Beyond the Job Title Session Workbook

Personal Branding Audit

PART 1: Brand Discovery

Complete these prompts quickly - first thoughts are often most authentic:

Wł	nat colleagues say about you: When people need [skill/expertise], they come to me for:
	Three words colleagues would use to describe my work style:
	The type of projects I'm consistently asked to join:
Yo	ur unique value proposition: I solve problems that others find:
	My approach is different because I:
	The results I deliver that others might not:

You	ur professional reputation: People know me as the person who:	
	I'm building a reputation for:	
	Leaders remember me for:	
Rat Ar	RT 2: Brand Visibility Check se yourself 1-5 (5 = strong, 1 = needs work): ea sernal visibility - Do decision-makers know your contributions?	Rating Evidence
Ex	ternal presence - LinkedIn, industry involvement, etc.	
Th	ought leadership - Sharing insights, leading discussions	
Cr	oss-functional reputation - Known beyond your immediate team	
Gr	owth narrative - Clear story of your professional evolution	

PART 3: Brand Alignment Where you want to be in 2 years: Gap between current brand and future goals: One brand element to strengthen immediately:

Personal Skill Stack Analysis

Instructions: "Complete this framework thinking about your specific career goals."

My Current Strong Skills:		
1		
2		
3		
Skills That Would Multiply My Impact:		
If I added [skill], I could:		
The one skill that would make me irreplaceable in my role:		
The skill that would open doors to my next role:		
My 90-Day Focus:		
Primary skill to develop:		
How it connects to my other strengths:		
Specific outcome I want:		

Interactive Exercise: Network Mapping & Action Planning

Map Your	Current	Network
----------	---------	----------------

Map Your Current Network		
Inner Circle Audit: List 3-5 people who would advocate for you in a career decision:		
When did you last meaningfully connect with each?		
Who's missing from this circle that should be there?		
Professional Community Check: Industry connections I should nurture more:		
Professional groups/communities I should engage with:		
People I follow online but haven't actually connected with:		
Immediate Opportunities: 3 people I should reach out to in the next 30 days:		
1 person I should reconnect with this week:		
1 new connection I want to make:		

The 30-60-90 Day Career Acceleration Plan

Complete each section with specific, measurable actions you'll take.

FIRST 30 DAYS: Foundation Building Personal Branding (Choose 1-2 actions):

- Update LinkedIn profile with new value proposition from today's exercise
- Schedule 15-minute monthly calendar reminder for "brand visibility check"
- Document 3 recent accomplishments using impact-focused language
- Begin weekly practice of speaking up in first 10 minutes of meetings
- Other:

Skill Development (Choose 1 action):

- · Identify specific skill to develop:
- Set up 15-minute daily learning routine (time: _____)
- Volunteer for one project that uses target skill:
- Find accountability partner for skill development:
- Other:

Networking (Choose 1-2 actions):

- Reach out to 3 people from today's network mapping exercise
- Schedule coffee/call with 1 person from inner circle
- Join one professional group/online community:
- Send one valuable piece of content to someone in network
- Other:

NEXT 30 DAYS (Days 31-60): Momentum Building Personal Branding:

- Volunteer for one high-visibility project or presentation
- Ask manager: "What should I be known for in our organization?"
- Begin documenting lessons learned from projects (for future sharing)
- Schedule quarterly check-in with mentor/senior colleague
- Other:

Skill Development:

- Complete first milestone in target skill development
- Teach someone else what you've learned (reinforces your learning)
- Apply new skill to work project:
- Seek feedback on skill development progress from manager/peer
- Other:

Networking:

- Make 2 new professional connections
- Make 1 strategic introduction between contacts
- Attend 1 industry event (virtual or in-person)
- Begin providing mentorship to someone junior
- Other:

FINAL 30 DAYS (Days 61-90): Acceleration & Assessment Personal Branding:

- Request specific feedback on professional reputation from 3 colleagues
- Share expertise publicly (internal presentation, LinkedIn post, etc.)
- Update "brag sheet" with Q1 accomplishments
- · Plan next quarter's visibility strategy
- Other:

Skill Development:

- Demonstrate new skill in high-stakes situation
- Set next skill development target based on progress
- Document ROI of skill development (time saved, problems solved, etc.)
- Other:

Networking:

- Evaluate network growth and relationship depth
- Plan Q2 networking priorities
- Schedule check-ins with key network contacts for next quarter
- Identify 1 person to add to inner circle
- Other:

My Top 3 Immediate Actions (This Week):

- 1.
- 2.
- 3.

My Success Metrics (How I'll measure progress):

- Personal Branding:
- Skill Development:
- Networking:

My Accountability System:

- Share goals with manager during next 1:1
- Find accountability partner from today's session
- Set monthly calendar reminder to review progress
- Other:
