# Focus - A NEW GOVERNANCE MODEL

In this column in the last issue of *The DELTASIG*, a new Fraternity governance structure was introduced. During the 42nd Grand Chapter Congress in Houston, the Governance Task Force (GTF) presented details of the proposal to the Fraternity and members had the opportunity to discuss, debate, and propose changes to the proposal.

Let's review the details of the proposal. Given the goals that the Governance Task Force had established, the group came up with four recommendations for the governance of the Fraternity:

- *Combine the current Board of Directors and Executive Committee into an enhanced policy-making body that reflects the needs of the Fraternity.*

The Board of Directors has been redefined to serve the needs and purpose of the Fraternity and to create a governance body that can operate as a strategic planning unit, similar to a corporate board of directors. This body will replace the current Executive Committee and Board of Directors, as we know them today. The Board of Directors will consist of:

- Grand President (President, CEO)
- Past Grand President (Chairperson)
- Provincial Vice Presidents (5)
- Vice President - Finance
- Vice President - Organizational Development
- Senior Collegian of the Year
- Junior Collegian of the Year (non-voting)
- Executive Director (non-voting)

All members of the Board of Directors (with the exception of the Past Grand President, Collegians of the Year, and Executive Director) will be elected for a two-year term at Grand Chapter Congress.

- *Create a formal Provincial Council structure to decentralize operational authority and decision making and to provide members a greater voice on the provincial level.*

Each Provincial Council shall consist of the Provincial Vice President, Regional Vice Presidents (formerly known as Regional Directors - who will serve two year terms elected at Grand Chapter Congress), and one delegate from each collegiate and alumni chapter in the province.

The Provincial Council will serve as a formal management structure to help the Provincial Vice President administer affairs within the province. Provincial Councils would meet annually (at a minimum) and would: determine sites for the Provincial Conference and any regional meetings, review the status of chapters within the province, address any disciplinary issues, determine number of regions and regional boundaries, provide input to the Provincial Vice President on matters to come before the Board of Directors, and would vote on Congress legislation (proposed from that province) before it would come to Congress.

Creation of Provincial Councils will also be a step toward building a "farm system" for future leaders. Brothers will have the opportunity to serve as Regional Vice Presidents, committee chairs, etc., and gain needed experience before making the more substantial commitment required to serve on the Board of Directors or a national committee.

- *Create a standing committee structure to better serve the purpose and goals of the Fraternity on the national, provincial, and regional levels.*

Standing Committees are important to any governing body, and are important to furthering the direction of the organization. Standing Committees are on both the national and provincial levels, and serve a variety of functions that are critical to the functional operation of the Fraternity.

The following table lists the suggested standing committees for the organization:

National Committees	Provincial Committees
Executive	Alumni Development
Nominations	Professional Development
Finance	Scholastic Development
Organizational Development	and Awards
Alumni Development	Community Service
Professional Development	Disciplinary
Scholastic Development	
and Awards	
Community Service	

- *Revise the current Bylaws to reflect these changes and to support the needs of a decentralized governance structure.*

The Bylaws must change dramatically in order to place this governance structure in effect. While the details of the revisions will not be outlined here, summaries of the proposals are as follows:

**1. Governance Structure.** This will include the elimination of the Executive Committee (in its current form and structure) and the combining of the Executive Committee and Board of Directors duties into the new Board of Directors.

The other major change will be the creation of the Provincial Councils. All of the formalities and duties of the councils will be detailed as summarized above.

**2. Mail Balloting.** Permit the Grand Chapter to amend the Bylaws more easily via mail ballot. Although the need to amend the Bylaws between Congresses will be rare, this will create greater organizational agility in times of crisis.

**3. Remove Basic Policies and Procedures.** The Bylaws will be a greatly streamlined governance

document supplemented by a regularly updated Policy and Procedures Manual. Bylaw amendments should be unnecessary unless there is a need to alter the basic governance structure, membership requirements, etc.

Although the Grand Chapter will retain its responsibility for approving amendments to the Bylaws of the Fraternity, revisions to the Policy and Procedures Manual will be accomplished by the Board of Directors. This will enable the Grand Chapter to focus more on providing the input needed to formulate the Fraternity's strategic directions and annual operating plans. The Grand Chapter will undertake the important responsibility of regularly evaluating the accomplishments of the Fraternity, officers and committees.

