Scholarships will be offered to the nationally renowned LeaderShape Institute for the **July 24-29** session in **Champaign, IL**. The LeaderShape Institute is an intensive, energizing and unique educational experience designed to develop students' ability to lead with integrity. This Institute will be comprised of approximately 50-70 students from all over the U.S. with diverse experiences, ethnic, religious, and cultural backgrounds. At the LeaderShape Institute, participants create a "LeaderShape Vision" to create "extraordinary improvements" on campus, in the community or in Delta Sigma Pi. LeaderShape is most impacting when the participants make a commitment to test and apply the principles and

skills they learn through making a difference for others. Thus, not only are you making a six-day commitment to attend LeaderShape, you are making a commitment to improve yourself, your Fraternity, university and surrounding communities with all that you've learned. For more details visit www.leadershape.org. (Full Tuition Scholarships for this program cover accommodations, meals and program materials for the session – you are responsible for your travel to and from the event. A travel stipend will be available to help with partial transportation/travel expenses.)
