**TO THE BOARD OF DIRECTORS OF THE INTERNATIONAL  
FRATERNITY  
DELTA SIGMA PI**

Dear Board of Directors,

We, the members of Kappa Delta Iota Colony of Lindenwood University, do hereby petition for a Chapter Charter of the International Fraternity of Delta Sigma Pi. The Kappa Delta Iota Colony was established exclusively for the purpose of association of Delta Sigma Pi. We continue to maintain the ideas for the International Fraternity of Delta Sigma Pi after which the colony has styled itself. Proof includes our utmost level of professionalism, display of enthusiasm of commitment, community involvement, and strong brotherhood.

We vow to uphold the rules, regulations, and standards of Delta Sigma Pi as set forth in the Bylaws in the pursuance of a Chapter Charter and continuing association with the Fraternity.

Thankfully, the members of the Kappa Delta Iota Colony. Our Signatures follow:

  
Jenan Al Yasiry

March 11, 2014

Board of Directors of Delta Sigma Pi  
330 South Campus Avenue  
Oxford, OH 45056

Dear Delta Sigma Pi Board of Directors:

As Dean of the School of Business and Entrepreneurship I'm honored to write this letter of recommendation for the Lindenwood University colony of Delta Sigma Pi. I've seen the group sponsor several service, fundraising, and professional events on our campus. The clothing drive allowing faculty a dress-down (jeans) day if they gave a donation, volunteering to work a ½ marathon and marathon that began at 7 am, raising several hundred dollars selling baked goods, and sponsoring our etiquette dinner are just a few examples of the things I've seen this group do on our campus. They are extremely motivated to do what it takes to make their colony a chapter.

In my opinion, the students exemplify the mission of the school and strongly support the ideals of your organization. It would be a pleasure for them to remain on campus indefinitely as a chapter of Delta Sigma Pi.

Thank you,

Roger Ellis

Dean

Oxford, OH 45056

Dear Delta Sigma Pi Board of Directors:

It is with great pleasure that I write this letter of recommendation for the Lindenwood University colony of Delta Sigma Pi. I serve as the faculty advisor of the group and they have continued to amaze me with their abilities. They're extremely motivated to meet all of the requirements of becoming a chapter as evidenced by the service events, professional events, and fundraisers they have held. I'm extremely impressed with their team work and organizational skills. Without hesitation I would recommend that they be instilled as a full-fledged chapter of your fraternity.

Thank you,

Kimberly Brickler-Ulrich, CPA

Brother Onuka Ibe

Grand President

The International Fraternity of Delta Sigma Pi

330 South Campus Avenue

Oxford, OH 45056

Dear Brother Grand President,

It is my pleasure to recommend that the Kappa Delta Iota colony of Lindenwood University be installed as a chapter of Delta Sigma Pi.

I first became involved with the Kappa Delta Iota colony shortly after the colony was established. Since the colony was established three years ago the colony has undergone many changes and faced many challenges. But all along there has been a core group of student who believed in the values of Delta Sigma Pi.

I have been amazed with the progress the colony has made within the current academic year. The colony has grown in their colony management skills. Colony members and officers alike are working together toward common goals and have developed strong friendships among the colony members. The colony has also established a positive reputation on the Lindenwood University campus, particularly within the School of Business and Entrepreneurship.

I am confident that the Kappa Delta Iota colony will thrive as the newest chapter of Delta Sigma Pi.

Fraternally,

Jeanette Buie

Gateway Regional Vice-President

Board of Directors of Delta Sigma Pi  
330 South Campus Avenue  
Oxford, OH 45056

Brothers:

I am honored to write this letter of recommendation for the Kappa Delta Iota colony of Delta Sigma Pi at Lindenwood University. I have served as the District Director for the colony since February of 2012 and have had the privilege to watch the members of this colony grow into a strong organization. They have done an excellent job of becoming involved in both the University and the community through community service projects and professional events. They have also been able to attach the name Delta Sigma Pi to several major University events held by the School of Business. They have had to overcome many obstacles over the past year, and I feel that they have become an organization that the people involved want to be more involved, and not just involved to have something on their resume. I have also noticed increasing support of our colony by faculty members. They have done an excellent job with fundraising and recruiting, and have put in place events that will be able to continue to be successful in marketing the Fraternity in the future. They have also done a good job of being involved with the fraternity on a regional level. Most importantly, they have created a strong exec board, and have recruited members that have been able to succeed the original exec board to help perpetuate the chapter.

I am looking forward to be able to call all of the members of the Kappa Delta Iota colony our brothers.

Sincerely,

William R. Conner  
District Director  
Theta Omicron #326

March 8, 2014

Mr. Onuka Ibe Grand President The International Fraternity of Delta Sigma Pi 330 South Campus Drive  
Oxford, OH 45056

Dear Brother Grand President:

I first became involved with Kappa Delta Iota in the Spring Semester of 2011. In the three years since then the colony has gone through many changes, but through it all there remained a core of students that believed in the promise of Delta Sigma Pi.

What that core has been able to accomplish this academic year has been exceptional. They have grown both in membership and in organization. I am greatly pleased by the level of effort put forth by the officers and members of the colony.

The Kappa Delta Iota Colony has demonstrated that they possess the knowledge and skills required to thrive as a Chapter in our Fraternity. And they have furthermore become a cohesive unit that embodies the fundamental principles of our Fraternity.

It gives me great pleasure to endorse the petition of the Kappa Delta Iota Colony to join our Fraternity.

Fraternally Yours,

Louis T. Maul,  
GC Gamma Pi 757  
District Director Eta Nu Chapter

March 8, 2014

Brother Onuka Ibe, Grand President  
The International Fraternity of Delta Sigma Pi  
330 South Campus Ave  
Oxford, OH 45056

Dear Brother Ibe,

It is with great pleasure that I recommend to you that the Kappa Delta Iota Colony at Lindenwood University be installed as the newest chapter of Delta Sigma Pi. Further, I recommend all of the colonists listed in this petition be initiated into our Brotherhood.

I was asked to become involved with the colony at the start of the Fall 2013 semester. In the short time I have worked with the colony, I have borne witness to a group of students who have overcome the challenges of the past to build a highly functioning student organization. Through these challenges and accomplishments, they have bonded together as a team which exhibits the fundamental principles of our Fraternity.

