DELTA SIGMA PI

NU PHI CHAPTER

University of Northern Colorado

Spring 1996

To: The Board of Directors of Delta Sigma Pi

From: The Members of the Alpha Psi Theta Colony of Delta Sigma Pi

We, the members of the Alpha Psi Theta Colony of the International Fraternity of Delta Sigma Pi, hereby dedicate this Petition for Chapter Charter to Lauren Goray. It was through her hard work and dedication that we were able to establish a colony at the University of Northern Colorado. We also wish to thank the members of the Mu Rho Chapter at Colorado State University for their guidance and direction.

We would also like to recognize our faculty advisor, Mr. Glen Droegemueller, for the time and effort he has put forth on our behalf. In addition, we would like to thank Dean Robert Lynch for his tremendous support in our endeavor to become a chapter of Delta Sigma Pi.

TO THE BOARD OF DIRECTORS OF THE INTERNATIONAL FRATERNITY

DELTA SIGMA PI

Dear Board of Directors,

We, the members of the Alpha Psi Theta Colony of the University of Northern Colorado, do hereby petition for a Chapter Charter of the International Fraternity of Delta Sigma Pi.

The Alpha Psi Theta Colony was established exclusively for the purpose of association with Delta Sigma Pi and has styled itself after the ideas, which we continue to maintain, of the International Fraternity of Delta Sigma Pi. This is evident by our high standards of professionalism, display of enthusiasm and commitment, involvement in the community, and our strong spirit of fellowship.

We promise to uphold the rules, regulations, and standards of Delta Sigma Pi as set forth in its Bylaws and Constitution in the pursuance of a Chapter Charter and further association with the Fraternity.

Thankfully, the members of Alpha Psi Theta Colony:

September 7, 1995

The Grand Council
Delta Sigma Pi
International Fraternity
330 South Campus Avenue
Oxford, OH 45056

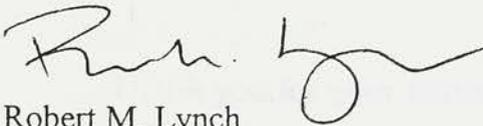

Dear Grand Council Members:

The College of Business Administration at the University of Northern Colorado supports the chartering of Alpha Psi Theta Colony of Delta Sigma Pi Fraternity. It has been an active student group and participates in the College of Business Administration's Student Representative Council - the leadership liaison organization of students of the College.

Members of the Colony are working hard for their chartering and give every evidence of being a chapter of whom the Grand Council can be proud. They have had strong support from the chapter at Colorado State University, they have a good faculty advisor and they meet all requirements of the College and the University to be a recognized student organization.

We recommend they be chartered by the Grand Council.

Sincerely,

Robert M. Lynch
Dean

Delta Sigma Pi
Board of Directors
330 South Campus Avenue
P.O. Box 230
Oxford, Ohio 45056-0230

Dear Brothers:

I am pleased to provide this recommendation for the Alpha Psi Theta Colony; members of the University of Northern Colorado Business School who are petitioning for a Charter with Delta Sigma Pi.

These members have worked very hard to not only meet but exceed all of the requirements expected of them. The enthusiasm and commitment of this group of people is astronomical!

The colony has had a wonderful response from the campus and the faculty are equally impressed with the colony's hard work, activities and commitment.

I believe it would be a great asset to the fraternity if the Alpha Psi Theta Colony were to become a Chapter in Delta Sigma Pi.

Thank you for your consideration in this matter.

Respectfully,

Rene' Hays
Rocky Mountain Regional Director

Delta Sigma Pi
Board of Directors
330 South Campus Ave.
P.O. Box 230
Oxford, Ohio 45056-0230

Dear Board of Directors:

During the last year I have been working diligently with the Alpha Psi Theta colony at the University of Northern Colorado. They have impressed me from day one. This group of individuals has shown an outstanding level of enthusiasm and support for Delta Sigma Pi. After each visit I am left with a tremendous feeling of brotherhood that exceeds any of my expectations.