The Grand Chapter Congress took a significant amount of time to listen, question, and debate the proposal before them. The GTF took careful consideration of the comments and opinions of the Congress. "Straw Polls" were taken at Congress to firm the desires of the Grand Chapter. The GTF has implemented all the recommendations from Congress as promised.

Delegates to the Grand Chapter Congress overwhelmingly gave tentative approval of the proposal, and with an unprecedented move, the Grand Chapter recommended the Board of Directors allow the Grand Chapter to vote on the GTF proposal via a mail ballot this fall. All collegiate and alumni chapters will receive a mail ballot by the end of October, with specific voting instructions.

A number of detailed documents on the GTF Proposal are available on the Deltasig Web site <www.dsnet.org>, or if you have a specific question please send it to task force chair Robert Tavarez <rtavarez@aol.com> or to Mike Tillar <mtillar@ix.netcom.com>. We will make sure that your thoughts are circulated to the other members of the task force.

To take a broad, long-range look at this proposal, picture yourself 15 years in the future. Picture that we have been operating on the proposed structure outlined above. Then imagine a committee has recommended that we change the following: 1) expand the Board of Directors from 12 to 33 people and that another policy making board of nine people be created; 2) take away Provincial Councils and centralize operations; and 3) take the Bylaws and double it in size by adding lengthy policies. When viewed from the reverse perspective it becomes even more clear the Governance Task Force has provided an efficient, effective model for the Brotherhood to consider. ▲

*This article was written on behalf of the Governance Task Force by Chair and Golden Council Brother Robert Tavarez, San Jose State.*

## R. NELSON MITCHELL AWARD FOR CHAPTER QUALITY

The R. Nelson Mitchell Award for Chapter Quality was established to recognize a chapter in each province which maintained excellence over the two year period between Grand Chapter Congresses. To qualify, the chapter must attain Honor Roll in at least one of the two years. In addition to CEI, two-year statistics about the chapter are evaluated in areas of membership, finances, academics, and leadership. The next Quality Awards will be presented in Buffalo in 2001 for chapter performance between 1999-2001. The award was named for Brother Mitchell this year in honor of his long and dedicated service to the Fraternity.

# Fraternal Growth in the West

Delta Sigma Pi celebrates the installation of two new chapters in California. The University of California-Los Angeles became the home of Xi Omicron Chapter and the University of Redlands welcomed Xi Pi Chapter.

## Xi Omicron Chapter Becomes a Reality at UCLA

On May 15, 1999, Delta Sigma Pi awarded its 246th charter to the Xi Omicron Chapter at the University of California-Los Angeles. A total of 54 students and five faculty became the charter members during initiation ceremonies on the UCLA campus.

The installation team included student Deltasigs from nearby chapters at Loyola Marymount, California State-

Northridge and California State-Long Beach. Also assisting with the ceremonies and celebration were Grand President Norm Kromberg, Provincial Vice President Greg Howell, South Pacific Regional Director Kim Perrin, District Director Karen Carlson, and Director of Chapter and Expansion Services Dale Clark. A host of other Deltasigs from around the country also joined the festivities and provided assistance, including Board members Claire Sammon Roberts, Sandy Shoemaker, Joe Tacto and Golden Council

members Mark Roberts (since elected Vice President for Alumni Benefits and Services), Adrian Avalos, Paul Garcia and Catrina Conway.

A very elegant banquet was held at the Wyndham Bel Age Hotel in West Hollywood with Regional Director Kim Perrin serving as Mistress of Ceremonies. Featured speakers included Joan Nelson and John Riley, both representing the University. Norm Kromberg made the official Xi Omicron charter presentation and was assisted by Dale Clark with the

individual presentations of membership certificates. Following a number of special presentations for efforts during colony development, everyone enjoyed an evening of dancing and networking.

## Colony Development

Members of Delta Sigma Pi have desired to have a chapter at UCLA for many years and aggressively sought support and interest in recent years. Then one unexpected day in January 1998, a telephone call was made to the Central Office by Tony Yu, who was the chapter's founding President. As information was shared and reviewed, friends Dana Matsuno and Christine Lee joined Tony and officially formed the Lambda Alpha Epsilon Colony on March 1, 1998. As you might guess, the rest is history.

