

Candidates Beacon

Candidates Edition – Updated 7/21/2025

The Nominations Committee, pursuant to Bylaws Article VI, Section 2, reports its activities with respect to submitting nominees for open offices. In addition to Cory Stopka as Past Grand President and Chair, the committee is composed of Jami Ball, Jennifer Huynh-Doto, Aimee King, and Cody Vasquez. Please contact Nominations@dsp.org with questions.

An electronic “Official Nomination Form” must be completed in detail and submitted to the committee before the nomination will be recognized. The Official Nomination Form is available on www.dsp.org. Review www.dsp.org/candidates for additional information on campaigning and election processes.

Candidates may begin campaigning once their candidate information is published in this beacon, updates to which will be made by the end of the day each Friday. Once nominations for any given open position are closed, chapter presidents from all voting eligible chapters will receive the full candidate listing. Inclusion in this report means the Nominations Committee has confirmed the candidate’s eligibility.

All candidates are required to hold a current Certified Deltasig Leader Tier 2 credential in order to be eligible for election. While CDL is not required to be confirmed as a candidate, the CDL status of each candidate is listed, and any candidates not completing CDL requirements prior to the election will be disqualified at that time. For more information, to check your CDL progress, or to complete or renew your certification, visit dsp.org/BeACDL.

The nominations form remains open and available at all times. Nominations submitted in advance of a call for election will be confirmed and reviewed if and when a vacancy is declared and nominations opened. Nominations for Grand Chapter Congress 2025 elections will be accepted through July 1, and will be published in this document. Any nominations received after July 1 will be considered floor nominations and will be made from the floor during the Grand Chapter Congress, pursuant to Fraternity Policy Section P. Floor nominees will have their Nomination Forms posted as designated at Congress.

Campaigning by those nominated by July 1 will begin earlier than floor nominated candidates. Refer to Fraternity Policy *Section O. Grand Chapter Delegates, Credentials and Voting* and *Section P. Nominations, Campaigning and Vacancies* for more details.

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: Delta Sigma Pi is more than a fraternity—it's a lifelong brotherhood built on leadership, service, and shared success. As Grand President, I have worked to help our fraternity better live our purpose and vision, creating avenues that empower brothers and our communities to thrive.

Together, we have:

- Examined ways to better support our fraternity through chapter, regional, provincial, and national volunteer structures.
- Enhanced education through LEAD Schools, Summits, and targeted leadership programs.
- Brought national conversations closer to chapters through a historic mail vote, virtual town halls, and legislative reviews.
- Streamlined the election process to improve dialogue between candidates and delegates while preparing volunteers to serve effectively.

But we're just getting started. My vision for the next two years is to build on this momentum by:

- Deepening our brotherhood so our shared purpose shines even brighter.
- Expanding volunteer leadership to provide stronger chapter support and more alumni engagement opportunities.
- Reimagining educational programs to develop modern business and leadership skills.

Delta Sigma Pi's future is bright, and together, we will continue to build something even greater. I am honored to serve this brotherhood and would be grateful for your vote for Grand President.

Job Title: Senior Director of Growth Marketing

Brief Description of Employment Responsibilities: I am a seasoned marketing professional with 23 years of experience, specializing in demand generation, customer lifecycle marketing, industry engagement, marketing analytics, and marketing technology management, particularly within tech-based start-up environments.

Currently, I serve as the Senior Director of Growth Marketing at Vizeit, a Boston-based start-up that empowers brands, retailers, and agencies with AI-driven solutions to optimize their visual content for maximum engagement and sales. Recruited by the CEO, I lead initiatives that have significantly contributed to Vizeit's growth and success, including:

- Developing and executing customer acquisition and retention strategies, driving annual revenue growth.
- Cultivating and managing partnerships and trade association relationships.
- Planning and overseeing marketing budgets to align with company revenue and financial objectives.
- Organizing and executing virtual and in-person educational events with audiences ranging from 20 to over 200 participants.
- Leading integrated marketing teams across the US and Europe, including designers, content marketers, and sales representatives.
- Building, managing, and optimizing Vizeit's sales and marketing technology stack, encompassing marketing automation, CRM systems, customer communication platforms, and operational tools.

This combination of strategic leadership and hands-on execution reflects my commitment to driving impactful growth in fast-paced, innovative environments.

Statement of Platform: For over 20 years, Delta Sigma Pi has been an integral part of my life. Serving as a volunteer leader for 13 years—and the last four as a Board member—has inspired me to run for Grand President. I'm passionate about giving back and excited to lead our fraternity into a vibrant future.

As Grand President, my focus will be on delivering an experience that feels meaningful and

valuable for every member. I want your membership to feel fulfilling, impactful, and worthwhile.

I'll work to:

- Level up professional programming to match top business schools and professional orgs
- Create volunteer experiences that are rewarding, energizing, and well-supported
- Support chapter health by investing in the tools needed to thrive
- Pursue smart, sustainable expansion without losing sight of chapter health
- Foster a culture where every member feels safe, valued, and supported to grow
- Prioritize what matters most—and deliver results
- Modernize operations with tools that help us work smarter, not harder

And most importantly: Delta Sigma Pi should be fun.

Some of the best experiences come from choosing to get involved, not because you have to, but because you want to. Let's build more of those moments—together.

Job Title: Senior Post Production Accountant

Brief Description of Employment Responsibilities: As a Post Production Accountant, I lead the financial operations for film and television projects across major studios, including Lionsgate, Netflix, and AGBO Films. I've supported over 40 productions, with budgets ranging from \$4.5 million to \$400 million. My responsibilities span creating budgets, tracking costs, forecasting estimated final costs (EFC), performing variance analysis, and generating studio-facing cost reports and financial statements. I manage cash flows, accounts payable and receivable, and international tax incentive audits, and produce comprehensive quarter-end and year-end close packages.

I lead teams of assistant and payroll accountants and collaborate cross-functionally with production executives, finance teams, post supervisors, and third-party vendors, ensuring alignment across creative, operational, and financial priorities. My credits include high-profile projects such as The Hunger Games franchise and Rick and Morty, as well as a wide range of features and series across various streaming/theatrical platforms.

In addition to my production work, I am a voting member of the Television Academy and was selected as a 2023–2024 Fellow by Women in Film (WIF). I also hold leadership roles with several Los Angeles-based nonprofits, including the Tournament of Roses, Reading to Kids, and Pasadena Pacers.

Job Title: Stay-at-home parent

Brief Description of Employment Responsibilities: As a stay-at-home parent, I am a homemaker and primary caregiver for the well-being and development of my children.

Some of my responsibilities include: time management/scheduling, inventory control, risk management, researching, budgeting, effective communication, educating/coaching, adaptability, empathy, humility, and occasionally singing, dancing, playing, reading, and telling the greatest Dad jokes.

These responsibilities, in addition to my general skill set and a work history which includes: Quality Auditor, Actor, and Food Service, have allowed me to sharpen my mind and regularly take on leadership roles in the organizations of which I am a part.

In the past, those roles have included management positions in the Food & Beverage industry, a trainer position at the Walt Disney World Resort, and various volunteer roles.

Aside from my involvement with Delta Sigma Pi, I also volunteer with my daughter's school's Parent Teacher Organization, and as the Scorekeeping Coordinator in my local recreational ice hockey league.

Statement of Platform: Over the past ten years as a brother of Delta Sigma Pi, my focus has centered on communication, coordination, and the advancement of all brothers, from their collegiate journeys to their professional careers. From my initiation to the present day, I have remained committed to strengthening the purple and gold thread that connects us all. My passion lies in fostering a sense of unity, growth, and lifelong brotherhood.

My goals as Regional Vice President include:

- Providing consistent, accessible support to all collegiate and alumni members in the region, and serving as a voice to the National Board of Directors to ensure every brother in the region is represented.
- Fostering a strong sense of community within the region to promote the personal and professional growth of all brothers.
- Encouraging participation in national events by sharing the value and impact of my own experience as an active and engaged brother throughout my tenure.

- Promoting the use of technology to overcome geographic barriers and support meaningful inter-chapter collaboration.
- Offering continuous, open-door support to all volunteer leaders within the region to empower and sustain their success.
- Identifying and cultivating emerging leaders to promote national growth.

Statement of Platform: Brothers,

Thirty-two years of unwavering dedication to our fraternity demonstrate my commitment to strengthening the bonds that unite our Great Plains Region. As a college professor, my flexible schedule and daily experience with collegiates and alumni provide me the solid insights to stay connected with my brothers. I am and will continue to be readily available to support you and your needs.

