

A PETITION  
TO THE  
INTERNATIONAL FRATERNITY  
OF  
DELTA SIGMA PI  
BY  
BETA ALPHA EPSILON  
EASTERN NEW MEXICO UNIVERSITY  
PORTALES, NEW MEXICO

THE NATIONAL SOCIETY OF THE SONS OF THE AMERICAN REVOLUTION  
DEPARTMENT OF DELTA SIGMA PI  
WASHINGTON, D. C.

Dear Sirs:

We, the undersigned members of Delta Sigma Pi, Chapter \_\_\_\_\_, National Society of the Sons of the American Revolution, Department of Delta Sigma Pi, 1111 Wisconsin Avenue, N.W., Washington, D. C.

Our organization has established a program of scholarship, research, and service, and we are proud to have established an international fraternity of Delta Sigma Pi. We are now seeking the approval of affiliation with Delta Sigma Pi, National Society of the Sons of the American Revolution, Department of Delta Sigma Pi, 1111 Wisconsin Avenue, N.W., Washington, D. C.

P E T I T I O N

T O

D E L T A S I G M A P I

In seeking this affiliation, we pledge our loyalty to the Constitution and Bylaws of the National Society of the Sons of the American Revolution, Department of Delta Sigma Pi, 1111 Wisconsin Avenue, N.W., Washington, D. C., and to the Chapter which we wish to affiliate with.

Witness our signatures

- James A. Smith Member

TO THE GRAND COUNCIL OF THE INTERNATIONAL  
FRATERNITY OF DELTA SIGMA PI

Gentlemen:

We, the undersigned members of Beta Alpha Epsilon, hereby earnestly petition for a charter to establish a chapter of the International Fraternity of Delta Sigma Pi on the campus of Eastern New Mexico University, Portales, New Mexico.

Our organization has established membership, program, administrative, financial, and research standards equivalent to those maintained by the International Fraternity of Delta Sigma Pi. Having as our major purpose the securing of affiliation with Delta Sigma Pi, we are aware of the high ideas, the purposes, and the requirements of the said Fraternity. Furthermore, Beta Alpha Epsilon has abided by them, and pledges to so continue by the same high standards in the future.

In seeking this affiliation, we pledge ourselves to uphold the Constitution and By-laws of the International Fraternity of Delta Sigma Pi, to adhere to the traditions of the organization, and to observe faithfully the rules and regulations set forth by the Fraternity.

Witness our signatures

HISTORY  
OF THE  
UNIVERSITY

HISTORY  
OF  
EASTERN NEW MEXICO UNIVERSITY

Eastern New Mexico University is the youngest of New Mexico's state institutions of higher education. It received its charter as a 2 year junior college in 1927; the first unit of the present Administration Building was completed in 1931; but, it was not until the summer session of 1934 that the first courses were offered.

The growth of the University has been phenomenal. By 1940 a four year degree program was in effect. In 1946 the University was accredited by the North Central Association of Colleges and Secondary Schools as a four-year liberal arts college. Graduate work leading to the master degree was added in 1949. Acceptance by the National University Extension Association was granted in 1958.

Eastern has thrived in the true hardy pioneer fashion that has exemplified the progress made in the development of the West. It has often been pointed out that Eastern was born in the depths of a depression and struggled through a great world war in its formative years. Nevertheless, it has earned for itself an important place in education in the Southwest. Eastern holds the distinction of being the youngest university in America ever to earn full accreditation by the North Central Association.

Much of the credit for the success of the University is due to its first Dean and subsequent president, Dr. Floyd D. Golden, who has served the institution with distinction for twenty-six years. The beneficial influence of Dr. Golden as a person, as an educator, and as a citizen will long be felt and remembered.

From a modest beginning in 1934 of fewer than 200 students Eastern served approximately 3900 students in 1959-1960 in all sessions and extensions. The faculty and staff for the current year is approximately 185. The present physical plant comprises some thirty-three buildings valued in excess of nine million dollars.

