DELTA SIGMA PI NEW MEMBER ORIENTATION

The New Member Orientation is to go over the important things that all brothers should know and to introduce the new brothers to our ritual. Although some of these items are covered throughout the pledge education process, this orientation is to help reiterate the most important things about our Fraternity.

I. Terminology
II. 10 Things Every Member Should Know
III. Minimum Standards for Chapters
IV. National and Chapter Structure
V. Ritual Review
**Terminology**

**Deltasig**—The abbreviation for Delta Sigma Pi and the name of our magazine. (Delta Sigma Phi men’s general Fraternity uses Delta Sig).

**Fees**—Monies charged to non-members (pledges) or monies charged for a service. Examples include initiation fees (national and chapter), badge lease fees, regalia fees and late payment fees.

**Dues**—Monies charged to members to support various programs of the organization. (Pledges do not pay dues).

**Recruiting**—The process used by Delta Sigma Pi to promote membership and invite business and economics students to scheduled meetings and activities so they may be considered for an invitation to membership. Delta Sigma Pi only uses the term *rush* when a business school has several competing business fraternities (Alpha Kappa Psi, Phi Gamma Nu, Phi Chi Theta). A *rush* is a series of open forum events conducted simultaneously by competing organizations where interested students go from one to the next in order to determine which group they may want to pursue.

**Pledging Ceremony**—The Delta Sigma Pi Ritual meeting preceding the pledge education period where invited students or faculty are presented with a pledge pin. (Delta Sigma Pi does not use the term *pinning ceremony*.)

**Pledge**—A business/economics student or faculty who pledged to Delta Sigma Pi during a Pledging Ceremony, but is not yet an initiated member.

**Neophyte**—A term used only during Ritual.

**Initiation**—The Delta Sigma Pi Ritual following the pledge education process when pledges take the oath of allegiance to the Fraternity. (Delta Sigma Pi does not use the terms *induction*, often used by honor fraternities, or *crossing*, primarily used in historical Black fraternities and sororities.)

**Collegiate Brother**—An initiated member of Delta Sigma Pi who is enrolled in school and matriculating towards a degree in business or economics (or approved major).

**Alumni Brother**—An initiated member of Delta Sigma Pi who has graduated or withdrawn from school and is no longer in the collegiate chapter.

**Executive Committee**—A standing committee of chapter officers (not an Executive Board).

**Inactive Status**—A temporary removal from membership, for collegiate members during a specific academic term, when extreme circumstances arise.

**Badge**—Symbolic jewelry worn near the heart of members. (member or Fraternity badge)

**Pin**—Symbolic jewelry worn on the lapel or near the heart by pledges. (pledge pin)
10 Things Every Member Should Know

1. Membership is for a lifetime.
   - There is no renewal process or life member fee.
   - No one quits unless removed by disciplinary action or withdraws (with approval) due to permanent conflict of belief or interest.
   - Never say, “I was a member.” Correct those who do.

2. Collegiate members pay national dues twice per year without regard to number of credit hours or level of participation. National dues are payable within the first 30 days of each fall and spring term. Most chapters also have local dues.

3. The only inactive status permitted is for reasons and effects of extenuating circumstances such as natural disaster, death in family, development of long-term illness or other unexpected and unpredictable changes in work and family matters. Approved inactive status is good for one semester or quarter term per application.

4. Membership in alumni chapters after college is optional, but encouraged. There are no national alumni dues, but some chapters have annual local dues.

5. The abbreviation for Delta Sigma Pi is Deltasig. (one word, no spaces, lower case ‘s’).

6. The Deltasig magazine is available online to all members. After graduation, an annual donation to the Delta Sigma Pi Leadership Foundation maintains an annual subscription.

7. The Delta Sigma Pi Individual Code of Conduct and Risk Management Policies apply to every member without regard to status as a pledge, collegiate member, alumni member, faculty, national officer, or staff.

8. Every collegiate and alumni chapter in good standing is entitled to one vote at Provincial Council meetings and the biennial Grand Chapter Congress. Each chapter is expected to always have a delegate at each of these meetings.