I will visit every collegiate and alumni chapter at least once a year to ensure open, two-way dialogue. Personal visits will help me understand the unique chapter strengths and challenges, while fostering stronger relationships with real-time feedback and support. When more help is needed, more visits will happen. I will personally visit with each president, faculty advisor, district director, and assistant district director monthly to provide any additional help needed. I deeply believe that transparency and engagement are the keys to trust. I pledge to keep all chapters informed through regular updates and consistent communication. I will be accessible, approachable, and responsive because your voice matters!

Our fraternity thrives when all members feel seen, heard, and valued. Together, we can build on our proud legacy and move forward with unity, purpose, and passion. Great Plains Region Rocks!!

North Star Regional Vice President

Name of Nominee: Michael Vitale

Primary Address: [Burnsville, MN](#)

Email Address: deltasig@mikevitale.com

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: Over the past 29 years I have served as District Director in three different regions, as Alumni Chapter President of both CAC and TCAC, and as a Leadership Foundation Trustee. While I wanted to serve as RVP for many years, work travel prevented me from being able to dedicate time to the chapters I'd serve.

After moving to Minnesota and no longer traveling for work, I've served as District Director for two chapters, winning Regional District Director of the Year in 2022-23.

My focus is always on ensuring collegiate chapters know I will support them anyway I can. Chapter members know they can reach out to me any time, for any reason. We can work together to solve any problem.

As your North Star RVP, I will continue to identify and grow leaders. I will work with collegiate chapters to ensure they are operationally sound, and will attend events throughout the region regularly. Further, I will be dedicated to promoting relationships between chapters, finding alumni to serve our chapters, and encouraging attendance at regional and national events. Finally, I will have open and honest communication between myself, other leaders in the fraternity, and all chapters in the region.

Northeastern Provincial Vice President

Name of Nominee: Stacy Jordan

Primary Address: [Alexandria, VA](#)

Email Address: sjnortheastern.pvp@gmail.com

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: Two years ago, the brothers of the Northeastern Province elected me as the Northeastern Provincial Vice President (PVP). The PVP is your voice on the national board and advocates for the fraternity's positive operational changes and long-term strategic planning. During this biennium, key goals I wanted to accomplish in the province include:

1. A more inclusive leadership team,
2. Conducting more alumni engagement activities,
3. Engaging our collegiate brothers in educational events;
4. Attending events throughout the province.

If elected for another term as Northeastern PVP, I would like to build on this biennium's success and ensure that our brothers have value in their membership in Delta Sigma Pi. I will work with all parties to ensure that alumni and collegiate brothers have opportunities to seek their full potential.

Our volunteer leaders are so generous with their time and effort in supporting you and the fraternity. I would be remiss in not offering my sincere gratitude for their leadership and ensuring our province thrives.

As we look forward, let's have a growth mindset and make that a Standing Operating Procedure. I look forward to leading our province to excellence. Let's show why "Team Northeast" is the Best!!

Thank you!!

Statement of Platform: Greetings, Brothers — Marvin Boone here for Capital Regional VP.

For over 30+ years, I have proudly walked this path in DSP. I've had the honor of serving as District Director for Iota Rho for a decade and as your Capital Regional Vice President for the past two years. With your continued support and vote, we can advance the Capital Region together—furthering our rebranding and rebuilding efforts.

Our collective energy and commitment can drive an innovative, collaborative, and creative region—one where non-traditional thinking thrives. Capital's unique energy is our advantage, and it's time to harness that to fuel a Fresh Fire. A revival defined by greater conference participation, increased engagement, and improved dynamic Brotherhood experiences (between chapters in the region; and beyond).

Together, we can continue to build programming that supports SMART goals at every level of the region. This will strengthen our efforts at the Collegiate level but also establish a robust pipeline from Collegiate to Alumni Chapters; ensuring sustained growth and unity.

Together, let's ignite this journey with a Fresh Fire; lifting the Capital Region to even higher heights.

Eastern Regional Vice President

Name of Nominee: Angi Coston Jones

Primary Address: [Upper Darby, PA](#)

Email Address: EasternRVP@dsp.org

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: Over the past three years, I have worked diligently to foster an atmosphere of learning, growth, and enrichment within the Eastern Region, focused on developing a sustainable talent pipeline of brothers prepared for leadership within Delta Sigma Pi. This experience has deepened my belief in the value of proactive mentorship, intentional development, and inclusive engagement.