Our fraternity is based on supporting each other in our development as business professional and as a brotherhood. I have seen this in the colony in various ways. Their efforts to attend Grand Chapter Congress and the interest they have had on a regional level are just a few examples. Their innovative ideas have helped them to exceed their goals in fundraising. The combined efforts of each individual colony member was vital in receiving over 30,000 CEI points during the spring of 1995.

I fully support the colony's petition for a chapter charter of Delta Sigma Pi. I truly expect this colony to play a leading role in our region as its newest chapter. They will have a large influence in this region for many years to come.

Fraternally,

Sandy Burns
District Director
Alpha Psi Theta Colony
KO #412

A HISTORY OF THE UNIVERSITY OF NORTHERN COLORADO

The University of Northern Colorado is a multipurpose institution offering a wide range of graduate and undergraduate degree programs in five colleges. These are: the College of Arts and Sciences, the College of Business Administration, the College of Education, the College of Health and Human Sciences, and the College of Performing and Visual Arts.

The teaching and administrative personnel of UNC have created a highly prized balance between the personal contact found typically in a small institution and the broad range of cultural, social, and intellectual opportunities found in a large university.

The University offers approximately 2,700 academic courses annually and enrolls approximately 10,500 students. The student enrollment consists of 40% men and 60% women from 49 states and 48 foreign countries; 84% undergraduates, 15% graduate students; 88% residents, 12% non-residents and 12% minorities.

UNC is located in the city of Greeley, Colorado, approximately one hour north of the city of Denver and approximately one hour east of Rocky Mountain National Park. Greeley is a mid-sized city of 65,000 people (counting UNC students). Greeley has a symphony, jazz and rock concerts, community and collegiate theatre, as well as America's largest 4th of July rodeo. It has a dry, high desert climate with sunny days and cool nights. There is some snow and very little rain.

The 236-acre campus has two very distinct, adjacent parts. Both have residence halls and classroom buildings. The central campus features a tree-lined

green and older, ivy covered buildings while the west campus is distinguished by modern high-rise buildings.

The University of Northern Colorado celebrated its one-hundredth birthday during 1989 and 1990. The University was founded in 1889 when a bill was drafted in the Colorado legislature providing for a State Normal School. The law creating the school was signed on April 1, 1889. The citizens of Greeley raised the necessary money for the first building and the cornerstone was laid on June 13, 1890.

Designed to train qualified teachers for the state's public schools, the State Normal School began on October 6, 1890, with a staff of four instructors and 96 students. Certificates were granted upon the completion of a two-year course.

In 1911 the school's name was changed to Colorado State Teacher's College by the state legislature. The college was then offering four years of undergraduate work and granting the bachelor of arts degree.

In 1935 the name of Colorado State College of Education was adopted to recognize the fully developed graduate program, which was started in 1913. Early in 1957 the state approved shortening the name to Colorado State College. Again, to recognize the further growth and offerings, in 1970 the name was change once more, this time to the University of Northern Colorado.