9. Every collegiate chapter is expected to recruit, pledge, and conduct initiation at least twice per year. Each initiation should include a minimum of six new student members.

10. Member and business charitable donations are only tax-deductible if made to the Leadership Foundation; not to chapters or the general Fraternity. Delta Sigma Pi is an IRS 501(c)7 organization and operates on the fiscal year July 1-June 30. The Delta Sigma Pi Leadership Foundation is a 501(c)3 organization.

The inclusion of any information from the Bylaws, rules and/or regulations is included for the convenience of the Fraternity and is not Ritual. All such information shall be clearly designated.

Guide to Ritual (from the National Policies and Procedures)

Note: This language is taken from the Delta Sigma Pi Ritual Book. The Ritual Book contains all the definitive information on Ritual. Changes to Ritual require a ¾ vote of the Grand Chapter.
The Ritual serves both as a highly positive first impression for new and future members and also as a touchstone for more experienced members to remind themselves about the purpose and principles of the Fraternity. The Ritual is used at a variety of events, including Chapter Business Meetings, Initiation, the Pledging Ceremony, the Installation of New Officers and the Graduating Senior Ceremony.

This “Guide to Ritual” provides general information on how Ritual events are to be conducted. Please review this guide closely before beginning any event where Ritual is used.
Additions, Revisions or Deletions

All Fraternity members are required to strictly follow the provisions in the Ritual without making additions, revisions, or deletions. In the extremely rare case where a university or college regulation may conflict with this Ritual, the chapter must contact the Executive Director at the Central Office to resolve the conflict.

Admission

No one may be admitted to any Fraternity event while Ritual is being recited. Fraternity members arriving during Ritual are expected to wait outside until the Ritual is finished before they may enter the room. Persons who are not Fraternity members may attend chapter business meetings between the opening and closing portions of the Ritual. Students being considered for membership are often permitted to attend chapter meetings. Only the New Member Induction Ceremony for Alumni Chapters, Memorial Service and Tribute to a Deceased Brother, which are public ceremonies, may be attended by anyone.

Chapter Meetings

The Ritual for Chapter Meetings is to be used whenever a meeting is conducted. Pledges and university administrators are frequent guests to chapter meetings and may attend these meetings except for the Ritual opening and closing. Some topics may arise in chapter meetings which only Fraternity members should discuss. If such a topic arises in a meeting, guests should be excused before continuing the discussion. Please review the information described by the Junior Warden in the Initiation Ceremony to determine what topics are inappropriate for non-members.

Election to Membership

Membership in Delta Sigma Pi is by invitation only. Election is by secret ballot of the collegiate members in good standing of the chapter, present and voting at a meeting, as provided for in the Bylaws of this Fraternity. After being duly elected, the candidate should be approached promptly and invited to membership. It is extremely important that the chapter designate a well-qualified member or committee to extend a comprehensive and positive invitation in a dignified manner. The purpose of the Fraternity and the scope of its activities should be explained to the candidate, as should the financial and other obligations of membership. Should the invitation be accepted, the candidate should be instructed to appear for the Pledging Ceremony at a specified date, time and place.

Memorization

Memorization of speaking parts in all ceremonies is strongly encouraged. The Pledging Ceremony and the Initiation Ceremony are to be memorized whenever they are conducted. Many chapters also memorize the Chapter Business Meeting Ritual. Memorization of the Ritual not only makes a favorable and lasting impression on the neophytes, but also serves to instill a greater appreciation of the true significance of the objectives and purposes of the Fraternity.
Ritual Books

Eight (8) Ritual books are assigned to each collegiate chapter. The chapter president is responsible for their safekeeping. The president is permitted to loan the Ritual to brothers so they may memorize their High Tribunal assignments or for brothers to improve their understanding and knowledge of the Ritual. Each brother to whom a copy is issued is charged with its safekeeping at all times. The chapter president is ultimately responsible for the chapter’s inventory of eight Ritual books.

Ritual books must be carefully guarded against loss at all times. Since every member has taken an oath never to reveal any of the secrets of the Fraternity, under no circumstances may this Ritual be shown or given to any person other than members of the Fraternity. Likewise, copies of any portion shall not be made for any reason.
