Dear Board of Directors:

This letter serves as the official request for the colony of Nu Epsilon Zeta of Midwestern State University to obtain a chapter charter from the International Fraternity of Delta Sigma Pi. We fully believe we have met and surpassed all requirements to obtain a charter. We have 36 student members, 4 faculty members, and one colony alumni member who request to pledge. We also request the day of April 5, 2008 for our initiation date.

International Fraternity of Delta Sigma Pi

RE: Recommendation for the Nu Epsilon Zeta Colony

I am writing to support the petition by our Nu Epsilon Zeta Colony for full chapter status with Delta Sigma Pi. As dean of the Dillard College of Business Administration, I have had the great privilege of supporting and witnessing the tremendous growth, development, and good works of our Nu Epsilon Zeta Colony.

As you may know, our chapter went inactive many years ago. Since assuming the leadership of the Dillard College of Business, I have actively supported our students as they seek ways to become more directly involved in their curriculum and in the affairs of our community. I am very pleased to say that the leadership and membership of Nu Epsilon Zeta has exceeded our expectations in every respect.

I am very proud of the activities of our colony, from fundraising initiatives to a strong commitment to the voluntary associations in our community. A sample of these initiatives includes activities with the Boys and Girls Club, the Wichita Falls Food Bank, the Humane Society, and Light the Night where the colony raised over \$300 for the Leukemia Foundation.

To support the commitment to business education, the colony has invited various speakers to address the membership across a wide array of contemporary business topics. Companies who have participated include Sherwin Williams, the Small Business Development Center, and members of our business community.

I am pleased to write this letter of recommendation on behalf of Nu Epsilon Zeta and urge the International Fraternity leadership of Delta Sigma Pi to grant chapter status to our colony. If I can be of further assistance, please let me know.

Sincerely,

A handwritten signature in black ink, appearing to read "Anthony F. Chelte", with a long horizontal flourish extending to the right.

Anthony F. Chelte  
Dean

Board of Directors  
International fraternity of Delta Sigma Pi  
330 South Campus Avenue  
Oxford, OH 45056

Dear Members of the Board:

This letter serves as my recommendation for Nu Epsilon Zeta colony to receive a chapter charter in the International Fraternity of Delta Sigma Pi. I have been associated with the group since it organized in fall 2006 and was delighted when I was asked to be a faculty advisor this semester. Throughout my involvement, I have witnessed the group's enthusiasm and commitment to Delta Sigma Pi. The colony has grown from about nine members at its inception to over 30 members; a testimony not just to the group's recruiting efforts but also to their success in developing an organization that has appeal for business students at Midwestern State University.

The members have shown initiative in planning many professional development activities such as a business etiquette course and a resume workshop and hosting a variety of guest speakers from the business community. They have provided outstanding service to the community through several food and toy drives, volunteering at the Humane Society, and participating in a walk to raise money for cancer research. Members served the Dillard College of Business by ushering at the Streich Family Lecture, an annual event hosted by the college. The group has demonstrated a commitment to developing members' leadership skills by sending representatives to LEAD, a leadership retreat, and to the Grand Chapter Congress. In addition to their service and professional development activities, the group has had many social and fundraising events that have bonded them into a cohesive, close-knit group. Networking with Delta Sigma Pi alumni from the surrounding area has deepened the members' desire to become part of the brotherhood.

I am very proud of the progress made by the group thus far. Each member reflects favorably on the Dillard College of Business. In light of their many accomplishments, I believe the members of the Nu Epsilon Zeta colony exemplify the ideals of Delta Sigma Pi and are highly deserving of a chapter charter.

Sincerely,

Roxanne Gooch  
Associate Professor of Accounting

Delta Sigma Pi  
Board of Directors  
330 South Campus Ave.  
Oxford, OH 45056

Brothers,

This letter is to serve as my official recommendation to the Board of Directors regarding the petition for charter by the Nu Epsilon Zeta Colony of Delta Sigma Pi. Since their inception, Fall 2006, I have had the honor of serving as their District Director. During the last fifteen months Nu Epsilon Zeta has evolved to an efficient, organized, and dynamic group.

They have proven their worthiness of acceptance into our Fraternity through their dedication and commitment to the Wichita Falls community, Midwestern State University, and their professional and personal development. Nu Epsilon Zeta has exceeded minimum requirements, as set forth by the International Fraternity of Delta Sigma Pi. They have become known in their community as well as on campus as a resilient and distinguished group that always holds themselves to the highest of professional standards. In addition to their work in the community and professional activities, Nu Epsilon Zeta has actively participated in National and Provincial Events sending at least one representative to LEAD and Grand Chapter Congress since Spring semester 2007.

