotel Administration offers one general program. Although there are no specific majors, the large number of electives permit a concentration in any of several areas using hotel and non-hotel courses: accounting, culinary, food and beverage, management, foreign languages, gaming, marketing, personnel, and tourism, among others. The College of Hotel Administration is located in Beam Hall adjacent to the College of Business and Economics. Students are required to take numerous business courses in addition to courses in the College of Hotel Administration. Over 900 students are currently enrolled in the College of Hotel Administration.

The fraternity welcomes the 223rd and newest chapter of Delta Sigma Pi. This second chapter in the state of Nevada, Mu Nu Chapter, is located in the Western Province and South Pacific Region and proudly represents Deltasigs everywhere at the University of Nevada at Las Vegas.

Bits and Pieces

(continued from page 25)

- 18043 **Howard Spilko**, *Kappa Lambda*, SUNY-Binghamton
- 18044 **Laura J. Pirtle**, *Upsilon*, Illinois
