1. PVP Budget may include travel expenses related to chapter visits, startup group visits, initiations, and other events in the Province.

2. RVP Budgets are similar to PVP, to the extent of activities in the respective Region

3. In 2025-2026, the National budget directed \$7,500 to each Province and an additional \$500 for each Region. This gave Northeast a total of \$11,000. In June 2025 the national allocation to each Province changed, using geographical distance. The result is in 2026-2027 the Province will receive \$7,774. This budget proposes the breakout among Provincial line items