Through the efforts taken towards fulfilling all the professional, financial, social, and philanthropic requirements for chartering, the colony has established a solid reputation on the Lindenwood University campus and within the School of Business & Entrepreneurship. In fact, the Kappa Delta Iota Colony has become the "go-to" student organization when the School of Business & Entrepreneurship faculty need assistance planning, promoting, or executing an event.

When I observe the colony members working together towards their goals, I can see the same passion and enthusiasm for Delta Sigma Pi that my chapter had for our great Fraternity. Through this, I know they will have continuing success as they begin the pledge program, enter into our Brotherhood, and thrive as a chapter of Delta Sigma Pi.

Please feel free to contact me with any questions.

Fraternally,

Matthew M. Hudson  
Beta Sigma 930  
Co-District Director, Kappa Delta Iota Colony

March 11, 2014

Board of Directors of Delta Sigma Pi  
330 South Campus Avenue  
Oxford, OH 45056

Delta Sigma Pi,

It is my great pleasure today to recommend the Kappa Delta Iota Colony to receive their charter and become a full chapter of Delta Sigma Pi. I came from a long established Beta Gamma chapter and had no idea the hard work, dedication and innovative it would take to start a colony and meet the charter requirements. In the past two years, there were times of great struggle and great success. The one thing that remained constant was the tenacity of a few founding Members of the colony to seeing the project through until the end.

In particular, I can't say enough about Krystal Carpenter and Nathan Christen. From the very beginning they were fully committed to the ideas of brotherhood and profiting most by serving best. Their leadership and efforts over a 2 year period have truly been inspiration and are worth noting. They have overcome so many challenges and remained dedicated to adding to our brotherhood.

The colony Members have made significant efforts to work with surrounding chapters - both in supporting their events and growing their fraternal bonds. By participating in LEAD schools and Alumni chapter events, Kappa Delta Iota has demonstrated their desire to become active and admired Members of Delta Sigma Pi.

The experience of the long standing colony Members, combine with the talented new recruits make Kappa Iota Delta ready to charter a strong chapter of the Fraternity. The journey that they have been through has prepared them to become a thriving Chapter of Delta Sigma Pi.

Fraternally,

Jordan Terefencko

University of South Carolina

# The History of Lindenwood University

Founded in 1827, Lindenwood is a dynamic four-year liberal arts institution dedicated to excellence in higher education. Nestled amid the beautiful linden trees, our historic 500-acre campus is situated in the heart of St. Charles, Mo., a growing community of 62,000 just west of St. Louis.

We offer more than 120 undergraduate and graduate degree programs to approximately 17,000 students through values-centered programs that lead to development of the whole person. Our faculty, staff and administration are committed to an integrative liberal arts curriculum that focuses on the talents, interests and futures of our students. Lindenwood is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools.

Lindenwood University is known nationally and internationally for innovation, entrepreneurship and extraordinary dedication to students. We believe that education is the way to personal freedom and responsibility, which are the keystones of any democracy. We have a liberal arts heritage that goes back more than 185 years. In that time, we have learned how to educate in a way that helps each student become an enlightened, principled citizen of a global community.

Lindenwood is an independent institution firmly rooted in Judeo-Christian values. Those values include belief in an ordered, purposeful universe, the dignity of work, the worth and integrity of the individual, the obligations and privileges of citizenship and the primacy of truth.

# Lindenwood History

## Timeline

Paul Huffman, Lindenwood Archivist

- 1782 George Sibley born April 1.
- 1800 Mary Easton born on January 24
- 1814 George Sibley acquires 120 arpents of land at St. Charles, Missouri, which he named  
“Linden Wood”
- 1815 George C. Sibley and Mary Easton marry on August 19.
- 1827 George and Mary Sibley move to St. Charles, Missouri.  
Mary Sibley begins formally teaching local girls.
- 1829 George and Mary Sibley move to their new home at “Linden Wood.”
- 1831 A Log cabin completed which accommodated twenty girls
- 1845 First Lindenwood student publication, “The Experiment”
- 1853 College deeded to the St. Louis Presbytery and incorporated by special act of the  
Missouri Legislature
- 1855 The Contract is let for the erection of Sibley Hall and excavation began June 3.
- 1856 Lindenwood receives its charter from the State of Missouri.
- 1863 George Sibley dies on January 31.
- 1867-1869 The Northern Presbyterian church sues French Strother for control of  
Lindenwood and wins.
- 1870 Control of Lindenwood moves from Presbyterian control to Synodical (Jan. 4).
- 1871 Recitation Hall is built.
- 1878 Mary Easton Sibley dies on June 20.
- 1908 Jubilee (Ayres) Hall is completed.
- 1910 Colonel James Gay Butler is elected a member of the Board of Directors of Lindenwood  
College.

- 1913 Lindenwood is recognized as an accredited Junior College by North Central Association.
- 1915 Butler Hall is dedicated, February 15
- 1916 Lindenwood purchases a campus cemetery from the First Presbyterian Church on 5th Street.
- 1917 Niccolls Hall is dedicated as a memorial to Dr. Samuel Jack Niccolls, February, 20.  
Jubilee Hall is renamed Ayres Hall.
- 1918 Margaret Leggat Butler dies on July 16. Combined estate of Col. James and Margaret Butler provides nearly \$4 million toward a permanent endowment for Lindenwood  
A four-year college curriculum is established by the Board of Directors, June 11.
- 1920 Ground broken for Roemer Hall on February 23.  
Lindenwood College is admitted to the Missouri College Union.  
Lindenwood students vote unanimously to abolish sororities; the school buys the sorority houses.
- 1921 Miss Pauline Weissgerber, of Lebanon, Missouri, becomes the first student to receive a Bachelor's degree at Lindenwood.  
Lindenwood College granted full membership in the North Central Association of Colleges and Universities.  
Roemer Hall is dedicated on October 21.  
The Alumnae Gate is completed on Oct. 19.
- 1922 An extension is added to the Butler Hall Gymnasium (currently known as The Loft).
- 1924 Irwin Hall is dedicated on October 24.
- 1925 Sibley Hall is rededicated on October 29.
- 1927 The Centennial Celebration is held from May 27-31.  
Jubilee Hall is renamed Ayres Hall, October 21.
- 1928 Margaret Hall burns down on September 25  
Margaret Leggat Butler Library built

