Focus ON THE FRATERNITY

Grand Chapter Congress. Those words bring back a flood of memories for the thousands of Deltasigs who have attended a convention through our Fraternity's history. For the 700-plus who recently joined us at our 40th Grand Chapter Congress in Orlando, Florida, the memories will last a lifetime!

Elsewhere in this issue you will find pictures and articles summarizing our latest Grand Chapter Congress. While we have done our best to capture and convey the excitement, emotion and spirit of fraternalism present during this great event, words and pictures are simply not enough. Like a pebble dropped in a pool of water, the impact of Orlando has started to spread in ever increasing circles.

While the official theme of our convention was "A World of Brotherhood", the unofficial theme, "We Have Much to be Proud Of", quickly became apparent. At our first-ever Outstanding Alumni Luncheon, Delta Sigma Pi recognized the outstanding professional and fraternal accomplishments of six very deserving Brothers. In addition, all members of The Order of The Golden Helmet (fifty years of service) and The Order of the Silver Helmet (twenty-five years of service) were recognized.

Fraternal pride grew at our Purple and Gold-themed opening reception and dance. It continued to flourish during the business sessions that followed. The delegates in attendance worked long hours debating over sixty proposals concerning changes to the Bylaws and the Ritual. A sense of charting the future, while remembering our heritage, permeated the business session. The professionalism and commitment exhibited during these sessions was something we can all be proud of.

Pride, inspiration and spirit were evident at Friday's Awards Luncheon. Individuals and Chapters received recognition for their numerous accomplishments during the past year. One of the highlights of the luncheon was the Nu Omicron Chapter at Our Lady of Holy Cross, which won the National Outstanding Collegiate Chapter Award in its very first year of existence!

The pride continued Friday evening as Deltasigs invaded Disney's Pleasure Island. Although this was not a private event, there could be no doubt to anyone else on the island that Delta Sigma Pi was there. Purple and Gold abounded. Our letters could be seen everywhere – on the streets, in the restaurants and on the numerous dance floors. A great time was had by all.

The final day of the convention was one of the most exciting ever. An outstanding session on Delta Sigma Pi history was presented, led by Past Grand President Michael R. Mallonee. Dr. Russell G. Mawby, Chairman of the W.K. Kellogg Foundation, was initiated into the Fraternity as an Honorary Member.

The highlight of the final day was our Grand Chapter Congress Banquet. Dressed in their finest, Deltasigs celebrated the conclusion of a very memorable convention. Following an incredible meal, those in attendance recognized the important contributions made to Delta Sigma Pi by a number of individuals. Everyone took special pride in Brother Bob Hughes for attending his twenty-fifth convention. The evening concluded with a slide show of pictures taken during the convention, a special invitation to attend the next Congress, singing the *Rose of Deltasig* and dancing.

Inside every individual there is a potential that, once lit, can become a flaming beacon of brightness. Grand Chapter Congress provided the needed spark for hundreds of Brothers during those four short days in August. Everyone left with plans to attend the 41st Grand Chapter Congress, August 20-23, 1997, at the New Orleans Hyatt Regency. I want to extend my personal invitation to each and every one of you to join us there. Until then, may your fraternal flame burn strong and bright!

Fantastic Fun, Fellowship and Festivities at the 40th Grand Chapter Congress

"Grand Chapter Congress was an extremely motivating experience in which I remembered that my obligation to serve and be an active participant is for life!"

—Jennifer Forman Natherson, North Florida

"The eight of us from our chapter are returning to school all hyped up about Delta Sigma Pi and are trying to make our chapter better."

—Jennifer L. Gutmann, Missouri-St. Louis

"Everything was great. I felt that this Congress will be one that will be talked about enough to build up anticipation for New Orleans in '97."

—W. David Brooks, Western Kentucky

"As much fun as we had at Disney, we had even more fun at Congress."

—A. Nony Mouse

"I'm from New Orleans and I know the next Congress is going to be a blast, but I live to see the day you can beat this past Congress."

—Terry Morris, Washington University

"A World of Brotherhood" provided worlds of opportunity for 736 registered Brothers and

guests to experience fun, fellowship and fraternalism. The 40th Grand Chapter

Past Grand President Bill Tatum organized a group of zealous Brothers to sell diamond badge raffle tickets. Nearly \$3,000 was raised for Congress programs.