It is with great honor and pride I esteem this colony to be worthy of joining our Fraternity. The aims, ideals, and purposes of Nu Epsilon Zeta coincide exactly with those of our Fraternity. Nu Epsilon Zeta will be an outstanding addition to our Fraternity, and I look forward to the day I can refer to them as Brother.

Fraternally,

A handwritten signature in black ink, appearing to read 'Christina A. Wolf'.

Christina A. Wolf  
Nu Epsilon Zeta, District Director  
Ft. Worth Cowtown Alumni, Vice President  
Zeta Mu, #747

January 28, 2008

Board of Directors  
330 South Campus Avenue  
Oxford, OH 45056

Dear Board of Directors:

I would like to take an opportunity to offer a formal recommendation for the Nu Epsilon Zeta's petition for charter. As RVP, I have had the pleasure of working with Nu Epsilon Zeta since the Fall 2006 when a few students first expressed their interest in starting a colony. I feel that they have worked very hard and accomplished much since that time and are deserving of their charter.

I have been very impressed by the quality of professional and community service events that the colony has held. In addition to the traditional professional speaker they held a dining etiquette class and a resume building workshop. Nu Epsilon Zeta has been very involved with the community going well beyond the minimum of six community service events. They participated in the Toys for Tots toy drive at Houston LEAD last semester, had a food drive benefiting the local food bank and even volunteered to work at the food bank.

In addition to completing the professional and community service events required for the colony process, Nu Epsilon Zeta has taken a great interest in learning about the national fraternity and what it means to be Deltasig. They had one member attend Provincial LEAD in St. Louis in the spring 2007, four members attended our regional leadership retreat in May 2007, one member went to GCC in Orlando this summer, and they had 13 members attend LEAD in Houston this last fall. I have been very impressed by their overall professionalism and progress they have made thus far.

I highly recommend Nu Epsilon Zeta for their charter and I hope that you will carefully consider their petition application.

Respectfully,

A handwritten signature in black ink that reads "Amanda Wood". The signature is written in a cursive, flowing style.

Amanda Wood  
Regional Vice President  
Southwestern Region

# **Summary of University Midwestern State University**

## **History**

Since its founding in 1922, Midwestern State University has grown from a local junior college to a regional state university serving a wide and varied public. Created in 1922 as Wichita Falls Junior College, the second municipal junior college in Texas, its earliest home was in Wichita Falls High School with which it shared both the building and faculty. Later, a legislative act and a vote of the people of Wichita Falls set up a separate tax district to support the junior college. In 1937, the college acquired a new, forty-acre campus of its own on the south side of town. Rising above pastures and wheat fields was the recently finished Hardin Building, an impressive Spanish colonial structure which was presided over by a lofty bell tower. Also in that year the college was renamed Hardin Junior College in honor of Mr. and Mrs. John G. Hardin. During World War II, the establishment of Sheppard Field, later renamed Sheppard Air Force Base, added to the college's public. Since that time, air base personnel and their families have been continuing participants in the campus academic programs. The post World War II years brought more change in the school's mission and in its name. In 1946, the senior college division was added and accordingly the name was altered to Hardin College. In January 1950, the name changed to Midwestern University, the junior college division remaining Hardin Junior College. In these years, wider recognition came to the school. In March 1948, the University became a member of the Association of Colleges and Secondary Schools. In January 1959, the University added a Graduate School which received full approval from the State Board of Education in August of that year. A further change in the school's status came September 1, 1961, when by action of the 56th Legislature of the State of Texas, Midwestern University became part of the Texas Colleges and Universities System and the junior college division was dissolved. In 1975, the Texas Legislature changed the name to Midwestern State University. From its beginnings as a municipal junior college housed in a high school building, Midwestern has become a state university whose campus of 179 acres and 48 buildings offers a wide variety of academic programs in liberal and fine arts, mathematics, sciences, business, and applied sciences. Midwestern is also a prominent member of the Council of Public Liberal Arts Colleges (COPLAC). Consumer Digest magazine has recently named Midwestern State University number one in best value for public colleges and universities in the country.

## **Accreditation**

Midwestern State University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award associate, baccalaureate, and master's degrees. MSU's three largest academic programs include business, health sciences, and humanities and social sciences.

## Summary of Business School Dillard College of Business Administration

MIDWESTERN STATE  
UNIVERSITY  
COLLEGE OF BUSINESS ADMINISTRATION

The Dillard College of Business Administration is housed in a new 88,000 sq. ft. modern facility that opened in August 2006. It is comprised of 985 undergraduates and 49 MBA students. Majors offered in the school include accounting, economics, finance, general business, management, marketing, and management information systems. Dillard College is currently accredited by the Association of Collegiate Business Schools and Programs and is working towards AACSB International accreditation. Midwestern started its business undergrad program in 1946 and started its MBA program in 1959. In 2006 Midwestern's College of Business Administration moved from the Fowler Building to its current home in the Dillard Building. At the same time, the name of the business college was changed to the Dillard College of Business Administration in honor of A.R. Dillard Jr., and the Dillard family for their generous donations to Midwestern State University. In early 2007 Dillard College of Business made a partnership with Perot Systems that provides employment opportunities and scholarships, among other things, for business students.