The trio was very successful in recruiting other students, getting university support, and networking with other chapters in their region. Within weeks, the group had over 30 members and as fall quarter began, membership quickly doubled. The colony completed an impressive program of activi-

ties including a speaker from PricewaterhouseCoopers, collecting 500 lbs. of food for the L.A. Food Bank and bringing in over \$3,000 in fundraising. Their social calendar included a Charity Swing Dance and the colony had delegates at the Leadership Academy and Regional Conference. A well-rounded program of events and a solid membership base (only two seniors were in the charter class), combined with the development of excellent individual leadership skills, are proving to be important factors in the success of this chapter.

## UCLA

The University of California at Los Angeles was one of the first institutions of higher education in California, opening in 1882. The Department of Economics was developed in the 1940s and now has over 2,200 students. The Graduate School of Management has over 1,000 students and the entire university enrollment now exceeds 23,000.

Welcome UCLA and Xi Omicron Chapter!

## Xi Pi Chapter Represents Agents of Change

Just as Delta Sigma Pi was founded in 1907, so was the University of Redlands in Southern California. Once an old winery and brickyard, the 40-acre campus is between San Bernardino and Palm Springs and was founded by the American Baptist Church. In addition to the main campus in Redlands, California, the University also has several satellite campuses in the surrounding counties and offers 10 different degree programs.

A Delta Sigma Pi colony was formed in November 1997 by three students in the adult program with Redlands Whitehead College. They elected the colony name Alpha Omicron Delta to represent "Agents of Change" and established the purpose "to bridge the students from two departmental colleges (traditional and adult satellites) for a stronger network among all business students."

On May 22, 1999, Delta Sigma Pi installed the Alpha Omicron Delta colony as Xi Pi Chapter with 46 students, 12 faculty, and two honorary members. Initiation was conducted by Past Grand President Randy Hultz, members from California-Riverside, California State-Fullerton, and other area Brothers. Much assistance was provided by Provincial Vice President Greg Howell, Pacific Coast Regional Director Joe Tacto, and Western Regional Director Claire Roberts, as well as District Director Catrina Conway, who also served as Pledge Educator. Following initiation ceremonies at the Redlands campus, a banquet was held at the San

Bernardino Hilton with Regional Director Joe Tacto serving as Master of Ceremonies.

One of the original three founders, Patricia Schafer delivered the invocation and colony President Richard Boyd accepted the charge and charter from Randy Hultz. University greetings and history presentations were made by new initiates, Dr. Larry Sunn (also Chapter Advisor) and Dr. Carl Witte. The chapter's gavel was presented by Greg Howell to Chancellor Darron Poulsen. After some individual presentations, the program concluded with Fraternal Greetings from Dale Clark, Director of Chapter and Expansion Services, and an evening of dancing. The chapter also paused during a dance break to do a history skit of their colony. In addition to the above-mentioned Fraternity representatives, the event was enjoyed by many friends and family members as well as Golden Council member Rick Blevins.

As a colony, they held a wide variety of events for professional and service programming and were one of the first Deltasig groups to present the Alcohol 101 educational module. They had

excellent participation in the Officer Training School in Tucson and at the Fall 1998 Regional Conference. In February they even hosted an area conference. We look forward to continued success

with this exciting and diverse group at Redlands.

Welcome to the Xi Pi Chapter! ▲

## Delta Sigma Pi Colony Listing (as of October 1, 1999)

Delta Sigma Pi continues to grow and is interested in business schools with enrollment greater than 400. We're also placing priority on reactivations of previously closed chapters. We are excited about these current colonies and look forward to their installation as active chapters.

# Launching an Exciting Future for Delta Sigma Pi

## Grand Chapter Congress

"Launch Your Future" was the theme for Delta Sigma Pi's 42nd Grand Chapter Congress, held in Houston on August 18-22, 1999. What better setting for such a grand event than in a city which represents the grandeur of the Texas frontier. Almost 1,000 - 990 to be exact - Brothers from all over the country eagerly came to

Houston to meet the challenge of strengthening the Brotherhood through educational seminars, national elections, awards presentations, legislation, governance issues and impressive guest speakers. And of course, there was the exciting setting of Houston itself, with the best of the "wild West" presented for our entertainment.

Several days of leadership meetings for the Executive Committee, Board of Directors and Leadership Foundation Trustees began this "grand event" in Houston. Congress proper began

Wednesday, August 18, with educational and inspirational sessions, many sponsored by the Leadership Foundation.