The curricula of the University has kept pace with physical growth. A student enrolling at Eastern may choose his course of study from five different schools. -- Liberal Arts, Business and Economics, Music, Teacher Education or Technology. The School of Liberal Arts is divided into five divisions -- general education; language, literature and fine arts; mathematics and natural sciences; physical education and health; and social studies and psychology. In the School of Technology are four divisions -- agriculture, engineering, home economics and industrial arts.

Eastern is located in the city of Portales, New Mexico, a city of 10,120 on the extreme eastern edge of the state. Portales is 90 miles northeast of Roswell, and 120 miles southwest of Amarillo, Texas. Nearby located cities are Clovis, Tucumcari, Lovington and Hobbs, all in New Mexico.

Eastern is an active member of the National Association of Intercollegiate Athletics. Teams are fielded in football, basketball, golf, tennis, and swimming. In addition intermural sports receive considerable emphasis.

With the proposed expansion plan, its location and from indications of the rapid growth of the school, it is a probability that Eastern New Mexico University will continue to expand into one of the best and largest Schools of higher learning in this section of the Country.

The School of Business and Economics was organized by merging the former evening and day divisions of the School of Business Administration, the School of Business Administration, and the School of Business Administration. The School of Business and Economics was organized by merging the former evening and day divisions of the School of Business Administration, the School of Business Administration, and the School of Business Administration. The School of Business and Economics was organized by merging the former evening and day divisions of the School of Business Administration, the School of Business Administration, and the School of Business Administration.

**HISTORY  
OF THE  
SCHOOL  
OF  
BUSINESS AND ECONOMICS**

At its inception in 1950, the school had 1 following faculty members and offered a four year curriculum leading to the degree, Bachelor of Business Administration. Also, a two year curriculum in General Business was offered. Subsequently, the Bachelor of Arts Degree was offered with the addition of majors in Statistics, General Business and Accounting. A two-year undergraduate degree was also added with the Associate of Arts Degree.

In 1960, in cooperation with the School of Teacher Education subject areas offered in teaching of Business, Social Science and Political Science. A major in Office Management was also added.

In 1968, the school had expanded its various degree levels. Majors were offered with degrees in Accounting, Business Administration, General Business Administration, International Business, Economics, Finance, International Management, Marketing, and Management Administration.

HISTORY  
OF THE  
SCHOOL OF BUSINESS AND ECONOMICS

The School of Business and Economics is recognized as being the fastest growing and one of the most progressive of Eastern New Mexico University. Founded in 1945, it presently has an enrollment of approximately 230 business majors. Degrees are being offered for both the Bachelor of Arts and Bachelor of Science in Business and Economics.

At its inception in 1945, the school had 5 full-time faculty members and offered a four year curriculum leading to the degree, Bachelor of Business and Economics. Also, a two year curriculum in General Business was offered. Subsequently, the Bachelor of Arts degree was offered with the addition of majors in Economics, General Business and Accounting. A two-year Secretarial Science course was also added with an Associate of Arts Degree.

In 1949, in conjunction with the School of Teacher Education majors were offered in Teaching of Secretarial Science and Business Science. A major in Office Management was also added.

By 1960, the school had expanded to include twelve faculty members. Degrees are offered with majors in Accounting, Business Administration, General Business Education, Secretarial Science, Economics, Finance, Industrial Management, Marketing, and Secretarial Administration.

The growth and development of this School has been under the watchful eye of the very capable Dr. Becky Sharp, chairman of the School of Business and Economics. She has been connected with this department since its origination and has been chairman for the past six years.

A new building to house the School of Business and Economics is in the planning stage. The need is recognized by the Administration and should materialize in the near future.

HISTORICAL CALENDAR  
OF  
BETA ALPHA EPSILON

HISTORY  
OF  
BETA ALPHA EPSILON

1960

March 3

Mr. Joe Hefner and associates visited our campus to take part in discussions with prospective members and show some slides about Delta Sigma Pi.

March 29

A meeting of all men interested in Delta Sigma Pi was called. Approximately forty men were present. At this time a committee was appointed to investigate the qualifications needed to become affiliated with this fraternity.

April 5

The appointed committees met and assigned duties to the different members.

April 7

Mr. Joe Hefner was contacted by telephone. He advised us to write Mr. Thompson for further information. A letter was sent to Mr. Thompson asking for information about the petition.

April 11

A letter was received from Mr. Farrar advising us about the information we would need in our petition.

April 12

Copies of petitions of East Texas State College and Loyola were received.

1960

April 26

A committee was appointed to write a constitution for Beta Alpha Epsilon. At this meeting, it was decided to hold regular meetings on Thursday nights at 6:30.

April 28

Officers were elected at this meeting. The officers elected are as follows: President -- Carlos Cunningham; Senior Vice-President -- Lance Elliot; Vice-President -- Darrell Marker; Secretary -- James Elliott; Treasurer -- Mike Citty; Historian -- Jerry Cantwell; Chancellor -- James Harper. Pictures were made at this meeting. Data sheets were passed out to those present.

May 5

A committee appeared before the Personnel Committee to seek approval for the petitioning group. The Committee gave Beta Alpha Epsilon its approval.

May 5

Additional data sheets were passed out and more pictures were taken. A movie concerning the development of industry in New Mexico was shown to the prospective members.

May 12

Mr. Alan Staley, a professor at E. N. M. U., spoke on the subject of how to conduct a meeting. The basic text for his discussion was Robert's Rules of Order.

1960

May 19

The constitution was approved by the members of Beta Alpha Epsilon. The members elected Mr. Paul L. Stangle and Mr. Derrell W. Bulls as advisors. A tentative schedule for next year was presented to the group. Petition was signed by approximately 53 members. It was decided that all members were to report back to school a week early. The purpose of returning early is to set up an information booth for the incoming freshmen. Mr. Jay Thompson spoke to the group on the attributes of a local insurance agency.

March 3 - May 19

Correspondence has been maintained with the Central Office of Delta Sigma Pi during this period.

Dear Mr. Cunningham:

We certainly appreciate your letter of April 1 informing us of the progress you are making with the **CORRESPONDENCE** in the Eastern U.S. section of the I.F.H.S.T.

**DURING**

**ORGANIZATIONAL PERIOD**

I am sure that Mr. Miller has not yet taken the necessary steps in the organization of a chapter and that you would be required of you for affiliation with Delta Sigma Xi.

However, as you requested we are sending to you, under separate cover, several of our publications, including our National Constitution and By-Laws, a copy of "Suggested Chapter By-Laws", as well as two sample petitions from two of our more recent chapters at East Texas State College and Loyola University of the South. I trust that with the receipt of this information your questions will be answered.

Naturally, we stand ready to answer you in every way possible and would appreciate hearing from you from time to time as to the progress you are making. Just as soon as your group definitely decides on affiliation with I.F.H.S.T., we would require a letter stating your intention.

You will be interested to know that we are planning to be in the States only next fall when we will be conducting the Inter-States Regional Meeting at Birmingham. At that time I am also planning to visit your fine campus.

Should you have any further questions please feel free to call on us at any time.

Sincerely yours,  
*Charles E. Miller*

Dear Mr. Cunningham:

We certainly appreciate your letter of April 5 informing us of the progress you are making with the organization of a professional fraternity on the Eastern New Mexico University campus.

I am sure that Mr. Hefner has outlined to you the necessary steps in the organization of a local fraternity and the petition which would be required of you for affiliation with Delta Sigma Pi.

However, as you requested we are sending to you, under separate cover, several of our publications, including our National Constitution and By-Laws, a copy of "Suggested Chapter By-Laws", as well as two sample petitions from two of our more recent chapters at East Texas State College and Loyola University of the South. I trust that with the receipt of this information your questions will be answered.