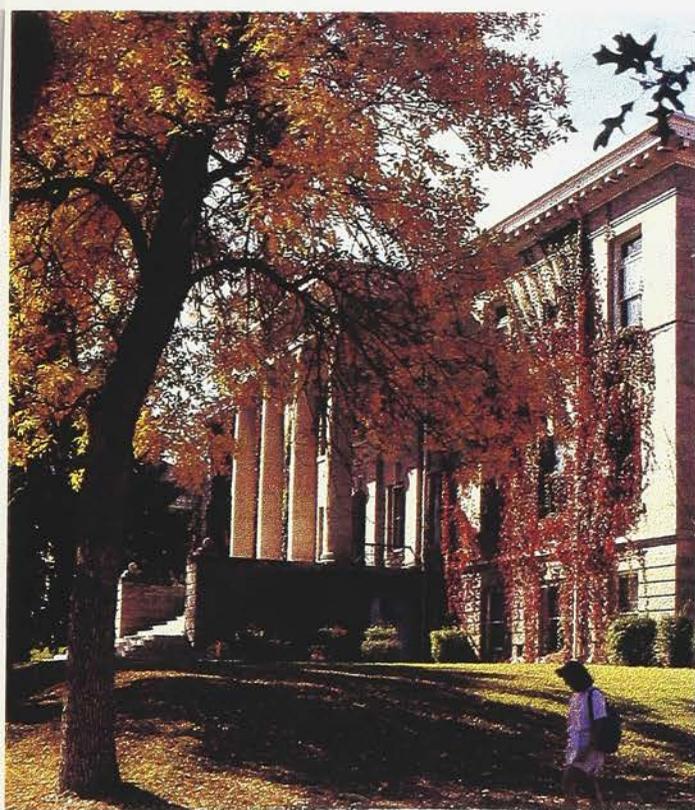

Since 1916, the University had been fully accredited by the North Central Association of Colleges and Schools.