- 1929 Margaret Leggat Butler Library is dedicated
- 1937 The original greenhouse was constructed near Sibley Hall.
- 1938 Lillie Pickenpaugh Roemer Memorial Arts Building is dedicated.
- 1941 The President's Home is dedicated.
- 1948 KCLC begins broadcasting at 10 watts.
- 1950 Cobbs Hall is dedicated.
- 1954 Lindenwood College Chapel is dedicated. (Now St. Charles Presbyterian Church).
- 1961 McCluer Hall is dedicated.
- 1966 Young Science Hall is dedicated.
- 1967 Lindenwood offers J-Term classes for the first time.
- 1968 KCLC begins a sister AM station that reached all of St. Charles city.
- 1969 Harmon Fine Arts Building is dedicated.
- Lindenwood officially admits men.
- Lindenwood changes its name from "Lindenwood College" to "Lindenwood Colleges."
- Lindenwood opens a black-and-white TV studio in the Memorial Arts Building.
- 1969-1973 Lindenwood joins the Seven College Consortium.
- 1970 Lindenwood begins offering evening classes (LC III).
- 1975 LCIE (LC IV) begins classes during 1975-1976 academic year
- 1976 Lindenwood begins offering masters degrees.
- The football stadium is built and the St. Louis football Cardinals uses Lindenwood as summer training camp.
- 1977 Fire destroys the television studio.
- 1978 A student center is built, connecting "The Gables" and McCluer House.
- 1980 Lindenwood is accepted into the NAIA.
- Lindenwood begins offering weekend classes.
- 1981 St. Louis football Cardinals summer training camp moves elsewhere.

- 1983 Lindenwood changes its name from “Lindenwood Colleges” to “Lindenwood College”
- 1984 McCluer House is demolished.  
A new television studio is opened in Young Hall.
- 1986 Lindenwood sells the college chapel to the St. Charles Presbyterian Church.
- 1988 Harlen C. Hunter Sports Complex is dedicated.
- 1989 Daniel Keck serves as interim President (January-May)
- 1994 Lindenwood Country Club is purchased.  
Studio East is purchased.
- 1996 Lindenwood University Cultural Center is purchased (previously it was First Baptist Church of St. Charles).  
Robert Hyland Performance Arena built.
- 1997 Lindenwood College changes its name to “Lindenwood University.”  
Nathan Boone Home is purchased.
- 2000 Lindenwood purchases the Commerce Bank building, transforming it into a Welcome Center.  
Blanton Hall is dedicated.  
Guffey Hall is dedicated.
- 2002 Spellmann Center is dedicated.
- 2003 Flowers Hall is dedicated.  
Matthews Hall is dedicated.  
Lindenwood takes ownership of the Belleville campus.  
LUHE (TV) begins broadcasting out of Young Hall on Charter Communications Cable.
- 2004 Lindenwood purchases the ice arena in Wentzville, MO.
- 2005 Calvert Rogers Residence Hall is dedicated.  
Rauch Memorial Hall is dedicated.
- 2007 Lindenwood begins offering Doctor of Education degrees.

Elm Street classrooms are opened.

“The Gables” is torn down.

2008 The J. Scheidegger Center for Fine and Performing Arts is opened.

Dorm G is opened.

Pfremmer Hall is opened

Watson Lodge is torn down.

The President’s Home is renamed Warner Hall and becomes home to the School of Education.

Harmon Hall expansion begins.

LUHE changes its name to LUTV and moves to the Charter Communications Studio in the Scheidegger Center.

2009 Social work program is accredited by CSWE.

Ground broken for the student commons.

Construction on the 1st Capitol Gate begins.

Studio East is expanded. Studio West is acquired by the University.

Ground broken for Lindenwood House, the new home for the President.

Lindenwood-Belleville begins offering daytime, semester-based classes.

2010 Lindenwood’s application to join NCAA Division II is accepted. The process towards full membership begins.

School of Business and Entrepreneurship is accredited by ACBSP.

Lindenwood endowment reaches \$100 million.

Wildwood campus opens

Lindenwood buys Days Inn hotel south of Hwy 70 to house graduate students. Named Linden Lodge

Young Hall Auditorium remodeled into a movie theater

KCLC increases its power to 50,000 watts

Lindenwood Student Government is reorganized to include more officers

- Lindenwood House is completed
- 2011 Evans Student Commons opens
- Pavilion in the quad is built
- LUCC auditorium renovated
- LU-Belleville granted campus status by the Higher Learning Commission
- New O'Fallon, MO campus opens
- Lindenwood Belleville received campus status from the Higher Learning Commission
- Lindenwood sports compete as independents as they await entry into Division II of the NCAA
- 2012 Lindenwood accepted as a provisional member of NCAA Division II, sports teams can compete in conference MIAA, but not play in post season.
- Lindenwood Belleville applies for membership in the NAIA
- LU entered into a relationship with SCC to offer a BSN-completion program
- LU-Belleville sports accepted into the NAIA
- Women's lacrosse team wins LU's first NCAA conference title
- Rugby team wins conference title. Complete roof and attic replacement on Sibley Hall
- Barat Academy Building (near HWY 40 in O'Fallon, MO) purchased for the new School of Nursing
- Student-Athlete Center completed
- Gazebo completely rebuild as a brick structure
- LCIE business classes receive ACBSP accreditation
- Dorm G named Reynolds Hall
- 2013 Lindenwood becomes a full member of NCAA division II
- Lindenwood Belleville joins American Midwest Conference (athletics)
- Jerry Bladdick named first President of Belleville Campus

## Growth and Development

Lindenwood University is in the midst of a bold campus expansion plan that blends the old with the new and provides facilities that will carry Lindenwood well into the future.

Recently, the University renovated a new building in Dardenne Prairie, adjacent to O'Fallon, Mo that houses its School of Nursing and Allied Health Sciences. The 69,000-square-foot building, purchased in fall 2012, is equipped with classrooms, labs, and office facilities for the new school, which in fall 2013 began offering a Bachelor's in Nursing degree completion program for Registered Nurses who already have two-year nursing degrees at the community college level. The facility also houses nursing and allied health courses offered by St. Charles Community College.

In fall 2012, the University opened a \$9 million Student-Athlete Center adjacent to Hunter Stadium. The signature element of the three-story, 43,000-square-foot building is an Academic Success Center to support athletes' academic endeavors. The building houses locker rooms for Hunter Stadium's NCAA sports, athletic training facilities, coaches' offices, and a new Champions' Room.