Naturally, we stand ready to assist you in every way possible and would appreciate hearing from you from time to time as to the progress you are making. Just as soon as your group definitely decides to petition us for affiliation, we would require a letter stating this intention.

You will be interested to know that I am planning to be in New Mexico early next fall where we will be conducting the Inter-Mountain Regional Meeting at Albuquerque. At that time I am also planning to visit your fine campus.

Should you have any further questions please feel free to call on us at any time.

Dear Mr. Cunningham:

I certainly thank you for your prompt reply to my letter of several days ago in regard to the status of your group at Eastern New Mexico University. We are indeed very pleased to learn that you have now definitely decided to petition Delta Sigma Pi for a chapter. Do you expect to complete your petition during this college year or will it be completed early next fall?

We were also pleased to learn from you and from Mr. Joe Hefner that you had visited with him in Lubbock during the Easter holidays. I am sure that Joe is capable of answering all the questions you have regarding the preparation of your petition and the organization of your local fraternity. Naturally we stand ready to assist you in every way we are able.

In a few days you will be receiving about 50 copies of the May issue of The DELTASIG, our national magazine. We would appreciate it if you would distribute these among your members. We are also sending, under separate cover, several copies of a new brochure which you might distribute to your members. In the meantime if we can be of help to you, please feel free to write or call us at Oxford 3-4178.

Dear Mr. Cunningham:

We have noted, in recent correspondence from you, the rapid progress which you are making at Eastern New Mexico University. We are likewise pleased to learn that you are now definitely prepared to petition Delta Sigma Pi for a chapter.

After taking a close look at our travel schedule for next fall, I think it would be only fair to urge you to work on your petition and have it ready to submit to our Grand Council when they meet in August, if this is at all possible. At that time they could actually vote on your petition and an installation could then be planned for early fall, which we could easily work into our travel schedule. I certainly hope that you do not feel that we are rushing you in any way, when we are only outlining the advantages of having your petition ready by the time the Grand Council meets in Oxford in August.

We would certainly appreciate hearing from you as to whether or not you feel this is possible. In the meantime, if we can be of assistance to you in any way, please let us know.

Sincerely yours,

Dear Mr. Cunningham:

In the past few days we have received several most welcome letters from administrative officers at Eastern New Mexico University in support of Beta Alpha Epsilon and its petition for membership in Delta Sigma Pi. We are wondering if these letters were not intended to be included in your petition, instead of being sent to us separately. If such is the case we will be more than glad to return them to you for inclusion in your petition.

We would appreciate it if you would let us know the number of members in your organization in order that we may be able to supply you with copies of our Pledge Manual and Pledge Examination. It will be necessary for you to become thoroughly acquainted with Delta Sigma Pi if your petition is completed and accepted by our Grand Council.

We wish you every success as you take your final step toward affiliation with Delta Sigma Pi, and shall anxiously await your petition.

Sincerely yours,

Dear Mr. Brewer:

I am pleased to support the application of Eastern New Mexico University for the formation of the Chapter of Delta Sigma Pi.

Eastern New Mexico University has made a remarkable growth in its short life, and I am sure it will become an economically important part of the educational life of New Mexico as a whole.

I have visited on the campus many, many times and have had many conversations with the Student Body. They are a remarkably keen group of young men and women in whom I am very, very proud. Judging by the representative students with whom I have talked, I would predict that a Chapter of Eastern New Mexico University might prove to be one of the best you would have in the country.

Sincerely,

*Heck Harris*

Dear Sir:

I have just been informed that a group of business and economics students have an organization known as Beta Alpha Epsilon which they would like to convert to a national organization, and are petitioning you for a chapter at Eastern New Mexico University.

In behalf of the citizens of Portales I would like to encourage and ask your serious consideration for a local chapter. We are sufficiently acquainted with this organization to realize its value to this section of the country in encouraging better business relations and mutual advancement by research.