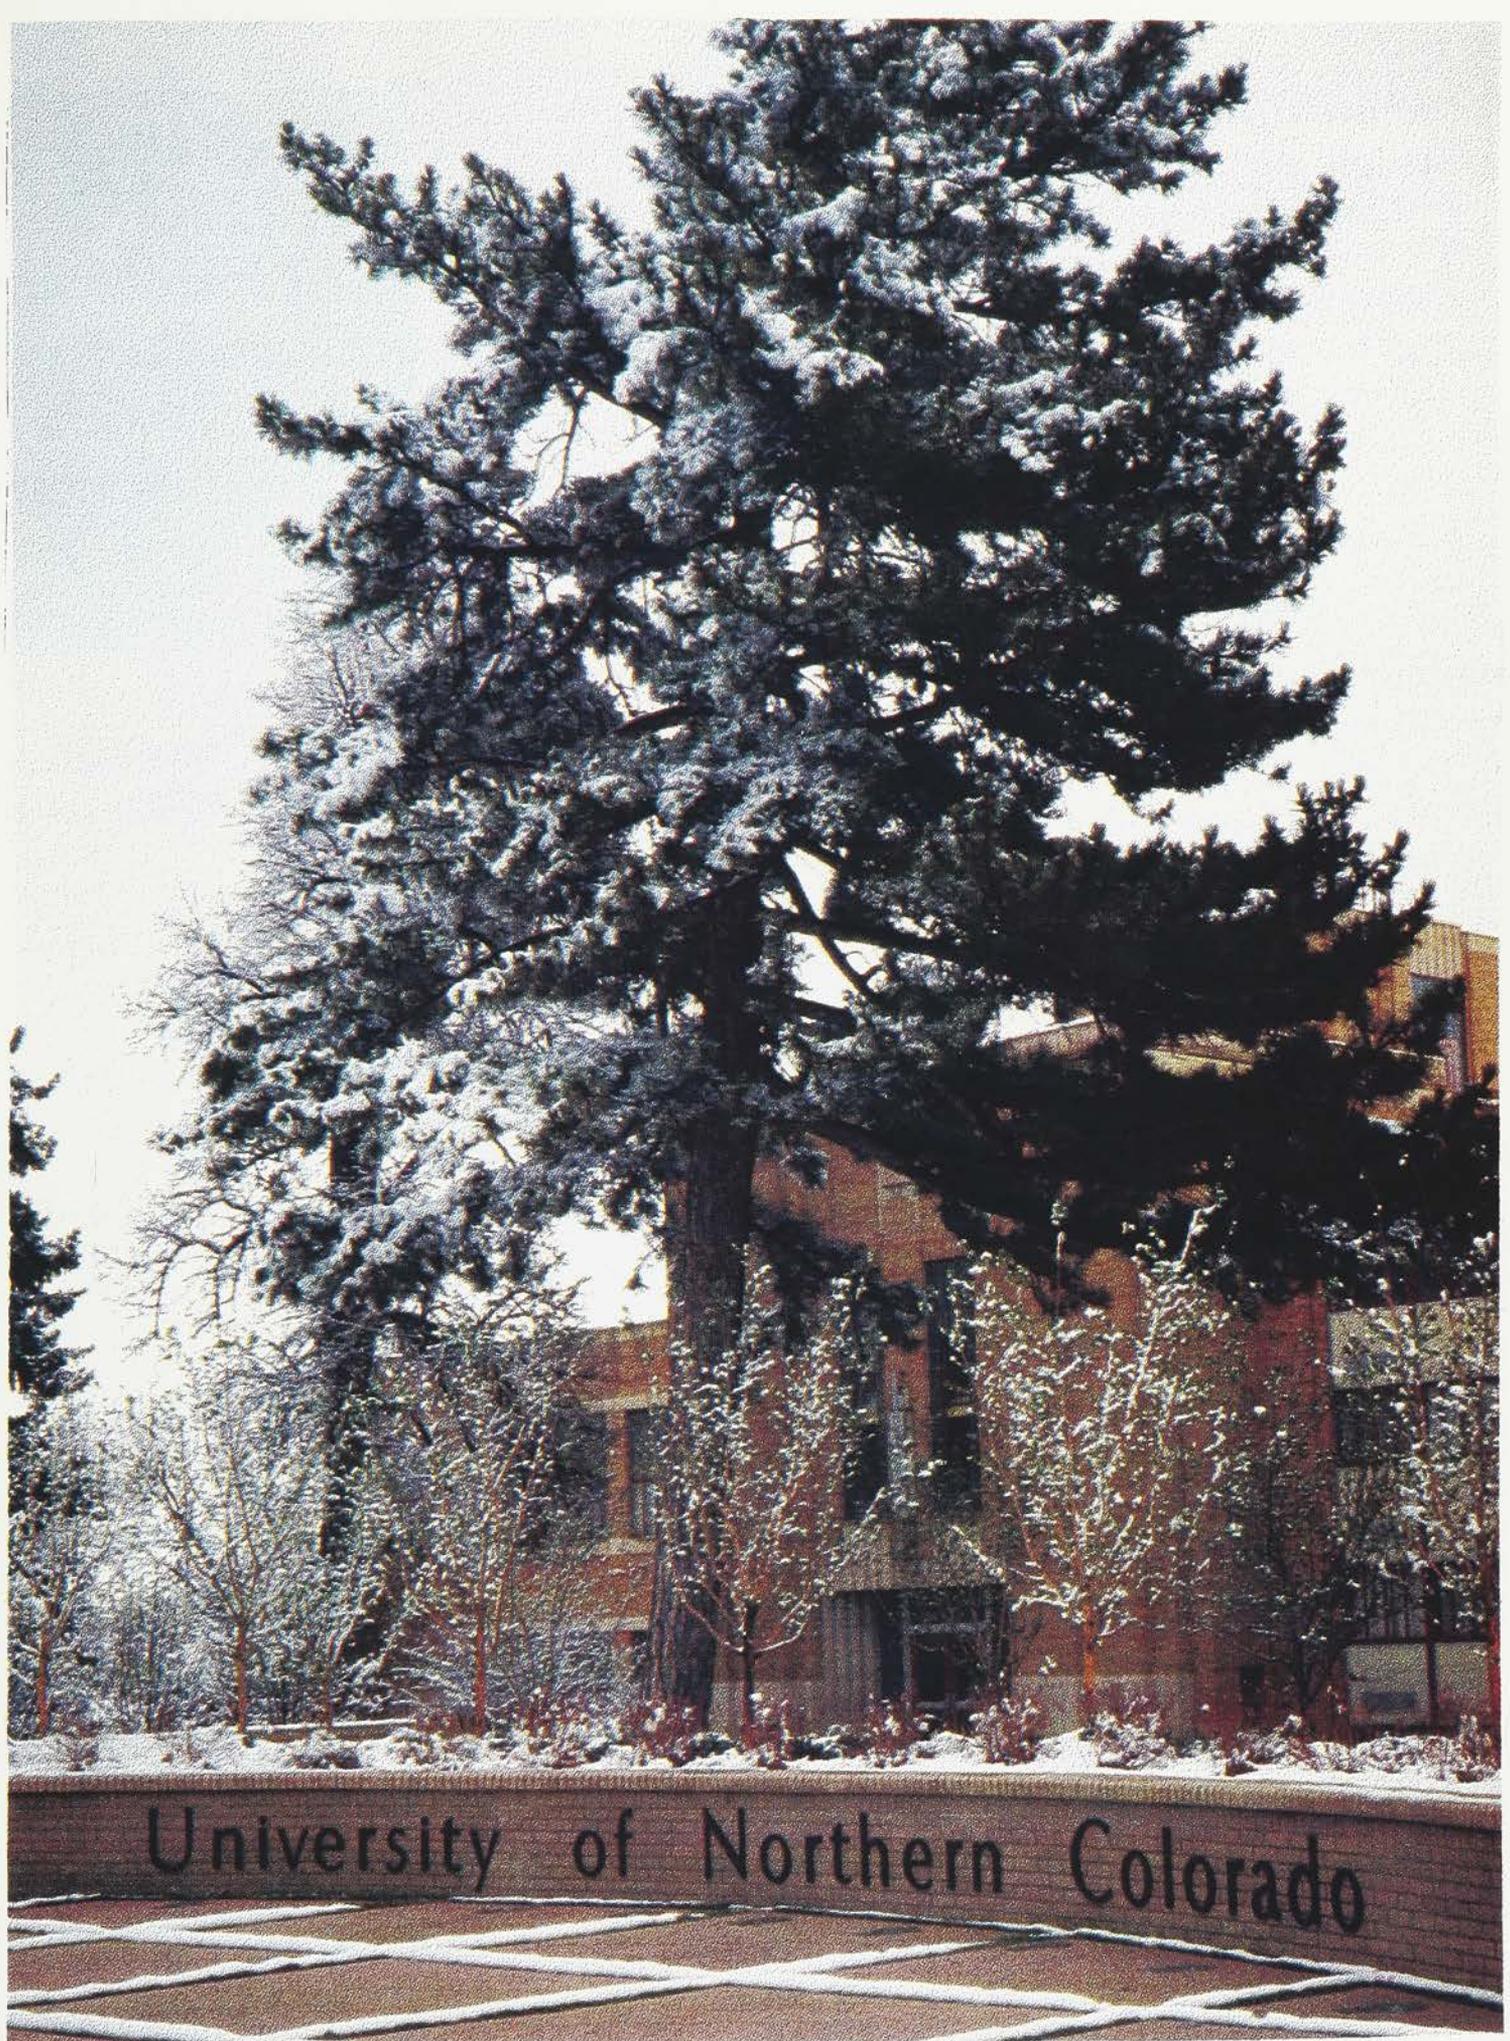

Various academic programs have special accreditation by the following:

American Assembly of Collegiate Schools of Business; American Chemical Society ; American Psychological Society; American Psychological Association; American Speech-Language-Hearing Association; Board of Examiners, Speech Pathology and Audiology; Colorado Department of Education; Colorado State Board of Accountancy; Colorado State Board of Nursing; Council for Accreditation of Counseling and Relation Educational Programs; Council for Education of the Deaf; Council on Education for Public Health; Council on Rehabilitation Education; National Association of Schools of Music; National Council for Accreditation of Teacher Education; The

American Dietetic Association; The National League of Nursing; National Recreation and Park Association/American Association for Leisure and Recreation; and the Society for Public Health Education

This institution currently holds membership in the American Association of Colleges for Teacher Education, Teacher Education Council of State Colleges and Universities, the Renaissance Group, the American Council on Education, the Council of Graduate Schools in the United States, the Western Association of Graduate Schools, the American Assembly of Collegiate Schools of Business and other educational organizations.

HISTORY OF THE COLLEGE OF BUSINESS ADMINISTRATION

The University of Northern Colorado's College of Business Administration (COBA) offers a Bachelors of Science Degree in Business Administration with opportunities for students to pursue specialized study in the emphasis areas of Accounting, Computer Information Systems, Finance, Management, Marketing, and Foreign Trade and Commerce as well as in General Business Administration. The College offers a minor in Business Administration and a minor in Computer Information Systems.