Other growth includes the renovation and expansion of Harmon Hall, which now houses the university's School of Business and Entrepreneurship. Nine classrooms and several seminar halls, breakout rooms, Dunseth Auditorium, and office space have been added. The existing interior has also been updated and remodeled and a new facade added to the entire building.

The Evans Commons opened in August 2011. The 119,000-square-foot structure includes a second dining hall, multipurpose courts, a suspended jogging track, a workout facility, recreation rooms and plenty of areas for student relaxation.

These projects are the result of dynamic growth on the campus going back to 1989. Currently, Lindenwood educates more than 16,000 students a year in all programs at two campuses, eight regional centers, and extension sites throughout the state.

## Accreditation and Membership

Lindenwood University is a member of and/or accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools, the Council for Higher Education Accreditation, the Commission on Accreditation of Athletic Training Education, the Accreditation Council for Business Schools and Programs, the Council on Social Work Education, and the Missouri Department of Elementary and Secondary Education and is fully endorsed by the Society for Human Resource Management. Lindenwood is a member of the Teacher Education Accreditation Council and the Council for Higher Education Accreditation.

# Facts & Statistics

## Overview

Lindenwood is an independent, public-serving liberal arts university that has an historical relationship with the Presbyterian Church and is firmly rooted in Judeo-Christian values. These values include belief in an ordered, purposeful universe, the dignity of work, the worth and integrity of the individual, the obligations and privileges of citizenship, and the primacy of the truth.

## Offering:

Lindenwood offers 99 undergraduate majors, 16 study abroad programs, 48 graduate study areas, 5 specialist degrees, 4 doctoral degrees.

## Enrollment: 2009-2010

11,900 in total in all programs (estimated average as of 5/07/2013)

-7399 traditional undergraduates

- campus resident -52 %
- 45% male, 55% female

- 897 part-time students

-3608 graduate students

## Campus (Main)

500 acres

45 buildings

## Library

- Butler Library
- 85,628 volumes; 305 printed journals; 118,000 E-books; over 2,000 E-Journals
- 83 Databases

## Athletics

- 25 varsity sports, NCAA Division II, Mid-American Intercollegiate Athletic Association
- 17 intramural and recreational activities
- Nickname/ Mascot is The Lions

## **School of Business and Entrepreneurship**

In 1963, the Board of Directors of the College approved the creation of the Department of Economics and Business at Lindenwood College under the leadership of President Dr. Franc McCluer. The new department was seen as a way to give a better understanding of modern economic society in preparation for better citizenship, to provide a foundation for graduate or professional study. The department co-chairmen were Dr. John B. Moore, Miss Emma Purnell, and Mrs. Sue Brizius. The department offered degrees in Bachelors of Arts and Bachelor of Sciences in Economics and Office Management.

In 1972, Business Degrees were starting to be offered and in 1974, Dean Dr. Elwood Miller changed the name to the Business Department. He grew the amount of degrees that were offered in the department and formed the Evening College.

In the 1980s, Lindenwood College had a Department of Business. Bob King was the Dean of the department and Dr. James Spainhower, former Treasurer of the State of Missouri, was the President of the College. The Business Department had six full-time faculty and the student body was considerably smaller than today. Lindenwood College was small. Throughout the 80s and 90s, the Business Department was served by seven different deans and was later renamed the Division of Management in the mid-90s.

In 1989, the Board of Directors hired Dennis Spellmann as Interim President and later President to assist the College in making revisions. He made sweeping changes in several areas. Among those changes, departments were moved from one physical location on campus to another as he saw a vision for the College. The Department of Business moved from Cobbs Hall which had offices on the first floor and dormitory rooms on the upper floors to the Memorial

Arts Building in the late 80s, early 90s. The Memorial Arts Building had office space and eventually two classrooms to better meet the needs of what would soon become a growing faculty and student population.

In the 1990s, Lindenwood saw increased numbers of students on campus. Class sizes started to grow. More diversity in the types of classes expanded. Computers were added to the campus for classroom labs. In addition, a networked system of computers was installed in administrative and faculty offices. A Performance Arena and Student Center, as well as residence halls were built.

In 2000, Jay Hardman came to Lindenwood and later become Dean of the Division of Management. More faculty members were hired to meet the needs of the increasing student population. During his tenure, Lindenwood College became Lindenwood University. The ISEE, the Institute for the Study of Economics and the Environment, a center of research and education was founded in 2002 with a focus on applying economic principles to environmental challenges. Dr. Ed Morris, became the Dean of the Division of Management in 2007. Under his direction, the Division continued to grow. The Division was renamed the School of Business and Entrepreneurship in 2009 to better reflect the work that was taking place in the School. The Duree Center for Entrepreneurship at Lindenwood University was established to inspire and support the entrepreneurial spirit in Lindenwood students and the larger community. Dr. Morris spearheaded the move to seek specialized accreditation for the School. In 2011, the School of Business became accredited by the ACBSP – Accreditation Council for Business Schools and Programs.

Under the guidance of the current Dean, Roger Ellis, who became Dean in 2011, Harmon Hall was entirely renovated and additional space was added to the existing structure. There are

state of the art classrooms and computer labs, two auditoriums, breakout rooms to be used for small group meetings and tutoring, faculty offices, a kitchen, and a boardroom. Currently, the School of Business has 1550 undergraduate students majoring in 14 areas as well as 550 graduate students with 10 areas of emphasis. Bachelor of Art and Bachelor of Science degrees are conferred in major areas of study within the School of Business and Entrepreneurship. Several clubs provide opportunities for students in the School of Business and Entrepreneurship. Research is being conducted by various faculty members within the School. Students are taking advantage of many internship opportunities. The Sport Management Program is a recognized program by the North American Society for Sport Management (NASSM) and the Accounting program is seeking specialized accreditation in the spring 2013. In addition to the Dean, there is an Associate Dean, Division and Department Chairs, a Division Coordinator, thirty-four full-time faculty as well as adjunct faculty, Graduate Assistants, and work and learn students who support the operation of the School of Business and Entrepreneurship

## Colony History

In October of 2011, Angela Kearbey, a brother from the Kappa Omicron chapter of Delta Sigma Pi, decided to see what she needed to do to start a colony at Lindenwood University. After a couple of emails, she got in contact with Kevin Weber, and the wheels were put into motion.

