## **Introduction**

The Alumni Chapter Recognition Program was developed to encourage alumni chapters to move beyond basic franchising requirements of alumni chapters and recognize those alumni chapters that do. Criteria used in the Alumni Chapter Recognition Program are also designed to benefit the membership of the alumni chapters who participate.

While some may consider the Alumni Chapter Recognition Program structure similar to the Chapter Management Program (CMP) for collegiate chapters, the program is not meant to emulate CMP. Franchising requirements remain in effect for alumni chapters. The Alumni Chapter Recognition Program is another avenue for alumni chapters to promote leadership, enrich programming, enhance communication with their membership and receive recognition for their efforts.

While many items were considered in the development of the Alumni Chapter Recognition Program, the criteria chosen for the program will help strengthen your alumni chapter and the Fraternity as a whole. There are three recognition levels, Bronze, Silver, and Gold. Bronze builds on the alumni chapter franchising requirements. Silver and Gold build on the criteria completed for Bronze and Silver respectively.

The Alumni Chapter Recognition Program is a yearly program based on alumni chapter efforts for the fiscal year (from July 1 to June 30) and submission is due by June 30. This program is independent from the existing Awards available for alumni chapters and is optional for alumni chapters to pursue. The Alumni Chapter Recognition Program is submitted via a form located in the Forms Module of the Hub. See sample Alumni Chapter Recognition Program submission form on page 9.

National Leader verification of criteria will be required for each level of recognition by the alumni chapter's Regional Vice President. Alumni chapters achieving the Bronze, Silver, and Gold levels will be recognized with a certificate at a National event and recognized in *The DELTASIG*.