Congress, August 8-13, at the Peabody Orlando Hotel, was a great success. The words of collegiate Brother Tara Girouard (Roger Williams), sum it all up: "After attending Congress I feel so much more a part of Delta Sigma Pi. It was a very uplifting experience. I was able to see all aspects of the Fraternity and the people involved. I feel I made an excellent decision becoming a Brother and I feel even more strength, encouragement and determination I feel everyone should attend Congress because it makes a great impact on you as a Brother, a professional and as a person."

The Convention-proper was

preceded by several days of Executive Committee, Board of Directors, Leadership Foundation Board of Trustees and training meetings. Wednesday, August 9, featured the first Officer Training School (OTiS) of the year, attended by nearly 500 enthusiastic Brothers. Sessions on goal setting, CEI, Ritual presentation, legal liability, fund-raising, career development, pledge education, time management, ethics, communication skills, technology, leadership, advisors and more were presented by volunteer Brothers.

Past Grand President Bill Tatum's "Achieving Outstanding Recruiting Results" was a very popular seminar, repeated several times to inspire chapter leaders. Dr. Stephen Stumpf, Dean of Business at Tampa, led a session on "Learning to Use What You Already Know." A major benefit to all attendees was Wednesday's "Chapter Marketplace" coordinated by Chapter Consultant Catrina Conway. Ideas and examples from chapters, alumni, schools, other fraternities, etc., were compiled by topic and attractively displayed for easy access and note taking. Brothers volunteered to help man each topic area and further explain

various ideas.

A popular area contained the recent recruitment poster contest entries. Winners of this contest are listed on page 12 of this issue.

A significant addition to the Marketplace was a representative of CompuServe who shared basic information on a new program developed to move Delta Sigma Pi into the information age. The Fraternity has joined CompuServe to develop a network for collegiates and alumni to utilize the information advantages of computer networking.

1995 Collegian of the Year Boyd Pederson punctuated his Awards Luncheon remarks with a proposal to Brother Sharalee Conway.

A contest was held at Congress to name this program with "DSPNET" the winner. Kerri Petersen (California State-Sacramento) and Valerie Johnsen (Barry), were the prize winners in the naming contest. More information will be forthcoming as the network is developed this fall and winter.

Wednesday's highlight, and a Congress highlight for many, was the inaugural Outstanding Alumni Luncheon sponsored by the Delta Sigma Pi Leadership Foundation. Brothers Carlos Arboleya (Miami-Florida), Harold Haddock, Jr. (Rutgers), Christina Lewis (South Florida), Past Grand President M. John Marko (Rutgers), Sidney A. Sparks (Texas-Austin) and Ronald L. Vaughn (Indiana State) were singled out for distinguished professional careers and fraternal contributions. Leadership Foundation President Mark A. Roberts and Grand President Randy L. Hultz made the presentations to rousing applause from the over-500 appreciative Brothers present.

Brother Marko was also honored with the coveted Golden Helmet Award for over 50 years of distinguished service. This award was particularly meaningful to John and his wife Ceil, as they were instrumental in creating the award several years ago.

Sparky and Buttercup Sparks also received "extra-enthusiastic" cheers as Brothers present were aware of their generous funding of Deltasig's Collegian of the Year Scholarship award program, now named in their honor. The Sparks' were so appreciative of their great reception at Congress they have since added an additional lead gift of \$25,000 to enhance the program. THANK YOU Sparky and Buttercup!

Special recognition was also given retiring Foundation Trustees Marilyn D. Franson (Loyola-New Orleans) and Past Grand President (and charter Leadership Foundation President) Michael R. Mallonee

Richard A. "Nick" Steinkrauss, newly elected Northern Provincial Vice President and District Director Dara Moore (SUNY-Buffalo) enjoyed the National Leaders' Reception.

(Oklahoma) for years of generous and inspirational service. New Trustees have yet to be elected to replace these hard working Brothers.

Wednesday was capped off by manic DJ "Marvelous Mark" and his wild antics at the student-geared Grand President's Reception and Dance. The room was packed from start to

finish with line dancing, group dancing, Grand President Hultz dancing, and you-name-it dancing. The event served as a great get-acquainted session and energy release prior to the intense business sessions to follow.

Nearly 70 proposed changes to Ritual and Bylaws were debated at Congress. Some involved minor improvements to the business of running a successful Fraternity, others were necessarily proposed due to societal changes.