After posting flyers and sending out emails, on October 25, 2011, an informational meeting led by Lou Maul V was held in Harmon Hall, and a petition was signed to start a colony. The name Kappa Delta Iota was chosen by the members who attended. Meetings were held during November, but after a break for finals and winter break, member interest was lacking. On February 7<sup>th</sup>, the 6 remaining members met with Lou Maull and Will Conner, and officers were elected.

On February 8<sup>th</sup> the members of the colony met with Kyle from Central Office. The colony had a movie night social on February 16<sup>th</sup>, then weekly meetings were held on Tuesday nights. On February 21<sup>st</sup>, bylaws and policies were drafted. On February 28<sup>th</sup> we had our first professional speaker.

March started off with the colony bylaws, policies and procedures being voted on and adopted on the 6<sup>th</sup>. The first community service project was on March 8<sup>th</sup>. The colony participated in Swab for Sean, which was a campus event to help find bone marrow donors. March 13<sup>th</sup> had a visit from Kimberly Brickler-Ulrich, the chapter advisor, and she was introduced to the two district directors, Will Conner and Jordan Terefencko. March 17<sup>th</sup>, we participated in a community service event, volunteering at a pancake breakfast fundraiser for the campus YMCA. After coming back from spring break the colony had their first recruitment

week in April. The colony set up a table in the front of the business building and tried to spread the word about Delta Sigma Pi.

The colony continued to grow on campus. In 2012, we set up our first bank account. During the next few semesters we experienced several fluctuations in our membership. During this time we joined the Greek Council thinking it would gain us some recognition. Sometime after we joined, we found that Greek Council had different priorities than our organization and we retracted our membership. Despite this setback, through the efforts of the members of the colony, in the spring of 2013, we had officially raised enough money to cover our petition fee.

In August of 2013, colony members planned a few weeks of recruitment to start the semester off. At this time we were introduced to Wendy Eilers. She met with members of the executive board in order to get an idea of where we were at in the colonization process. Afterwards, she provided suggestions for advancement. In these few weeks of recruitment we had recruited several individuals that helped with recruitment over the next few months. During the Alumni Panel recruitment event, we met Matt Hudson, who has provided support and guidance throughout his involvement. In December of 2013, Krystal Carpenter stepped down as President, during the election in the fall semester of 2013, and Rebecca Peil was elected to be President. In the spring of 2014, Matt Hudson became a District Director of the colony. Over the next few months before the spring semester the new executive board put together an intense recruitment strategy. Within the first few weeks of the semester the executive board led a recruitment campaign that brought in enough new members for us to petition.

## Calendar of Events

October 25, 2011	6:00	Meet the Chapter: signed petition and named the colony
November 14, 2011	3:30	Executive Meeting: event ideas
November 15, 2011	7:00	General Meeting: purpose

## Colony Activities

### Professional Activities

On March 19, 2012 the colony brought in a speaker, from a non-profit organization in St. Louis, Better Family Life, Inc. Their mission is to plan and establish cultural, artistic, workforce, youth, economic, housing and educational programs that help promote positive changes within families and communities. She spoke to us about the goals of the organization and what she does to move toward that goal.

On April 17, 2012, the colony listened to a speaker, Dr. Witherspoon from the university, discuss the issue of hazing. He explained what it is and his experiences while being involved in an organization as a student. Also, Dr. Witherspoon stressed how important it is that no one takes part in hazing and if it happens to report it and prevent it.

On April 17, 2012, the colony attended a business etiquette dinner on campus. Each table was grouped with a business professional to talk to during the dinner. We learned the proper etiquette when eating each course as well as how to act when in an interview situation. Plus we got advice from our professional business guest about her job and eating properly.

On October 28, 2012, the colony took a tour at the Crown Valley Winery down in St. Genevieve, Missouri. The guide took us round the whole facility and showed us the process that the fruit goes through in order to become wine. He discussed the picking process, the cleaning, juicing, and fermenting, testing and bottle process. Also, he informed us of how the company is expanding job opportunities and what you have to do in order to get a job in the winery field.

On November 6, 2012, the colony had a speaker come in from Young Entrepreneurs Across America. Jimmy Smith, the speaker, discussed what the organization was all about and what opportunities were available. For example how this company provides paid internships during the summer and what would be expected of you. Then he asked everyone to fill out a form if they were interested in joining and a few of our members got phone calls a few days later, to set up an interview.

On November 27, 2012, the colony brought in two speakers from Edward Jones. They talked about each of their departments and what they provide for the company. There was a question and answer session for the members to ask about anything related to the company.

On May 2, 2012, the colony went on a tour of Edward Jones inn St. Louis. We saw each of the departments in the building that we were allowed to go into, and what they do day to day. We got to see how a large company operates in the financial world. We also were able to speak to members of the different departments and pick their brains about the company.

On September 10, 2012, the colony had a group from the St. Louis Alumni Chapter come to speak about their experiences with Delta Sigma Pi. We had it set up as a panel where colony members and prospective members could ask questions about the alumni members' experiences, both fraternity related and professionally.

On October 8, 2012, the colony brought in a speaker from the university's career center. She talked about what items should be in a resume and what employees are looking for in the job search process. She discussed the interview process and what steps to take to follow up as well as some fashion tips on what to wear and not wear to an interview.

On February 7, 2013, the colony brought in JP Thompson from The Mortgage Company. He talked about how it's best to start investing now in order to have a better retirement later on in life. He also provided excellent advice how to say out of debate.

On April 11, 2013, the colony went to the Etiquette Dinner at Lindenwood University. We got to experience what it would be like to eat a meal while being interviewed by an employer. We learned how to eat properly and what key things to look for when eating and when to start and stop eating.

On August 29, 2013 the colony brought in Kyle Hanke to speak to the potential members.

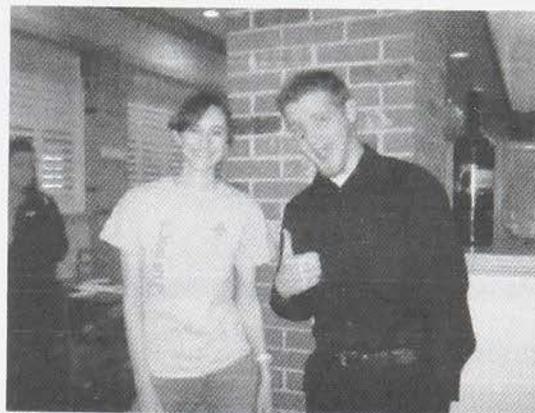

On November 14, 2013 the colony went and saw Daymond John talk. He talked about shark tank and his experiences as an entrepreneur. Afterwards he met with a select few to talk them through some of their ideas they had.

