ABOUT

WHAT IS THE FOUNDERS' DAY CHALLENGE?

The Founders' Day Challenge runs from November 6-7, 2026. It is a peer-to-peer fundraising campaign designed to celebrate Founders' Day while supporting the heart of Delta Sigma Pi – our collegiate chapters – by collecting gifts from brothers, friends and family for each Chapter's Leadership Fund.

Get started today at dsp.org/fdc!

CHAPTER LEADERSHIP FUNDS (CLFs)

Chapter Leadership Funds are chapter-specific accounts within the Delta Sigma Pi Leadership Foundation created to receive charitable gifts restricted to each Delta Sigma Pi chapter.

Collegiate chapters can request grants to defray the direct costs related to attending Fraternity events (LEAD Provincial Conferences, LEAD Summits, Grand Chapter Congress and Presidents' Academy) or to help cover the costs associated with chapters or chapter members sponsoring or attending educational or professional/personal development speakers and/or workshops, conferences or similar events (including field trips to businesses that include significant elements of educational presentations, tours, etc.).

Frequently Asked Questions

How do I get started?!

It's as simple as registering as a participant or joining a team at **dsp.org/fdc!**

If my chapter is closed, can I give to another chapter?

Absolutely! You can support any chapter(s) of your choosing or give to the Deltasig Fund (Greatest Needs formerly known as Annual Fund).

Can I just donate to the Greatest Need and not a Chapter Leadership Fund?

Yes! Just choose "Deltasig Fund" under "I would like my gift to support the following fund".

Will each collegiate chapter have their own fundraising page?

Yes! Each chapter has a team page already set up and ready to customize! There is no need for chapters to set up an additional team page.

Can anyone set up their own donation page?

We encourage it! Anyone can create their own donation page without being a part of a team. Just click the "**Register**" button under the "**Get Involved**" tab on the Founders' Day Challenge home page.

Frequently Asked Questions

I want to support my friend's team, but would prefer to donate to a different fund than they are supporting. Can I pick which fund I'm supporting?

Yes! Each donor chooses which fund their donation supports.

Do I have to give online or can I mail a check to the Delta Sigma Pi Leadership Foundation?

You can make a donation online using the Founders' Day Challenge platform or you can mail your Founders' Day donation to the Delta Sigma Pi Leadership Foundation at 330 South Campus Avenue, Oxford, OH 45056. A receipt will be sent to you once your donation has been processed.

Frequently Asked Questions

If our chapter hosts an event for Founders' Day, how can we maximize our gifts through the Founders' Day Challenge?

We encourage all chapters to customize their Founders' Day Challenge team page and to utilize the tools within the team page. You can send emails inviting friends and family to participate, share your page on social media, create events and activities, and more! If you host an in-person event, be sure to promote it on the site for others to attend - and if you collect any cash or checks at the event, contact foundation@dsp.org for details on how to process.