We will appreciate your serious consideration of this petition.

Sincerely,

Dear Mr. Brewer:

A group of business associates, Beta Alpha Epsilon, is making application for membership in Delta Sigma Pi, International Fraternity.

It is my pleasure to inform you that this group of people has been very active on this campus for a number of years. They are well organized, very objective in their projects, and have undertaken many worthy causes in the past years.

Our School of Business and Economics is one of the largest in this University. This is also one of the most active groups on the campus. It is my understanding that they have some excellent projects planned for the future. In speaking with some of the faculty members as well as some of the students, I find the faculty and the students are enthusiastic about the petition and being accepted.

It is my pleasure to recommend that this group be given serious consideration relative to that petition. I can also assure you that this office is very strong for this group of people, and in the support of their petition.

If there is additional information you desire, please let me know.

Sincerely yours,

Oxford, Ohio

Dear Sir

It is a pleasure to recommend the petition being made by the campus organization of men in the School of Business and Economics for affiliation with Delta Sigma Pi. I have been in close contact with the activities of the personnel of this organization, and I feel that it is composed of a superior type of young men.

I have been connected with the School of Business and Economics since its beginning; for the past six years I have served as the Chairman of the School. I have seen it grow from a small school to one of the largest on the campus. It is my belief that one of the main contributory elements for its rapid strides is the outstanding type of students the school has attracted, which would indicate a continued growth in the future.

It is with pride that I recommend this group for favorable consideration by Delta Sigma Pi.

Sincerely yours

Becky Sharp, Chairman  
Business and Economics

Mr. Homer T. Brewer

Chairman, Grand Council  
Mr. Homer T. Brewer, Chairman  
Grand Council  
330 South Campus Avenue  
Oxford, Ohio

Dear Mr. Brewer:

I am happy to give an enthusiastic endorsement to the application for membership of our Business and Economics group for a chapter of Delta Sigma Pi on this campus.

Our School of Business and Economics has a large, competent staff and, aside from the School of Liberal Arts, has the largest enrollment on campus. We are very proud of the graduates we have turned out. They are now in positions of responsibility in both business and education.

It appears to me that an organization of this kind would be an aid to the administration in increasing the quality of our academic program in this area and in furthering the interests of our students.

Your assistance in furthering the implementation of our affiliation with Delta Sigma Pi will be greatly appreciated.

Yours very truly,  
Sincerely,

Ruth Wheeler  
Res.  
Martin L. Cole

Dear Mr. Brewer:

It is my understanding that the School of Business and Economics of Eastern New Mexico University is interested in securing a chapter of Delta Sigma Pi on this campus. I should like to give my enthusiastic recommendation to you for this group of students.

The School of Business and Economics has the third largest enrollment of schools at this university. The curricula offerings are broad enough adequately to care for the needs of students in this area for careers in business.

Our graduates from the School of Business and Economics are most successful, and are in demand.

I sincerely hope that the petition for a chapter of Delta Sigma Pi is given serious consideration.

Yours very truly,

Ruth Wheeler

PORTALES, NEW MEXICO

May 27, 1960

May 31, 1960

Mr. Homer T. Brewer, Chairman  
Grand Council of Delta Sigma Pi  
330 South Campus Avenue  
Oxford, Ohio

Dear Mr. Brewer:

It is a privilege to have the opportunity of recommending a School of Business and Economics campus organization to you for affiliation with Delta Sigma Pi. Through the responsibilities of my office, I come in contact with all such groups frequently. I can say without reservation that the business group is one of the most active organizations on the campus.

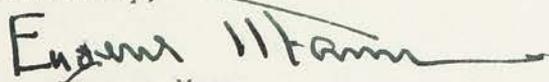

The organization has attracted students with excellent academic records and leadership potentiality. I firmly believe that the Eastern group will be a chapter which your national organization will be able to look upon with pride.