While our leadership does an admirable job in advancing the organizational goals of DSP, I

believe we can do more to truly understand and meet the evolving needs of our collegiate chapters and alumni. We must bridge the gap between strategy and community by listening actively, responding compassionately, and collaborating meaningfully.

I am guided by the principle that strong and healthy relationships—whether in brotherhood or leadership—are built on effective communication, mutual compromise, and steadfast commitment. By fostering a culture where positive energy flows freely, we create a space where brothers feel respected, supported, and empowered to engage in open, honest dialogue.

My platform centers on three pillars:

1. Connection – Strengthening relationships across chapters, alumni, and leadership.
2. Communication – Creating channels for transparency, feedback, and storytelling.
3. Commitment – Following through with integrity to cultivate trust and accountability.

Niagara Regional Vice President

Name of Nominee: Robert Fosdick

Primary Address: [Depew, NY](#)

Email Address: robfos63@gmail.com

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: Since I joined Delta Sigma Pi nearly ten years ago, it has become a major influence in my life and I would greatly appreciate the opportunity to serve our brotherhood once more as the Regional Vice President for the Niagara Region. My overall goal

is to work with Niagara's chapters to place them in a position where they can achieve more and live up to their greatest potential. I feel that each chapter in the region has the ability to achieve recognition as a Chapter of Excellence and I will strive to help them reach this goal. I also believe that we, as brothers, can accomplish great things by learning from our experiences and from each other. Because of this, another goal of mine is to strongly encourage the attendance of national Fraternity events and to promote the opportunity to interact with brothers from different areas. Finally, one of the everlasting benefits of Delta Sigma Pi is that it truly can be for life. I hope to bring more alumni involvement to the chapters of this region and to give older brothers an opportunity to serve once again.

Steel Valley Regional Vice President

Name of Nominee: Michaela Florence

Primary Address: [Moon Township, PA](#)

Email Address: michaelaflorence54@gmail.com

Certified Deltasig Leader Status: Not currently certified.

Statement of Platform: As a recent graduate who has been heavily involved with Delta Sigma Pi at a national level, I can bring a unique perspective to the role of Steel Valley Regional Vice President. I have a wealth of knowledge on the fraternity's policies and resources, but I am also

very in touch with the day-to-day collegiate experience, especially in our region.

A key skill for an RVP is to know the common issues that chapters face so I can be prepared to help them. Having served two terms as a chapter president and two years on the fraternity's Collegiate Advisory Committee, I have a deep understanding of the challenges that occur and best practices for handling them. I also recognize that every chapter has unique obstacles, and I am ready to work closely with chapter officers to find solutions that work for them.

I would also like to take advantage of the relatively small distance within the region to increase interaction between the region's chapters, including the Cleveland-Akron alumni chapter. This could include in-person or virtual events with the goal of building connections so that chapters can work together.

Chapter Name and School: Mu Pi/Penn State University-Erie

Date Of Initiation: 10/30/2021

Graduation Year: 2025

Collegiate Chapter Offices or Responsibilities Held: From November 2022 to December 2024, I was Mu Pi's chapter president. I worked closely with the rest of our executive committee as well as our District Director, Regional Vice President, and Central Office staff so the chapter could achieve Chapter of Excellence status each year. I was also the Vice President of Alumni Relations from November 2021, just weeks after my Initiation, to November 2022. This was the first in-person school year after the pandemic, so I was tasked with reviving our alumni interactions. We hosted a March Madness challenge and an Alumni Breakfast that have now become annual traditions

Alumni Chapter Affiliation?: No

National Activities or Responsibilities Held (include dates): In the fall of 2023, I joined the Collegiate Advisory Committee to give input on national events, the new individual discipline policy, new community service ideas, the pledge program, alumni engagement, and more. I was also the liaison for the National Professional Development committee where we focused on LEADs, Presidents' Academy, and the Volunteer Leadership Conference. I have continued my involvement with both of these committees through the 2024-2025 school year.

Brief Description of Employment Responsibilities: As the Graduate Assistant for the Black School of Business, I will assist with the planning and execution of outreach and recruitment events - including our Open House, Business Day, Women in Business Day, and STEAM Fair. I will also be helping with our program reviews since this year is the start of a cycle.