Regardless of origin or impact, hours and hours of meaningful, heart-felt, professional debate were required to make, ultimately, the proper decisions. Brother Robert Tavarez (San Jose State) and Past Grand President Bill Kinsella (Loyola Marymount) did a tremendous job as Chancellor and Parliamentarian, respectively, in keeping discussion focused and on track. Fellowship and fun were a constant, as shown by Eastern Regional Director Doug Spy, Collegian of the Year Paige Franklin, Huron Regional Director Erin Campbell, and District Director Karen Goldson.

Hours and hours of intense business sessions yielded excellent progress for Delta Sigma Pi. Delegates earnestly debated pros and cons of nearly 70 proposals concerning Ritual and Fraternity management. Voting results are available from the Central Office.

and did another outstanding job monitoring and coordinating the election process from start to finish. In national elections, Brothers Charles Farrow (Arizona) and Randy Hultz (Northeast Missouri State) were nominated for Grand President with Hultz winning and Brothers Paul J. P. Garcia (Southern California) and Catherine Merdian (North Texas) were nominated for Vice President for Alumni Benefits and Services with Merdian elected. Election results for Provincial Vice Presidents and Regional Directors are presented on pages 8-10 of this issue.

Friday, August 11, contained more business, caucuses and educational presentations.

Brother Christina Lewis led a seminar on "AIDS Awareness" and Reg Wilson of the American Management Association conducted "Change Management." Two Congress highlights, for many, were the Awards Luncheon (see pages 11-13 for winners) and an evening outing to Disney's Pleasure Island for dancing, singing, fun, fellowship and fireworks.

The Awards Luncheon will be forever remembered, NOT for his Collegian of the Year address, but for Boyd Pederson's (Western State) bended-knee marriage proposal to Brother Sharalee Conway (Western State). Boyd's proud parents joined most of the room in a teary-eyed celebration over

"Marvelous Mark" was truly a marvelous DJ, leading literally hundreds of (mostly younger!) Brothers in a non-stop dance session. Several national leaders were caught in this shot!

this joyful occasion.

Results, resolutions, recommendations and Ritual were features of Saturday morning's session. After business issues were finally resolved, elections were held and the new Board of Directors installed by Past Grand President Richard J. Parnitzke (SUNY-Buffalo). Grand President Hultz adjourned the 40th Grand Chapter Congress after a motion by James L. Prescott of the Chicago Alumni Chapter.

Official adjournment didn't end the fun and festivities! Several more highlights awaited for a fantastic finish to the 40th. Past Grand President Mallonee and Director of Educational Services C. Dean Ferguson put together a fun, informative and inspirational "History of the Fraternity" Session. Brother Mallonee did his best Johnny Carson imitation to prompt fraternal celebrities during the talk show format. Attendees were delighted to hear from extra special guest Brother James D. Jacobs, son of Founder Harold Valentine Jacobs, as well as Past Grand President John Marko, Jim Prescott, Golden Council member Bob Hughes, and first female Board member Teresa Drew (Northern Arizona). Video tapes of this unique session are

available from the Central Office for a nominal \$10 fee.

Following the History session was another inspirational event — the impressive initiation of National Honorary Member Russell G. Mawby. Our 26th such initiate, Brother Mawby, Chairman and CEO of the W. K. Kellogg Foundation, presented eloquent and meaningful remarks about his fraternal and business experiences and how they shaped his career and philosophies.

Paul J. P. Garcia (left) received a Testimonial from Grand President Randy L. Hultz recognizing his years of service as Vice President for Alumni Benefits and Services.

Jeff Fizer (Drake) led the traditional Congress-closing rendition of "The Rose of Deltasig". Particularly poignant for special guests James D. and Julia Jacobs, the song was named for Jim's Mother, Rose, by his Father, Delta Sigma Pi founder Harold Valentine Jacobs.

Finally, the Congress culminated with an elegant Banquet and Ball presided over by Grand President Hultz. The Fraternity's retiring Board of Directors and special guests were introduced for a final "thank you" via a grand march to uplifting music. Retiring Regional Directors were presented Testimonials, with special thanks to retiring Provincial Vice Presidents Frederick C. Lipsey (Houston), Adrian R. Avalos (California Poly-Pomona), and Vice President for Alumni Benefits and Services Paul J. P. Garcia (Southern California).