As Brothers attended the Wednesday morning Educational Opening Session at the J.W. Marriott Hotel, everyone was eager to "launch their future." The keynote speaker, Brandon Silveria, began with a timely

address on the subject of the challenges and choices Greeks face today on the college campus. Brandon's speech was sponsored by The Century Council, who produced the educational program, "Alcohol 101," to educate students about making responsible choices with alcohol.

Delta Sigma Pi's outstanding educational programs give Brothers the information they need to succeed—within their chapters, their careers, and their personal development. Throughout the day, Brothers were treated to

several different tracks, including risk management, leadership and personal development, alumni interests and operations, LEAD School information, and sessions on Delta Sigma Pi operations. More than 35 sessions delivered by skilled professionals and Deltasig experts helped our Brothers and guests fulfill the Fraternity's potential today while leading us into an exciting and challenging future. These educational programs ensure that we will meet those challenges with pride, commitment, and professionalism. Thanks to all the great speakers who participated in the day's activities. With more than 500 attendees, this was one of the best attended educational experiences yet for Delta Sigma Pi.

The Deltasig Marketplace was open all afternoon for Congress attendees to interact with alumni, corporate sponsors, and experts on exciting and effective chapter management ideas, while vendors promoted products and career opportunities of interest. Some of the vendors provided pizza for the lunchtime attendees - a definite crowd pleaser.

Later that evening, following the national leadership reception, former shuttle commander Karol J. Bobko spoke about international business and his space explorations, appropriate topics which tied in with the Congress theme. Commander Bobko piloted the first flight of Challenger, was commander of Discovery and on the maiden voyage of the shuttle Atlantis. He now serves as a principal of Booz-Allen & Hamilton, a leading space technology firm. Bobko dazzled the audience with his stories of space exploration, complete with video and slides. While he didn't have an answer to the age-old question "is there extraterrestrial life," he did send everyone away with a better understanding of how space is all about business.

Following Commander Bobko's speech, the casual Grand President's Reception and Dance allowed Brothers to wear their Deltasig colors and letters and enjoy a DJ, dance contests, and other activities sponsored by M J Insurance and Pepsi Cola. A "Late Night Brotherhood" event fostered the fraternal spirit as informal gatherings took place at the Marriott.

The Grand Chapter Congress officially opened with 126 collegiate and 28 alumni chapters, as well as seven colonies, in attendance on Thursday morning. Gordon Bethune, Chairman and Chief Executive of Continental Airlines, was initiated as the 1999 National Honorary Member. He then presented his educational and entertaining keynote address.

The Outstanding Alumni Recognition Lunch and Program provided a Congress highlight for many as a host of business and Fraternity leaders were recognized for their achievements. Foundation President Chris Robinett and Grand President Norm Kromberg recognized five Brothers with the Silver Helmet Award. This recognition for 25 years of service to the Fraternity was given to Ron Bryant, *Texas Arlington*, Richard B. Featherston, *North Carolina Chapel Hill*, Stephen L. Ropfogel, *Cal Poly-San Luis Obispo*, and Raymond D. Galbreth, *Missouri-Columbia*. Receiving recognition for career achievements were Gary B. Goolsby, *Louisiana Tech*, Richard A. Lewis, *Louisiana Tech*, Anthony J. Santoro, *Roger Williams, E.* Joseph Wheeler, Jr., *Temple*, and H. Nicholas Windeshausen, *Nebraska*. Delta Sigma Pi was proud to honor these Brothers for their distinguished accomplishments and years of achievement in the business and fraternal worlds.

Business Sessions continued as 16 proposed Bylaws and Ritual changes were debated and voted on. Some proposals passed, but many were defeated after much debate. Brothers Robert Tavarez, *San Jose State*, and Mike Tillar, *Cincinnati*, presented the report of the Governance Task Force to the Congress. A detailed question and answer session, including open debate, straw polls and consensus gathering, gave the Task Force vital input to refine the proposed changes. Delegates enacted legislation making a fall mail vote on the revised proposal possible. A rousing ovation was given to Chancellor Shawn Reitsma, *Minnesota*, for his skillful leadership in overseeing debate and the proceedings of the Grand Chapter Congress. Past Grand President Bill Kinsella did a superb job in the supporting role of Congress Parliamentarian.

arian. Voting results on the many issues are available from the Central Office.

This Grand Chapter Congress had something for everyone as a number of optional tours were offered throughout the week. Many attendees took advantage of these opportunities to visit the Houston Space Center and see an Astros game in the Astrodome for the first time. With the 2nd Biennial Foundation Silent Auction taking place through Saturday, Congress attendees were able to shop and bid on Deltasig memorabilia, vacation packages and much more. So, it wasn't all business in Houston!

Friday, August 20, the Business Session reconvened, after which the Nominations Chair, Joe "Skip" Loomis, *California-Berkeley*, presented his report and led the election process and voting. In national elections, Brother Norm Kromberg, *Nebraska-Lincoln*, was the sole candidate and re-elected as the 1999-2001 Grand President. Brother Mark Roberts, *San Francisco*, ran unopposed for Vice President for Alumni Benefits and Services. Election results for Provincial Vice Presidents and Regional Directors are presented on pages 4-6 of this issue. A very special thanks goes to these Brothers who completed their terms of service and leadership: Catherine Merdian, Greg Howell, Todd Whisenant, Eddy Chiochetti, Terri Wagner, Sean Boyd, Tracy Jursz, Dara Moore, David Brooks, Terrell Ford, James Webb, Dawn Zehnle, Marc Bowman, Laurie Senko, Joe Tacto and Kimberly Perrin.

Regional Awards were presented to collegiate and alumni chapters, with everyone then proceeding to the National Awards Luncheon and Program. A complete list of all award winners is found on pages 7-9 of this issue. The 1998 Collegian of the Year, Dawn Libbert, addressed the luncheon attendees and talked of her fond memories and experiences in Delta Sigma Pi. National award winners were presented by Grand President Norm Kromberg, Director of Chapter and Expansion Services Dale Clark, Dawn Libbert and 1997 Collegian of the Year

Rich Foster with cheers and excitement from the crowd. The 1999 Collegian of the Year, Mark Chiacchiari, then spoke of his vision as a new member of the Executive Committee and Board.

Envision this. . . cowboy hats, line dancing and mechanical calf roping. Now add the Delta Sigma Pi flag being waved in the air as it is carried around the arena on a horse. Now imagine this with more than 900 Deltasigs! You've got it, Brothers experienced Texas hospitality firsthand with an authentic Texas-style BBQ and dancing. Everyone was treated to a live rodeo, including barrel racing, calf roping, bareback riding, and bull riding events. The Tex-Mex Olympics were staged, and a best-dressed competition rewarded Congress participants in Western attire. Watching the Fraternity's Executive Committee compete in the cow chip throwing contest (yes, they were real) was a sight to be seen.

Election results, recommendations, resolutions and the installation of the 1999-2001 Grand Officers who will lead Delta Sigma Pi into the next millennium started Saturday off. The Foundation Silent Auction ended with nearly \$5,400 in proceeds - another success! The closing ritual signified the momentous occasion as each Brother reflected upon the Fraternity and the bond it has inspired and fostered in all of us.

As education sessions followed, a unique presentation entitled "Delta Sigma Pi: A History of Change" was hosted by 1994 Lifetime Achievement Honoree and Past Grand President Mike Mallonee, *Oklahoma*. This panel presentation, assisted by Rich Garber, *Indiana-Bloomington*, included a unique retrospective of the Fraternity by Past Grand President Warren Armstrong, Past Grand President Randy Hultz, former Assistant Executive Director Mike Tillar, Provincial Vice President Beth Keith and Golden Council Brother Nicholas Windeshausen. Jim Jacobs, *Albany*, and his wife, Brother Julia Jacobs, *Sienna*, presented a history and values session from the perspective of founder Henry Valentine Jacobs. A recruitment presentation was led by Past Grand

President, Foundation Trustee and 1992 Lifetime Achievement Honoree Bill Tatum, *Southern Mississippi*. Brother Tim Augustine, *Kent State*, sponsored by the Leadership Foundation, presented his "How Hard Are You Knocking?" session. As the afternoon concluded, Leadership Foundation donors and all alumni were invited to an exciting reception.

