*Help Delta Sigma Pi
Pave the Way for
a Second Century
of Success!*

After 100 years in business and 50 years in Oxford, we took the bold step to renovate our Central Office! To help fund this historic renovation, brothers and chapters across the country have purchased engraved bricks for a special courtyard. Many years from now, brothers will be reminded of these important contributions to the Fraternity. You can still be a part of this special group of brothers and friends! Create a message with your name and chapter, a personal message, or honor others with a gift that will be a lasting tribute.

For \$300 for a 4"x 8" or \$500 for an 8"x 8", you can leave a legacy and help set the foundation for our second century.

Details

Bricks are engraved using state-of-the-art laser technology to insure strength and durability for many years to come. Please enter detailed engraving information at right. Messages are 20 characters per line; including spaces and punctuation. Greek letters are available. All engraving is in capital letters. Please print clearly. For more than 2 bricks, please use another form (to show lettering only).