## Colony History

### **In the beginning**

The idea of bringing a chapter of Delta Sigma Pi to Midwestern State University started in the fall of 2006 when the colony's first adviser, Barbra Hargrove, had the desire to create a business association on campus that would be open for all business majors. A couple of interested students started researching national business organizations and found Delta Sigma Pi to be the best one out there. To make it better, Midwestern had a chapter of Delta Sigma Pi that became inactive in the 1960s. There was an organization interest meeting on October 3, 2006. The Dean of the Dillard College of Business Administration, Dr. Chelte, signed our Chapter Reactivation form on October 24, 2006 and gave us a generous \$500 donation from the college to get us started financially. We also held our first elections on that day with Thomas Deasy III becoming the first President and Mark Wernette the first Sr. Vice President. On October 31, 2006 we officially established a colony at Midwestern State University with the intent of petitioning the International Fraternity of Delta Sigma Pi for a chapter charter. We had nine members and choose the Greek letters of Nu Epsilon Zeta

### **February 13, 2007 – (S) Valentines Dance**

Our colony held a Valentines dance social that was open to the entire school. It was a great tool to let the university know what Delta Sigma Pi was and to recruit new members. We were also able to collect canned goods as part of admission into the dance for the local community food bank.

### **February 6, 2007 – (PA) Information on Volunteering at the Boys and Girls Club**

A director for the Wichita Falls Boys and Girls Club came and talked to us about certain programs they offer and how the club is ran. We had ten members attend.

### **March 2-4, 2007 – LEAD**

Our colony sent Thomas Deasy III to the St. Louis LEAD as our representative.

### **March 20, 2007 – (PA) Boys and Girls Club Tour**

A director for the Wichita Falls Boys and Girls Club took us on a tour of the different locations of the Boys and Girls Clubs in the Wichita Falls area. We were able to see the behind the scenes running of the clubs. We had eleven members attend.

### **April 12, 2007 – (SA) Striech Family Lecture**

The Striech Family Lecture is an annual event at Midwestern that brings in a guest speaker to give a lecture on free enterprise. This year's lecture was presented by Walt Pavlo who was head of the accounts receivable department for MCI and later spent jail time for his involvement with the MCI-WorldCom scandal. He talked about ethics and white-collar crimes. Our colony helped usher the event. We had eight members attend the event.

**April 19, 2007 – (PA) Financial Adviser**

A financial and investment adviser from the Wichita Falls community came and talked to our colony about job opportunities in the field of Finance and the current trends in investing. We had ten members and one guest attend.

**April 25, 2007 – (SA) Food Bank**

Our colony went and worked at the local food bank in Wichita Falls. We worked in their warehouse organizing different foods to be passed out. We had eight members and two guests attend.

**May 18-20, 2007 – Beavers Bend State park**

Our colony sent four members on our regional leadership retreat to Beavers Bend State Park in Broken Bow, Oklahoma. We all had a lot of fun and learned a lot about teamwork, leadership, and more about how Delta Sigma Pi works.

**June 26, 2007 – (F) Car Wash**

Our colony held a car wash to raise money. We made a lot of money by selling car wash tickets to individuals before the day of the Car Wash. This helped insure that we would have customers and we made most of our money this way.

**August 2007 – Grand Chapter Congress**

Thomas Deasy III went to Grand Chapter Congress in Orlando Florida as our colony's representative.

**September 4-14, 2007 – Recruitment**

For two weeks our colony spent a lot of time doing recruitment. We set up a booth in the Dillard College of Business building. We also had activities that included information sessions, an activities night, ultimate Frisbee, and a movie night. We just about doubled in size during this time.

**September 12, 2007 – (PA) Sherwin Williams**

Rick Ouellette and R. Matt Schupp who work for Sherwin Williams came and talked to us about the company and the employment and internship opportunities they offer. There were twelve members and three guests who attended the event.

**October 12, 2007 – (S) Put-Put and Buffalo's**

Our colony along with some Delta Sigma Pi alumni went and played put-put and had dinner together. Everybody had a lot of fun and members were able to learn more about the national fraternity. It was a great bonding and networking experience.

**October 14, 2007 – (SA) Light the Night**

Our colony participated in Light the Night Walk which promoted awareness for leukemia and cancer patients. We also held a car wash where we raised over \$300 for the cause. There were sixteen members who attended the walk.