Finally, the 42nd Grand Chapter Congress culminated with an elegant banquet and ball emceed by Brother Joe Mayne, *St. Cloud State*. Grand President Kromberg and Foundation President Robinett arrived for the banquet in style - "Texas-style" that is! Riding Texas longhorn steers, they were paraded through the room to their seats. Executive Director Bill Schilling and Foundation Executive Vice President Bill Loftus followed close behind with shovels - both hoping for no big surprises.

The retiring Board marched in for a final "thank you" and were presented with Testimonials for their great efforts. Attendance Award winners were announced with Iota Nu, *Truman State*, winning the Kenneth B. White Collegiate Award and Boston Alumni taking the Robert O. Hughes Alumni Award. Past Grand President Bill Tatum drew retiring Board Member Mark Bowman as the lucky Diamond Badge winner. The raffle netted over \$3,000 toward Fraternity improvements. The Leadership Foundation accepted gifts totaling more than \$21,000 during Congress, as

a number of challenges were put forth to the attendees. Several Foundation Trustees matched these gifts with an additional \$10,000 in contributions on Saturday evening bringing the grand total of Foundation donations to more than \$31,000 for the 42nd Grand Chapter Congress. The generosity of those who contributed to the Foundation will further support educational programming, scholarships and professional opportunities for our members. Thank you all very much!

Brother Kaoru Yoshimoto, *Drake*, played "The Rose of Deltasig" and "Fraternally Yours" on the piano in grand style. Brother Patrick Bousquet, *Drake*, sang these beautiful pieces, bringing a tear to many in the room. Brother Jeff Fizer, *Drake*, once again led the group singing of "The Rose of Deltasig" to close the evening with Brother Yoshimoto accompanying. The nearly 1,000 Brothers and friends, in a circle of Brotherhood, presented another unforgettable moment of the 42nd Grand Chapter Congress.

Did we launch our future in Houston? That we did! With near record-breaking attendance, everyone took something away from this Grand Chapter Congress that will take them into the next millennium. Mark your calendar for the 43rd Grand Chapter Congress at Niagara Falls, August 15-19, 2001. Help Delta Sigma Pi make a BIG splash for the new century! Continued →

Brothers and Cowboys exhibit their excitement at the 42nd Grand Chapter Congress Deltasig rodeo. The private event, held just for the Fraternity, included a Texas BBQ, calf roping, bronco busting, bull riding and much more.

# Grand Chapter Congress

Grand President Norm Kromberg, celebrating his re-election to another two-year term, accepts a gag gift of pudding from Collegian of the Year Dawn Libbert.

Brother Laurie Alexander, St. Thomas, (center) and 1995 Collegian of the Year Boyd Pederson, Western State, (left) enjoy a presentation at the National Awards Luncheon. Winners of all the Fraternity's top awards are listed on pages 7-9 of this issue.

Educational Keynote Speaker Brandon Silveria (center left) and his Trinity Brothers, from left: Carolyn Robinson, LaShawn Rhoades, Pierce. Brandon was sponsored by The Century Council, which all development of the Alcohol 101 program in use by our chapters.