Grand President Hultz recognized and thanked many special guests, the Florida Host group, past and present leaders, Central Office staff, and all

A new well-received feature was a "wrap-up" musical slide presentation, showcasing Brothers and events from throughout Congress week. Award winners and election contestants were interspersed with debaters, dancers, diners—and even marriage proposers!

Attendance Award winners were announced with San Diego State winning the Kenneth B. White collegiate award and Chicago winning the alumni chapter division in a very close race with Alcatraz. In fact, the award was so close it required post-Congress

National Honorary Member

Dr. Russell G. Mawby, Delta Sigma Pi's 26th National Honorary member, is Chairman of the Board and CEO of the W. K. Kellogg Foundation of Battle Creek, Michigan. The Foundation maintains assets in the neighborhood of \$5 billion dollars and Brother Mawby oversees the granting of nearly \$250 million annually.

The W. K. Kellogg Foundation was established in 1930 "to help people help themselves, through the practical application of knowledge and resources, to improve their quality of life, and that of future generations."

As a private grant making organization, it provides seed money to organizations and institutions that have identified problems and designed constructive action programs aimed at solutions. Most Foundation grants are awarded in the areas of youth, leadership, philanthropy and volunteerism, higher education, health and food systems.

Many universities across the U.S. have "Kellogg Centers" of

continuing education or leadership training. These centers are products of the Kellogg Foundation under Brother Mawby's leadership. Ironically, the Marcum Center at Miami of Ohio - in Oxford— was a partial Kellogg project that Brother Mawby was well familiar with. Many of our Executive Committee, Board, planning and other meetings have been held in those facilities over the years.

Brother Mawby grew up on a farm in Michigan and attended Michigan State, enrolled in agriculture. Being denied the opportunity to join Delta Sigma Pi due to his major, he took the next best option and joined Alpha Gamma Rho - the ag fraternity. His concern for and commitment to students, education and the fraternal experience are exhibited through his past service to AGR as both Grand President and chairman of their Educational Foundation.

ics. He began his career on the Michigan State Faculty and coordinated state 4-H and Youth Development Programs.

This led directly to his long career at the Kellogg Foundation—over 30 years—culminat-

ing with his appointment as CEO in 1970.

In addition to his Foundation responsibilities, Dr. Mawby serves on the Boards of Directors of the Kellogg Company and the J. M.

Smucker Company. He is also currently chairman of the Board of Trustees of Michigan State University. He has been chairman of the Board of the Detroit Branch of the Federal Reserve Bank of Chicago; an advisor to the American Enterprise Institute; chairman of the Council on Foundations; chairman of The Foundation Center; advisor to the Michigan Department of Commerce and has received nearly 20 Doctorates from colleges and universities worldwide. His honors and awards would take several pages to list.

Russ and Ruth, his wife of over 40 years, live on a farm in Augusta, Michigan, where they enjoy family, 10 grand kids and raising various breeds of horses, particularly harness racers and Arabians. The Mawby's were named "Michiganians of the Year" for 1995 by *The Detroit News*.

We are extremely proud to add "Delta Sigma Pi National Honorary Member" to Brother Mawby's list of achievements!▲

Honor

ROLL OF DONORS

Some leaders are born, but most are made. Delta Sigma Pi is an organization that helps shape future business leaders by providing the tools, the experience, and the like-minded people they need to learn the skills, the rewards, and the responsibilities of leadership.

The Delta Sigma Pi Leadership Foundation exists to help the Fraternity succeed in this process. The Foundation provides financial support to individual Brothers in the form of scholarships and graduate study grants. It also funds educational and leadership training programs sponsored by Delta Sigma Pi, such as the Leadership Academy and special presentations at the Grand Chapter Congress.

The Fraternity and the Foundation share many characteristics, but one they have in common is most important: Their ability to help as organizations is dependent upon the willingness of individuals to help them. That's a different way of stating one of the principles of the Fraternity that we learned when we were initiated, isn't it?

During 1995-96, the Foundation, with the strong support of Fraternity Grand President Randy Hultz and the members of the Board of Directors, is conducting the LEADERSHIP CHALLENGE. This program was introduced during the Officer Training Schools in October. The challenge is made to all collegiate and alumni chapters to participate in supporting the Leadership Foundation so that it can, in turn, provide more funding for individual scholarships and important Fraternity programming.

Grand President Hultz has often observed how many more programs the Fraternity could offer to its members if each and every Brother - collegiate and alumni - gave

\$10 or more per year to support them. With your help, this is the year we can do it!