On November 15, 2013 the colony help set up a Small Business BBQ. We went around St. Charles and found small business that would like to advertise themselves on our campus. We set up the location, the food, and the business. We also passed out flyers in order to get people to come in and meet the business that came together to make this event.

## Community Service Events

On March 8, 2012, the colony helped out with an event on campus that helped looking for bone marrow donors, for a student at the university. We helped potential donors fill out the forms to get registered and the take a sample of their DNA by oral swabs.

On March 17, 2012, the colony helped out with a pancake breakfast event at Grappa Grill in St. Charles, MO. We served drinks and breakfast plates to the tables and cleaned up afterwards. The money that we raised went to the local YMCA for some of the kids programs.

On April 1, 2012, the colony helped Greek Life on campus with the “I Clean” project. We picked up trash and swept the sidewalks on Main Street in St. Charles, MO. We did this project to give the local community a better image of the Lindenwood students.

On May 5, 2012, the colony volunteered for the Ruckus Sports event in Sauget, IL. It was a huge obstacle course which brought out many people to participate. We helped direct people to the sign in table and worked at the sign in table to get participants ready for their race.

On September 8, 2012, the colony went to the St. Patrick's Center in downtown St. Louis, MO to help with their clothing event. People who were not able to afford clothing could come in and take whatever they needed. We helped sort and fold the clothes so that it was easy to look through.

On October 24, 2012, the colony held a bake sale on campus. We baked cupcakes that had pink icing to support Breast Cancer Awareness. After we added up all of our profits from the sales, we gave a portion of it to the Susan G. Komen Foundation.

From October 17 through November 28, 2012, every Wednesday the colony held a clothing drive for the St. Patrick Center. We collected clothes from students, faculty, staff, and some local stores. We had a huge donation that we dropped off for the St. Patrick's Center, which was greatly needed.

On February 20th, 2013, the colony helped out with a Blood Drive held on campus by the American Red Cross. We helped check people in or sign up to be a blood donor. We also made sure that after the person donated blood that they got food and drinks to help replenish their bodies.

On April 26th, 2013, the colony collected money for the project Give-A-Buck to Bryant. The money was being donated to Bryant in order to help him pay for medical bills.

On October 7, 2013, the colony held a bake sale on campus. We had pre-orders for two weeks before the bake sale begin as well setting up a table in the Spellmann Center. After we added up all of our profits from the sales, we gave a portion of it to the St. Jude Hospital.

On October 26, 2013, the colony participated in the national community service project, Make a Difference day. Since it was the same day as LEAD we had an extra opportunity it get more community service point. We collected can tabs and donated them to the Ronald McDonald House. We also got credit if the members who went to LEAD wore anything red.

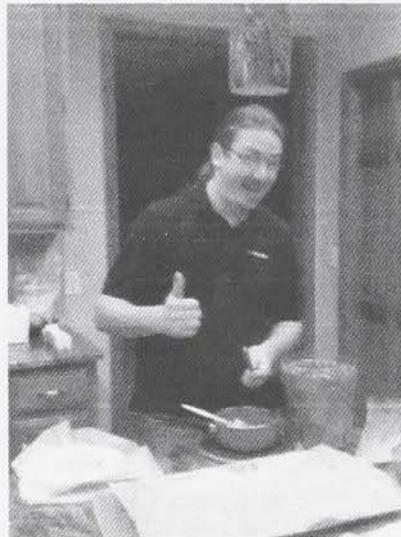

On February 4th, 2014, the colony set up a table in Evans Commons for the student body to make Valentine's Day cards to give to Veterans. After the cards were made we had a couple of our members hand delivery them to a Veterans Home. They had a great time and the Veterans enjoyed getting cards from our colony.

On February 14th, 2014 the colony helped make Parachord bracelets as part of the National Community service project. We split first place recognition with the help of SLAC and Eta Nu.

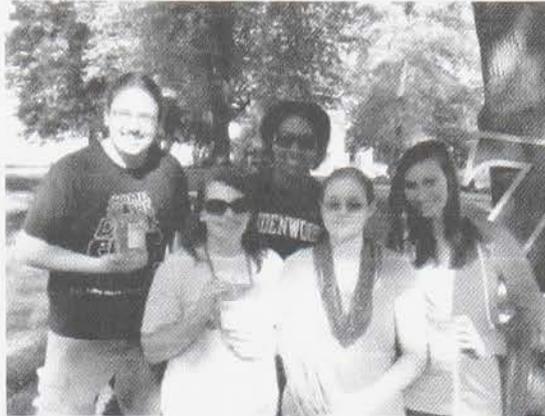

## Fundraising

On March 14, 2012, the colony held a bake sale at the university. All the members helped bake all the items that we sold that day; this included cupcakes, cookies, and much more. We set up in a high traffic area so people would be able to see what we were selling. We made \$138.02.

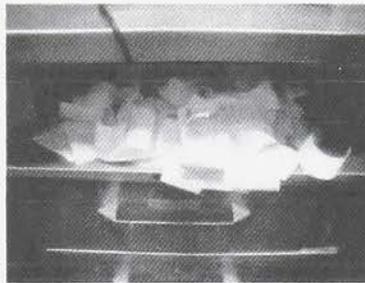

On April 17, 2012, the colony set up a sale of Mardi Gras Beads during the university's Greek Olympics. We went to all the events and promoted our sale for buying beads to support the

different Greeks. We had all the different fraternities and sororities' chapter colors so people could buy their colors.