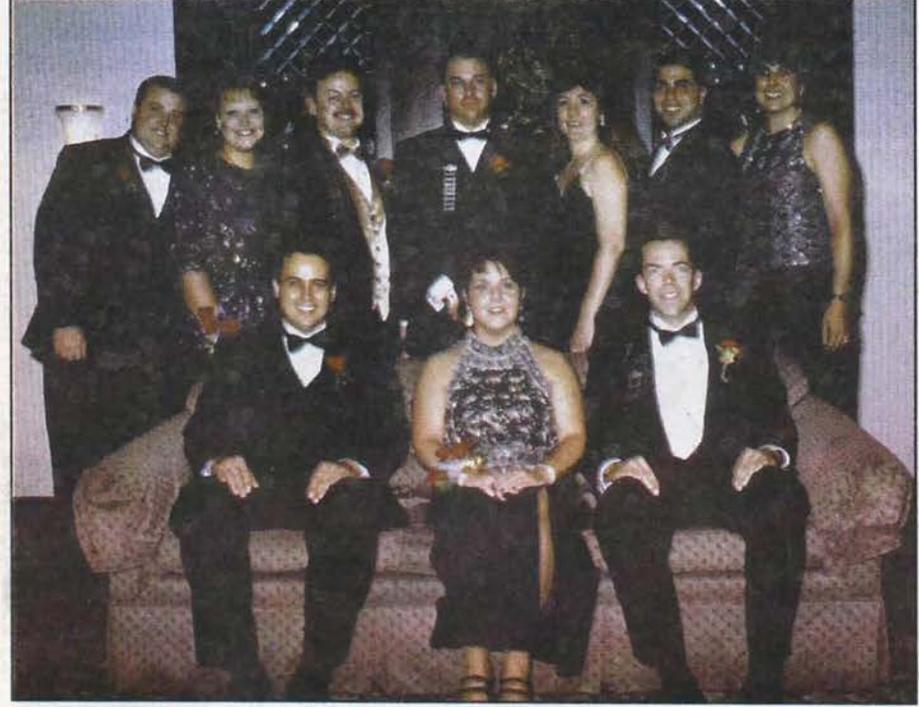

Brothers enjoy receiving materials in the Deltasig Marketplace. The Marketplace featured chapter operations information, vendors, career contacts, alumni and other reference material.

Brothers kick up their heels with a line dance at the Delta Sigma Pi Rodeo and Texas BBQ. Prizes for "best western dress," "best dyin'," "best moseyin" and "best dancing" were given. Executive Committee members competed in a cow chip contest won by Western Provincial Vice President Greg Howell.

The Delta Sigma Pi flag was carried around the arena in a special "parade" off the special private rodeo held for Congress attendees. Calf roping, bronco busting and bull riding were all exciting events new to most.

1999 Collegian of the Year Mark Chiacchiarri accepts his award from Grand President Norm Kromberg, following an excellent speech to the Awards Luncheon crowd.

1999 National Honorary Initiate, Gordon Bethune, New Mexico State, San Jose State, Ohio State, and Grand President Norm Kromberg as the Ritual Team and Grand President Norm Kromberg. Brother Bethune's remarks were a big hit.

# Houston... We Have Liftoff!

Governance Task Force member Mike Tillar, Cincinnati, addresses the Congress during a panel discussion of the proposed changes. Brother Tillar, a Golden Council member, has served the Fraternity as Chapter Consultant and Assistant Executive Director, as well.

Past Grand President Bill Kinsella and Southern Provincial Vice President Beth Keith enjoy a presentation by former space shuttle commander Karol Bobko. Bobko, who piloted the first flight of Challenger, was commander of Discovery and was Commander of the maiden flight of the shuttle Atlantis, entertained, informed and inspired the audience with his stories about space flight and the "business of space."

Brothers pose with 1999 Lifetime Achievement winner John Cookson (center) and 1998-99 National Advisor of the Year Iris Johnson (front right) during the National Awards Luncheon. Brother Cookson will be honored with a banquet in Richmond, Virginia, on October 30. Contact the Central Office for information on attending.

Delegates raise their placards to show support for an issue being addressed. Ten Bylaws and six Ritual proposals were debated and voted upon. Contact the Central Office to obtain results of the legislation.

Governance Task Force Chair Robert Tavarez, San Jose State, and fellow Task Force members Mike Tillar, Ray Galbreth, Dawn Libbert and Mark Chiacchiarri offered a panel presentation to explain their proposed changes to the Fraternity's governance structure (see page 2).

Brothers enjoy an evening of dancing and fun at the Grand President's Reception and Dance. The long-lasting dance was sponsored by MJ Insurance and Pepsi Cola - proving Brothers can have plenty of fun without alcohol.

Raymond D. Galbreth, Missouri-Columbia, is presented with the Silver Helmet Award for 25 years of dedicated service by Grand President Norm Kromberg. Ray currently serves as a member of the Governance Task Force.

Chancellor Shawn Reitsma, Minnesota, displayed skillful leadership in overseeing the proceedings of Grand Chapter Congress, while also utilizing the "powers" of humor on occasion.

Retiring Trustee Charles (Buzz) Sutton, Arizona State, is presented an award from Grand President Norm Kromberg, for his years of dedicated service to the Leadership Foundation as a Trustee. Buzz and Stonie (newly initiated to Arizona State) were among the attendees with the longest Congress ladders.