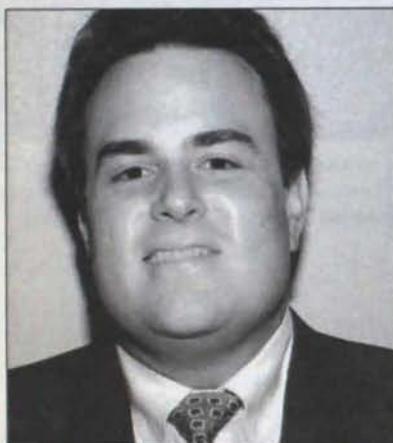

I personally challenge each and every collegiate chapter to set 100 percent participation from its Brothers as one of its goals for the year. I realize that money is tight for just about everybody, so here's a benefit to consider: Each collegiate chapter that meets the challenge will receive an educational grant equivalent to its total donation which can be used to help more of its members participate in next year's Regional Conference. By meeting the Leadership Challenge, your chapter can help the Foundation, the Fraternity and itself!

Senior Vice Presidents should begin to plan and promote the Challenge NOW in conjunction with your chapter's upcoming Life Member event. Ask each member to participate by giving \$10 or more toward a new or existing Life Member level pledge.

Deltasig alumni, I'm counting on you, too! If you're a member of an alumni chapter, please promote 100 percent participation among all members. You can challenge local collegiate chapters to follow your example of leadership. In addition, please plan a special event to encourage support of the Foundation as part of your calendar for this year. With your help, the Foundation can secure new donors and your chapter can recruit new members!

Individual alumni can participate as well by sending their gift to the Foundation at the Central Office. Every single gift makes a difference, is important and is certainly appreciated.

Delta Sigma Pi has made a lot of leaders since 1907. With your support of the Leadership Challenge, the Foundation can help the Fraternity ensure the creation and education of many more leaders this year and in the future. Thanks in advance for your help!

Mark A. Roberts
Chairman & President

During 1994-95, your gift to the Leadership Foundation helped support many invaluable programs including:

- Over 40 undergraduate scholarships and graduate study grants
- Officer Training Schools
- Summer Leadership Academy
- Travel scholarships and educational programs at Grand Chapter Congress
- Over 200 scholarship keys for outstanding business students

I gave at the office. . .

Now you can give at the office through your Work Place United Way Campaign.

Many United Ways have implemented donor choice programs that allow employees to direct their payroll deductions to non-United Way charities. The Delta Sigma Pi Leadership Foundation is a 501 (c)(3) charity and is fully qualified by the IRS to receive your tax deductible contributions.

Establish a Scholarship

Your gift to the Leadership Foundation can establish a perpetual scholarship for your chapter. For a gift of \$10,000 or more, you may establish a named fund from which cash awards will be made annually from the income generated by the fund's principal.

All contributions are credited toward membership. 50% Off Hotel Rates

An Incredible Offer For Delta Sigma Pi Members

I imagine saving a full 50% at a huge selection of terrific hotels!

How? Join *Quest International*. And right now you can join Quest at tremendous savings!

A Quest Membership normally sells for \$99.00. But through a special agreement with Destinations, Inc., (group distributors for Quest), you'll get in at a fraction of the retail cost. **Just \$29.95!**

"WHERE CAN I STAY? WHICH HOTELS?"

You'll find locations from virtually every major chain—plus terrific resort facilities. Your 100-page, full color Quest Hotel Directory has all the details. Plus, you get a brand-new, fully-updated directory every 90 days—at no extra cost!

50% OFF... ARE THEY CRAZY?

Why do hotels do it? — Simple. — Profits.

You see...on average, annual hotel occupancies are around 65%. But remember that 65% full also means 35% empty. And once a hotel meets its break-even point, any additional room sold is pure profit for the hotel. *Even when you pay just half the regular rate.*

Occasionally a hotel fills completely, like during a

convention or special event. If they expect to fill they may decline a half-price reservation. But, the rest of the time, they'd love to have you stay.

TRY QUEST ALL YEAR—RISK FREE!

Take Quest on the family vacation. Use it on your next business trip. What about a weekend getaway? Use your Quest membership all year long!

Your satisfaction is completely guaranteed! If you're not fully pleased with your Quest membership—you get your money back!

25% OFF HOTEL DINING

Cut 25% off your total food bill! Check your hotel directory for participating restaurants and enjoy the savings. *Bon Appetite!*