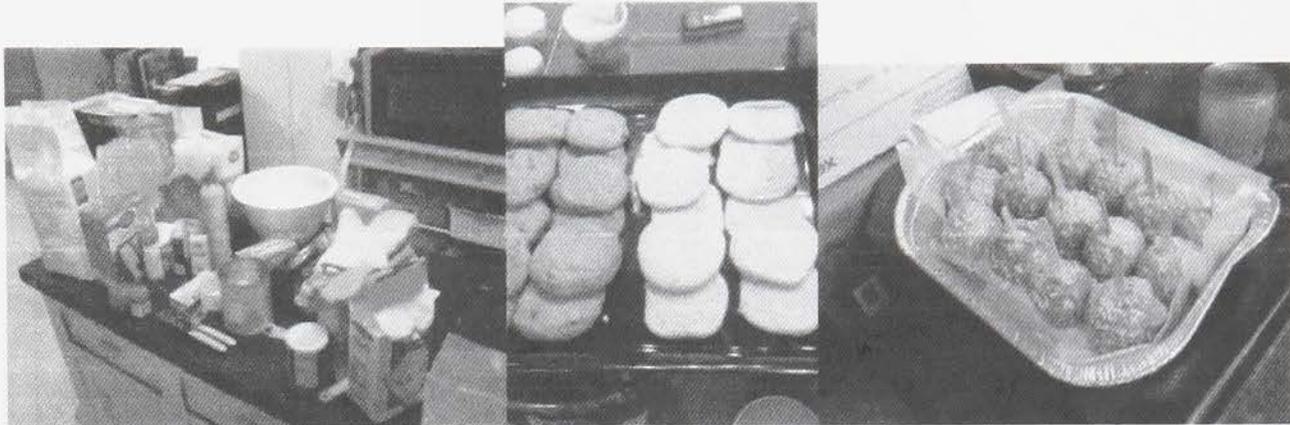

On May 11, 2012, a few of the colony members went to help out at the Graduate Graduation Ceremony, at the St. Charles Family Arena. We worked the concession stand selling food and drinks, which we completely sold out of everything. We raised \$250 in one never ending night.

On July 4<sup>th</sup>, 2012, the colony helped out with the St. Louis Alumni Chapter's booth at Fair Sr. Louis. We helped set up all of the drinks that were to be sold. We had some people taking orders and some receiving the money and some that grabbed the drinks. We made \$344.25.

On October 24, 2012, the colony set up a bake sale at the university. All the members helped bake all the items that were being sold that day. This semester we tried to increase our sales by doing pre-orders, which the colony member went and sold to family, friends and faculty staff and then delivered their orders on this day. We also added a variety of new items to the ones we sold in spring, such as pumpkin rolls and lemon bars. We made \$444.05.

On October 30, 2012, the colony held a 50/50 raffle for one week at the university. We sold raffle tickets, individual as well as manning a table and selling them in a high traffic location. The winner received half of what we rose which was \$81 in total.

On November 6, 2012, the colony sold holiday wreaths the whole month of October to faculty/ staff and family. They were live wreaths of many different sizes as well as in some shapes. We delivered them all to their proper owners and made \$189.35.

On November 15, 2012, the colony held a trivia night/ silent auction on campus. We invited everyone from the university, alumni, brothers, family, and friends. We created the questions and provided food and drinks. The silent auction items that were donated came from the alumni members and local businesses. We made \$206.92.

On March 13th, 2013, the colony held our Bi-Annual Bake Sale at the university. All the members helped bake all the items that were being sold that day. We continued to do pre-orders to increase our sales. The colony members went and sold to family, friends and faculty and then delivered their orders on day of the bake sale. We also added a variety of new items to the ones we sold in spring, such as dark chocolate mint cupcakes and cookie jars to make your own cookies. We made \$681.43.

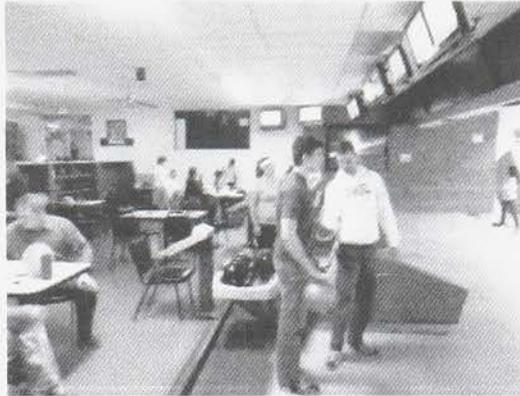

On July 5th, 2013, the colony helped out with the St. Louis Alumni Chapter's booth at Fair Sr. Louis. We helped set up all of the drinks that were to be sold. We had some people taking orders and some receiving the money and some that grabbed the drinks. We made \$149.90.

On October 7th, 2013, the colony held our Bi-Annual Bake Sale at the university. All the members helped bake all the items that were being sold that day. We continued to do pre-orders to increase our sales, which the colony member went and sold to family, friends and faculty staff and then delivered their orders on this day. We also added a variety of new items to the ones we sold in spring, such as pumpkin cheesecake cupcakes and dark chocolate, chocolate chip cupcake. We made \$880.25.

On October 22nd, 2013, the colony sold Christmas Wreaths to family, friends and faculty staff. This also helped out the local venturing crew raise money for their crew. The more we sold the more the colony could have made. We made \$99.25.

On November 2, 2013, the colony held a Crazy bowling night. We invited friends, family, local chapters, and alumni to come bowl and have fun. We made \$234.00.

On February 28th, 2014 after selling tickets for the St. Charles Chill hockey team as a fundraiser, some of our colony members attended the game. It was a really close one with a disputed goal in the last 5 seconds that would have sent the game into overtime. We made \$45.00.

## Social Events

On February 16, 2012, the colony had a movie night at the university. We watched Animal House and had snacks and drinks. It was a great night for the members to get together and hang out.

On May 1, 2012, the colony had a movie night at the university. We watched 27 Dresses and brought snacks and drinks. It was a good time for members to get together at the end of the semester and relax before finals.

On September 28, 2012, the colony went to the St. Louis Cardinals game for Greek Night at the Ballpark. The Cardinals were playing against the Nationals and won by a landslide. It was a great night for the member to go out together and have a good time.

On September 29, 2012, the colony went to support one of our members who participated in the Warrior Dash in Monroe, MO. She ran a 5K with some of her friends and had to go through many obstacles along the way. She did a great job and we were glad to come out and support her.

On October 7, 2012 the colony volunteered at the MO Cowbell Race in St. Charles, MO. Using little cowbells, we helped cheer on the racers before they started. As well as directed them throughout the course. We also helped give them their medals when they finished the race.

On November 10, 2012, the colony attended the St. Louis Alumni Chapter's Career Prep Day. Each member had an interview set up with an alumni member of a specific business field. We also learned some good tips for resume building and applying for jobs.