The School of Business and Economics at Eastern New Mexico University is one of the strongest and largest schools on the campus. Its enrollment has increased rapidly and its graduates are commanding the highest type positions. We are frank to state that we believe the school is superior throughout the Southwest.

Eastern New Mexico University, although only twenty-six years-of-age, has taken an important role in the educational program of the state. Its enrollment, during the past five or six years, has increased more than any other institution of higher learning in the state. The University serves a vast region in Eastern New Mexico of over 25,000 square miles. It is fully accredited by the North Central Association of Colleges and Secondary Schools to offer both undergraduate and graduate study.

It is with pleasure and pride that I recommend our campus organization to you as a chapter of Delta Sigma Pi.

Sincerely,

  
Dr. Eugene Mann  
Director of Public Relations

May 31, 1960

Mr. Homer T. Brewer  
Chairman, Grand Council of  
Delta Sigma Pi  
330 South Campus Avenue  
Oxford, Ohio

Dear Mr. Brewer:

In behalf of the petitioning Chapter, Beta Alpha Epsilon, Eastern New Mexico University, I would like to recommend the installation of this Chapter of Delta Sigma Pi.

The male members of the Business Associates organization have been working diligently to achieve this installation. We, in Personnel Services, have been fostering the installation of professional and honorary groups on this Campus for a number of years. We feel that such groups can and do enhance the academic program as well as the organizations on our Campus.

We feel that the addition of this Chapter will be an asset to Eastern New Mexico University.

Sincerely,

Mary X. Grimes  
Counselor of Student Affairs

MXG/pap

May 5, 1960

Grand Council  
International Fraternity of Delta Sigma Pi  
Central Office Building  
Oxford, Ohio

Gentlemen:

During the past year I have been advisor to the Business Associates Club of Eastern New Mexico University. Recently the majority of the young men of this group have voted to seek affiliation with Delta Sigma Pi. I give unqualified endorsement to their application for affiliation.

The Business Associates Club has been very productive this year with a well-rounded professional program supplemented by a social program. However, it is felt by the group that affiliation with Delta Sigma Pi will enhance their professional development and facilitate the attainment of their goals at this university.

Inquiry has disclosed that their decision to join a national organization has the support of the president of the University and the chairman and faculty of the School of Business.

It is my sincere conviction that this fine group of young men are worthy of consideration by your organization. It is my belief that a chapter of Delta Sigma Pi would flourish on this campus.

Sincerely,

Paul L. Stangle  
Instructor in Industrial Management

PLS:blf

cc Mr. Joe M. Hefner  
Mr. Ronnie W. Clark

June 1, 1960

Mr. Homer T. Brewer  
Chairman, Grand Council of  
Delta Sigma Pi  
330 South Campus Avenue  
Oxford, Ohio

Dear Mr. Brewer:

It is a pleasure to recommend to your organization a group of students of the School of Business and Economics of Eastern New Mexico University for membership in the International Fraternity of Delta Sigma Pi. We feel that a national business fraternity such as Delta Sigma Pi for students of business and economics is a necessity to the betterment of this university.

These men worked diligently during the past year as members of a local organization, Business Associates. We feel that the Business Associates was fulfilling a need; but, affiliation with a national organization would reap greater rewards for not only the students but also the University and community.

I do hope that you will give every consideration to the petition of these students for membership with the International Fraternity of Delta Sigma Pi.

Sincerely,

Derrell W. Bulls  
Instructor  
Business and Economics

Mr. Homer T. Brewer, May 27, 1960, page 2

Mexico University. I hereby recommend the petitioning group at Eastern New Mexico University, be chartered and installed as an active chapter of the International Fraternity of Delta Sigma Pi.