**October 19, 2007 – (S) Cardboard Boat Race**

Our colony participated in the annual homecoming cardboard boat race held at Midwestern. Our members pitched in to build a boat and race it. Although we did not win, it was a great bonding activity and a good way for our colony to participate with other university organizations.

**October 25, 2007 – (PA) Dining Etiquette Course**

Barbara Hargrove, who works for Midwestern and was a faculty advisor for us, gave an etiquette course for our colony. We were able to learn proper business etiquette for most situations. There were twenty-three members in attendance.

**October 27, 2007 – (S) Halloween Party**

Our colony had a Halloween party where members were able to socialize. Everybody came in costume and there was a costume contest.

**October 26 & 31, 2007 – (SA) Boys and Girls Club Haunted House**

Our colony helped out the Boys and Girls Club of Wichita Falls by working in their haunted house during Halloween. Our members were able to have fun by dressing up in scary costumes while helping the community at the same time. There were a total of twenty-two members who helped out on the two work days.

**November 1, 2007 – (PA) Dentist Speaker**

Dr. Brian Hasse, a local dentist who owns his own dental practice in the Wichita Falls area came and talked to us about the field of dentistry, owning and operating your own business, and entrepreneurial skills. There were twenty-one members at the activity.

**November 2-4, 2007 – Houston LEAD**

Our colony sent thirteen members to the Houston LEAD. It was a great networking and educational experience. It also created even more dedication to the colony for the members who were able to attend.

**November 3, 2007 – (SA) Toys for Tots**

Our members collected toys and brought them to the Houston Lead to give to the Toys for Tots organization. There were seventeen members who participated.

**November 7, 2007 – (S) Centennial Dinner**

Our colony held a Delta Sigma Pi centennial dinner at the Pelican, a local restaurant. We were even able to have some alumni from our university's old chapter attend.

**November 8, 2007 – (PA) Small Business Development Center**

L.O. Nelson, who works for the Small Business Development Center located at Midwestern, came and talked to us about how they assist small businesses and about owning your own small business. There were nineteen members who attended.

**November 9, 2007 – (SA) Food Drive**

Our colony ran a food drive to benefit the local food bank in Wichita Falls. Our members passed out bags to houses for people to fill up with canned goods and returned to collect them a week later. We also had a drop box on campus. The drive was part of an area wide drive and our colony was one of the largest contributors. We had twenty-eight members participate.

**November 10, 2007 – (SA) Humane Society**

Over the course of the semester our members volunteered at the Wichita Falls Humane Society on Saturdays. Some of the activities included cleaning and walking the animals. There were nineteen members who helped out there.

**November 15, 2007 – (SA) Food Bank**

Our colony went and worked at the local food bank in Wichita Falls. We worked in their warehouse organizing different foods to be passed out. We had twenty members attend.

**November 16, 2007 – (F) Car Hop**

Our colony car hopped at a local Sonic in Wichita Falls to raise money for the colony. It consisted of taking orders out to customers and we were allowed to keep all the tips made. We were able to make \$416.

**November 19, 2007 – (F) Bake Sale**

Our colony held a bake sale fundraiser in Midwestern's student center. Members brought baked goods to sale to raise funds. Our colony brought in about \$75 from this fundraiser.

**November 30, 2007 – (S) Christmas Party**

Our colony had our own Christmas party. Members socialized around food and punch. There was also a white elephant Christmas gift exchange between the members.

**December 5, 2007 – (PA) Resume Building**

Karla Landours, who works in the career management center at Midwestern, came and talked to us about how to build a resume and cover letter, what employees are looking for, and how her office can help us in our job search. There were twenty-one members in attendance at the event.

**December 9, 2007 – (SA) Adopt-a-Kid**

Our members were able to get together and buy Christmas gifts for a child we adopted through the Adopt-a-Kid organization. There were twenty-six members who helped out to buy the child gifts.

**January 22 – February 1, 2008 – Recruitment**

Our colony spent two weeks doing hard recruitment. We worked an informational booth in both the Dillard College of Business building and Midwestern's student center. Some other activities we did for recruitment were information sessions Jeopardy, game night, mini golf, a breakfast, pizza & pool, and a movie night.

**February 2, 2008 – (F) Car Hop**

Our colony once again car hopped at a local Sonic in Wichita Falls making about \$550 this time.

**February 4, 2008 – (PA) Dr. Patton**

Dr. Patton, a recent addition to Midwestern's accounting department and our newest colony faculty advisor, gave a seminar about his life's work and job opportunities in the accounting field.

**February 10, 2008 – (S) Ultimate Frisbee**

Our colony members played an Ultimate Frisbee game together. It was a great way to socialize and work as a team.