Name of Nominee: Quentin Kaminski

Primary Address: [Pittsburgh, PA](#)

Email Address: quentinkaminski319@gmail.com

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: As a recent 2023 graduate, I bring fresh insight and firsthand experience to support today's collegiate brothers. While active, I served as Pledge Education Officer, Vice President, and President—and was honored as Collegian of the Year. I attended eight national events and contributed to the East Central Region's Social Media Content Team, gaining a broad perspective on what helps chapters thrive.

Now settled in the Pittsburgh area, I'm ready to re-engage and serve as a Regional Vice President with renewed energy and focus.

My main priority will be helping chapters consistently reach Chapter of Excellence status. That means providing targeted mentorship, attending key events, and promoting involvement in national programming. I'll also work closely with chapter leadership to ensure they remain in good standing with their universities by strengthening relationships with campus partners—building a sustainable foundation for future success.

More than anything, I want to be a resource. Someone who's recently walked the same path and can offer guidance, support, and encouragement based on real experience. My platform is built on accountability, connection, and growth—for each chapter, and every brother within it.

Fraternally,
Quentin Kaminski.

South Central Provincial Vice President

Name of Nominee: Sara Casey

Primary Address: [Richardson, TX](#)

Email Address: SouthCentralPVP@dsp.org

Instagram: @saracasey.dsp

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: It has been my honor to serve as the South Central PVP for the past biennium.

Together, we have accomplished these incredible successes:

- 92% of chapters attended national events last year!
- The average submission rate of the Accredited tier on CMP was 90.13%
- 8% increase in awards applications
- \$26,925.85 in CLF dollars were raised last year for the province
- Brought back South Central team leadership retreats and monthly training to enhance alumni leadership development
- Every chapter was supported by a DD, with many receiving additional alumni support

Over the past 2 years, I created SMART goals for our province and worked to enable our team of leaders to help you achieve these goals. Next biennium I hope to continue to set new goals for the South Central Province, support our National Strategic Priorities, and work with our Central Office staff and other volunteers in the province to help each of our chapters accomplish their own goals.

As PVP I will also continue to make strategic Board decisions for the betterment of our chapters and our organization.

Thank you for your consideration. I would be honored to be your PVP again for the next biennium.

Southern Provincial Vice President

Name of Nominee: Meghan Hill

Primary Address: [Marietta, GA](#)

Email Address: meghan.hill.dsp@gmail.com

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: The greatest opportunities for growth in the Southern Province—and across Delta Sigma Pi—are Transparency, Innovation, and Engagement.

Transparency is more than sharing information—it's about involving brothers in decision-making and keeping all stakeholders informed and connected. I will continue to foster open, two-way communication to ensure voices across the province and fraternity are heard before action is taken. We cannot achieve a "Higher Standard" through reactionary fixes or siloed thinking. Progress comes from building consensus around clearly defined challenges and moving forward together.

Innovation is critical in today's evolving world. I champion forward-thinking tools and technologies that prepare brothers for success in the modern business landscape—making our operations more effective and our experiences more impactful. Innovation isn't just about being new—it's about being better, smarter, and more prepared for the future of business and brotherhood.

Engagement is what makes Brotherhood thrive. I will work to increase collaboration among chapters, regions, and alumni, creating stronger bonds and shared opportunities. I also promote volunteerism, mentorship, and leadership development by inviting brothers and professionals to share expertise and passion with brothers.

Thank you for your support! I'm excited to continue serving our brothers and Proud to Be A Deltasig.

Job Title: Director, Guest Experience

Brief Description of Employment Responsibilities: As Director of Guest Experience, I lead the strategic development and execution of initiatives designed to elevate the end-to-end guest journey across a growing franchise network. My responsibilities have centered on creating scalable guest experience frameworks, analyzing customer insights to drive data-informed decisions, and partnering cross-functionally to align brand standards with operational execution. I've provided strategic leadership to enhance guest satisfaction, loyalty, and brand consistency, while empowering franchisees through tools, training, and support systems that translate guest feedback into actionable improvements. Recently, I spearheaded the onboarding of a new guest experience insights platform including the launch of several program enhancements, user training, and change management that is inherent to any system wide upgrade.

Atlantic Coast Regional Vice President

Name of Nominee: Shawn Weidner

Primary Address: [Saint Johns, FL](#)

Email Address: weidnersw@gmail.com

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: I wish to continue to serve the Atlantic Coast Region. I have served as a District Director for several years and as an assistance district director (taking on a support role for the newly installed district director and as a backup for the collegiate chapter). I supported the current RVP as an event organizer and as a sounding board for ideas.

In this role I would like to continue to support our chapters. I would like to find our future district directors and partner them with existing district directors for mentorship.

I also would like to continue with collaborating with our central most chapters to host regional conferences. A short day where our chapters can get more attention on issues impacting them and bring alumni resources to them. In an ideal world, I would also like to use this as an opportunity to create better connections and mentorship opportunities for our brothers. Mentorship benefits all involved and (in my opinion) brings out a lot of growth.

My promise to you is to treat you as a brother (your status, title, etc. will always come second),

to be honest, and to work for the betterment of our community.

Central Gulf Regional Vice President

Name of Nominee: Dominick Rand

Primary Address: [Pensacola, FL](#)

Email Address: dar34@students.uwf.edu

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: My number one goal for the fraternity is to promote and increase networking between smaller chapters and bigger chapters. While regional events like LEAD school help bring chapters together occasionally, I believe more frequent events could prove to be beneficial. As RVP, I would facilitate small networking events for chapters in the region that are not too far away from each other. When chapters of all size come together, members have the ability to discuss ideas with one another. This opens the door to the possibility of chapters combining resources, creating mutual events and programs and increasing the overall productivity of all chapters involved. Unifying chapters is a great way for the brotherhood of DSP to strengthen. My other goals include facilitating virtual meetings and events so that chapters can frequently communicate with one another and promote the birth of new chapters at smaller business colleges that would benefit from DSP.

Chapter Name and School: Eta Upsilon/University of West Florida

Date Of Initiation: 11/12/2016

Graduation Year: 2023

Collegiate Chapter Offices or Responsibilities Held: 1. Chapter President (Spring 2023 - Fall 2023): For my final year as a collegiate member of the Eta Upsilon chapter, I served as the chapter's president. I served two consecutive terms (semesters). My responsibilities included; overseeing and managing the chapter and the chapter executive board of officers, facilitating communications between the chapter and the University of West Florida College of Business administrators, and ensuring all chapter requirements were met as needed. While serving as president, I attended the President's Academy in St. Louis and the 55th GCC in Houston.

2. I was a collegiate member of the Eta Upsilon chapter from my initiation in the fall 2016 semester all the way until the fall 2023 semester when I graduated with my masters degree. Based on my chapter's recent history, I was one of the longest-standing collegiate members. During my time in the chapter, I served in a handful of key official roles. These roles included chapter webmaster (social media manager), VP of Community Service (created and facilitated community service events), VP of Professional Activities (created and facilitated professional

events such as guest speaker showcases and workshops), VP of Alumni Relations and Chancellor.

Mid-Atlantic Regional Vice President

Name of Nominee: Sarah King

Primary Address: [Norfolk, VA](#)

Email Address: sarah.s.barry22@gmail.com

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: As Mid-Atlantic RVP, I will bring my experience working with multiple collegiate and alumni chapters in two different regions to support our chapters here in Virginia and North Carolina. I plan to provide support for our chapters to ensure that they are operationally sound, that every chapter has a qualified District Director, and that those DDs have the support that they need to be successful. I also hope to facilitate opportunities for our collegiate chapters to connect with each other and with local alumni. Further, I hope to

strengthen our network of alumni by helping to connect them to opportunities in the region. Finally, I plan to leverage my experience working in higher education to advocate for the students in our region. As a university faculty member, I am constantly learning more about the state of higher education and ways to best connect with and support students. I plan to bring my professional experience to our chapters to ensure that their unique concerns as students are understood and addressed. The Mid-Atlantic region is full of great brothers and I hope to build on the success and strengths of our region in the next biennium.

Job Title: Lecturer of Economics

Brief Description of Employment Responsibilities: As a university faculty member, my job responsibilities can be broken into three categories. The first and most important category is teaching. Each semester, I teach a variety of economics courses with students coming from all majors and all years, though most of my students are in business or economics. My courses include principles-level courses as well as upper-level economics courses. In addition to

teaching, I regularly attend conferences and workshops to improve my teaching and to learn new ways to support our students. The second category is research. My research lies in the areas of education policy and economics pedagogy. Through my work in education policy, I am constantly learning more about what is happening in K-12 education as well as higher education. My economics pedagogy research focuses on finding new ways to engage students in the classroom and to improve economic literacy. The final category is service. I regularly represent my department at university events, advise students on classes and post-graduation plans, serve on committees, and more.