The College of Business Administration was established in the summer of 1968 as an autonomous degree-recommending unit with a primary mission of providing education for business administration. Since that time, the business school has received a \$4.8 million renovation in 1986, resulting in a total-make-over. The addition of over \$2 million in computing and technology upgrades has led the business school's current reputation throughout Colorado.

Statistics of Fall Semester 1994:

Number of Students in the College of Business Administration:

Freshmen:	185
Sophomores:	187
Juniors:	263
Seniors:	<u>329</u>
Total Students:	964

COBA's primary goal is to provide highly quality undergraduate instruction for the benefit of its students. Grounded in the liberal arts, business classes apply theory to practical business problems. The curriculum incorporates computer technology and weighs the opportunities and challenges of competing in a global marketplace. Students interact with distinguished business leaders who give lectures and hold visiting professorships.

Professional accreditation is a recognition of outstanding quality in an academic program as measured through an evaluation of its faculty, curriculum, students, and the overall academic environment. Since 1992, UNC's business programs have been accredited by the American Assembly of Collegiate Schools of Business (AACSB). UNC is currently one of only six undergraduate-only business programs in the U.S. to receive separate AACSB accreditation for both its business administration and accounting programs.

Population of COBA According to Concentration:

Accounting:	253
Computer Information Systems:	84
Finance:	119
Management:	173
Marketing:	164
International Trade and Commerce:	2
General Business:	<u>169</u>
Total Students	964

HISTORY OF THE ALPHA PSI THETA COLONY

The history of Alpha Psi Theta begins with Lauren Goray, a transfer student from Colorado State University. It was she who first introduced Delta Sigma Pi to the University of Northern Colorado in the Fall of 1994. With the help of her chapter brothers from CSU, Lauren's plan to start a colony at UNC was a success.

The year started out with a recruiting meeting. Lauren and brothers from Mu Rho at CSU talked about the Fraternity and the benefits of membership for business students.

Our next recruiting event, "Meet the Colony Night," was held in January of the spring semester. Our Senior Vice President, Brent Ivinson, worked diligently to spread the word about Delta Sigma Pi to prospective members. During the meeting we discussed the accomplishments of the past semester and what we hoped to attain throughout the Spring semester. The officers introduced themselves and talked about what their jobs required. Overall, Alpha Psi Theta had a very successful turnout, increasing membership by thirty new members.

Community service activities for the 1994-1995 school year consisted of a food drive for the Weld County Food Bank in December, delivering Easter bags to Northern Medical Center's pediatric ward in March, and a clothing drive for the Salvation Army in May.

Alpha Psi Theta had many social activities during the Fall semester. We started with a night of bowling followed by pumpkin carving for Halloween. Next was ice skating in Fort Collins.

Several members attended the Mu Rho chapter's annual winter formal.

The formal, "An Evening Under the Mistletoe," was held at the Executive Towers in downtown Denver. Everyone had a great time.

During the Spring semester we had a movie night and our first annual spring retreat. This event took place at the Christie Lodge in Vail. The weekend consisted of shopping, skits, games, and skiing. It proved to be a fun way for everyone to get to know each other better. The semester came to a close with our final event, an end of the year barbecue.