217 East Ninth Street  
Clovis, New Mexico  
May 27, 1960

Fraternally,

Mr. Homer T. Brewer, Chairman  
Grand Council  
330 South Campus Avenue  
Oxford, Ohio

  
Brother Bill Swan  
BU - 288

Dear Brother Brewer:

cc: James S. Elliott

It was my pleasant experience to join with Brother Ronnie Clark, District Director, in visiting Eastern New Mexico University last fall. Ronnie and I were very much impressed by Miss B. Sharp, Department Head for School of Business and Economics. She is most favorably inclined toward student's active participation in well organized groups. At this time there was then organized a Business Club for both women and men. Ronnie and I were also delighted to meet the two sponsors of the Business Club-- university instructors D. W. Bulls and Paul Stangle. Our meeting with them revealed that they were interested and willing to investigate the possibilities of forming a petitioning group for an active chapter of Delta Sigma Pi.

Later during this spring, March 10th, I joined with Brothers Joe Hefner, Regional Director; Ronnie Clark, District Director; and James Spencer, President Beta Upsilon Chapter at Texas Tech; in a meeting with the Business Club. The good enthusiasm and excellent leadership displayed by the club during its business session revealed unusual quality of interest for well organized professional programs. We later met with the thirty some male students for our presentation. These men displayed sincere and great interest. Upon ourleaving, a nucleus of men remained full of inspiration and zeal with hopes for an active chapter of Delta Sigma Pi.

From the foregoing, it is my observation and firm belief that an active chapter of Delta Sigma Pi at Eastern New Mexico University would be a valuable asset both to the International Fraternity of Delta Sigma Pi and Eastern New

Mr. Homer T. Brewer, May 27, 1960, page 2

Mexico University. I hereby recommend Beta Alpha Epsilon, the petitioning group at Eastern New Mexico University, be chartered and installed as an active chapter of the International Fraternity of Delta Sigma Pi.

