

Northeastern - 2008 Provincial Council Meeting

HOW TO USE THIS LEGISLATION BOOKLET AT PROVINCIAL COUNCILS

This document describes in detail any recommendations proposed to the Northeastern Provincial Council for consideration, including Bylaw Amendments, Ritual Proposals and recommendations for consideration by the Fraternity's Board of Directors.

No Bylaw or Ritual proposals were submitted.

Proposals related to Policy and Procedures may be discussed and voted upon by the Council, but ultimately all Policy and Procedures are administered by the Fraternity's elected Board of Directors. The Board, of course, will take any recommendation passed by a majority vote of the Provincial Council very seriously.

PROPOSALS

PROPOSAL 1 – Recommendation to the Board of Directors

Submitted by:

thomas_calloway@comcast.net

Summarization of the Proposal/Recommendation:

This recommendation is a request to make the Ritual Chair for each chapter available within the Officer Contact section of our website.

Purpose of the Proposal/Recommendation and reason(s) for its submission:

Ritual of Delta Sigma Pi, particularly during initiation, is an important aspect of the fraternity. Having a contact to discuss aspects of a chapter's ritual would aid in ensuring that ritual is properly conducted and assist in providing direct feedback by the regional vice president. Additionally it will assist in communications between chapters when coordinating the regalia trunks in situations of hand delivery.

Recommended implementation date and logic for selecting this date

Recommended date is the earliest date able to complete the required changes to the website and corresponding database. Website changes would include the entry page (Form O) and the display page (Office Contact).

Positive aspects of implementing Proposal/Recommendation

Better communication between chapters and between the chapter and fraternity leadership.

Negative aspects of implementing Proposal/Recommendation

None submitted.

Provide a brief cost analysis of the Proposal/Recommendation (if applicable)

Time and effort for the website changes should be minimal.