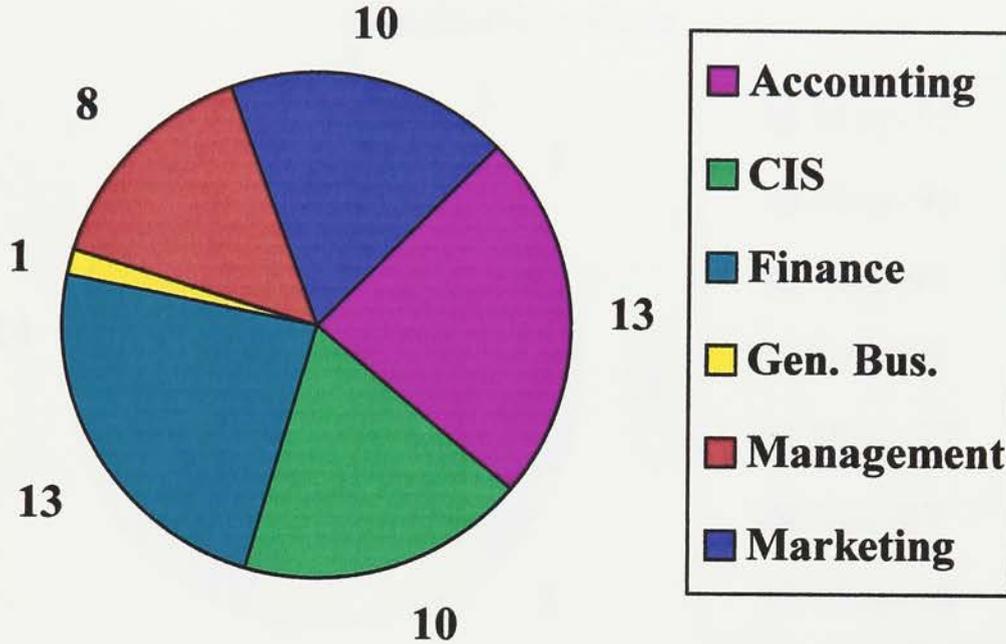

The colony managed to take time out from having fun to help enhance its professional goals through speakers from the business community. A variety of business leaders, from small privately owned companies to major corporations, spoke to us about how to get ahead in today's competitive job market.

The 1995 Fall semester held lots of exciting activities. We started the semester with a bang, recruiting almost thirty new members at our "Meet the Colony Night." Bowling night, and our first fund-raiser, a car wash, were also huge successes. Other activities planned for the semester included a fall retreat at Winter Park, horseback riding in Estes Park, a bake sale, and country dancing at the Cactus Moon.

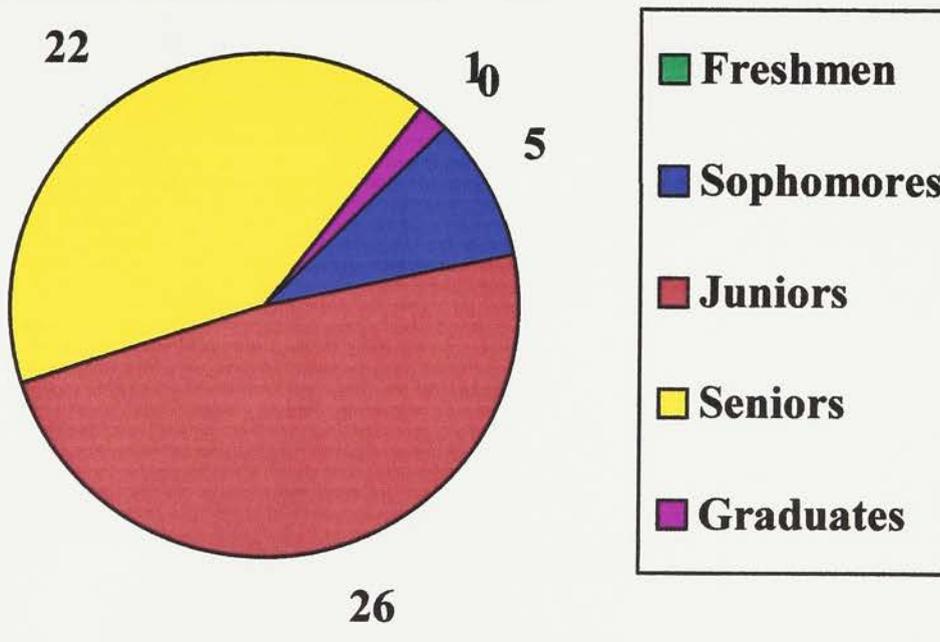

The excitement of petitioning to become a full-fledged chapter of Delta Sigma Pi and becoming pledges of the Fraternity complimented a semester filled with fun, friends and new experiences.