Mid-South Regional Vice President

Name of Nominee: Emma Reynolds

Primary Address: [Brentwood, TN](#)

Email Address: emma.dsp@outlook.com

Certified Deltasig Leader Status: Tier 1 training complete.

Statement of Platform: Partnership across our region: As an organization, we have always encouraged collaboration from the intra-chapter level to the national level. If elected RVP, I would encourage regional partnership and relationship building by being a bridge of communication for our regional chapters. Perhaps starting with a group chat of DDs and their chapter presidents, and eventually moving towards regular phone calls (quarterly?) as a group to benchmark and brainstorm.

Encourage a "constantly-learning" mindset: Something that I have always strived towards for myself and others is a strong sense of curiosity. Asking questions, no matter how small, is how you learn and grow in your daily life. As RVP, I would strive for relationships with all chapters & volunteers where we can ask each other questions without concern. We have seen a rise in collegiate nerves and anxiety, I was there once too. I want collegians and volunteers alike, to know they can continue to ask the questions one might deem "silly" or "obvious", because they know they have a support system that will guide them to the right answers! This applies to fraternity ritual, processes, knowledge, or even topics like career advice or collegiate guidance through collaboration.

Primary Address: [Spartanburg, SC](#)

Email Address: weslie.clark@gmail.com

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: As the Southeastern Regional Vice President, it is my goal to continue to support all the chapters in our region. We have had great leadership in our region and I want to continue to build upon the amazing work they have done. I want to continue to visit each chapter in our region every year. I think it is so important that collegiate brothers are able to put a face to names that they hear about. I hope to continue to unify our region as a whole by helping our chapters work together with open communication between chapters. I think chapters can learn so much from each other. My goal is to engage the chapter advisors. I think both the chapters and the advisors themselves underutilize the partnership. I would like to help chapters really engage their chapter advisors for the benefit of their members.

Western Provincial Vice President

Name of Nominee: David Pratt

Primary Address: [Scottsdale, AZ](#)

Email Address: davidprattdsp@gmail.com

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: I am beyond excited to run for the role of Western Provincial Vice President.

As a board member, there is a way to have positive discourse even when on opposite sides of an opinion. I will help create a board environment where members feel free to speak openly and honestly. My goals include balancing our fraternity's budget, maintaining our time-tested events, passing legislation that helps our chapters, and ensuring the business of the fraternity gets handled in a timely matter. I will work to clearly identify problems before pushing for subjective solutions.

Operationally, my goal is to unify the province by working with the RVP's. I will quickly establish strong connections with each RVP by having regular one-on-one meetings to go over their region's needs. My plan is to lead by letting the RVP's do exactly what they were elected to do, which is lead their regions.

As PVP, I will always put the best interests of the fraternity over my own personal opinions and endeavors. I love this fraternity and could not imagine my life without it. I will do everything I can as a member of the board to ensure Delta Sigma Pi's long-term success.

I also have a large role in the event's operations managing a team of 25-30 people on a nightly basis to ensure each night is successful for our paying customers.

As a Senior Financial Analyst at Homeowners Financial Group, I am responsible for managing our financial reporting and working with the HR, Payroll, Accounting, and Finance departments to complete various projects and tasks. My main responsibilities include assisting the Treasurer and CFO, compiling and submitting company-wide payroll, developing monthly financial reports for our executive team, auditing our accounting systems, providing HR consultation, and managing on-going projects for a variety of departments.

Bay Area Regional Vice President

Name of Nominee: Sharon Kho

Primary Address: [Castro Valley, CA](#)

Email Address: BayAreaRVP@dsp.org

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: My goal for Bay Area Regional Vice President is to identify areas for improvement and provide support to the chapters in the Bay Area region to improve their overall performance. Since the COVID-19 pandemic, many chapters in the region have found it extremely difficult to get the state of their chapter back to what it once was. Having personally experienced the effects of the COVID-19 pandemic myself as a collegiate, I know how difficult it can be to navigate chapter operations.

To reiterate my statement from when I was awarded Bay Area Regional Collegian of the Year in 2021, I believe in my ability to take the initiative of handling tasks, learning as much as I can to perform my absolute best, consistently mentoring new members, and advocating for others. This is something I truly enjoy doing in my personal life, not just within Delta Sigma Pi.

