

EDDIE AND JACQUIE STEPHENS SOUTH ATLANTIC TRAVEL FUND

Travel Scholarships will be awarded annually to collegiate chapters located within the South Atlantic Region.

The following requirements must be met by the chapters:

- Be in good standing
- Have at least two (2) collegiate members register and attend the Southern LEAD Provincial Conference in odd fiscal years or have at least one (1) collegiate member attend Grand Chapter Congress in even fiscal years.

There is no application necessary. The Leadership Foundation will calculate attendance at events in the prior fiscal year and payments will be awarded to chapters each fall (beginning in fall 2012 based on 5% of the fund's fair market value as of June 30, 2012). The available monies will be divided equally among the eligible chapters. No payout will occur in years when the fund's value reduces principal.