# Delta Sigma Pi Leadership Foundation

## A New Millennium of Continued Support

It is with great pleasure that I present the Honor Roll of Donors. It is the generosity of these individuals and corporations that enables the Foundation to provide the scholarships and funding for education programs that develop future business leaders and support the mission, "The Delta Sigma Pi Leadership Foundation exists to provide for the furtherance of business education through the extension of financial assistance and support of worthy education, scientific and charitable programs." For over 50 years, Deltasigs have contributed to the charitable support of the Fraternity's educational endeavors. This "giving back" has demonstrated a commitment to excellence and to the future development of business leaders. Many businesses today are attempting to instill values in their employees by encouraging community service, social investment or giving back. Delta Sigma Pi provides an avenue to instill values and higher standards of ethics through educational programming. The Delta Sigma Pi Leadership Foundation provides a chance for you to "give back" and assist with the development of future business leaders and demonstrate your support and commitment to the principles of our Fraternity.

Joan Maag  
Chairman and President

Special thanks to all who contributed to the 1998-99 Annual Campaign with gifts nearing \$230,000 and total income of more than \$287,000. Contributions were received from several thousand alumni as well as many collegiate members who joined the Grand President's Circle and pledged a lifetime of support to our Fraternity. A number of corporate partners also contributed to the success. Special thanks to Northwestern

Mutual Life for their continued Corporate Partner support and to Aerotek and Guess, Inc. for their inaugural Corporate Sponsor support. These demonstrations of Brotherhood and support for the educational programs of our Fraternity will ensure the continued progress of Delta Sigma Pi.

I would also like to recognize the late R. Nelson Mitchell and his family. Brother Mitchell's generous Living Legacy gift will be utilized for scholarship support. The Living Legacy Society is a critical part of the Leadership Foundation's future success. The members of this group have made prospective philanthropic decisions through planned giving to benefit the Fraternity, the Brotherhood and all Brothers of Delta Sigma Pi.

During the last year, the Leadership Foundation provided 48 scholarships and grants for graduate and undergraduate studies as well as scholarship keys to the top graduating senior at over 170 universities. The Living Legacy gift from Mr. and Mrs. Sidney A. Sparks increased the Regional Collegian of the Year scholarship from \$250 to \$400.

Special thanks and appreciation go to Jim Pendergrass and Buzz Sutton for their combined eighteen years of service to the Board of Trustees. I appreciate the financial as well as volunteer commitment made by these two individuals in support of our Fraternity. Jimmy and Buzz were instrumental in many aspects of the Foundation, including the successful merger of the Education Foundation with the Leadership Fund, which together formed the Leadership Foundation.

The third Leadership Academy was conducted in Oxford, Ohio. One hundred and fifteen students and guests converged on the campus of Miami University for an invaluable experience of leadership and personal development training. Many Brothers received financial assistance either with full scholarships or travel grants through the Foundation and its generous donors. The Foundation also assisted with underwriting this event.

The 42<sup>nd</sup> Grand Chapter Congress in Houston also featured events that were hosted by the Leadership Foundation. The Outstanding Alumni Program recognized five Brothers for their career achievements. The second Silent Auction provided the opportunity to view and bid on various items of interest, and generate more funds. And finally, prior to the banquet on Saturday, all alumni and donors were invited to a reception where donors were honored and scholarship recipients were announced. Many of the well-attended educational programs of this Congress were also sponsored by the Foundation.

As members of the Honor Roll of Donors, you continue to make a difference in the future of our aspiring business leaders. Your generosity has enabled the Foundation to make the third installment of \$10,000 to the Founders Memorial Fund endowment. The Foundation, again with your support, was able to increase its grant to the Fraternity for various 2000-2001 educational programs to \$30,000.

The goal of the 1999-2000 campaign is \$300,000. This can be accomplished through your continued support. New Millennium. New Milestones. Will you be a part of it? Help the Delta Sigma Pi Leadership Foundation continue to make a difference in the lives of young leaders and in our business communities.

## A Lifetime of Giving

Many thanks to these Brothers for their years of invaluable support.

LEGEND: The Delta Sigma Pi Leadership Foundation is proud to honor Brothers who have reached certain cumulative giving plateaus with membership in various Giving Levels. All contributions are credited toward membership. Cumulative Giving Levels have been established at Life Member - \$100; 1907 Society - \$250; Crown & Delta Society - \$500; Trustee Associate - \$1000; Chairman's Forum - \$2,500; Founders' Circle - \$5,000; Benefactor - \$10,000. The Leadership Foundation also recognizes the current consecutive number of years of giving for each Brother with an appropriate notation following their name. Patrons Circle of Donors have their names in bold.