I have always valued representing the organization positively, exuding the values of the organization, and passing on the knowledge and experience I have gained. I am excited to continue working with the collegiate Bay Area chapters and connect them with our local alumni brothers who have career advice and opportunities to share!

Desert Mountain Regional Vice President

Name of Nominee: Davis Levy

Primary Address: [Tempe, AZ](#)

Email Address: DesertMountainRVP@dsp.org

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: I have been serving as the Desert Mountain Regional-Vice President for the past biennium and would be honored to be re-elected. I would begin by appointing a team of District Directors. A couple characteristics I'll be looking for is being caring and wanting to help, these are simple yet crucial traits that will bring our chapters to success. It's proven the CMP leads chapters to excellence and I plan to show District Directors how to use the program to their advantage. Another one of my goals is to teach District Directors on how to lead Executive Committee retreats if a chapter sees benefit in having one. These EC retreats help chapter officers come together to set strategic goals for what the chapter truly values. What makes Delta Sigma Pi great is that we are a professional organization that strongly values the brotherhood pillar of our fraternity. It's important the Desert Mountain region has a large presence at fraternity events such as LEAD, GCC and regional initiations. These events are a crucial part of the collegiate experience. In summary, as Regional Vice President, these initiatives and plans will promote regional unity and help our chapters accomplish their goals.

Name of Employer or Business: JPMorgan Chase

Job Title: Sr. Client Service Associate

Brief Description of Employment Responsibilities: I'm a Client Service Associate at JPMorgan Chase & Co. working in the Private Bank. The bankers and investment specialists we support have clients based in Orange County & San Diego. These clients have a minimum net worth of \$25 million and require dedicated service to their needs. Our role includes handling requests ranging from wire transfers, foreign currency, security transfers, and debit/credit card inquiries. A big part of the role is to understand the needs of our clients so we can tailor our products and services to them. This includes having a fraud prevention mindset where we strive to learn our client's behaviors and patterns so that if something out of the ordinary comes up we can ensure a request is in the clients best interest and legitimate.

Pacific Coast Regional Vice President

Name of Nominee: Timothy Beasley

Primary Address: [Santa Ana, CA](#)

Email Address: PacificCoastRVP@dsp.org

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: I am dedicated to this region and would be honored to serve again to continue the work we are doing. I want to work with each chapter to set short and long term goals, working proactively to achieve those goals. We need a strong team of District Directors and fully trained collegiate position holders. We will invest more time in educating DDs and Chapter Officers so they can help the chapters they serve. We will encourage our chapters to try new events and initiatives. We must ensure chapters continue nominating COYs and applying for awards, but also help chapters plan programming that focuses on maximizing the return on the financial cost of dues and the opportunity cost of time of our members. We must continue to stay vigilant in our recruitment efforts, finding as many qualified members as possible at each chapter. We must adhere to the policies of the organization and avoid as much risk as possible in all operational areas. PacCoast has an opportunity to be a top Region within Delta Sigma Pi and I truly believe we can do it. I hope you will allow me to continue to serve PacCoast as Regional Vice President! Thank you.

Pacific Northwest Regional Vice President

Name of Nominee: Samantha Clark

Primary Address: [Seattle, WA](#)

Email Address: Western.awards@dsp.org

Certified Deltasig Leader Status: Tier 2 training complete.

Statement of Platform: As Regional Vice President for the Pacific Northwest Region, my goals are centered on connection, growth, and engagement.

First, I will promote stronger affiliation among our students of commerce. The Pacific Northwest is a uniquely diverse and geographically dispersed region, and one of our greatest challenges is building lasting bonds across chapters. I will work diligently to create more opportunities for inter-chapter collaboration and events that foster a greater sense of community, both regionally and nationally.

Second, I will prioritize strategic expansion. The region holds significant untapped potential for growth, and I intend to leverage our strong alumni and collegiate base to support new and existing chapters. I've identified promising institutions for future colonies and am actively engaging with students and faculty. I also aim to reestablish an active alumni chapter to create long-term engagement and mentorship opportunities.

I'm committed to strengthening professional development by connecting chapters with alumni working at major companies headquartered in the region.

Finally, I believe in being present and accessible. During my previous term, I visited each chapter at least twice per biennium and maintained consistent communication across time zones.

It would be an honor to serve in this role again.