On December 1, 2012, the colony went on a tour of Anheuser Busch in St. Louis, MO. We got to hear about how the company got started and what has been going on since then. We got to look at all the different steps of the brewing process and what goes into the finished product.

On December 4, 2012, the colony had our final meeting for the semester and an awards ceremony. Everyone received a small gift for being involved this semester and for doing a great job. We played games and had fun.

On October 30, 2013 we set up a cup cake stand at the Dark Carnival. Dark Carnival is an event set up by Lindenwood University to celebrate Halloween for the students on campus. We made hundreds of cupcakes and had various topping and allowed everyone who walked by to decorate their own cupcake.

On November 9, 2013, the colony attended the St. Louis Alumni Chapter's Career Prep Day. Each member had an interview set up with an alumni member of a specific business field. We also learned some good tips for resume building and applying for jobs.

## National Events

On September 22, 2012, the colony went to the Mizzou campus for the Mid-America Region School put on by the regions alumni. It was run the same way as a LEAD Conference. Each colony member went to a different session so we could obtain as much information as possible to take home and share with others. There were sessions about the HUB, round tables, recruitment, parliamentary procedure, ritual (which we did not attend), and so much more.

On November 3, 2012, the colony attended LEAD in Des Moines, IA. The member each went to a different session to get the most information as possible. Some of the sessions we went to were about the HUB, how to relieve stress, dealing with your money, what type of leader you are, and how to motivate your members.

On February 22, 2013, the colony attended LEAD in Overland Park, KS. The member each went to a different session to get the most information as possible. Some of the sessions we went to were about the how to be a better business person, what type of leader are you, and how to handle officer transitions. There was also a dinner and dance afterwards. The next morning was the Provincial meeting.

On September 24, 2013, the colony went to the Mizzou campus for the Mid-America Region School put on by the regions alumni. It was run the same way as a LEAD Conference. Each colony member went to a different session so we could obtain as much information as possible to take home and share with others. There were sessions about the HUB, round tables, recruitment, parliamentary procedure, ritual (which we did not attend), and so much more.

On October 22, 2013, the colony attended LEAD in Indianapolis, IN. The member each went to a different session to get the most information as possible. Some of the sessions available were about the membership education (which we did not attend), mastermind groups, and recruiting effectively.

On February 14th, 2014, the colony attended LEAD in Little Rock, AR. The members each went to a different session to get the most information as possible. Some of these sessions we went to were about how to manage your time, ethical practices in the business world, officer transition, and how to put on event. There was a dinner and a dance afterwards which was a lot of fun. The next morning the president went to the Provincial meeting.

Name:

Jenan Al Yasiry

Major:

International Business

Expected Graduation Date:

May 2015

Home Town:

Creve Coeur, MO

Extracurricular Activities:

Big Brother Big Sister

Interests:

Music, Reading, and Traveling

Name:

Elizabeth Beauchamp

Major:

Finance

Expected Graduation Date:

May 2015

Home Town:

Collinsville, IL

Extracurricular Activities:

Bowling Team

Interests:

Netflix

Name:

Cristina Bodden

Major:

Accounting

Homecoming Captain

Colony VPPA

Interests:

Shopping, Working for Justice for Girls, Traveling

Kimberly Brickler-Ulrich, CPA

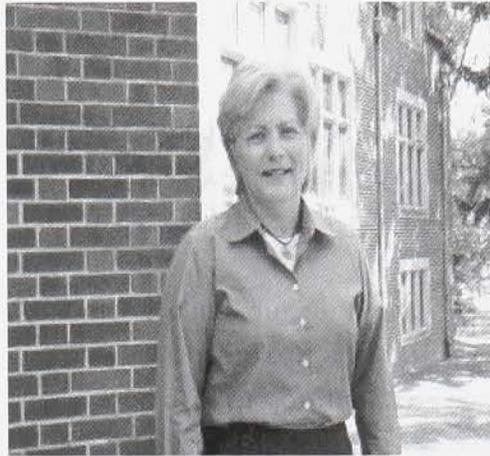

Associate Professor

Educationally, I earned my Bachelor of Science in Accounting from Truman State University and my Masters of Business Administration from Saint Louis University. In addition, I maintain my CPA license in the state of Missouri.

I've been at Lindenwood for nearly 10 years, during which time I've worked a full teaching load and have been a part of many committees including general education, institutional review board, and employee wellness. I currently serve as the chair for the catalog committee as well as on the faculty council, in addition to advising the Delta Sigma Pi students. My main focus at the university is on the students, so I've promoted numerous networking and career nights and strongly encourage all of my students to participate. Our exposure at these events has increased the recruiting done on campus by local employers, several of which regularly hire interns and full time employees from our candidate pool.

Prior to being employed by Lindenwood I held various positions in internal auditing and accounting. A couple of career highlights include instilling controls to stop potential misappropriation of company funds and implementing cost savings procedures to drastically reduce costs of copy machine contracts. In addition, I've had significant involvement with implementation of financial accounting systems.

Outside of work I have two teenage sons and am expecting a daughter to arrive in the next month. My husband and I are runners and have both completed two marathons and several half marathons; a hobby I look forward to picking up again after the baby comes. Other than that I try to relax when I can and enjoy spending time with family and friends.

## Biography

---

**Judy Kamm** has a Master's of Art Degree in Economics from the University of Missouri-St. Louis. She has worked as an Instructor and Associate Professor of Economics in the St. Louis area for over 20 years. For over 15 years, Associate Professor Kamm has taught at Lindenwood University. Professor Kamm believes learning can also occur outside of the classroom and is always trying to instill the application of course content into everyday living.

Besides teaching, Professor Kamm's activities at Lindenwood include Assistant Academic Advisor to Delta Sigma Pi, Faculty Advisor to the annual Etiquette Dinner, Club Coordinator for the School of Business and Entrepreneurship.

In February 2013, Professor Kamm presented "Enriching Relevance-Supplement Classroom Lectures Utilizing "Evergreen" Discussion Points" during Teaching Economics 24<sup>th</sup> Annual Conference at Robert Morris University.

In February 2012, Professor Kamm presented "Living on a Budget and Still Having Fun" during Lindenwood University's Sibley Day.

In 2010, Professor Kamm was awarded the Lindenwood University "Service Award" for dedication to the university and service to students

From August 2007 to April 2009, Professor Kamm published monthly articles in the St. Charles County Journal, in a column entitled "Fixing Your Finances".