Fraternally,

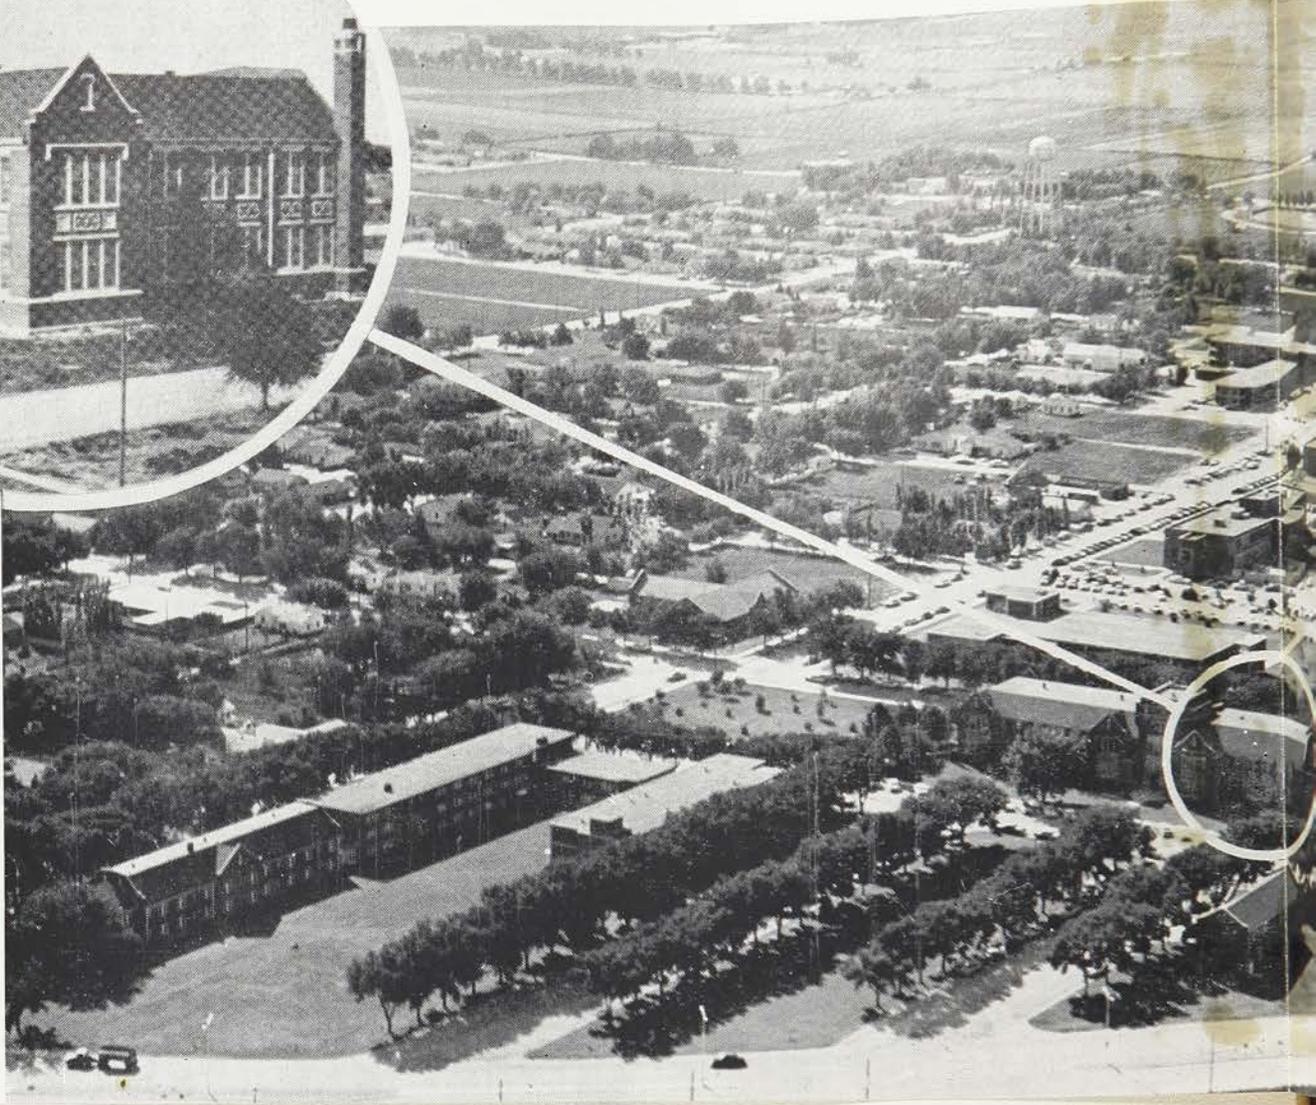

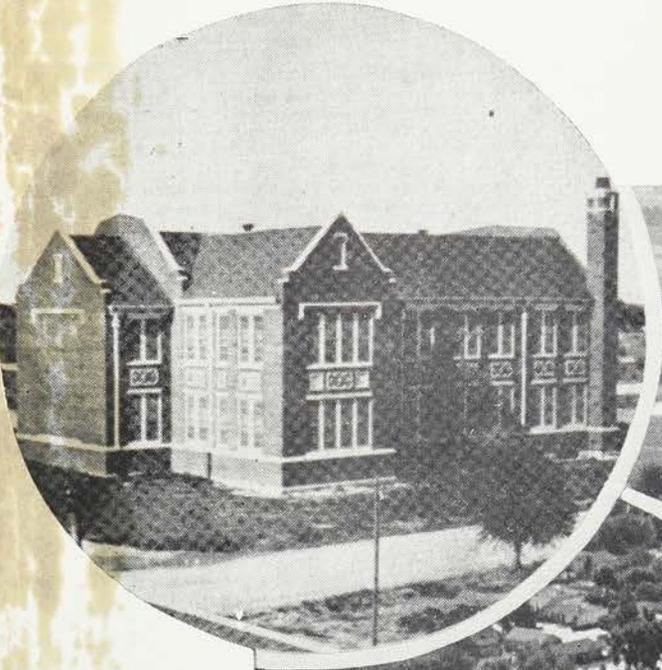

Brother Bill Ewan
